LAST WEEK'S PROCEEDINGS

helping those in need. Introductions made, PP Heman then heartily welcomed back PP Hubert who had just returned from Singapore. It seems that our HKIE Rotarians are all busy travelling these days, and PP Heman also announced that PP Henry was soon to depart Hong Kong for an exotic trip to Nairobi, and he was urged to be sure to share with us some of the wonderful photos from his experience upon his return.

As Rotarians, we are by nature, a giving bunch. It's why we are all drawn to each other, to get together to do good. So it felt extremely appropriate when Acting Chairman Past President Heman began the meeting (on time), and after warmly greeting all who were present, introduced our guest speaker Ms Gloria Leung, who among other duties is a founding member of Givers, a non-profit organisation in Hong Kong which devotes its time and resources to

Acting SAA PE William then reported this week's red box donations as HK\$1,100, and he thanked everyone for their contributions. It was announced that there were no birthdays to celebrate this week.

THE LAST LAUGH

Old Butch

John was in the fertilized egg business. He had several hundred young layers (hens), called 'pullets,' and ten roosters to fertilize the eggs.

He kept records, and any rooster not performing went into the soup pot and was replaced. This took a lot of time, so he bought some tiny bells and attached them to his roosters. Each bell had a different tone, so he could tell from a distance, which rooster was performing. Now, he could sit on the porch and fill out an efficiency report by just listening to the bells.

John's favorite rooster, old Butch, was a very fine specimen, but this morning he noticed old Butch's bell hadn't rung at all! When he went to investigate, he saw the other roosters were busy chasing pullets, bells-a-ringing, but the pullets, hearing the roosters coming, could run for cover.

To John's amazement, old Butch had his bell in his beak, so it couldn't ring. He'd sneak up on a pullet, do his job and walk on to the next one. John was so proud of old Butch, he entered him in the Ren-frew County Fair and he became an overnight sensation among the judges.

The result was the judges not only awarded old Butch the No Bell Piece Prize, but they also awarded him the Pulletsurprise as well.

Clearly old Butch was an Obama in the making. Who else but a politician could figure out how to win two of the most highly coveted awards on our planet by being the best at sneaking up on the populace and screwing them when they weren't paying attention.

Vote carefully this year and in 2012. The bells are not always audible.

OUT & ABOUT

ROTARY CLUB OF HONG KONG ISLAND EAST AND HONG KONG COMMUNITY COLLEGE ROTARACT CLUB - ZHAOQING TRIP

During June 22 to 24, 2014 Directors William Wong and Kevin Leung led a team of 16 Rotaractor members from Hong Kong Community College to a school in Zhaoqing in China (廣東省,肇慶市,封開縣,南豐鎮,南豐鎮渡頭村,南豐鎮渡頭小學) on a mission of goodwill and fun. The aim was to give our Rotaractors the chance to perform some service, and also spend time with the young students, teaching, interacting and playing with them.

The trip was generously sponsored by President Jonathan, PP George and Director William who contributed HK\$1,000.00 each, and Rotarian Avis HK\$992.00, with a total amount sponsored of 3,992.00 ,plus the club sponsor amount of HK\$5,000.00, with PP Hubert also sponsoring 82 reading and story books.

The total expenses for this trip from our club came to HK\$8,992.00, but we think all will agree that the good work done and the experience for students young and old was priceless. We thank all members for their support.

ANNOUNCEMENTS

Our members have been busy, and it was announced that on July 11, 2014, DGN Eric, Pres. Norman and spouse Isa, PE William, Hon. Secretary Avis all attended the Asia Pacific Rotaract Regional Conference (APRRC) opening ceremony in Tsuen Wan Town Hall. The APRRC was first initiated by District 3450 10 years ago. This is the 11th event and hosted by District 3450. RC of HK Island East has sponsored our Rotaractors to participate and a total of 30 plus participants from the 3 Rotaract Clubs have attended. We are one of the biggest teams among all the clubs in the district. Congratulations on the good work!

It was also announced that on July 12, 2014, Pres. Norman had participated in the graduation ceremony of the Mary

Wong Centre which is operated by the Heep Hong Society. The centre is specially designed for children under six years old with special needs such as autism, slow mental development, or are physically handicapped, and it was truly amazing to see these children with special conditions show off their talents with singing, dancing and drama performances at the event.

PP Eddy then proceeded to the rostrum to introduce our guest speaker Ms Gloria Leung, who gave a well received presentation about Givers. How it was founded, how it works and what type of projects it undertakes, which was all in all extremely inspiring, and was followed by a series of questions from our interested members. After PP Heman wrapped up the presentation session, Rtn. Chris then thanked our speaker Ms Leung with and commented how heartwarming it was to see such an organisation of selfless individuals doing so much good work in Hong Kong.

Finally, Acting Chairman PP Heman then proposed a toast to RI coupled with Rotary Club of Hong Kong Island East. The meeting was adjourned exactly on time, and all participants were invited to gather for a group photo.
