PROGRAMME LAST WEEK

Rtn R.F. - World Community Service

Rtn RF

Rtn RF presented a Video titled "Pathways of Promise". Through examples of World Community Service Projects around the world, the video explored different aspects of WCS programmes including information on the Information Clearing House for Donations-in-kind Network.

World Community Service falls within the area of responsibility allocated to the International Service Committee. What generally happens is that contact is made with a Rotary Club in another country and assistance is offered in completing jointly, a Community Service Project in that area. Usually the assistance is by way of financial aid which is controlled and monitored by the recipient Rotary Club.

Examples"--

- 1.0 Combining with a Rotary Club in India to build a "tube well" in order to improve the water supply of a village.
- 2.0 Combining with a Rotary Club in Thailand (or India) to assist with eye operations being carried out by Rotarians in remote areas.
- 3.0 Assisting a Rotary Club in Malaysia send a young person to Singapore for heart surgery (Gift of Life Programme).

Financially the cost of WCS projects need not be a burden and it is amazing how far a relatively small sum such as US\$1,000 can go.

ROTARY AWARENESS

No. 1

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service:

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society:

THIRD: The application of the ideal of service by each Rotarian to his personal, business, and community life:

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men united in the ideal of service.

WHAT HAPPENED LAST WEEK

- Seasons festivities and holidays took their toll last week. Our attendance of members present worked out at 43% (36 out of 83).
- Pres. Dave was looking for his "chain of office", no doubt it will be happily back in place this week. Pres. Dave opened the meeting with a special welcome back to PP Ramesh who was visiting us from Bangkok where he is spending much of his time.
- Rtn Gary then introduced our 9 visiting Rotarians and two of them introduced their wives who were attending as guests for the day.
- Banners were exchanged (3 out and 1 in from Kyoto Rakunan).
- Welcome back Rtn Walter Yuen from Manila.
- Rtn Murray told us the deadline for registration for the 1990 RI Convention in Los Angeles (via our District Office) had been extended to 15 January 1990. To date, PDG Peter had registered from our Club.
- Pres. Dave reported the Community Service Project "Rainbow People" took place last week. PP's Andrew, John, Pres. Dave, Rtns David Li and Tony Rackham gave our prizes. Several thousand young people attended.
- Rtn Tony Crow updated us on the efforts to "get back" the money paid in advance for the Manila trip which was postponed due to the uprising down there.
- Many thanks to Rtn Leslie and Molly for all their work in organising the Christmas function on 20 December.
- On 30 December, HK telephone numbers will change. PP Con told us all about it. For every 3 people in Hong Kong, there is 1 telephone line. In short, the new system to include area code for those numbers with 6 digits and to delete the area code for those which have 7 numbers, has been introduced as part of a project to introduce a very advanced telecom system. As of 31 December, all telephone numbers in Hong Kong will have 7 digits and with effect from 1993, should we change residence, our telephone number will go with us. PP Con advised us there will probably need to be a change in 5 years' time, to 8 digit telephone numbers to be uniform with the worldwide system at that time.
- Incidentally, we believe congratulations may be due to PP Con. We hear a whisper that in successfully restructuring himself "out of a job" at CSL, he has found himself "elevated" within HK Telephone Co. All will be revealed in the new year.
- Rtn R.F. introduced the video tape on World Community Service.
- PP YP was Acting Sgt. of Arms. He reported a collection of \$830.
- Pres. Dave closed the meeting with a toast to RI and the Rotary Club of Palo Alto, California.

SPEAKER THIS WEEK

Rtn Tao Ho (RC HK Island West).

PROGRAMME LAST WEEK

Mr. J.R. Devereaux
Principal Shatin Technical School
Subject: Vocational Training Council

Mr Devereaux

Mr. Devereaux advised us on what was being done to meet the Technical Education and Industrial Training needs in Hong Kong.

The Vocational Training Council of Hong Kong has 4 Government and 18 non Government Council Members who are drawn from a cross section of the community here. Working under the council are 19 Training Boards and 7 General Committees. In all, there are over 300 people working on the Boards and Committees.

Manpower survey is a major Council responsibility. Mr. Devereaux advised this was a very difficult and sometimes hazardous exercise, but as a result of their efforts, the Council is able to prepare a report for Government and Industry generally, which forecasts manpower needs in the years ahead and shows how these needs can be met.

Another important responsibility of the Council is training and there are 12 Industrial Training Centres in Hong Kong, - all highly organised and well equipped. Instructors are now being trained overseas. Student Training also extends to the commercial sector (i.e. Banking/Insurance) and this is aimed at upgrading/retraining existing personnel.

The Council operates 8 technical Institutes which put through some 34,000 students annually.

Problems in the future are seen in the area of staff recruitment and in finding the required number of students of the right calibre with a good knowledge of English.

NEWS FROM OUR ROTARACT CLUB

The Rotaract Club of Hong Kong Island East (which we sponsor) has a membership of 49 and Rtn Joseph Chan is their adviser. Their activities recently have included a bicycle outing on December 16. They have also raised \$2,000 for Oxfam (by organising a walkathon); organised a Christmas Party for the students at Pinehill School and Attended the Breakthrough Youth Festival. The Club is also involved in a Project on Air Pollution.

On January 21st, they are holding a fund raising walkathon and they are looking for support.

Any Rotarian who would like to know more about Rotaract and in particular to know more about our own Rotaract Club, please make contact with Rtn Joseph (Phone: 8592316) These young people would welcome our support at their meetings.

STORY OF THE 4-WAY TEST

By Herbert J. Taylor

Back in 1982 I was assigned, by the Creditors of the Club Aluminum Company, the task of saving the company from being closed out as a bankrupt organization. The company was a distributor of cookware and other household items. We found that the company owed its creditors over \$400,000 more than its total assets. It was bankrupt but still alive.

At that time we borrowed \$6,100 from a Chicago bank to give us a little cash on which to operate.

While we had a good product or competitors also had fine cookware with well-advertised brand names. Our company also had some fine people working for it, but our competitors also had the same. Our competitors were naturally in much stronger financial condition than we were.

With tremendous obstacles and handicaps facing us we felt that we must develop in our organization something which our competitors would not have in equal amount. We decided that it should be the character, dependability and service mindedness of our personnel. We determined, first, to be very careful in the selection of our personnel and, second, to help them become better men and women as they progressed with our company.

We believed that "In right there is might" and we determined to do our best to always be right. Our industry, as was true of scores of other industries, had a code of ethics — but the code was long, almost impossible to memorize and therefore impractical. We felt that we needed a simple measuring stick of ethics which everyone in the company could quickly memorize. We also believed that the proposed test should not tell our people what they must do, but ask them questions which would make it possible for them to find out whether their proposed plans, policies, statements or actions were right or wrong.

We had looked in available literature for such a short measuring stick of ethics but could not find a satisfactory one. One day in July, 1932, I decided to pray about the matter. That morning I leaned over my desk and asked God to give us a simple guide to help us think, speak and do that which was right. I immediately picked up a white card and wrote out The 4-Way Test of the things we think, say or do as follows:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

I placed this little test under the glass top of my desk and determined to try it out for a few days before talking to anyone else in the company about it. I had a very discouraging experience. I almost threw it into the wastepaper basket the first day when I checked everything that passed over my desk with the first question, "Is it the truth?" I never realized before how far I often was from the truth and how many untruths appeared in our company's literature, letters and advertising.

After about sixty days of faithful constant effort on my part to live up to The 4-Way Test I was thoroughly sold on its great worth and at the same time greatly humiliated, and at times discouraged, with my own performance as president of the company. I had, how-

ever, made sufficient progress in living up to The 4-Way Test to feel qualified to talk to some of my associates about it. I discussed it with my four department heads. You may be interested in knowing the religious faith of these four men. One was a Roman Catholic, the second a Christian Scientist, the third an Orthodox Jew and the fourth a Presbyterian.

I asked each man whether or not there was anything in The 4-Way Test which was contrary to the doctrines and ideals of his particular faith. They all four agreed that truth, justice, friendliness and helpfulness not only coincided with their religious ideals, but that if constantly applied in business they should result in greater success and progress. These four men agreed to use The 4-Way Test in checking proposed plans, policies, statements and advertising of the company. Later, all employees were asked to memorize and use The 4-Way Test in their relations with others.

The checking of advertising copy against The 4-Way Test resulted in the elimination of statements the truth of which could not be proved. All superlatives such as the words better, best, greatest and finest disappeared from our advertisements. As a result, the public gradually placed more confidence in what we stated in our advertisements and bought more of our products.

The constant use of The 4-Way Test caused us to change our policies covering relations with competitors. We eliminated all adverse or detrimental comments on our competitors' products from our advertisements and literature. When we found an opportunity to speak well of our competitors we did so. Thus we gained the confidence and friendship of our competitors.

The application of The 4-Way Test to our relations with our own personnel and that of our suppliers and customers helped us to win their friendship and goodwill. We have learned that the friendship and confidence of those with whom we associate is essential to permanent success in business.

Through over twenty years of sincere effort on the part of our personnel, we have been making steady progress toward reaching the ideals expressed in The 4-Way Test. We have been rewarded with a steady increase in sales, profits and earnings of our personnel. From a bankrupt condition in 1932 our company within a period of twenty years had paid its debts in full, had paid its stockholders over one-million dollars in dividends and had a value of over two-million dollars. All of these rewards have come from a cash investment of only \$6,100. The 4-Way Test and some good hard working people who have faith in God and high ideals.

Intangible dividends from the use of The 4-Way Test have been even greater than the financial ones. We have enjoyed a constant increase in the goodwill, friendship and confidence of our customers, our competitors and the public — and what is even more valuable, a great improvement in the moral character of our own personnel.

We have found that you cannot constantly apply The 4-Way Test to all your relations with others eight hours each day in business without getting into the habit of doing it in your home, social and community life. You thus become a better father, a better friend and a better citizen.

SPEAKER THIS WEEK

Professor Albert Weale
Visiting Professor to
City Polytechnic
Subject: Policy approaches to
environmental problems

PROGRAMME LAST WEEK

Rtn Dr Tao Ho
Subject: The need for efficient
use of energy

Rtn Dr Tao Ho

Dr Tao Ho explained he was addressing two aspects of "Energy" - Macro and Micro energy. "The sun is the source of life and everything is related to it in one form or another". This is how Dr Tao Ho explained Macro energy, whereas Micro energy referred to electricity, heat, fire etc.

We need to conserve energy and this can be achieved by using it more efficiently. "Energy is finite" said Dr Tao Ho.

"By the year 2000 it is probable we will need 4 times as much energy as we need today and serious consequences could result if we do not take positive steps to conserve energy now."

We also need to control environmental pollution and Dr Tao Ho commented on global warming (the Greenhouse Effect); acid rain problems; noise and visual pollution and the age old argument re nuclear danger.

We were told inefficiencies in the present system in Hong Kong resulted in considerable energy wastage. There must be greater Public awareness of the problem and there must be open collaboration between Government(s) and the community at large. Education through TV, newspapers, school syllabus should be instituted.

We need better hardware such as co-generation, solar hot water collectors for housing/hospitals etc. We also need improved energy effective lighting and other energy efficient devices, Dr Tao Ho said.

Legislation should be introduced to change Building Ordinances so as to ensure energy saving measures are made compulsory. Government incentives should be offered to Developers so as to encourage energy efficient architectural designs.

Dr Tao Ho advocated the introduction of the professional services of an "Energy Accountant" for buildings to determine where and how to save energy or to determine how to make the same amount of energy perform more efficient work.

WHAT HAPPENED LAST WEEK

- 48 Members registered their attendance (58.5%).
- Pres Dave opened the meeting and invited PP Peter K to introduce visiting Rotarians and guests.
- Welcome back PP Edwin, Rtns Michael and David.
- Happy Birthday to — Pres Elect YK, Rtns John VI and Thomas. PP Con was in fine voice for the Birthday song, leading us all 'from the top' as always and the general reaction seems to be that our singing is definitely improving!
- Sgt at Arms Michael reported a take of \$1,500 for the day. Thanks to all who contributed. Special thanks to Pres Elect YK, PP's Chan Soo, Sam, Rtns Michael, Henry, David, Samuel.
- Rtn Ben Wong updated us on the Vocational visit to Philips on 17 January 1990. He advised wives would also be welcome. So far 29 members had indicated they will be going.
- Rtn Leslie told us 18th January is the date for the next Club Assembly at 6:00 p.m. World Trade Centre Club. He also advised Rotary Club of Admiralty was not meeting at Furama Hotel on Fridays.
- 4 members of the Club attended the District Rotary Foundation Seminar last weekend when, out of the blue, Pres Elect YK was asked to accept from Rotary International Director, Benny Santos, R.I.'s 10000% Certificate for the 1988/89 Rotary year.

We are all waiting with great interest to hear what a 10,000% certificate really represents! and PP Jack, our noble leader last year, has undertaken to research this in time for a brief presentation on the subject this week!

- PP Harold gave us some Rotary International Membership Statistics.
- Rtn RF introduced our guest speaker Rtn Dr. Tao Ho who gave us an interesting address on the need for efficient use of energy. Pres Dave thanked Dr. Tao Ho and then closed the meeting with a toast to RI and RC of Melbourne South.

HELP! WHO'S SIGNATURE IS THIS?

The Board has been asked to grant leave of absence to our fellow Rotarian who's signature appears below (Jan 5-25). The only problem is they cant interpret the signature! Obviously the "owner" of the signature can enlighten us as to who he is on his return to but if anyone else recognises who is might be, Pres Dave would be happy to hear from you.

PROGRAMME LAST WEEK

Professor Albert Weale
Policy Approaches to
Environmental Problems

Professor Albert Weale was visiting Hong Kong from U.K. and he told us what was happening, and what still needed to happen as Europe grappled with its environmental problems.

Prof. Weale advised us control of the environment was intertwined with economic development. The population in Europe is now looking at environmental issues and the quality of life they enjoy. Public surveys revealed a high degrees of public interest in the environment and policy makers were feeling the pressure of this Public opinion.

"Pollution knows now boundaries". In Europe, a tremendous amount of pollution is imported and exported from countries due to the close proximity of each. Major emphasis is being placed on how to anticipate pollution and how to stop it at source.

"Another important move is towards integrated pollution control at least in the sense of integrated 'permitting'". Europe is a collection of nation states each with its own traditions, styles and ways of doing things. U.K. is very flexible on pollution, West Germany is much more regulated and Holland is working hard at getting co-ordination, on environmental problems, between the various Governmental Departments.

Co-ordination between Governments of different countries is very important when dealing with pollution issues. "Ways must be found to integrate in order to produce a coherent whole" said Professor Weale. Much needs to be done on an international inter-government scale. "The world community has to share out responsibilities in a fair way".

Environmental control is a very challenging and urgent task now facing all Governments today.

WHAT HAPPENED LAST WEEK

- Pres Dave opened the meeting with a special welcome back to PDG Peter Hall. PDG Peter then explained to us what the Rotary Foundation 10,000% certificate represents. "Very simple" said PDG Peter — suffice it to say we have done well with the number of Paul Harris Fellowships from our club since we were chartered. (Where contributions equal the equivalent of US\$10 per member, a 100% plateau is gained and this increases yearly according to our contributions.)
- A change in venue last week to Marina Room II. Small but cosy. 46 of our own members attended (56%).
- Rtn Gary Chiu welcomed our visiting Rotarians and we had 2 members from our own Rotaract Club attending (Raymond and Morris Chan). They were introduced by Rtn Joseph Chan.
- The Banner exchange was delayed a little until we found our supply! We registered 2 out and 1 in.
- Welcome back Rtn Gary Chiu from India, Mark Whitehead from Nepal, Eddie Ip from Canada, PP Warren Wilson from "down under" and Rtn Sital Motwani.
- Happy Birthday PP Warren Wilson, Rtms Ben Wong, SY Pang and Tom Lloyd, PP Con again warmed his vocal chords to lead us in the Birthday song.
- Pres. Elect YK spoke to us about arrangements from the vocational visit to Philips. He also reminded us of the club assembly on Thursday 18th January.
- PP Harold Lee spoke on Rotary Village Corp. which was started by Past RI President Mat Caparas. We will report more on this in a later "Tung Feng".
- Sgt. at Arms was Rtn David Li. Thanks especially to PP's Warren, Andrew and Rtms Eddie, Mark, Ben, SY, Tom. We collected \$1,660.
- Pres Elect YK introduced our speaker, Professor Albert Weale, who gave us an insight into what is being done and what needs to be done to face the challenge of pollution. PP Con spoke of the Hong Kong Government's appalling past record in pollution control and he thanked the speaker for his most timely address.
- The meeting closed at 2:00 p.m. with a toast to RI and Rotary Club of RC of St. Kilda, NZ.

VOCATIONAL VISIT TO PHILIPS 17/01/90

20 Rotarians and Rotaryann June Wong (wife of PP Peter K) boarded the bus outside Excelsior Hotel following our meeting last week and off we went to visit Philips Consumer Electronics Factory in Kwai Chung. Here we were met by three senior executives who first showed us a video detailing Philips activities in Hong Kong. They then divided us into 3 groups for a tour of the premises and what an interesting afternoon it turned out to be. We saw how Philips develops and manufactures a range of portable radios, clock radios, radio cassette combinations and telephones. All high-tech and within a very pleasant environment for the employees. Even "higher-tech" was the Electronic Devices Factory which has a staff of 1,650 and manufactures transistors, semi-conductors and electronic components mainly for use in Philips products world-wide. We are told they even sell transistors to Japan which is a sure sign of excellence in both product and pricing.

And so, thanks to the efforts of IPP Jack Lau, we were able to get an insight into two of Philips five advanced technology factories in Hong Kong. Thank you also to Messrs. Lai, Ma and Lee of Philips who guided us through the factories. Thank you also to Chairman of our Vocational Committee Rtn Ben Wong for organising the visit.

ROTARY IN POLAND

On 16.01.90, the Asian Wall Street Journal contained a headline "Rotary Club's return capitalizes on a new Poland". The Rotary Club of Warsaw is not operational with 25 members so far. No doubt, we will be hearing more from R.I. on the development of Rotary in Eastern Europe generally.

VISIT TO KAWASAKI SOUTH 10TH APRIL 1990

Here is a letter received by Pres Dave from our match club, Kawasaki South. We are considering a "group" visit to be with them for their 30th Anniversary and details are now being worked out. In the meantime please note your diaries. (The Easter holidays start on Friday 13th April - Good Friday).

Dear President David T. Chang.

We were extremely sorry to hear of the death of PDG John Yuen. We don't have to tell you how much we regret the loss of him because he contributed very much to the establishment of the close relation between your club and ours.

In the meantime, we would like to extend our invitation to the fellow members of the Rotary Club of Hong Kong Island East to attend our 30th anniversary which is scheduled on April 10, 1990 at Nikko Hotel in Kawasaki.

We appreciate it very much if you could provide us the list of each attendee and their itinerary as soon as possible so that we will immediately start booking accommodations at Nikko Hotel, because Japan would be crowded in April for the sightseeing season. A friendship golf game and other events are planned.

We are looking forward to seeing you again in KAWASAKI.

Yours Rotarily

(President Seiji Shinohara and Isao Iizuka,
Chairman of the Anniversary Committee)

NOSTALGIC EVENT — By PDG Peter Hall

P.P. BILL NICHOL (President 1958/59)

Most of the time when we talk about P.P. Bill Nichol of our club, our younger members have no knowledge about this dedicated Rotarian.

He was our club president in the year 1958/59 with dynamic strength in club's affairs and observing always the Rotary rules. As charter member, he had contributed a lot in establishing the good foundation of our club.

Bill is now enjoying retirement life with his wife, Moira in Richmond, Canada. He is really "Johnnie Walker" — still going strong.

During my recent visit to Vancouver, I called on him at his home and had a long chat about the good old days in Hong Kong.

Bill asked me to convey his best regards to the Hong Kong Island Easters.

A THOUGHT FOR TODAY

What is Rotary? Thousands have made answer each in his own way. It is easier to note what Rotary does than what it is. One recently has said, "If Rotary has encouraged us to take a more kindly outlook on life and men? if Rotary has taught us greater tolerance and the desire to see the best in others; if Rotary has brought us pleasant and helpful contacts with others who also are trying to capture and radiate the joy and beauty of life, then Rotary has brought us all that we can expect."

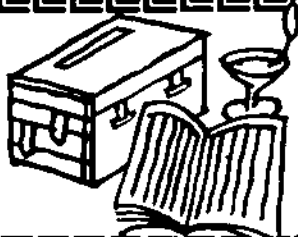

Chicago, October, 1945

Paul P. Harris.

WHAT HAPPENED LAST WEEK

- There were no overseas visitors, but 45 of our own members (including 11 Past Presidents) attended (56%) and contributions to the Sgt. at Arms, Rtn Michael Kelly, totalled \$1,270. Special thanks to PP Ken Poon, PP Sam Lam, Rtns Basil Saunders, Gary Chiu, Roy Grubb, Leif Halvorsen and Sital Motwani.
- Microphone problems plagued us for a short while before Pres. Dave could open the meeting at 1.20 p.m.
- Visiting Rotarians from District 345 were President Arthur Chua of RC Hong Kong and Pres. Elect Peter Kendrick of RC Kowloon. We gave them both a very warm welcome. Regular visitor, Mr. Wing Eng was introduced as a guest of PP John Kwok.
- Welcome back PP Ken Poon from Thailand and Rtn Tony Crow who had also been to Thailand.
- Happy Birthday to Rtn Basil Saunders.
- Secty Tajwar reminded us a number of Rotary Club meetings would be cancelled due to Chinese New Year so we should take care to check first before trying to make up next week.
- Rtn Leslie Soltay advised we had donated US\$1,250 to a Literacy Project in Bangkok and he updated us on the progress of this project. He also advised there would be another Fellowship Dinner of February 3rd at Rtn Hubert's restaurant. People wishing to attend to please notify Rtn Hubert Chan (Phone: 8736033; Fax: 8736753) or IPP Jack who is the co-ordinator for the evening.
- Rtn Tony Crow wants more volunteers to join him and Jennifer, Rtns Tim Lui, David Li, Tajwar Shadikkan, PP John Kwok, at the Interclub Bridge Tournament on February 24th.
- Pres Dave advised we would be participating in a Joint District Project this year. Pres Arthur Chua of RC Hong Kong said a Hospice Project had been selected by them and the Hong Kong Club had committed \$500,000. Lady Wilson, Wife of the Governor is the Patron of the Hospice. Sir David and Lady Wilson will be attending the special function on May 11th to celebrate 60 years of Rotary in Hong Kong. Pres Arthur urged us to sponsor as many tables at the function (to be held at the Convention Centre) as possible. Pres Dave confirmed the project had been discussed at our recent Board Meeting and the Board agreed the project was worthy of support.
- PP Harold advised us how we could start a Rotary Village Corps.
- In the absence of our guest speaker (poor fellow contracted Malaria), PP Con gave us an enlightening address on the proposed law to ensure data information privacy.
- Pres Dave closed the meeting with a toast to RI and our Mother Club, Rotary Club of Hong Kong.

ROTARY VILLAGE CORPS — By PP Harold Lee

The Rotary Village Corps was initiated by past R.I. President Mat Caparas for a 3-year pilot period. The programme has been so successful, the R.I. board has now confirmed RVC as an official programme for Rotary International.

RVC is a non-political and non-sectarian body sponsored by Rotary clubs. Its members are non-Rotarians, with men and women membership.

The goals of RVC programme are:

1. To encourage people to mobilize in self-help activities in order to improve their own community and quality of life;
2. To help people develop their abilities and talents to the fullest while preserving their own culture and community;
3. To recognise the dignity and value of all occupations.

It undertakes at least two projects each year, one serving the community and the other, an educational project.

HOW CAN WE START A RVC?

RVC can be started anywhere in the world, from developed nations to developing countries, such as slum area in the U.S.A., drought stricken farming village in Mexico, depressed manufacturing centre in France, a community in Kenya without health care, also village in India lacking drainage and clear water.

The RVC programme is designed for urban areas as well as rural ones, the R.I. board has approved the use of the alternative names, such as ROTARY COMMUNITY CORPS AND ROTARY NEIGHBOURHOOD CORPS for areas in which the term "VILLAGE" might not be appropriate.

At present, there are 2,329 RVC in more than 34 countries, ranging from Zambia to U.S.A. The programme has achieved its greatest popularity in India and the Philippines.

Let us try to organize at least one Rotary Village Corps in our district by please ask our district governor for more detailed information if our Board is interested.

- Pres Dave closed the meeting with a toast to Rotary International and Rotary Club of Peninsula.

ROTARY INFORMATION CENTRE — DISTRICT 345

Each year we pay a per capita levy to run the above Centre (This year the levy is \$150). To what use is this money put?

The Rotary Information Centre (RIC) is situated in Rotary's own premises on 14th Floor, Capital Commercial Building, 26 Leighton Road, Causeway Bay. Two lovely and courteous young ladies, Miss Connie Yu and Miss Queenie Yeung, are in attendance during business hours. (Phone: 5768882 — Fax: 8955926)

The services offered Club's by the Centre are:

1. To provide Clubs with such items as Rotary Pins and souvenirs.
2. Free usage of approx. 500 square feet Conference Room (equipped with sound system).
3. Free use of TV and VCR for meetings.
4. Free access to all Rotary Publications, Club Bulletins, Newsletters.
5. Free use of Rotary videos (courtesy of PDG Raymond Wong).
6. Free Public Relations guidelines and advice to Clubs who require these services, including advice to the media re forthcoming speakers (providing this information is given to R.I.C. in time).
7. Access to a "speaker bank" (very handy for programme chairman).

The Centre contains an excellent Rotary Library and members who call on the Centre will be impressed at the information which is so readily available to all Rotarians.

FROM OUR DISTRICT GOVERNOR JOSEPH LEE

Since the beginning of this Rotary year, I have tried to get members to be involved in Rotary activities. Many events took place either at the club or district level. I sincerely believe Rotarians will have to take an active part in service to others before they can understand and appreciate the ideals of Rotary. Only involved Rotarians will make membership grow and generate good fellowship and service to others.

ROTARY FOUNDATION NEWS

P.R.I. Pres. Carlos Canseco and P.R.I. Pres. M.A.T. Caparas have been elected as chairman and vice-chairman respectively of Rotary Foundation for 1990-91.

In 1989 the trustees of Rotary Foundation made a PolioPlus Grant of US\$899,000 to the People's Republic of China for immunization personnel training to be administered by the Chinese Ministry of Health in co-operation with UNICEF during the period 89-90 and approved with stipulation a further PolioPlus Grant in an amount not to exceed US\$15 million, towards the cost of a new polio vaccine production facility in Kunming, China.

POLIOPLUS UPDATE

(15 October 1989)

Countries with approved grants	82
Grants and commitments made	US\$109,181,243
Children to be immunized	477,745,000
Estimated number already immunized	176,000,000
Gifts paid in cash	US\$194,239,943

PREPARING OUR YOUTH FOR THE FUTURE

"No matter how ardently Rotarians pursue their good works in the local and world community, these efforts will recede into history unless young people are prepared to assume the mantle of leadership and service when their time comes. Thus, club members take special interest in developing the talents and the enthusiasm of youth, instilling in them a sense of personal and civic responsibility." — Rotary Basic Library, Youth Activities, Volume 6

WORLD UNDERSTANDING MONTH

The Object of Rotary calls for "the advancement of international understanding, goodwill, and peace, "a mission that assumes special prominence in February, World Understanding Month.

Rotary offers many ways to cut through the often artificial barriers that separate people. Such programs as Group Study Exchange, Youth Exchange, and Friendship Exchange bring together people from different cultures and help them to see how minor their differences really are. The Rotary Foundation Scholarship program, in which students study in a country other than their own, also facilitates this kind of cross-cultural understanding.

International Service projects play an important role in Rotary's work for world understanding. Destitute people have little energy or inclination to seek peace. By improving the standard of living in developing nations, in urban slums, and in depressed rural areas, Rotary clubs help to create an environment that will inspire all people to work for the preservation of the planet.

Vocational Service, with its emphasis on promoting ethical behavior in business and professional life, can also make an impact on international relations. If the more than one million Rotarians worldwide take the lead and set a high standard of ethical behavior that cuts across national boundaries, some conflicts that arise from economic and trade disagreements may be lessened.

Rtn Tony Crow asks for more bridge players for Feb. 24th Welcome to our Rotaractors

ROTARY INTERNATIONAL — CHANGES IN MANAGEMENT STRUCTURE

On 31 October, the R.I. Board ordered a management reorganization at the Central Office of the R.I. Secretariat. It approved a streamlined structure and directed President Hugh M. Archer to carry it through immediately.

As part of this reorganization, the characteristics and responsibilities of the office of general secretary were redefined, and Philip H. Lindsey, general secretary since 1986, was removed from that office. Further measures included eliminating the positions of the four associate secretaries and the international meetings division manager, whose duties will be absorbed by existing staff, and rearranging other subordinate positions.

A special committee of the Board has already begun a search for a new general secretary, with the expectation of filling the post by 1 March 1990. A newly created position for a high-level administrator to assist the general secretary should also be filled by that date.

These changes come as a result of a study by an ad hoc committee of current and past R.I. officers to assess Secretariat operations. Their report concluded that R.I.'s management structure was top-heavy, and this impeded the organization's efficiency and increased expenses.

Further budget deficits in recent years have caused a serious drain on R.I. reserves, which dropped by more than US\$30 million in the past three years. (The Rotary Foundation remains in solid financial shape, with assets of US\$302 million.) Although the dues increase that goes into effect 1 January will be helpful, it alone will not return the reserves to their appropriate level of one year's operating expenses.

Several causes have been cited for recent budget deficits, including costs incurred in the move to the new headquarters building; unexpected costs of a new computer system; and to a lesser extent, an increase in R.I. program costs.

Despite these problems, President Archer is confident that the realignment will help Rotary become stronger and more efficient. "The prospects are excellent that this Rotary year will end up on the bright side," he said. "By 1 March 1990, we expect to have installed a new general secretary who will work with our fine Secretarial staff to operate Rotary international in a responsible, business like fashion."

SPEAKER NEXT WEEK

Mr Peter Quick

MD Kowloon Canton Railway Corporation

PROGRAMME LAST WEEK

Mr. Peter J. Botha

Consul General South Africa

Subject: Changes in South Africa

Mr Botha

"Most people expected changes in South Africa under the leadership of President de Klerk, but no one expected such dramatic and immediate change" said Mr. Botha in his address to us. "Furthermore, President de Klerk has made it clear there will be no going back".

The main measures announced by Mr. de Klerk were: To release Mr. Mandela; to lift the 30 year ban on the African National Congress and the communist party; freeing of political prisoners; lifting emergency media censorship; to impose a moratorium on hangings; lifting restrictions on antiapartheid organisations.

The Chinese saying for the week in Tung Feng last week was "After making a mistake, one should not avoid rectifying it". Mistakes had been made in South Africa in the past and the rectification process has now begun.

Quite apart from the apartheid issue there is the underlying and possibly even more serious issue of the inter tribal differences which exist. There are 11 Tribes in South Africa, each with their own traditional ties and whereas urbanisation may have diluted some tribal links, it is probable voting/decision making in the future could be taken on a tribal basis rather than on the basis of individual preference and this could provide serious problems.

Mr. Botha felt recent changes within eastern Europe and more particularly the Soviet Union have resulted in the message being sent out to various "liberation" groups within South Africa, that funding will cease and hence previously reluctant groups may now be more prepared to venture towards the negotiating table.

Mr. Botha said economic sanctions against South Africa were not logical and the lifting of sanctions will contribute towards a greater environment.

Even though a most major and positive step has now been taken, Mr. Botha said the way ahead is not going to be an easy process. Many grudges of the past have to be addressed and buried.

WHAT HAPPENED LAST WEEK

- We had a good attendance of 49 members. This represents 60.4% of our total membership (81) as PP Con told us in his spiel on Rotary Information, our average attendance record at the moment (with make-ups) is running at 73%.
- Pres Dave welcomed everyone and in particular, we welcomed back former member Paul Acconci, who is visiting Hong Kong ("PP Con's prototype" said Pres Dave!). Welcome back also, PP Andrew Chen, Rtns Mark Whitehead (from Bali), Bala Balakrishnan from Bangladesh and Tony Rackham from a snowless Europe.
- 8 visiting Rotarians and 4 guests resulted in a Banner Exchange of "2 out and none in". Rtn Leslie Soltay was Fellowship Chairman for the day and he carried out the introductions in his usual efficient manner.
- Our speaker was Mr. Peter J. Botha, Consul General for South Africa. His speech created a great deal of interest with the press (5 reporters and 1 television crew).
- Rtn Dick Lidster told us the Board had agreed the equivalent of one week's collection would be directed from the Community Service Fund to the Royal Hong Kong Police and Correctional Services Welfare fund to assist in the looking after of Vietnamese boat people.
- Rtn Hubert Chan is anxious to hear from us as to whether or not we intend going to Japan in April to visit Kawasaki South. So far, only 2 replies have been received.
- Sgt. at Arms for the day was Rtn Peter Haigh and the funds collected for Community Service, totalled \$910. A special thanks to PP Sam Lam, Rtns Rube Hausman and Bala Balakrishnan.
- As expected, our Guest Speaker gave a very straight forward and interesting address. The Press and TV got hold of him after the meeting and subsequent publicity appeared on our TV screens and in our papers.
- In all, another enjoyable luncheon meeting which was closed by Pres Dave on the dot of 2 p.m. with a toast to RI and the Rotary Club of Portodouro, Portugal.

ANYONE FOR URUGUAY?

Rotary Club of Solymar, Uruguay, have advised Pres Dave a group of Hongkongers have bought land and plan to emigrate there.

The Club President, Enrique Perez Fernandez says "we would be interested to know whether any Rotarians are in this group. If so, it would be our privilege to assist them in any way possible".

Rotary Club of Solymar was chartered in 1975. They have 22 members at present. Solymar is a seaside resort, some 23.5 KM to the east of Montevideo.

REPORT FROM FELLOWSHIP DINNER FEBRUARY 3RD

An excellent time was had by all. The party finished at around 3 a.m. Everyone was in fine voice and we are told No. 2 chorister IPP Jack Lau excelled himself!

Editors comment: We are pleased to see all survived the "poisonous" fish — thankfully the chef's knife didn't slip! Many thanks to Rtn Hubert Chan for consolidating all the arrangements.

PRESIDENT DAVE TO PAY FOR CLUB ASSEMBLY 29TH MARCH!

Pres Dave invites all Past Presidents to mark their diaries for Thursday 29th March. All PP's who join us (wives welcome) will have their evening paid for by our generous President! Such generosity, however, does not extend to the rest of us who will have to pay our own way! Details of the assembly will be announced later.

ROTARY INFORMATION BY PP CON CONWAY — ATTENDANCE

I'd like to draw your attention to a most important aspect of Rotary — Attendance.

You cannot be an involved member of any club or association unless you attend the meetings of that club or association.

In order to ensure you keep up your attendance in Rotary, we make it easy for you. If you cannot attend your own club meetings, you can make up your attendance at another Rotary Club anywhere in the world.

In our own district 345, we have 32 Clubs you can make up at any 31 of these on any week day, six days before the Club meeting you have missed or six days after. You must attend a Rotary meeting for 60% of the time allocated for the meeting.

Our current attendance statistics are:

Overall attendance level is 73%.

24 Members have maintained 100%

19 Members have less than 40% attendance

6 of the above 19 members could be said to be very poor attenders and in fact are running risk of losing their Rotary Membership.

FROM OUR DISTRICT GOVERNOR JOSEPH LEE

The passage of time is recorded in the clocks of the universe while the passage of man in this world is printed by his footsteps on the "sands of time". How far his memory will endure depends on how deep his impact, how relevant his objectives are in relation with the needs of his fellowmen in the community he lives in. Fellow Rotarians our service above self will leave deep imprints in the "sands of time" by contributing to better understanding and goodwill, peace and service in relieving human want and suffering among men.

What better way to leave behind a legacy of Rotarians that the support by us of the Rotary Foundation which is destined to serve the needy for generations to come and for the peace, and understanding among peoples of the world. The Rotary Foundation not only serves others but it symbolizes Rotarians philosophy of helping others to help themselves in a world of harmony and friendship.

250,000 PAUL HARRIS FELLOWS:

In January 1957, The Rotary Foundation of Rotary International formally launched the Paul Harris Fellow recognition programme as a way of showing appreciation for those who contribute to its programmes. Any individual who contributes, or in whose name is contributed, U.S. \$1,000 to The Rotary Foundation of Rotary International, is recognized, upon request, as a Paul Harris Fellow.

In 1984, then R.I. President Bill Skelton announced that the Foundation had reached the 100,000 Fellow mark.

Now, just five years later, the Foundation is proud to announce that there are 250,000 Paul Harris Fellows.

We will shortly be publishing in Tung Feng, the names of those of our members who are already Paul Harris Fellows or who have contributed to the Rotary Foundation Endowment scheme with a similar contribution. Should you be interested in becoming a Paul Harris Fellow through contribution, PDG Peter Hall or Pres Dave will be pleased to explain the process to you.

WHAT HAPPENED LAST WEEK

- Into Marina Room 2, we went again last week – quite cosy but it didn't really feel like 'home'. This is possibly the reason some of our members were feeling a little on edge perhaps! For example, Sgt. at Arms Michael became a little more anxious than usual if you walked passed him without contributing and one of our distinguished legal Rotarians, who is normally of quiet disposition, was heard to complain he didn't receive the cinnamon sauce on his dessert! Just one of those days!
- PP Peter K Wong subscribes to the magazine – "Rotary Down Under" which is Australia and New Zealand's answer to RI's magazine "The Rotarian". Thank you PP Peter for making this available to bulletin editor. We will be printing extracts from it from time to time.
- PP Peter K also introduced our visiting Rotarians. There were six of them and the great banner exchange caused a surprise for Pres Dave – we had run out of banners! Nevertheless, one was found in due course and the score was "one banner out", "one in" and one owed (by us!).
- Pres Dave is still without his chain of office, but strong rumour has it, a replacement is almost ready.
- 52 of our own members attended last week (64%). With make-ups, we should be well over 70%.
- Welcome back Rtms Pau Leung, Leif Halvorsen, Kenneth Wong and Roy Grubb and happy birthday to Rtn Kurt Schneiders. Thank you 'Fellows' for your generous contribution to our Community Service Funds. Thank you for generous contributions, also to PP Sam Lam (who paid for the privilege of giving us Rotary Information – and what a star performer he was!) and Rtn Sital Motwani. Sgt. at Arms Michael Kelly reported the take for the day was \$1,340 – a good effort.
- Pres Dave read to us a "thank you card" received from our Rotaract Club in response to a donation made towards their project.
- Rtn Hubert Chan updated us on the proposed visit to sister Club Kawazaki South, April 9th/10th and a further invitation has been received for us to attend Rotary Club of Niigata's 50th anniversary celebration to be held on 21st April. Rtn Hubert is the co-ordinator so contact him if you wish to attend either function or both functions. Hubert estimates the "all in" cost to go to Kawazaki will be in the region of HK\$6,000 per head.
- Rtn David Li has 'complimentary' tickets to dispose of for a night of music to be had at City Hall on April 7th. We donated to the Schools Music Festival and this is the winner's concert. (Should you wish to attend, David will need to know by 7th March).
- As part of our Community Service activity this year, we have donated 235 blankets (nearly \$15,000) to the Street Sleepers Shelters Society.
- The next Club Assembly is to be held on March 29th. Pres Dave is hoping for a good turn out of members, so please mark your diaries (6.15 p.m. onwards including dinner).
- PP Sam Lam quizzed us on Rotary Information and he even gave away four Lysees for the correct answers. There was a catch to it all, however, in that if the laisees were opened, the fine was \$100 and if the contents were to be coveted for good luck instead of being donated to our charity box, the fine was \$20! Thank you PP Sam for an informative and enjoyable few moments.
- Rtn Robert Farrell introduced our Guest Speaker Dr. Yu Wing-Ying of City Polytechnic of Hong Kong and after his address on the need for greater communication within all sectors in Hong Kong, he was thanked by Rtn Kishu Narain.
- Pres Dave then closed the meeting with a toast to RI coupled with the Rotary Club of Port Villa, Vanuatu.

FEBRUARY -- WORLD UNDERSTANDING MONTH -- By PP Sam Lam

Let's play World Cup Rotary Information. I have two questions for the 1st half and two for the second half. Each question is in two parts. I also have 4 lysees which I am prepared to award to anyone who gives the correct answers. In case its a draw, we will run into overtime play. So you must promise not to open the red envelop under any circumstances or you will be fined heavily by the Sergeant-at-Arms.

1st Half:--

Q. When did Rotary start? And on what date?

A. 1905. On Feb. 23.

Q. What are the two main aspects of Rotary? And what are the best ways to achieve them?

A. Fellowship and Service. By attending in regular luncheon meetings and fellowship meetings and by participating in the various committees under the Four Avenues of Service; or simply by following the "Object of Rotary" in your daily business and social life.

2nd Half:--

Q. How many parts are there in the Object of Rotary? And what does the last part say?

A. 4 parts. The Fourth part says: The advancement of international understanding, goodwill and peace through a world fellowship of business and professional men united in the ideal of service.

Q. What is February designated to in the Rotary calendar? And what will be next week's Rotary Information?

A. February is World Understanding Month".

Next week, I shall ask questions on how to promote World Understanding, therefore you have plenty of time to prepare for the easy opportunity of winning more 'lysee'.

Overtime:

Since no one answered both parts of the questions correctly, the competition ended in a draw. We now play overtime.

Q. Have you open the red envelope?

A. If yes, you are fined \$100 for breaching your promise. If no, then you have two choices:

a) Donate the red envelope to the Sergeant-at-Arms together with \$10, or

b) Keep the 'lysee' which is a very important good omen but donate a minimum of \$20 to the Sergeant-at-Arms. Then only open it when you need good-luck.

OUR NEXT CLUB ASSEMBLY -- 29th March -- By Pres. Elect Y K Chan

The Board of Directors at its last meeting agreed that the next Club Assembly be held on Thursday, 29th March, 1990 at 3rd Floor, Beaconsfield House, Central (next to Hilton Hotel).

The Assembly is to start at 6:15 p.m. and dinner 7:45 p.m. Rotaryans are most welcome. Costs are in the order of \$135 per head and to be confirmed.

President Dave says he will pay for the cost of all PPs as well as their Rotaryans.

We do hope that given very advanced notice and the desire to try out "new" places, members will show a keen interest towards Club Assembly. The venue is very kindly arranged by Rtn. Dick Lidster.

ROTARY INFORMATION — by PP Sam Lam

Some 85 years ago, our Founder Paul Harris invited three of his close friends for dinner on February 23rd to lessen his loneliness and that was how Rotary has been started. It is why R.I. has designated February as the month for World Understanding and Peace.

In this space age, we no longer just invite a few friends for dinner to promote friendship. But what should we do to observe this World Understanding Month?

Time is changing and we should change this world by implementing the following projects for developing countries, viz.,

1. to fight illiteracy
2. to provide sufficient food and clean water
3. to press for a better environment.

There are other simple ways to promote better world understanding through the following Rotary International programmes:

1. Group Study Exchange
2. Youth Exchange
3. Friendship Exchange
4. World Community Service
5. Rotary Foundation Scholarship

New week I will explain how we are participate in these programmes.

There is the one simple way to promote better world understanding every week at our very own club by genuinely greeting and actively exchanging conversation with visiting Rotarians from overseas.

And if every Rotarian performs a little bit of his/her duty, all misunderstanding and even man-made barriers will be solved, then we can really ENJOY ROTARY.

ROTARY DOWN UNDER

The first heart risk reduction clinic in the world has been established in Melbourne at a cost of more than Aust \$520,000. Financed by the Rotary Club of Melbourne, the clinic has been in operation for little more than 12 months at the Baker Medical Research Institute.

The Baker Institute-Rotary Club of Melbourne Heart Risk Reduction Clinic was officially opened 60 years to the week of the anniversary of the death of the Institute's founder, Thomas Baker, a past president of the Melbourne club.

FORTHCOMING EVENTS

- Board Meeting: Monday March 5th — RHK Jockey Club 6 p.m.
- Club Assembly: Thursday March 29th — Beaconsfield House 6.15 p.m.
- District Conference: Friday 6th April — Sunday 8th April.
- Visit to Kawasaki: 8th April for meeting on 10th April.
- Club Fellowship Function: Friday 1st June — HK Country Club.

CLUB ASSEMBLY — 29TH MARCH

Club Assemblies serve a very important purpose in the efficient running of our Club.

The Assembly is a forum for open discussion on our Club's activities. It is a time for the Board to account to members on its stewardship and it is also a time for members to question the Directors should they wish to do so.

The Board does their very best to ensure the Club is run well, but they seek our support and our feedback on the various Club activities. This feedback can be by way of an exchange of views and indeed constructive criticism is particularly welcomed.

The next Club Assembly is to be held on Thursday, March 29th (6.15 p.m. followed by Dinner) at RHK Auxilliary Police Officers Club, Beaconsfield House, 3rd Floor (next to Hilton Hotel). Wives will be warmly welcomed at the Dinner and the cost will be in the region of \$130 per head for all except Past Presidents and their wives who will be the guests of President Dave. President Dave is seeking the support of as many members as possible at this function.

NEW ROTARY CLUB FORMED IN DISTRICT 345

The Provisional Rotary Club of Wanchai has now been formed. It meets on Mondays at the Grand Hyatt Hotel at 12.30 pm and the meeting is conducted in English. The new Club has been sponsored by the Rotary Club of Hong Kong and the Charter President is to be Rtn Patrick Herbet from the Rotary Club of Kowloon.

DISTRICT CONFERENCE

Our District Conference will be held over the weekend of April 6th – 8th. Registration forms are now available and no doubt we will be told more about the Conference at today's meeting.

ROTARY'S 60TH ANNIVERSARY IN HONG KONG

The function being arranged at the Convention Centre is already being called the "Ball of the Year". It is hoped as many Rotarians wives and guests will attend. The Governor, Sir David Wilson and Lady Wilson will be Rotary's Guests of Honour. The function will include:

- Cocktails before Dinner
- Full Dinner with Red/White Wines and Champagne
- 2 Floor Shows
- Ball
- All in Cost: \$475 per person

Clubs are being asked to book tables and in due course a coordinator will no doubt be appointed for our Club, but in the meantime, please mark your diaries (and your wife's diary!).

WHAT HAPPENED LAST WEEK

- Pres. Elect YK presided and opened the meeting at 1.15 p.m.
- Visiting Rotarians and guests were introduced by PP Peter K. Wong.
- Rotary Scholar Miss Justine Bomm addressed the meeting and she used the occasion to encourage members to participate in a survey to be conducted shortly on current attitudes in business.
- A warm welcome back to PP Chan Soo.
- Happy Birthday to PP Chan Soo and Rtn David Li, IPP Jack led the birthday song. A slight hiccup re the Birthday gifts which mysteriously disappeared, but all was well in the end as they were duly located and given out later in the meeting!
- Rtn Tony Crow reported the Club fielded two Bridge teams on 24th February and one of them viz the David Li, John Luk partnership, were runners up – well done!
- A small group of members and wives enjoyed themselves at the opera 'La Traviata' on Saturday night. Full of praise they were, for the new Cultural Centre and there was more legroom than anticipated.
- Pres. Elect YK reminded us of the Club Assembly to be held on March 29th. He also updated us on the visit to our match Clubs, Kawaski South and Niigata, in April.
- PP Sam Lam gave us more Rotary Information. He spoke on suggested projects related to World understanding.
- Sgt. at Arms had an active day and he collected \$1,204 thanks to all who contributed and particularly to PP Chan Soo and Rtn Eddie for their very generous payments. Thank you also to V.P. YK, PP Sam Lam and Rtn David Li.
- Congratulations to Rtn Eddie Ip and his wife Connie on the birth of their son.
- Our two speakers were introduced by Rtn Robert Farrell and Rtn Basil Saunders led the vote of thanks.
- The meeting then closed at 1.56 p.m. with our usual toast to R.I.

FOR YOUR INFORMATION

Soviet delegation visits R.I.

A Soviet delegation recently met R.I. President Hugh Archer to discuss formation of a business leaders' club in their city, based on the principles and operation of Rotary.

Three citizens from the Siberian city of Irkuish visited the R.I. Central Office in Evanston, Illinois, U.S.A., where discussions were held.

The delegation comprised Anatoly Kotsar, vice-mayor of the City of Irkutsk and in charge of foreign trade for the city; Viacheslav Pimmannov, director of Unity Enterprises for Wine and Soft Drinks, and Ludmitla Kurbatova, an associate professor of English and a member of the executive committee of the city council.

District 345 Public Relations

After several meetings of the District PR Committee it was decided that, if the Rotary movement were really serious about trying to obtain a wider knowledge and understanding in the community about Rotary, then it would be practical to hire either an individual or a firm to do some pro-active media relations work with a view to achieving this objective.

The Committee's recommendation was approved by the Joint Presidents at a meeting on December 19 and The JMA Group was asked to provide this service on an experimental basis between January and June this year.

The first function that gave us an opportunity to take advantage of this new initiative was the Rotary Foundation Seminar held on Saturday, January 6.

JMA was able to encourage representatives from Wah Kiu Yat Po, Tin Tin Daily News, Sing Tao Jih Po, Sunday Morning Post and Hongkong Standard to attend. The result was that we secured good coverage in the Wah Kiu Yat Po, Sing Tao and Standard, all of which carried articles on the Peace Scholars. PP Robert Fung was also interviewed subsequently by the South China Morning Post and we hope to obtain coverage later of that interview.

The activities of our PR thrust will include, as well as media relations, additional coordination of details of District functions; round-table meetings with the media; monitoring of the prose and development of a press pack which can be widely used by the Rotary movement.

Rotary Scholarships

The Rotary Scholarship Selection Committee for D-345 under the chairmanship of PP George Chu has announced that the following scholars sponsored by various Rotary clubs in the district are as follow:

Mr. Michael Ross sponsored by Kowloon

Ms. Maria A. Albino sponsored by Amagao

Mr. Ngai Ping-Long sponsored by Kowloon East

The scholarships will start the fall 1990.

ROTARY INFORMATION By PP Andrew Chen

The forthcoming 30th District Conference for our own district, District 345, will be held on April 6, 7 and 8 this year at Furama Hotel. The cost for the conference is HK\$790 per person. In order to encourage participation, your Board has approved a subsidy of HK\$290 to each member who registers and attends the conference. Of course the District Conference also welcomes Rotariannes but the subsidy of HK\$290 will only apply to Rotarians.

District Conference is a meeting held annually in each district to further the program of Rotary through fellowship, inspirational addresses as well as the discussion of matters relating to the affairs of clubs in the District and R.I. in general. Resolutions can be passed. However, the District Conference is not a legislative body but it can adopt resolutions recommending action of legislation to R.I. and also give recommendations upon matters of importance to the District. This is one of the important aspects of the Conference. For you information, depending on the number of Rotarians in each club, votes are allocated to vote on important matters at the District Conference. Your club has now a membership of 80 and is entitled to three votes. Rotarians Dick Lidster, Murray Macdonald, and Leslie Soltay have been authorized to vote on your behalf.

All the Rotarians and their ladies are encouraged to attend the District Conference as this is your conference. Rotarians can learn about the affairs of their own district, get to know Rotarians from other clubs in the district and can voice their opinion on district matters. President elect Y.K. Cheng has been appointed by the Board as the on-to-District Conference Chairman. I urge all of you to make an effort to participate and particularly all the new Rotarians who have not experienced the District Conference. You may know that our club received the highest attendance award during the last conference. With your support, we hope your club can win the same award this year.

Now some information on District Assembly. District Assembly (to be held on Sat. May 26th this year) is a meeting of the incoming Presidents, Secretaries and other designated club leaders (i.e. Directors of four avenues of services, chairman of various committee) of all the clubs in the District with the District Governor to discuss and to receive information as to club administration and club activities. The District Assembly can be considered a school of instruction for club presidents, secretaries and incoming directors etc. Because of its importance to successful club administration, it is mandatory for the incoming officers to attend. It is stated clearly in club's by-laws that incoming President to be eligible to serve must attend the District Assembly. Of Course, Rotarians who are interested in the running of their clubs are welcome to participate.

CLUB ASSEMBLY – Reminder

March 29th (Thursday) at 6.15 p.m. – Beaconsfield House. All members are encouraged to attend. As advised. Dinner will be served at around 7.15 p.m. (wives welcome) and the anticipated cost will be in the region of \$135 per head.

ROTARY INFORMATION

PEACE FORUM. The Rotary Peace Forum is a three-year pilot program launched by The Rotary Foundation in 1987 to help Rotarians and the public learn more about the causes of conflicts, and to encourage peace-related activities on the local, national, and international levels. Peace Forums, held in cities around the world, focus on the causes of conflicts, explore ways to improve the attitudes and conditions that fuel them, and emphasize the unique perspectives and activities of Rotary that can promote peace.

Since the program began, six Peace Forums have been held in cities on six different continents with a total participation of 3,150 people from 80 countries. The "ideas for action" generated from the forums have prompted a number of club and district peace initiatives worldwide and revitalized inter-country committees.

The first Peace Forum of the 1988-89 year, held in September in Nice, France, was the largest to date, with more than 700 participants from 21 countries. United Nations official Prince Sadruddin Aga Khan told attendees that there must be a common language for peace among the diverse nationalities, cultures, and religions of the Mediterranean region.

In November, a Peace Forum was held in Hiroshima, the Japanese city devastated by an atomic bomb in 1945 and since transformed into a world-renowned center for activities that promote peace. The two-day program was designed to leave the 660 participants from 30 countries with both an emotional and intellectual understanding of the lessons of Hiroshima and the importance of preventing war.

Abidjan, Cote d'Ivoire, was the site of a Peace Forum in March 1989. Some 250 Rotarians, policymakers, and international experts from 26 countries explored solutions to the economic problems that hamper development and peace in Africa. As a result, the United Nations Deputy High Commissioner on Refugees met with R.I. President Royce Abbey to discuss ways that the U.N. and Rotary International can work together to alleviate the plight of African refugees.

The fourth Peace Forum of the year was held in May, in Melbourne, Victoria, Australia. It focused on peace education, a new academic discipline that aims to help youth and adults to better understand the roots of conflict and develop skills for resolving serious differences without violence. The Melbourne forum provided Rotarians with new ideas and resources for sponsoring peace education activities in their communities.

Today we are to be addressed by Miss Joanne Hayes who is a Rotary Peace Scholar now in Hong Kong.

WHAT HAPPENED LAST WEEK

- Pres. Elect YK was in the Chair and he welcomed all to the meeting at 1.20 p.m. Rtn Leslie Soltay introduced our visitors. 42 of our own members were present (52%).
- 2 Banners were given out and 2 were received.
- Welcome back Rtn Bala Balakrishnan from Indonesia.
- Happy Birthday Rtn Leif Halvorsen. PP Con Conway led the birthday song.
- PP John Kwok advised District 345 were holding a Raffle to raise funds for the District Project (\$10 per ticket) members should purchase their Books of tickets from PP John.
- PP Bill Lewellyn spoke to us thanking us for our sponsorship of the youth music festival. PP Bill was a visiting Adjudicator.
- Pres. Elect YK reminded us of the forthcoming District Conference and he urged members to get their registration from either himself or PP John Kwok. Cheques should be made payable to Rotary Club of HK Island East. Figure out the total cost and deduct \$290 (being the amount to be paid for by the Club.)
- Club Assembly March 29th, please try to attend (6.15 p.m. Beaconsfield House – next to the Hilton).
- Rtn Robert Farrell then spoke to us on Ireland.
- Pres Elect YK closed the meeting at 1.58 p.m. with a toast to RI and RC of Godalming, UK.

WHAT HAPPENED LAST WEEK

- Pres. Elect YK Cheng chaired the meeting and he opened proceedings at 1.20 p.m.
- 43 of our own members attended (53%). Rtn Leslie Soltay welcomed and introduced our visiting Rotarians and guests. We had 6 visiting Rotarians, many of whom were on a holiday voyage around Asia.
- Banners were exchanged with our visitors.
- Welcome back Rtn Dragon Nie.
- There were no birthdays to celebrate.
- PDG Peter Hall spoke to us on the importance of reading the bulletin and in particular he suggested many had overlooked the invitation to participate in the forthcoming Rotary Charity Sports Day.
- Rtn Michael Kelly, as Sgt at Arms collected \$950.00. Special thanks this week to PP Chan Soo, Pres. Elect YK Cheng, Rtns Gary Chiu, Dragon Nie and Mike Wong.
- Rtn Ronald Lu, Chairman of the Rotary Sports Day on Sunday 25th March, spoke to us urging members to participate. He explained the purpose of the meeting. He hoped to see many of us out there supporting the venture.
- Pres. Elect YK Cheng reminded us of the District Conference April 6-8; visits to Japan and Club Assembly on March 29th — a busy few weeks ahead for many who will subsequently enjoy Rotary by being involved.
- Rtn Egua addressed the meeting on the activities of Rotary in Nigeria. There are 3 Districts there (911, 912, 913). Rotary has expanded rapidly and there is excellent Club fellowship. RC of Iponri is 4 years old and it has 50 members. Rtn Egua explained how his Club organised themselves into fellowship groups who make a conscious effort to expand their fellowship activities into other clubs in their District. Polio Plus is an issue which is taken very seriously in Nigeria.

RC of Iponri has plans to build an immunisation centre to provide immunisation services to the community at all times.
- Our guest speaker was introduced by Pres Elect YK Cheng. Joanne Hayes gave us a most interesting address summarising the activities of the Rotary Peace Scholars in Hong Kong.
- Rtn Joseph Chan proposed the vote of thanks.
- The meeting closed at 1.58 pm with toast to RI and the Rotary Club of Iponri, Lagos.

Rtn Ronald Lu tells us about the Rotary Sports Day 25/3.

Rtn D.O. Egua talks about Rotary in Districts, 911, 912 and 913.

Subject Announcement in the Public Interest

"An announcement of public interest can be intrinsically interesting, while one that is in the public interest may be extremely boring but, like medicine, necessary to swallow for one's own good." said Mr Moss.

How do you make medicine palatable? It's a question with which Mr Moss's department have grappled for many years.

It is also a question to which advertising, in its commonly accepted form, does not necessarily provide the simple, fast and effective solution.

Because the objective is not to sell products but to bring about a change - often a slow, gradually evolved change - in human behaviour.

"Nobody, after seeing one of our APIs, feels impelled to rush out and collect refuse in order to experience the thrill of dumping it in the bin.. Nobody surrenders to an irrepressible urge to take the family out on to the pavements in order to teach them the rules of the road.

These messages have to work on areas of the brain different from those in which self gratification, status symbolism and other ego enhancing impulses can be aroused."

"All forms of advertising are challenging. But some are more challenging than others.

When it comes to matters of life and death, as is the case with road safety, fire prevention, discouragement of drug abuse and many others, the way in which you communicate will differ radically from the way in which other messages are couched.

The Broadcasting Authority recognizes this distinction by allotting separate time for APIs outside the permitted limits of commercial advertising. And not only because we get our airtime free while other clients have to pay for theirs.

It also has a lot to do with the fact that an API is recognized as being an announcement in the public interest rather than merely of public interest."

OUR MEETING LAST WEEK

- On a lovely Spring day, Pres Elect YK, looking resplendent in the President's new chain of office, opened the meeting ahead of time at 1.15 p.m.
- Rtn Leslie Soltay was on Fellowship duty and he introduced our 3 visiting Rotarians from overseas and 8 from District 345.
- Only 38 of our own members were present (46%). With make-ups we are maintaining a 64% average.
- Welcome back Rtn Vianney Willy-Furth.
- PP Con Conway, Rtns Michael Whitehead and WS Lam all had birthdays (March 31, 30 and 29 respectively). Con was away but congratulations and Happy Birthday wishes were extended to all three. Rtn David Li led the Birthday song.
- Rtn Kurt Schneiders was Sgt. at Arms. He collected \$1,130. Thanks to all who contributed and special thanks to Pres Elect YK (paying for the usage of Pres Dave's new chain of office!), PP Warren Wilson, Rtns Kurt Schneiders, Dick Lidster, Michael Kelly, WS Lam, Mark Whitehead.
- We received 5 banners (including 3 brought out back by Rtn Vianney).
- Rtn Leslie Soltay urged more members to attend the Club Assembly on 29th March. Board of Directors will meet Monday 2nd April at Hong Kong Polytechnic.
- PP Andrew Chen spoke to us on the subject of our Club Bulletin.
- Rtn Robert Farrell introduced Mr. Peter Moss, our guest speaker and Rtn Vianney proposed the vote of thanks.
- Pres Elect UK adjourned the meeting at 2 p.m. with a toast to RI and RC of Coral Gable.

DISTRICT 345 – CLUB ANNOUNCEMENTS

1.0 Cancelled Rotary Meetings

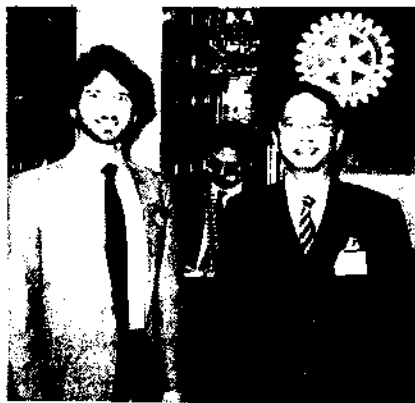

The following Rotary Clubs have cancelled scheduled meetings on the dates noted:
 Friday April 6th : Rotary Club of Admiralty
 Friday April 13th : Rotary Club of Admiralty

2.0 Change of Venue

Rotary Club of City Northwest will change their meeting venue back to Hotel Victoria as of 4 April 1990.

3.0 Intercity Meeting/Vocational Panel Discussion

For information, a function was held on March 29th. (Reception, Panel Discussion, Dinner at World Trade Centre Club.)
 Our members were first advised of this function at our meeting on 28th March. Consequently Hong Kong Island East are unlikely to have been well represented. It might help if the Board could alert us to these functions a little earlier.

Happy birthday Rtns Michael and WS

OUR CLUB BULLETIN -- By PP Andrew Chen

The main purpose of Club Bulletin is to stimulate interest and improve attendance, announce the program of the forthcoming meeting, promote fellowship, contribute to the Rotary education of all members, and to report news of the club, of its members and of worldwide Rotary program. The Club Bulletin should be a credit to the club and to Rotary International and the materials in the bulletin should be in keeping with the dignity of Rotary. This does not mean that the Club Bulletin should not be interesting. It must be presented in a way that is readable and that it should contain information which can be of interest to the members and for that matter visitors.

There are a variety of sources where bulletin editor can obtain material, from weekly meeting, from board and committee meetings, from program chairman, from R.I. and D.G.'s newsletters, from Rotary magazines and from members themselves.

Our founder President PDG John Yuen chose the name "Tung Feng" for our Club Bulletin in the year of our club's charter 1954. In those days our club's territorial limit lay East of Arsenal Street. The name of "Tung Feng" as you all know means "East Wind", and reflects our club's location of East of HongKong Island. The portrait on the front of the bulletin is Chu Koh-Liang also known as Kung Ming. He was the most noted military strategist in the period of 3 Kingdom about 2,000 years ago. In a famous battle against his opponent Tso-Tsao, the warlord of the kingdom of Wei, Kung Ming, also an astrologer, forecasted the blowing of a strong east wind on a certain day set fire to Tso-Tsao's fleet of warships and won a major battle.

The present picture of Kung Ming and the two Chinese characters for east wind differs from the original. The changes were made in 1984 during our club's 30th anniversary by Uncle John. The new portrait of Kung Ming was supplied by Rtn Anthony Tsui through the courtesy of the historical archives of the University of HongKong. The Chinese character was replaced by the calligraphy of first Emperor of Tung Dynasty. This calligraphy was obtained by Uncle John through the help of his friend Mr. K. C. Tang, a well-known calligrapher in Taiwan.

I hope you will now read the Club Bulletin with renewed interest.

Editors Comment: This has been a very useful exercise and more effort will be made to include information on District affairs. As for R.I. News, reading "The Rotarian" which is sent to each of us is possibly a better answer. One member suggests Tung Feng should give more news on our Club's Board activity. The answer to this is to attend our regular Club Assemblies.

WELCOME TO ROTARY RTN WING S ENG

Welcome to the Club Rtn Wing Eng (Club name "Wing"). We have enjoyed your company as a 'guest' over the past few months and we extend the hand of friendship to you as a member of our Club. Enjoy Rotary by getting involved in it. PP John Kwok introduced Wing Eng and Pres Elect YK conducted the induction on 21st March 1990.

Wing works for Emerson Electrical (Asia) Ltd and the classification loaned to him is "Electrical Equipment Manufacturing."

Ogilvy & Mather Public Relations
Clean Hong Kong Campaign

Pres. Dave with Ms Debbie Purdy and visitors

For 20 years clean-up campaigns have drawn attention to the 'rubbish' problem, largely through promotional events and entertainment. Much has been achieved, but much more remains to be done.

This year will see a new-style campaign. Much greater emphasis will be put on mass participation - on getting people from all ages and all levels of local society to "do-it-themselves".

"Corporate Hong Kong" is being asked to lead the way - by sponsoring and supporting those who genuinely want to make Hong Kong a cleaner and better place in which to live, work and play.

A year-long campaign will focus on a series of high-profile and high-involvement clean-up programmes such as:

1. Clean-Up Day Sunday, July 8;
2. Clean-Up The Estate;
3. Schools Clean-Up;
4. "Ambassador for Cleanliness";
5. Clean-Up "Drive";
6. Clean-Up Bins

The aim is to organise a high profile activity, involving as many people in Hong Kong as possible, so that the clean-up campaign can be launched on a note of high public awareness and participation.

The launch project will be a clean-up day on Sunday, July 8th 1990 involving a project in each of the 19 districts. Each district board will designate a blackspot to clean up and community, youth and business groups will be mobilized.

During Aug/Sept/Oct, an estates project will be organised. The aim will be to encourage the local community to take social responsibility for its surroundings.

During the new school term Nov/Dec/Jan, a schools project will re-run with similar aims and content as the estate projects.

ROTARY FOUNDATION SCHOLARSHIPS 1991-1992

We are advised by PP George Chu (R.C. Kowloon North) that 3 Scholarships will be available for our District in the next Rotary year and Applicants are now being called for.

The Scholarship will take the successful candidates overseas for a year of post graduate study on the subject of their choice. The Rotary Foundation will pay the fees; provide the air transportation to and from the selected area; provide an allowance for food, board and travel within the host country.

Each Scholar will have a Counsellor appointed to act as "friend and guide" during the period of the Scholarship. The Counsellor will be a member of one of the local Rotary Clubs.

Rotary Scholars will be expected to talk to Rotary Clubs and they will attend any of the District Rotary activities such as Conferences, which may occur during the term of their Scholarship.

This is a wonderful opportunity for young people to advance their knowledge overseas in a chosen area of endeavour under the auspices of Rotary. No pressure is placed on the Scholars to sit exams. Rather, they are expected to be ambassadors of goodwill from their home countries and they are required to report their activities to Rotary Foundation Headquarters during the year.

According to the Rules of the Scholarship, Application must be made through a Rotary Club of our District and endorsed by our District. We are being asked to encourage members to recommend worthy candidates. However, a Rotarian, A Rotarian's family member or an employee of a Club, District or other Rotary entity is not eligible for the Scholarship.

Should you know of a worthy candidate, please contact Rtn Joseph Chan (Phone 8592316) or Rtn Murray Macdonald (Phone 5261974).

DISTRICT 345 "HOSPICE" PROJECT

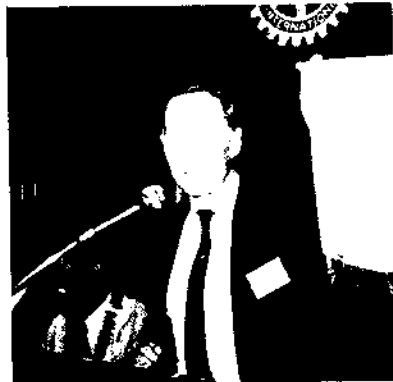

We will report in detail on this in next week's Bulletin. Part of The Rotary Ball (May 11th) cost of \$475 per person, goes as a donation to this very worthwhile and very necessary project.

OUR MEETING LAST WEEK

- Pres Dave was back in Hong Kong and he opened the meeting at 1.30 p.m. Rtn Vianney welcomed visitors.
- 7 visiting Rotarians and 2 guests were introduced.
- Our own members present totalled 38 or 48%.
- We received one banner from West Germany and passed out two of ours.
- Welcome back Rtn Tony Rackham (From Switzerland).
- Pres Dave announced our Club has won the District Vocational Service Award for this Rotary year. Sincere congratulations to Vocational Service Director Ben Wong.
- Happy birthday to Rtns Joseph Chan, Dick Lidster and Tajwar Shadikhan.
- Rtn Stephen Liu was Sgt. at Arms and donations totalled \$1,050. Special thanks to Pres Dave, Rtns Wing Eng, Joseph Chan, Dick Lidster, Tajwar Shadikhan, Sital Motwani and thanks also to all others who contributed.
- Secty Tajwar reported 73.73% attendance for March. The Board has approved Senior Active Status for Rtn William S. Lam and Rtn Alex Ling.
- PP WK gave some Rotary Information. He encouraged members to read the 'Rotarian'. He plans to test us on it today!
- Rtn RF introduced our guest speaker Ms. Debbie Purdy who heads the clean Hong Kong Campaign on behalf of Ogilvy and Mather, Rtn Tony Rackham proposed the vote of thanks.

President Dave closed the meeting at 2 p.m. with a toast to RC of Dortmund together with Rotary International.

VOCATIONAL VISIT - APRIL 25TH

Vocational visit to the Hong Kong Communications Equipment Co. Ltd at Wong Chuk Hang.

This has been scheduled for Wednesday, April 25, immediately after our regular lunch meeting on that date. There will be a guided tour of the sophisticated facilities which produce telephone equipment. This is expected to last approximately an hour. In other words the visit will take about 1½ to 2 hours including travelling time.

Please sign up with Rtn Ben Wong as soon as possible so that transport can be planned.

SPEAKER THIS WEEK

Mr. Ed Jackman
Subject: Strategic Design in
Corporate Projections

Rtn. David Li, speaker and presenter.

PROGRAMME LAST WEEK

Rtn David Li
Director Community Service

Rtn David Li, Director of Community Service, spoke to us about Project Break-through and he showed us an excellent 14 minute video tape taken at the event. Our non-cantonese speaking members had more than a little difficulty in understanding what was being said, but the many hundreds of smiling young faces in the video told their own story.

WHAT HAPPENED LAST WEEK

- Pres Dave and Pres Elect YK Cheng were both in Japan representing us at a Sister Club function with Kawasaki South Rotary Club and as a result, IPP Jack Lau came back into the 'hot seat' for the day and how nice it was to see him in action again. Jack opened the meeting at 1.25 p.m.
- Rtn Tony Crow introduced the visitors and what a turnout we had. We detected English, French, German, Swiss, Swedish, Korean, Mexican, American tones in various part of the room. Such is Rotary. 37 of our own members were present (46%). Some of our members were in Japan and others were travelling.
- Banners were exchanged and the score was 4 in and 8 out.
- Rtn Murray Macdonald reported on the District Conference which was held April 6-8, 1990 and a full report is made elsewhere in Tung Feng.
- Congratulations again to Rtn Tajwar for winning the District Golf Competition.
- Welcome back PDG Peter Hall from Taiwan and Rtn Basil Saunders from Hua Hin.
- Happy Birthday to PP Con (again but he was here this time), Rtn David Waring and thanks to Rtn Raymond Chung, David Li and Joseph Chan who formed a 'choir' for the occasion!
- Michael Kelly was back in harness as Sgt. at Arms and he collected \$1,305 which was a very good achievement in view of the relatively low attendance. Special thanks to PP's Chan Soo, Warren Wilson, Con Conway, Rtn Vianney Willy-Furth; Ben Wong, Tajwar Shadikhan, Basil Saunders, David Waring, David Li, Tony Crow.
- Rtn David Li showed us a video tape on Project Breakthrough. We all joined IPP Jack in thanking David for his efforts.
- IPP Jack then closed the meeting with a toast to R.I. coupled with Rotary Club of Greensboro.

OUR DISTRICT CONFERENCE 6-8 APRIL 1990

There are 1,460 Rotarians in our Rotary International District 345 (Hong Kong and Macau) and 328 of them registered for this the 30th Conference in our District.

President Dave Chang led the Hong Kong Island East delegation of 11: Pres. Dave; Pres Elect YK Cheng; PP's Warren Wilson, Andrew Chen; John Kwok; Rtns. Tajwar Shadikhan; Leslie Soltay; Dick Lidster; Henry Chan; Wing Eng and Murray Macdonald.

A notable absentee was PDG Peter Hall. This was the first District Conference PDG Peter has missed. PDG Peter was absent with good cause; he was carrying out his duties as the Special Representative of Rotary International President, Hugh Archer, at the Rotary Conference being held the same weekend in Taiwan.

R.I. President Hugh Archer's Special Representative at our Conference was PDG Dato James Peter Chin from District 330 (Singapore, Malaysia and Brunei-Darassalam). It is interesting to note that PDG's younger brother, Dr Philbert Chin is also a PDG in District 330. Two very fine Rotary leaders in Asia.

PDG Peter Chin gave an inspiring opening address on Friday evening. He is an excellent speaker, totally devoted to Rotary and its ideals and he set the tone for what was to become a very worthwhile, enjoyable and educational two days ahead. He conveyed the greetings of R.I. President Hugh, a man who determined at the beginning of his term of office that this year was to be a year for Rotarians to enjoy Rotary and one of the major tasks he has accomplished in a relatively short time, has been to restructure the R.I. operations in Evanston so as to improve its efficiency; bring it into the black instead of being continually in the red, and gearing it to carry R.I. towards the 21st Century.

The welcome dinner on Friday night was a time to let hair down a little. This was aided by a beer drinking contest at the beginning of dinner! The only problem was there were so many participants, heats had to be held and by the time the finals came around, many of those who participated, possibly wished they hadn't, particularly when the ice cold glasses of Carlsberg beer were placed in front of them! but more was to come in the form of Karaoke. All good fun, but fellows, if our singing of "happy birthday" at our own regular meetings has some of us a little 'worried' at times, you should have been there on Friday night where a 'captive' audience had little option but to listen to some singing which at its best could be described as "Oh dear what a mistake"! But as so often happens, out of the blue sprang one or two very good and entertaining singers. A happy night was had by all including those who called it a day when Karaoke started and politely excused themselves to pay a visit to the bathroom and, wisely some might say, kept on walking to the lifts!

The Saturday morning session started with a Keynote Speech from PP Sonny Sales (HK Club) who was this year elected Chairman of the Commonwealth Games Federation. Then it was into the business of Rotary with business discussion sessions on Rotary Foundation, Youth Service, Enjoying Rotary, World Community Service and New Members/New Clubs.

Two resolutions were proposed at the wind up Business Session that day. One was to treat Youth Service as a separate avenue of Service. It was agreed that as the next RI Council on Legislation is not to be held until 1992, this resolution should be deferred until our next District Conference. (Ed. is aware of at least one Club in Asia which already treats Youth Service and Community Service as two separate avenues of service - RC of Singapore).

The second resolution which was passed refers to the Directors of RI the thought that in view of the success of Polio Plus, perhaps R.I.'s attention should start focussing on the eradication of "Hepatitis B". We were told approximately 10 - 15% of the population in Hong Kong are either afflicted with the virus or they are carriers. In China this percentage may be as high as 20% and in Africa from 25 - 30% of the population were infected. We were told immunisation of babies

was proving to have a 95% success rate (the success rate lessens as age increases). The general feeling seems to be that RI having successfully brought the elimination of Polio into a reality as of 2005, were more likely to be channelling the next major International effort into keeping the planet 'green'. Time will tell but the resolution re 'Hepatitis B' will go forward for consideration.

The Gala Dinner was a grand occasion, good food, acceptable wine and excellent fellowship. District Awards were announced and we were joint winners for Vocational Service and Bulletin. Congratulations also to Tajwar Shadikhan who won the District Golf Tournament and therefore became the first recipient of the 'Governors Cup'.

Sunday morning saw the wrap up of the Conference. Reports on the various discussion sessions held the day before were presented. We also heard from the District Rotaractors; Interactors; Holly Houston who has addressed our Club twice during the past 10 months. District Governor Joseph Lee advised us two new Rotary Clubs were in the pipeline (Tsuen Mun and Taipo). Then came the usual farewell speeches and thank you's and before we knew it, the Conference was over.

Those of us who attended gained much from it.

ROTARY'S 50TH ANNIVERSARY IN HONG KONG/MACAU MAY 11TH

To commemorate this occasion, a Ball is to be held at the Convention Centre on Friday, May 11th, 1990.

To provide added meaning to the event, our District 345 has decided to adopt (as a District Project), the Rotary Club of Hong Kong's project to support the establishment of a Hospice for the terminally ill in Hong Kong. It is hoped this will bring all Rotarians in the District together by contributing to a joint and very worthwhile project.

To this end, a proportion of the Ball Ticket Cost of \$475 per person will be donated to the "Hospice Project". This money will be added to that already collected by Rotary Club of Hong Kong and a cheque will be presented to Lady Wilson during the course of the evening. (Lady Wilson is the Patron of the Hospice.) She and the Governor will be attending the Ball as guests of Rotary.

HISTORY

It has long been recognised that Hong Kong is lacking very badly in Hospice care. The terminally ill patient and the family need special care and support so that the patient can be helped to live fully and die peacefully.

In July 1985, a group of Professional care givers started to meet regularly with a view to promote Hospice care in Hong Kong. One year later, a Society for the Promotion of Hospice care was registered as a non-profit organisation.

Funds to build a Hospice have been solicited and enough has now been collected to enable construction to commence. Rotary District 345 contribution will finance the lower ground floor area.

WHAT HAPPENED LAST WEEK

- Having received the Best Bulletin award at the District Conference earlier this month Editor Murray decided to let members have a taste of the other extreme by assigning this issue to the second worst editor. Don't worry. Murray will be back for the next one.
- Obviously the Excelsior Hotel did not want us to take for granted the relative comfort of the Marina Room that we had for several sessions. So back to the Gloucester Room we went last week along with our 14 visiting Rotarians and guests.
- The news about the meeting venue must have leaked, resulting in a turnout of only 39 of our 81 members, and that was just as well. A much larger attendance might have led to a standing-room-only arrangement.
- Even President Dave decided to stay away, golfing somewhere between Kawasaki and Iigata, Japan. Acting President VP Y.K. took over, for most of the meeting anyway, until he too dashed off half way through lunch to join Dave. Acting Acting President PP Andrew was left holding the sack, oops! I mean the gavel.
- Y.K. started the meeting at 1.24 p.m. as he had "a plane to catch" to Iigata.
- Rtn. Gary introduced visiting Rotarians and guests. When asked to introduce his guest Rtn. R.F. appeared somewhat nonplussed until he realized that he had the honor, at least theoretically, of playing host to our speaker, Mr. Jackman.
- The Banner Exchange came up even. 3 out and 3 in, including one banner that needed minor overhaul.
- Members were welcomed back from all around the globe; PP's Andrew and John, VP Y.K. and Rtn. Hubert from Kawasaki, Gary from India, PP Edwin from U.S.A. and PP Sam from China, Germany and U.K.
- It was alleged that birthday boy Alex paid the sergeant at arms to be spared the traditional birthday song, no reflection on the birthday song specialists (Jack-Con-Joe-Li et al) who have been eagerly practicing for innumerable hours at their personal karaoke home sets.
- PP John and VP Y.K. went up to make announcements, both professing ignorance of why they were assigned the tasks. John was trying to sell tickets for the District Projects Fund. His voice almost broke when he pleaded, 'Just help me get rid of them (tickets). Let me look good.' Apparently reminded that more than looking good he was absolutely handsome, he quickly changed that to, 'Let the club look good.'
- The equally dashing Y.K. told us that he is the coordinator of the Rotary 50th Anniversary Ball for our club 'without knowing why' and that we are somehow committed to 3 tables, each of 12 persons. Members are earnestly requested to make every attempt to attend.
- Y.K. also announced that Rtn. J.L. has been called to the bar and licensed as a barrister. Congratulations, J.L.
- Sgt-at-arms Michael reported takings of a round \$1,000. Major contributors included PP Sam, VP Y.K., Gary, J.L. and birthday boy Alex for various and sundry reasons.
- R.F. related to us the dual possibilities of the speaker for this week without citing the criterion of choice. (It was learnt later that Beauty won out against Beast. — no offense, Rtn. David, but it's hard to label you 'Beauty'.)
- After proposing a toast to R.I. coupled with the Rotary Club of Edinburgh, Acting Acting President Andrew closed the meeting at 2.01 p.m. with the sad announcement that our camera was not working, which is why you have to read all this verbiage without the solace of an adequate number of pictures about the meeting.

ROTARY INFORMATION

By: PP Andrew

Subject: The Kawasaki Trip

Our club was represented by President Dave, PP Andrew, PP John, VP Y.K. and International Services Director Hubert. Our hosts showed their hospitality even from the beginning when they met our delegates at Narita airport and went on to overwhelm them with entertainment and attention. Our President Dave gave his speech in Japanese written for him by Hubert and presented our gift of a miniature sailing boat as well as a donation to the community service fund of the Kawasaki club, PP Andrew was effusive in his praises for the programs offered during the trip which included band music, disco, karaoke, a boat trip and of course golf. Rather in contrast with the rest of his informative report he touched on the subject of 'geisha girls' only briefly and tentatively but did conclude that it was 'a nice holiday and very worthwhile' and that members should seriously consider participating in similar trips next year.

LAST WEEK PROGRAMME

Ms. Janet Sekavs
Subject: Immigration into Australia

PDG Philip Lai and PP Jimmy Wu (1957/58) with our guest speaker

The required criteria for Australia's Business Migration Programme was explained to us by Ms. Sekavs. The aims of the programme being to attract successful business people who wish to settle permanently in Australia and who will contribute expertise and capital to business ventures in the country. Ms. Sekavs advised each case was treated on its own merits and the onus to prove eligibility rests with each applicant.

VOCATIONAL VISIT 25 APRIL

Following our meeting, 16 members travelled to Aberdeen to visit Hubert Chan's very impressive company, Hong Kong Communications Industrial Equipment Ltd.

HK Communications Industrial Ltd. was established in 1987. The company occupies 28,000 sq. ft. in 2 premises and it now employs 182 staff. The company makes three classes of telephone (Intercom, Single Line, Feature Phone). The manufacturing process was explained to us following which we toured the premises. The company also operates a JV company in China called Vimsigua Ltd. (established in November 1989). The plant plans to expand to 25,000 sq. ft. this year. It will employ 230 persons by Mid 1990. They make single line telephones only.

Attending with Hubert were Pres. Dave, PP's Andrew Chen, Peter Wong, Harold Lee, Rtms Michael Kelly, George Leung, Peter Haigh, Kishu Narain, Kenny David Li, Ben Wong, Stephen, Eddie and Murray Macdonald. Very many thank to Hubert and his staff for their time, hospitality and generosity. Thank you also to Vocational Service Committee Chairman Ben Wong for his efforts.

INTERNATIONAL NEWS

A lot of interest was shown by Rotarians in D345 on the PolioPlus grant approved by Rotary Foundation trustees for People's Republic of China last April (See Tung Feng of Feb 7th 1990). It has not been publicly announced for reasons known to all of us. Despite the lack of an announcement, however the project is moving ahead under the auspices of The World Bank. An engineering firm in The Netherlands has been awarded a contract to proceed with preparations for the plant to be built in Kunming. At this point, we do not know exactly when actual ground breaking will take place or when construction project is likely to be completed. The World Bank halted its action on the project for a time last year so there will undoubtedly be some delay in achieving what was intended to be the final completion date. As indicated previously the US\$15 million grant will move through The World Bank, not directly to PRC. The US\$899,000 is for the training of PRC health workers is channeled through UNICEF.

1991-92 R.I. PRESIDENT-NOMINEE IS RAJENDRA K. SABOO (INDIA)

Following the procedure prescribed by R.I. by-laws, President Hugh M. Archer has declared Past R.I. Director Rajendra K. Saboo to be the President-Nominee of R.I. for 1991-92. Past Director Saboo, who was selected by the nominating committee which met in September 1989, will be formally elected at the 1990 Convention in Portland, Oregon, U.S.A., and take office on 1 July 1991.

A prior announcement that an additional candidate had been endorsed was later found to be in error. Upon inspection, it was determined by the R.I. Board that an insufficient number of valid endorsements had been received. Accordingly, there will be no ballot by mail of clubs on this matter.

HOW YOU CAN "ENJOY ROTARY!"

BY engaging in the fellowship of our club.

BY wearing your Rotary lapel button and letting people know that you are part of the greatest service organization in the world.

BY serving on our club's committees and agreeing to be on the board and become a club officer.

BY making up at other Rotary clubs.

BY sharing it with a friend or business associate.

BY making your community a better place in which to live, work and raise a family.

BY reaching across national boundaries to insure world peace and understanding.

Remember: Rotary does not stop at our city limits.

BY simply being a better Rotarian.

WHAT HAPPENED LAST WEEK

- Pres. Dave was back from Japan. He opened the meeting and visiting Rotarians/Guests were warmly welcomed by our 52 attending members (out of 81) 64%.
- Special welcome to Past District Governor, Philip Lai.
- Banners were exchanged — 3 in 2 out and we have one birthday boy — Rtn George Leung who was duly serenaded by that well known vocalist, PP "simle" Conway.
- Welcome back Rube Hausman and Manolo Chellaram.
- Sgt. at Arms Michael Kelly reported a great take for the day of \$1,500. Major contributions out of the 47 donations came from PP's Chan Soo, Sam Lam, Rtns Rube Hausman, Manolo Chellaram, George Leung, Samuel Wong, Leif Halvorsen and Gary Chiu.
- Pres. Dave reported on the visit to Niigata (Full report in next week's Tung Feng) and Rtn Hubert Chan advised us the Rotary Club of Macau was holding a Ball on Sunday May 29th to which our members are invited.
- Our guest speaker was introduced by Rtn Robert Farrell and PP Peter Wong proposed the vote of thanks.
- The meeting closed with a toast to RC of KIn North and R.I.

THOUGHT FOR TODAY

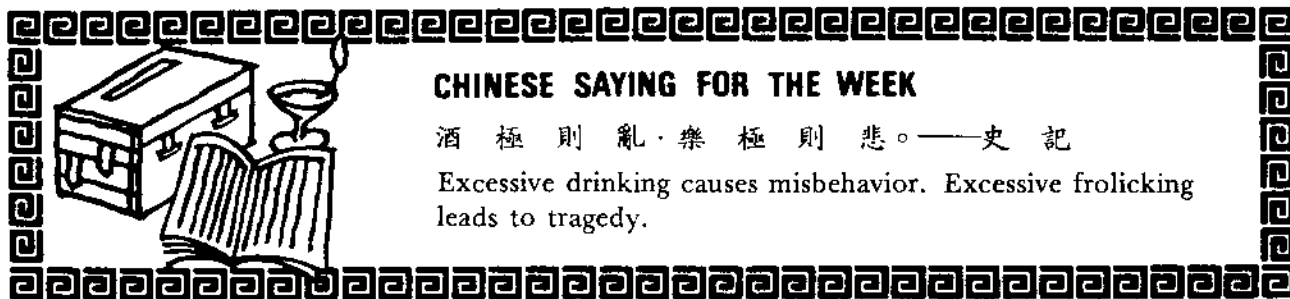

"In the Rotary plan business is an important part of life. He whose vision extends no further than his fields of business is to be pitied; it matters not what his success in that business may have been. Rotary aims to be practical; its philosophy is a wholesome philosophy; it hopes to enrich life."

— Paul Harris

LAST WEEK'S MEETING

Legco and the "Four Way Test"
PP Leonard Rayner

Quotes from a well respected Sage:

What Legco knows about the Four
Way Test can be written on the
back of a postage Stamp

Pres Dave with PP's Leonard Rayner and Bill Blaauw

Definitions of Legco: "An Alcoholics Anonymous of Politicians but the success rate is terribly low!" "A Section of people who get together waffle a lot and achieve little!"

If one were to apply the Four Way Test to Legco, many would attribute the following answers suggests PP Leonard:

1. Is it the Truth? Definitely not!
2. Is it Fair to all concerned? Of Course not!
3. Will it build Goodwill and Better Friendships? Never has, and on the basis of current performance, never will!
4. Will it be Beneficial to all concerned? Not if the establishment can help it!

"It's a great pity Legislators (who have the power to run the place) don't concentrate on doing just that instead of giving the distinct impression they are working in anxious anticipation of the Queen's Birthday or New Year's Honours list!

Changes are occurring everywhere in the world, including in China. We must be sure the kind of Lifestyles Hongkongers lead is going to continue on much the same after 1997. The only danger we face is that we appear to have a Legco that does nothing but talk. Should this continue in 1999 Beijing will sneeze and Legco will fall over. It is time to get people into Legco who believe in the Truth. Some Rotary minded individuals would fit the bill.

We have a very good Civil Service in Hong Kong but for the successful future of the Territory, we need a Legco that means something and one that is prepared to stand up to take action in the interests of Hong Kong people instead of merely paying lip service in most quarters."

WHAT HAPPENED LAST WEEK

- Well, something must have happened somewhere as only 42 of our 81 Members attended (52.8%). However, we warmly welcomed 3 Visiting Rotarians from Overseas and 6 Rotarians from District 345. Pres. Dave opened the meeting at 1.20 pm and PP Peter K Wong introduced visitors.
- Welcome back PDG Peter Hall and Rtns. Kurt Schneiders (from Korea) PP Sam Lam from Beijing and Rtn Sital Motwani from Bombay.
- A special welcome was given to those old stalwarts of the Hong Kong Club PP Leonard Rayner (who led us to believe he had been 'co-erced' into being our guest speaker at 5 minutes notice! Is it the Truth you might say? Answer: YES – thankyou Leonard we always enjoy having you with us) and PP Bill Blaauw who has been described as many things including King of the Toys.
- Visiting Rtns from abroad, George Roby and Paul Fernback exchange Banners with us. Rtn Kurt Schneiders presented Pres Dave with what we assume was a banner from Korea. Someone thought it was a scarf!
- PP John Kwok congratulated us on buying so many raffle tickets in aid of the District "Hospice" Project. We produced the 2nd highest total of tickets sold in the District (RC Hong Kong had the highest). To put things into perspective (and to borrow words from PP Leonard) we were in fact "co-erced" into buying due to PP John's efforts and it is really he who should be congratulated along with Rtn Tim Lui who John advised was a Prize Winner!
- Contributions for the day were down a little at \$800 but thanks to all who donated and in particular, thankyou to PP Sam Lam, Rtns Sital Motwani and Kurt Schneiders.
- No birthday song today (Hooray!). Anyway who needed a song when we had PP Leonard Rayner to address us! We were entertained, we were humoured, we were educated! and we learnt about the Four Way Test (and how it doesn't seem to apply to Legco!) Following Leonard's talk we expected a rush of Rotarians leaving Excelsior to register themselves as candidates for the next Legco elections! Strangely, there was no such rush!
- A sad note is that Rtns Leif Halvorsen, Roy Grubb and Basil Saunders are leaving Hong Kong. Leif to retire to Norway, Roy (to raise his Angorra goats did we hear?) and Basil to continue his excellent work in UK. We are going to miss the three of you. Appropriate farewells will be said and no doubt tears will be shed, at a special "Au revoir" function to be held on 19th May. Leif spoke briefly to us at the meeting. He says he is going to miss us too!
- The meeting then closed on the dot of time with a toast to R.I. and our Mother Club, RC of Hong Kong.

EVENTS TO SUPPORT

- May 11th — Rotary Ball — 60th Anniversary of Rotary in Hong Kong. Pres Dave has paid for the tickets so those who are attending, please don't forget to pay him \$475 per head!
- May 19th — Farewell Party for our three departing Rotarians and their Anne's. As Pres Dave reported, this is turning out to be a far better supported event than our Club Assemblies. Details will be advised but be prepared for 7.30 pm and a very reasonable cost of around \$150 per head. Rtn Leslie Soltay is coordinating the event.
- June 1st — Celebration of OUR 36th Anniversary — An enjoyable evening of Food Fellowship and Entertainment to be held at Country Club, Deep Water Bay. Pres Elect YK Cheng is the co-ordinator and Rtn David Li asks us all to complete and return to him, the enquiry circular posted to all of us.

FIRST PROVISIONAL ROTARY CLUB ESTABLISHED IN SOVIET UNION — By R.I. Secretary General

Rotary International has become the first service club association to establish a club in the U.S.S.R. In a meeting on 24 March with Deputy Minister of Soviet Foreign Affairs, Vladimir Petrovsky, we received assurances from the Soviet government that have made possible the formation of a provisional Rotary club in Moscow.

What type of assurances? Before R.I. could proceed with extension efforts in the Soviet Union, it was necessary to guarantee that Rotary clubs would be able to hold free and open meetings and select members without surveillance or government restriction. Club must be allowed to maintain and promote contact with Rotary clubs in other countries and contribute financially to Rotary International and The Rotary Foundation. They also must be free to initiate service projects.

The Moscow club, which has about 25 members, has been meeting informally for the past six months awaiting an agreement between R.I. and the Soviet government. When I informed them that they were going to be the 'father club' of Rotary in the Soviet Union, you would have thought I had handed each of them a diamond studded crown. They were overjoyed.

This historic event makes the Soviet Union the 168th and geographically the largest Rotary country. There has been marked interest in Rotary in other Soviet cities and I expect that provisional clubs will soon be formed in Kiev, Leningrad, and Irkutsk (in Siberia) as well as in the republics of Estonia and Latvia. I'd have to say my trip was a great success.

DISTRICT ASSEMBLY

- Date: Saturday 26th May 1990
Venue: Sheraton Hotel Kowloon
Cost: \$200 per head (includes lunch)

All incoming officers and new Rotarians are recommended to attend. Pres. Elect Y K Cheng has the registration forms.

CONGRATULATIONS AND THANK YOU PDG PETER HALL

Tsai, Chung-Po, District Governor of District 348 (Taiwan) has written to PDG Peter thanking him for his attendance at their recent conference as R.I. President representative. "Nothing could have educated and benefitted us more than your inspiring and informative speeches".

Their 50th Anniversary meeting started at 2:30 p.m. on 21st April at the Italia-Ken. It was extremely well attended guests included the Governor of the Niigata Prefecture, the Mayor, and President of the Rotary Club of Tokyo, their mother Club. The highlight of the meeting was reminiscence on the Club by a charter member – 50 years as a Rotarian is certainly quite an achievement! Our President Dave also spoke – he presented a souvenir boat to their Club symbolising “smooth sailing” for many years to come!

The banquet afterwards was attended by over 700 Rotarians and guests which was followed by fellowship evening “Japanese” and “Western” styles. Organisation for the whole event was by any standard impeccable.

Rtns. Koyama & Takahashi looked after us very well and we thank them for their generous hospitality. We had dinner at Rtn. Koyama’s “Ryokan” (Japanese Inn) – the building itself is some 170 years old and this was quite an experience!

We visited a Mr. Sato’s residence to see the golden carp which he raised. One of them is as old as Mr. Sato himself – 70 years!

It was an enriching experience to see another Japanese Rotary Club in action. What is more important is that we have “re-established” the link and goodwill between the two Clubs. With the emergence of their younger members, I look forward to considerably much closer liaison between the two Clubs. This is, after all, what International Service is all about.

PDG Peter with three lovely ladies – Rtnne Jacinta (right), Rtnne Koyama (centre) & Rtnne Takahashi (left). Rtnne Takahashi is the daughter of PP Yokoyama and had visited us 17 years ago.

↓ PDG Peter feeding the 70 year old golden carp!

On the tee – Shiun Country Club

Dave & Y.K. – what are you doing? At left is PP Yokoyama.

LAST WEEK'S MEETING

Mr. Andrew Barber

Royal Bank of Canada

Mr. Barber told us he was one of 42,000 employees with Royal Bank of Canada. He briefly discussed the offshore Royal Bank of Canada operation. In particular, we heard about their Private Banking product. We were also interested to hear Mr. Barber's view on investment markets generally. He showed us the importance of equity investment and how, over a period of time, they have in the past well out performed interest bearing investments. We were told to take care when changing tax jurisdictions. "People tend to put off the day to seek advice. It is very important to seek Professional advice on the matter" Mr. Barber advised.

Mr. Barber is based in Hong Kong and he is a Director of Mannin Investment Managers Ltd., a wholly owned subsidiary of R.B.C. He referred to last week's Tung Feng when answers as to how Legco might apply the Four Way Test were suggested. Mr. Barber suggested a Private Banker's answer might be:

1. Is it the Truth? We hope so!
2. Is it fair to all concerned? Well, we get our fees!
3. Will it build Goodwill and Better Friendships? It will if you invest more with us!
4. Will it be Beneficial to all concerned? Well, we get our fees!

THIS IS HOW IT WAS LAST WEEK

- Pres. Dave opened the meeting and we welcomed PP Ramesh Mahtani back from Bangkok. 46 of our members attended (57%). Rtn Wing Eng introduced visiting Rotarians. We had one guest who was introduced by Rtn Roy Grubb. Rtn Brian Fairweather exchanged a Banner with us.
- Welcome back Rtn Wing Eng who was immediately "put back into service" as Fellowship Chairman for the day.
- We had one Birthday boy, Rtn John Yao. Rtn David Li led the birthday song and the resulting singing wasn't a bad effort — well — 7 out of 10 anyway!
- Contratulations to P.P. WK Lam who was elected Captain of the Royal Hong Kong Golf Club "a formidable opponent on the Golf course and a very competent and able person for the post of Captain" said one of WK's avid supporters. WK's mother was at the forefront of ladies golf at the Club for a number of years.
- Rtn Tom Lloyd was Sgt. at Arms for the day and we broke the \$,000 barrier again with donations totally \$1,200. Thank you fellows for your contributions (40 contributed out of 46 members who attended) and a special thanks to PP's Chan Soo, Ramesh Mahtani, Rtns John Yao, Wing Eng, Tom Lloyd, Murray Macdonald.
- Rtn Leslie Soltay reminded us of the Fellowship Night on 19th May to say farewell to Rtns Leif Halvorsen, Roy Grubb and Basil Saunders. Pres. Dave advised us the venue would be the Shanghai Club and as part of Rotary Information, he reminded us that when our Club was chartered 36 years ago, over 50% of our members had origins in the Shanghai Region.
- Pres. Elect YK Cheng spoke about the District Assembly on May 26th and the Club 36th Anniversary Celebration on June 1st. The Club will pick up the cost for those attending the Assembly but the June 1st function will be levied at \$250 per head.
- Rtn Roy Grubb isn't going away to raise Angorra Goats afterall! He is going to establish his business in Andora which apparently is perched on a mountain somewhere near France and Spain!

NOTE YOUR DIARIES

- May 19th — Farewell Fellowship Party for Rtns Leif Halvorsen, Roy Grubb, Basil Saunders and their respective wives.
Venue: Kiangsu Chekiang Residents Association
(Otherwise known as the Shanghai Club)
Address: 10th Floor, Peter Building; 48 Queens Road Central (Next to Lane Crawford).
Time: 7.30 pm (Booking in Name of Henry Yung)
- June 1st — Celebration of OUR 36th Anniversary — An enjoyable evening of Food Fellowship and Entertainment to be held at Country Club, Deep Water Bay. Pres Elect YK Cheng is the co-ordinator and Rtn David Li asks us all to complete and return to him, the enquiry circular posted to all of us. David Li's address is c/- Li Tang, Chen & Co. 10/FI. Sung Hung Kai Centre, 30 Harbour Road, HK. Tel: 8930817 (Fax: 5739229)

DISTRICT ASSEMBLY

Date: Saturday 26th May 1990

Venue: Sheraton Hotel Kowloon

Cost: \$200 per head (includes lunch) to be paid for by the Club

All incoming officers and new Rotarians are urged to attend. Pres. Elect Y K Cheng has the registration forms. (Pl. 5764343; Fax 8950237)

The District Assembly is a meeting of the incoming Presidents, Secretaries and other designated club leaders of all the clubs in the District with the District Governor to discuss and to receive information as to club administration and club activities. The District Assembly can be considered a school of instruction for club presidents, secretaries and incoming directors and new members. Because of its importance to successful club administration, it is mandatory for the incoming officers to attend. It is stated clearly in club's by-laws that incoming President to be eligible to serve must attend the District Assembly. Of course, Rotarians who are interested in the running of their clubs are welcome to participate and this especially applies to new members.

LETTER FROM PERTH

Pres Dave has received a letter from Rtn Brian Walley who visited us recently. He sent us a banner from South Perth Club together with a copy of their club bulletin. Members of the South Perth Club send us their greetings. Rtn Brian is chairman of F.A.I.M. (Fourth Avenue in Motion) for his Club.

DISTRICT NEWS

PP George Chu (Kowloon North) is chairman of the Rotary Selection Board and he advises us nominations for the three available Rotary Foundation Scholarships (see Tung Feng of 11th April) are being called for.

The Scholarship will take the successful candidates overseas for a year of post graduate study on the subject of their choice. The Rotary Foundation will pay the fees; provide the air transportation to and from the selected area; provide an allowance for food, board and travel within the host country.

Each Scholar will have a Counsellor appointed to act as "friend and guide" during the period of the Scholarship. The Counsellor will be a member of one of the local Rotary Clubs.

Rotary Scholars will be expected to talk to Rotary Clubs and they will attend any of the District Rotary activities such as Conferences, which may occur during the term of their Scholarship.

This is a wonderful opportunity for young people to advance their knowledge overseas in a chosen area of endeavour under the auspices of Rotary. No pressure is placed on the Scholars to sit exams. Rather, they are expected to be ambassadors of goodwill from their home countries and they are required to report their activities to Rotary Foundation Headquarters during the year.

According to the Rules of Scholarship, Application must be made through a Rotary Club of our District and endorsed by our District. We are being asked to encourage members to recommend worthy candidates. However, a Rotarian, A Rotarian's family member or an employee of a Club, District or other Rotary entity is not eligible for the Scholarship.

Should you know of a worthy candidate, please contact Rtn Joseph Chan (Phone 8592316) or Rtn Murray Macdonald (Phone 5261974).

ROTARY INTERNATIONAL NEWS

A handshake, a smile, a greeting in another language — for tens of thousands of Rotarians every year, the R.I. annual convention embodies the spirit of fellowship, international understanding and goodwill that is the heart of Rotary. To experience a Rotary convention is to feel the excitement of meeting business and professional leaders from around the world with whom we share the common bond of Rotary service.

Everyone is gearing up for the R.I. Convention to be held in Portland Oregon June 24. At the moment the party going from District 345 (HongKong/Macau) numbers 50 and our Club will be represented by PDG Peter Hall and PP Con Conway. Con has a very busy schedule ahead of him as he will also be attending the Annual Convention in USA for Zonta. Con's wife, Carlye is a Past Area Director of Zonta in Hong Kong and she is the incoming Lt. Governor for Zonta in Asia. What is "Zonta"? Perhaps Carlye can speak to us one day to tell us about it. A Ladies only Club we hear! Men definitely not allowed to join!

Incidentally if you want to telephone Con don't use the number shown in our membership book. His new number is 8291785.

Pres Elect Y K Cheng smiles for the camera!

Pres Dave, Secty Tajwar and Rtn Wing Eng in thoughtful mood!

Happy birthday John

Refuse Compaction Benefits

Rtn David Waring

David's Company in Hong Kong represents Marathon Equipment Company, U.S.A. "Marathon" is the world's largest and most experienced refuse compaction equipment and systems manufacturer.

In a well prepared and excellently presented address, He showed us with the aid of slides, where our "Refuse" problems lie and how compaction can take care of these problems.

David explained compaction reduces housekeeping problems in our offices and factories (loose litter, paper, broken bottles, odor, rats, mice, other animals, flies, mosquitoes, cockroaches, other bugs, fire hazard).

By utilising a compactor system for "rubbish", security is improved in that "Back Door" pilferage by employees or uninvited guests is eliminated. Equally importantly it stops scavenging and ensures rejected or unsafe goods are securely taken care of without having to worry about these items being picked up and put into use again.

Compacting rubbish addresses the problem of future Government refuse collectors strikes, potential liability claims and indeed it could result in more favourable insurance premiums for businesses. David explained how the implementation of a Refuse Compaction system could impact on companies "bottom line" by way of direct cost savings.

60TH ANNIVERSARY OF ROTARY IN HONG KONG

25 of our members and wives attended the Ball at the Convention Centre on Friday, 11th May. In all, 700 Rotarians and Guests were there to welcome Sir David & Lady Wilson as the Guests of Honour.

The Ballroom was tastefully decorated and the dinner was of exceptional quality for such a large gathering. The wines were also very good.

During the evening, various appropriate speeches were given. All thankfully short and the highlight was the presentation of a cheque to Lady Wilson for \$500,000 being the first installment of Rotary's Contribution towards our District Hospice Project.

Our own Rtn Thomas Lloyd and his Jazz Band entertained us for part of the evening and in all, a very enjoyable time was had by all who attended.

THE FOUNDATION: ROTARY'S LINK TO THE WORLD

Often, we watch television, listen to the radio, or read the newspaper and learn about seemingly far-off events and people. Many times, we long to lend them support, or to better understand their lives.

The Rotary Foundation of R.I. provides a means for Rotarians to reach out across the world. Through humanitarian programs such as PolioPlus, Special Grants and 3-H Grants, Rotarians make a difference in the lives of others. Educational programs such as Rotary Scholarships and Group Study Exchange bring people from different countries together.

Next time you are moved by an event in the news, remember The Rotary Foundation. Ask yourself how our club can better support the Foundation to achieve its great goal of world peace.

THE ROOTS OF COMMUNITY SERVICE

What are the pressing issues in our community? Are our neighbors concerned about illiteracy, neighborhood beautification, fire prevention and safety, or historical preservation?

Our community is more than just a place to live or work; it's made up of people. Through Community Service, Rotarians directly contribute to improving the lives of those living and working closest to us. Our club is firmly rooted in this community, and our service projects should reflect our commitment to its needs.

FORTHCOMING EVENTS

- May 26th — District Assembly — Sheraton Hotel Kowloon (8.30 am — 3.15 pm)
- June 1st — Celebration of OUR 36th Anniversary — An enjoyable evening of Food Fellowship and Entertainment to be held at Country Club, Deep Water Bay. Pres Elect YK Cheng is the co-ordinator and Rtn David Li asks us all to complete and return to him, the enquiry circular posted to all of us. David Li's address is c/- Li Tang, Chen & Co. 10/FI, Sung Hung Kai Centre, 30 Harbour Road, HK. Tel: 8930817 (Fax: 5739229)
- June 4th — Joint Board Meeting (Outgoing and Incoming Boards) 6pm — Venue to be advised
- June 27th — Farewell old year. Thanks to Pres Dave and his team.
- July 4th — Welcome new year. Installation of YK Cheng as President.

ROTARY FELLOWSHIP IS OUR RESPONSIBILITY

Do you remember when you were a new member in our club? Did you feel welcome when you attended your first meeting? Did you continue to feel welcome at subsequent meetings?

Rotary fellowship is key to member retention. New and not-so-new members alike must feel their membership and participation in our club are valued by each of their fellow Rotarians. A warm and friendly atmosphere at club meetings is no accident! It is created when each member takes responsibility for fellowship.

THE WAY IT WAS LAST WEEK

- Summer is approaching and for many this generally means holidays of some description which in turn means a rush of business trips to tidy up various business arrangements which in turn means a downturn in Rotary attendance at our weekly meetings! 42 out of 81 members attended last week (52%).
- Pres. Dave opened the meeting and we again congratulated PP WK Lam for being elected Captain of the HK Golf Club. Rtn Henry Chan introduced our visitors. We also gave a special welcome to PP Eric Tse, a former member of our Club.
- We exchanged a banner with PP Peter Tse from Vancouver.
- Rtn David Li is about to perform as a Gondolier we hear! Hong Kong Singers are performing "The Gondoliers" at Shouson Theatre, Arts Centre, June 12th – 16th. David was at the meeting with another "Gondolier", Mr. Mark Cuthbert. (Incidentally should you wish to attend one of the Performances, the cost is \$80 per person (\$50 per child for the Saturday martinee) and David can assist in getting tickets.
- Welcome back Rtn Raymond Chung, Rtn Alex Ling, Rtn Tony Rackham and Walter Yuen.
- Rtn Vianney Willy-Furth was our Sgt at Arms and thanks to the donations received from 35 members, our Community Service funds will be increased by \$1,030. Special thanks to PP WK Lam, PP Sam Lam, Rtn Sital Motwani, Rtn David Waring.
- Happy Birthday PP WK. Rtn "Gondoliers" David led the birthday song. Good singing chaps! – 7.5 out of 10 this week.
- Rtn David Waring was invited to give us his vocational talk on Refuse Compaction Benefits.
- Pres. Dave thanked Rtn David for his address. He then closed the meeting with a toast to RC of Hong Kong and Rotary International.

CHANGE THE RECORDS

Rtn David Waring's business address in our Membership Handbooks should be changed to read:

Asia Technical Equipment Sales
3715 Sun Hung Kai Centre
30 Harbour Road, Wanchai
Telephone: 890-6735 Fax: 5218052

Thanks to PP John Kwok we all received updated inserts last week for our Membership Handbook from which we see PP Con appears to be getting younger these days!

PP WK Lam with his "hot line" to the Golf Club (note phone on table!)

Our former member Peter Tse exchanges a banner with us.

THE WAY IT WAS LAST WEEK

- With us in spirit (and soon he will be back with us in person) was Rtn Robert Farrell. Who rang prior to the meeting to give details of the next 2 week's speakers.
- Congratulations to Rtn Mike Kelly and particularly to his wife, Chris. Their 3.4 kg (7 lb 8 oz) 6 cm daughter was born on 22nd May!
- PP Con and Rtn Tony Rackham were singing the praises of William Cory and his "Thought for the Day" in last week's Tung Feng!
- Microphone problems last week (Reminiscences of last year!). We were bannished into Marina Room 11 by an organisation called "Abacus". We have respect for the great Lord Baccus whom we recall had something to do with good food and wine, but we were displaced from "our room" by something to do with evolution of travel. Hopefully we will back where we belong this week.
- Pres. Dave opened the meeting at 1.30 p.m. and Rtn Leslie Soltay introduced our visitors. Our own attendance was 44/81 (54%).
- PP Dee McSweeney and Rtn Gerakis exchanged banners with us.
- Welcome back and Happy Birthday Rtn Tony Rackham. Thanks to PP Con for leading the birthday song.
- Pres. Dave reported on the Fellowship evening held on 19th May.
- Rtn Stephen Liu was Sgt. at Arms for the day. 31 of our 44 attending members contributed a total of \$700. Special thanks to PP Chan Soo and Rtns Michael Kelly and Tony Crow.
- Pres. Elect YK Cheng updated us on the Fellowship night to be held on 1st June at the Country Club. A lot of work is going into the preparation for this.
- Rtns Roy Grubb and Basil Saunders each gave us a farewell address. Pres. Dave commented how proud one felt to be a member of our Club with its great diversity of Members and how we were going to miss Rtns Leif Halvorsen, Roy Grubb and Basil Saunders.
- Pres. Dave closed the meeting at 2 p.m. with a toast to R.I. and Rotary Club of Granville, Ohio.

FAREWELL RTNS LEIF HALVORSEN, ROY GRUBB AND BASIL SAUNDERS

Due to an unfortunate misunderstanding, the incorrect address of the venue was given for our Fellowship and farewell to our three fine Rotarians and their wives on 19th May.

At the outset, sincere apologies to those who went to the "wrong" address and who were no doubt most frustrated. Special apologies to Rtn Leif and to Kari who were looking for us in many different directions but alas, without success.

Those 30 Rotarians and wives who found the location had an excellent evening with excellent food. It was a most fitting way in which to enjoy fellowship as well as saying farewell to those leaving us.

Rtn Leif spoke to us on 9th May. He is retiring from the Diplomatic Service and he is returning to Norway where he intends to continue Rotary. Leif joined us in October 1984 and he spoke fondly of the time he spent as a Member of our Club.

Rtn Roy joined the Club in September 1980. At last week's meeting, he spoke to us about his new home in Andora and his reasons for going there. Roy hopes to continue in Rotary once he settles down in Andora but from the sounds of things, he is going to be spending much of his time outside the country. Roy is an Information Technology Consultant and he has his own Company, Grubb and Associates.

Basil joined us in April 1985. Basil said his main fear for Hong Kong was the fact that the gap between the "Haves" and "Have Nots" is widening and unless a solution is found soon to stop the gap from widening further, problems were going to emerge which are presently unforeseen. Basil is returning to U.K. for further duties with Salvation Army.

Au Revoir Leif, Roy and Basil. Safe journey and lets hope we meet again before long.

Farewell Rtms Leif, Roy and Basil

NEW MEMBERS

Rotary is a growth organisation and there is no way we should ever sit back on our laurels by standing still in the area of membership development. If we did this, we would soon be in trouble.

We must continually be looking for new prospective members and this is particularly relevant now when we are about to lose 3.7% of our Membership this month when Leif, Roy and Basil depart Hong Kong.

It should be the aim of every Rotarian to introduce at least one person into Rotary. Should you know of a potential candidate who fits the ideals we are looking for and should you not wish to contact him yourself, let Pres. Dave or Pres. Elect YK have the details and perhaps some of our senior Rotarians can make the approach. Don't hold back — we need new members to keep the "life blood" of the Club flowing. Another way of looking at it is that by introducing someone to Rotary we are giving that person the opportunity to share with us the benefits and fellowship offered by a truly great worldwide organisation.

ATTENDANCE

For ease of administration and the like, our District is divided into 6 groups. Hong Kong Group 1 (we are in this Group), Group 2, Macau, Kowloon Group 1, 2 and 3.

In February 1990, our average attendance record (with make-ups) of 72.97% placed us 1st in our Group (ahead of RC Hong Kong) and 8th out of 32 clubs for the whole District. The average Club attendance between the 33 Clubs in February was 65.57%.

No. 1 spot for the District in February was Kwun Tong (84.21%).

GSE PROGRAM CELEBRATES 25 YEARS OF INTERNATIONAL COOPERATION

In 1965, 204 enthusiastic young business and professional men were selected to be the first participants in Rotary's exciting new Group Study Exchange Program. Representing 26 countries on six continents, these 34 teams were paired for two-months tours of their exchange countries, where they would "make use of their background and new experiences to advance international understanding."

Stephen Gossen, a member of one of those first GSE teams from Louisiana, U.S.A., called it "an experience money couldn't buy," while his teammate Jacob Landry said that as a result of their visit to New Zealand and the Fiji Islands "the entire team will return to the U.S. as better people."

This year, the GSE program celebrates 25 years of promoting people to people — the diplomacy and the sharing of cross-cultural professional viewpoints. For the thousands of participants and their Rotarian team leaders, this experience has contributed greatly to their personal and professional growth.

Like Rotary itself, the program has grown and changed over the years. Its original guidelines limiting eligibility to men between the ages of 22 and 30 have been amended several times, so that the program now is open to both men and women, age 25 to 35. Each tour now runs four to six weeks. The number of annual exchanges has grown more than tenfold, from 34 teams in 1965-66 to 358 in 1989-90. And the program has also expanded its international scope by sponsoring exchanges with non-Rotary countries.

But while all these changes have been taking place, the programs' original mission to promote good will and understanding has remained firmly in place. And the reactions of GSE participants have not changed significantly over the years either. Reporting on her 1988 exchange visit to New Mexico, U.S.A. GSE team member Temdueng Aunsakul from Thailand said: "I will bring my hometown new ideas, new skills, as a guideline for improving myself and my work... This trip will be in my memory forever."

THIS WEEK'S PROGRAMME

Mr. John Irvine
Stress in the Work Place

GUEST SPEAKER LAST WEEK

Ms. Peta McAuley
Human Resource Management in Hong Kong

Ms. Peta McAuley

Three essentials for Hong Kong's economic survival into the 21st Century were outlined by Peta McAuley. They are:

- 1.0 We must develop further the ideals of Human Resource Management
- 2.0 We must enhance education in Management Development Skills
- 3.0 Companies must make explicit long term plans for Hong Kong to show those who will be here in the latter part of this decade, there is a future.

Ms. McAuley said that Human Resource Managers (Personnel Managers) had not held high ranking importance in Hong Kong companies in the past mainly because there was an abundant supply of cheap labour available to ensure any task was completed (no matter how many people it took to complete it). However in recent years there have been dramatic changes and these changes can largely be attributed to:

- 1.0 Closing of the Border to Immigrants from China (1980/81). This created a labour shortage and it has taken nearly 10 years for the full effects of this to emerge.
- 2.0 Brain Drain.

These two factors together have led to salary inflation. It is now an "employees market" - employees are calling the shots. Management of Human Resources thus becomes a top priority in many areas, but there is an urgent need for it to develop further. Human Resources affect profitability of companies and hence the greater emphasis now being placed in the Human Resource area, but it is essential professional systems are introduced to manage Human Resources effectively.

Ms. McAuley isolated Productivity and lack of general Management Development (to offset the Brain Drain) as two problem areas still to be addressed by many companies in Hong Kong today. Despite long working hours, actual Productivity per capita in Hong Kong does not rate highly when compared with other countries in Europe/U.S.A. and indeed in Asia. The long term answer lies in the area of Primary, Secondary and Tertiary education levels where management development training methods should be introduced. Ms. McAuley sees a desperate need to ensure motivation and commitment of those who stay here.

"Hong Kong Managers are more traditional than U.K. Managers. They are too conventional and less open to new ideas" said Ms. McAuley. "The challenge for Hong Kong is to focus peoples' attention on Hong Kong and what we can do for Hong Kong now and in the future to ensure economic success" she said.

THE WAY IT WAS LAST WEEK

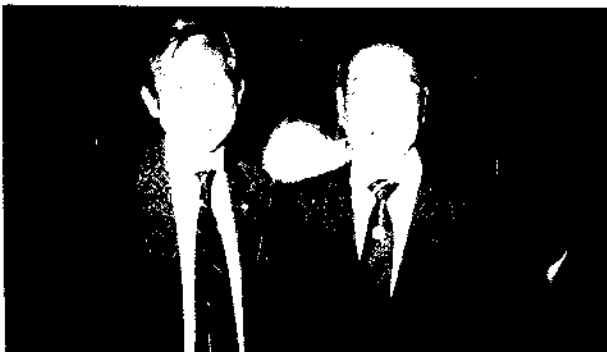

- Fond Farewell's and Bon Voyage to Rtn Leif Halvorsen who left our meeting early to attend a Consular Corp. luncheon also to Roy Grubb who had to leave early. Basil Saunders is around until end June.
- 45/81 members were attending the meeting (55.9%).
- Pres. Dave opened the meeting and we warmly welcomed Charter Members PP Jimmy Wu and Rtn Dragon Nie.
- All 6 visiting Rotarians from overseas received our Banner.
- Rtn Michael Kelly assures us his (and Chris') new baby daughter, Jocelyne Elizabeth is considerably more than 6 cm in length as reported in Tung Feng last week! and she is proving to have a healthy pair of lungs. "When do they start sleeping through the night?" asks Michael. Give her time old chap! – like 2½ years maybe!
- Welcome back Rtn Emperor Cheung, PP Jack Lau and PP Harold Lee.
- Birthdays were celebrated by PP Harold Lee and Rtn Emperor Cheung. IPP Jack led the birthday song – What a voice!
- Pres. Elect Y.K. assured us the 36th Anniversary celebration on 1st June at the Country Club was well organised and it should be a great night.
- Sgt. at Arms for the day was Rtn Peter Haigh who, thanks to a most generous contribution of \$1000 from PP Jimmy Wu, was able to report donations towards our Community Service Fund of \$2,500 for the day (surely a record!). Thanks also to all who contributed, particularly to PP Harold Lee, Rtns Dragon Nie, Emperor Cheung, Roy Grubb, Kurt Schneiders and Leif Halvorsen.
- Pres. Elect Y.K. Cheng introduced Ms. Peta McAuley, our guest speaker. Peta gave us a strong message on the need to develop Human Resource Management in Hong Kong. Rtn Tony Rackham moved the vote of thanks.
- Pres. Dave closed the meeting at 2 p.m. with a toast to R.I. and Rotary Club of St. Ives.

The I

DISTRICT ASSEMBLY — 26TH MAY — by PP WARREN WILSON

You incoming Directors duly attended the one day Assembly organised by the District. Group Discussion sessions were held on the following subjects: Presidents, Club Secretaries, Club Treasurers, Club Service, Vocational Service Community Service, International Service, Membership Development. The Rotary Foundation, New Members.

The Assembly (to which over 300 persons attended) enabled a very useful interaction of ideas between a broad spectrum of Rotarians in Hong Kong and Macau. The main intention of the Assembly is to gear Club leaders into being prepared for their forthcoming responsibilities. Like so many other things in life, you get more out of Rotary by putting more into it and the emphasis for the coming Rotary year is to delegate so as to get more members involved in the work we undertake. At the Assembly, the District Levy was discussed at length and incoming Presidents will be asked for their clubs to approve a payment of \$330 per member for 1990/91 (it was \$290 for 1989/1990). "The arguments over a \$50 per person levy for PR provided great entertainment at the end of the day" said PP Warren. "It was worth \$50 just to be there to listen to it all!"

LAST WEEKS PROGRAMME

Mr. John Irvine
Stress in the Work Place

Mr John Irvine

John Irvine is Director Health Promotion Services at the Hong Kong Adventist Hospital and he gave us one of the more important addresses we have listened to this year, on the subject of stress.

"The choices we make today (in our Diet, the way in which we deal with office problems, exercise, etc) will determine the type of diseases we have to face in 15 years from now" said Mr. Irvine. "There is strong evidence" said Mr. Irvine "that stress is directly related to many serious diseases and we must learn how to cope better with stress in our personal lives". Mr. Irvine said three important issues each one of us should address are:

- 1.0 We should learn to relax
- 2.0 We should look at our diet
- 3.0 We should take a genuine vacation at least once a year.

The Hong Kong Adventist Hospital offers residents of Hong Kong a wide variety of Preventive Health Care awareness classes and most courses are offered free of charge as a service to the community.

Classes run by the Health Education Department of the Hospital (Phone: 5746211 Ext. 888) include Smoking Cessation, Stress Control and Stress Management, First Aid, C.P.R., Fitness Fun, Walk and Run, Cancer Prevention, Hydrotherapy, Parenting, Childbirth Preparation, Nutritious Vegetarian Cooking, Breast Self Examination and Spiritual Health awareness.

John Irvine is an excellent speaker and many commented after his address, how even just listening to him made them feel more relaxed.

Our programme chairman would do well to see if we can hear Mr. Irvine again.

THE WAY IT WAS LAST WEEK

- We were back home again in Marina Room 1 and 45/81 members attended (55.9%).
- Pres. Dave opened the meeting and we gave a special welcome to Pres. Herman Hu (Admiralty) and our Charter Member Dragon Nie.
- Rtn Wing Eng was the day's Fellowship Chairman and he introduced our guests. Banners were exchanged (2 given away and 1 received).
- Welcome back PP Sam Lam from USA and PP Con from Chicago.
- Rtn Tony Crow was Sgt. at Arms for the day. Collections for the day totalled \$1,780. Special thanks to Rtn George Leung who donated \$500 of his winnings from Tombola last Friday night! Thanks also to IPP Jack Lau, PP Chan Soo, Rtns Tony Rackham, Henry Chan and Kishu Narain.
- Also received from Friday night's function was \$2,320 from Karaoke; \$2,000 from Tombola and \$500 being the proceeds from an auction of a bottle of Brandy. The Brandy was won by Pres. Dave at an auction held during the Rotary Club of Admiralty's recent anniversary function! Dave left it behind we hear (no doubt for Admiralty Club funds!) but Pres. Herman Hu (Admiralty) brought the bottle along to our meeting last week for a re-auction and Dave won again. Brandy improves with age and we are told all good things cost a little more so we hope you enjoy your \$1,500 bottle Dave! Many thanks for your contribution to Rotary.
- Happy birthday Rtn Kishu Narain. Kishu who has just turned 50, was given all sorts of advice and he was able to give some too!
- IPP Jack Lau gave us information about the Bunny Wang Memorial Fund and the William Ling Memorial Fund.
- Pres. Elect YK Cheng introduced our guest speaker Mr. John Irvine who spoke to us on the stress we face in our daily lives. Rtn George Leung thanked Mr. Irvine for his interesting and valuable address.
- President Dave then closed the meeting with a toast to RI and Rotary Club of Admiralty.

ROTARY CLUB OF KOWLOON NORTH

RC Kowloon North has changed the time and venue of their weekly meeting. The Club now meets at the Park Hotel, Chatham Road at 6 p.m. on Fridays.

SECRETARY TAJWAR SHADIKHAN REPORTS:

1. Membership status as of 31st May 1990 stood at 81 members.
2. Attendance for the month of May 1990 was 72.31%.
3. Leave of absence agreed for Rtn. Ken Poon 15/06/90 to 10/07/90

ROTARY INFORMATION – by IPP JACK LAU

1. BUNNY WANG MEMORIAL FUND

Bunny Wang, our young and dedicated member, met his untimely death on 11th November 1978 in Hong Kong.

In memory of his son, our P.P. Wilson T.S. Wang donated a sum of HK\$70,000 – to our club for scholarship purposes.

Our club and our members, listed below, jointly donated a sum of HK\$30,000 – thus making this memorial scholarship fund to a total of HK\$100,000:

PDG John Yuen	PDG Peter Hall	Peter Haig	William Lamport
PP Ramseh Mahtani	PP Chan Soo	PP Con Conway	Donald Wong
PP John Kwok	V.K. Raganathan	C.T. Ng	PP Harold Lee
PP Kenneth Poon	S.Y. Pang	Bob Barth	Anthony Tai
S.W. Zao	PP Sam Lam	PP Jimmy Wu	

The nature of this fund is to use its interest for scholarships and the capital remains untouched. In the past years, we have been awarding scholarships to students of the Hong Kong Polytechnic, with the assistance of Rtn. Peter Haigh, to pick the right candidates and we are still doing the same at present.

2. WILLIAM LING MEMORIAL FUND

Likewise, upon the death of our P.P. William Ling on the 16th June 1985, his wife, Dar Loh, donated a sum of HK\$100,000 to our club for scholarship awards. The structure of the fund is the same of those of the Bunny Wang Memorial Fund.

Each year, our club makes a report to the above donors of the income and expenditure, making sure that the money used is for educational purposes.

SAD TIDINGS

It is with deepest sorrow and sympathy we record the death of our former member and director of this club and also charter president of the Rotary Club of Hong Kong North (sponsored by H.K.I.E.) Rtn. ROCKY SZE CHUSIAN who passed away on the 3rd June 1990 in Hong Kong after a long illness.

The funeral service was held on Friday, June 8th 1990 at the Hong Kong Funeral Parlour, North Point.

We extend our heartfelt condolences to his wife – Maisy and members of his family, specially to his son-in-law, PP Henry Mao of the Rotary Club of Hong Kong North.

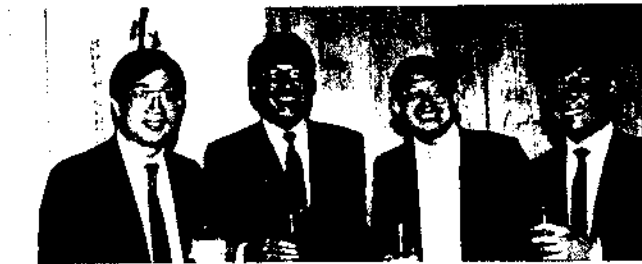

OUR 36TH ANNIVERSARY FUNCTION 01/06/90

"A Gala Evening", "Thoroughly enjoyable", "Wow! Can Warren Wilson sing!", "You should have been there" were some of the many comments overheard at our meeting last week.

It was a grand occasion, well organised and enjoyed by all who attended. Our District Governor Joseph Lee was there with Josephine and we also welcomed PDG Raymond Wong and his wife Vivien and of course our own PDG Peter Hall. "What a pity" said Pres. Dave at our meeting last week "more members did not join us", IPP Jack Lau was in grand form on the Karaoke, Warren passed the post with flying colours and Pres. Elect YK was in exceptional form. We are told that of the \$2,320 handed over to club funds from the Karaoke, \$1,300 of it came from YK (do we detect a challenger for the spot of "No. 1 Singer" in YK?) Then to the Tombola, expertly called by PP Baker Moosdeen who was ably assisted by Rtn Kenny Chan. A further \$2,000 was thus raised for Club funds. Thank you YK for all the effort you and your team put into organising the event.

1989/90 Annual Report

LAST WEEK'S PROGRAMME

Ms. Sheilah Hamilton

Subject: Forensic Science

Ms Sheilah Hamilton

Sheilah Hamilton is an independent consultant in forensic science. She is based in Hong Kong, but is available to serve the needs of the legal profession in Australiasia as well.

Forensic Science is defined as "the study of and practice of the application of science to the purposes of law". "In short", said Ms. Hamilton, "it can be defined as a science that is useful in law courts. However, I have found since working as a consultant, that forensic science can be useful in situations which would not necessarily end up in court".

Sheilah Hamilton gave us a few facts regarding forensic science:

1.0 Forensic Science involves as awful lot of good old-fashioned common sense and it saves a great deal of time to look at the simplest approach first. "There is no point in trying to blind juries with science" she said, "Judges don't like it!"

2.0 Objectivity is an essential quality in a good forensic scientist. Winning a case should be unimportant.

3.0 Being a woman is no hinderance to being a forensic scientist. In common with many other professions, women just have to work harder and be better than their male counterparts!

Ms. Hamilton also shared some fallacies:—

1.0 Forensic Scientists do not cut up bodies! (That is the job of the Forensic Pathologist). The pathologist tells how a person died whilst the scientist tries to ascertain where the person was killed and by whom.

2.0 Forensic scientific evidence is all that is needed to solve a crime. Not true. Good investigative police work is still necessary.

3.0 Forensic scientists get all their results within the hour. "Oh how I wish it were true" she said. In some instances, the different stages of the examinations will span many months.

4.0 Forensic science is only useful in criminal cases. Not true. It's just that sensational criminal cases catch the eye of the journalists.

In accordance with Subsection (8) Section 1 of Article XII of the By-Laws of the Rotary Club of Hong Kong Island East, notice is hereby given to members of the Club that the Board of Directors has sustained the decision of the Classification Committee and the Membership Committee to propose the following person to be admitted to the Club as an active member.

Name: Mathew Kok Mew Faa
(Member RC Kuala Lumpur 1980-1989)
Organisation: Ernst & Young
Classification: Accounting Service, Corporate Affairs
Proposed by: Rtn. Tajwar Shadikhan
Address (Office): 610 World Commerce Centre, Canton Rd., TST

In accordance with Subsection (7) of Section 1 of Article XII of the By-Laws of the Rotary Club of Hong Kong Island East, any member objecting the election of the above proposed member shall notify the Board in writing, stating reasons within 10 (ten) days from the date of the publication of this notice.

THE WAY IT WAS LAST WEEK

- Numbers of members attending were down last week 38/81 or 47%. Pres. Dave opened the meeting promptly at 1.20 p.m.
- Rtn Leslie Soltay introduced our 8 visiting Rotarians and we had two guests. We particularly welcomed PDG Roland Day from the Rotary Club of Gawler, South Australia. We exchanged banners with our visitors and asked them to take back our best wishes to their respective Clubs.
- Welcome back to the meeting, PDG Peter Hall who was away on special RI duties last week.
- Rtn Peter Haigh was again Sgt. at Arms and he reported a take of \$760.00. Thanks to all who contributed. Special thanks to Pres. Dave, PP Sam Lam, Rtn Murray Macdonald.
- Happy Birthday PP Sam Lam (celebrating his 50th a little early!) and thank you Rtn Henry Yung for leading the Birthday song.
- Rtn Vianney Willy-Furth introduced Ms. Sheilah Hamilton our guest speaker who gave us an entertaining and informative address on her experience as a Forensic scientist. Rtn George Leung moved the vote of thanks.
- Pres. Dave closed the meeting and we toasted RI together with Rotary Club of Gawler, South Australia.

NEWS FROM THE DISTRICT

1.0 GENERAL ACTIVITIES

The sports day on the 25th March was a roaring success. The participation was good. Over 450 Rotarians and family members attended the event. It was fortunate that the day had a clear blue sky and the participants had a very good time. Everyone enjoyed the day, in fact it was so good that a follow-up event was conceived. A basketball tournament was hosted by HK North, HK City North, Kwun Tong, Tsuen Wan, Adm & Klm Northeast on 27 and 28 May. Talking about repeats, the RYLA was so exciting that the Rylarians decided to stage one for the Rotarians on 12/13 May.

The Intercity Meeting with vocational panel discussion was held at the World Trade Centre Club on the 29th March. Over 100 Rotarians attended the event. The meeting was very interesting and the fellowship was great with beer drinking contest, mahjong familiarity contest and Karaoke. The evening had its serious side with a presentation of the topic "Crossroad For Professionals" by a panel of interesting speakers. Followed by a good dinner with lots of fun and fellowship.

The FUN FAIR 90 on the 18th March organized by the Rotaractors and Interactors turned out to be an astounding success with over 36,000 people participating at the games stalls. It was a success story not only because Rotary International was prominently recognized by the public but it brought together the Rotary family tree, Rotarians, Rotaractors and Interactors. Above all the event also served the public and the needy, in fulfilling also a very important reason for the event.

2.0 DISTRICT DONATION

Cheques of HK\$28,000 each for the Royal HK Police's Welfare Fund and Correctional Services' Welfare Fund were presented at the District Conference.

Thanks to all the clubs for their support in donating their one Rotary meeting's Red Box collection.

Interactors of Hokkaido, Japan (D-250) made an unexpected visit to HK. Fortunately through the effort of District Interact Committee Chairman Rtn. Peter Thong, the visit turned out to be a very happy occasion for both Interactors from our district and Hokkaido. They got together on 21 March and had a wonderful meeting followed by a bus tour and capped by a fellowship night barbecue.

3.0 NEWS FROM OTHER CLUBS

The Rotary Club of Amagao indicated some of their achievements so far this year were 1) US\$2,270 to Rotary Foundation 2) WCS projects: exchange project with RC of Tsuchiura, Japan; sending sets of publications about Macau to 5000 clubs worldwide; joint host to a very successful Intercity Meeting.

The Interact Club of Hongkong International School sponsored by RC of HK South was officially certified by R.I. in February 1990, however, the organization date is 10 December 8 1989.

The Rotary Club of New Territories donated HK\$60,000 to the POK Oi Hospital for the Hall of the Emergency Department.

ROTARY INFORMATION -- By PDG Peter Hall

To-day, I would like to give information about the General Secretary of Rotary International. You may or may not know him, but he is very close to you as his signature appears on your Rotary Identity card which you all carry in your wallet.

In the February 7th issue, Tung Feng reported the General Secretary and several of his assistants were removed from office due to the restructuring of the Secretariat of R.I. (See Tung Feng of In the absence of any immediate replacement, R.I. President Hugh Archer assumed the role as Acting General Secretary until last month, when a new General Secretary was elected by the R.I. Board from 450 candidates. He is Rtn. Spencer Robinson, Jr. age 48, a Rotarian from Birmingham, Alabama, USA and he is now head of the nearly 500-member secretariat staff in R.I.'s headquarters and branch offices. Robinson has become the 8th General Secretary. The longest serving General Secretary was Rtn. Chesley Perry who served from 1910-1942.

The flow of Asian investment into New Zealand is now increasing strongly. Our quality products are marketing strongly in Asia. The NZ economy is almost perfectly complimentary to the manufacturing labour intensive economies of Asia. We produce in abundance what increasing members of affluent Asian consumers are wanting: the freshest, best food: the freshest, best holidays: quality investment potential and, last but not least, the freshest and best thoroughbreds. In short — a strong Asia/Pacific partner."

"Throughout the difficult past 12 months New Zealand has given Hong Kong its steady support. We maintain it is in the wider interest of the Asia/Pacific region that both in the letter and the spirit for the terms of the 1984 joint declaration to be fully and faithfully implemented. We have encouraged and supported Hong Kong to become a full member of the Pacific economic consultative conference. New Zealand has been active in the OECD initiative to establish a dialogue and workshop forum on relevant economic/financial issues. We have strongly encouraged Hong Kong's membership. And New Zealand has worked hard to get the Asia Pacific Economic Conference which met in Canberra last November off the ground and to include Hong Kong in the process. We have given Hong Kong full support at Geneva and elsewhere re the Vietnamese boat people.

The New Zealand government firmly believes a thriving Hong Kong stitched into the various Asia/Pacific networks has a key role to play in the economic and financial development of our region. In this, as in so many other areas New Zealand is a creative, steady and committed partner."

THE WAY IT WAS LAST WEEK

- Our attendance of members was 47/81 (58%). Pres. Dave welcomed everyone when he opened the meeting at 1.20 and we gave a special welcome back to PP John Kwok has been just returned from a trip overseas which included "a boring 5 day sea voyage". We ascertained the vessel John was on was formerly the "France" which held the "Blue Riband" for the fastest crossing of the Atlantic "within a day I knew every part of that darn ship" said John. John was travelling with his "Harem" of five lovely ladies!
- Welcome back also to Rtms Sital Motwani (from India) Walter Yuen from U.K. and Manila and Mark Whithead from Bogata Columbia.
- It was PP Baker Moosdeen's turn to celebrate his birthday. Happy Birthday Baker. PP Chan Soo led us in the birthday song.
- Peter Haigh again acted as Sgt. at Arms for the day. Our donations totalled \$1,230. Thanks to all who contributed and special thanks to PP Warren Wilson, PP John Kwok, PP Baker Moosdeen, PP Chan Soo, Rtn Mark Whithead, Rtn Sital Motwani, Rtn Wing Eng.
- IPP Jack Lau gave us Rotary Information for the day. He spoke about the Rotaract Programme in Rotary.
- Rtn Pau Leung wasn't at Rotary last week — he was having lunch with Irene, wife of Pres. Elect YK Cheng! We were sad to learn Pau will shortly be leaving Hong Kong and we were advised his letter of resignation from the Club had been sent to the Board.
- Our Guest Speaker was introduced by VP Warren Wilson. Mr. Bridge spoke to us about New Zealand and it was appropriate for IPP Jack Lau to move the vote of thanks.
- Pres. Dave closed the meeting with a toast to RI and Rotary Club of HK South.

ROTARY INFORMATION – BY IPP JACK LAU

My topic today is the Rotaract Programme in Rotary.

What is a Rotaract Club?

In 1968, R.I. approved the Rotaract programme as a service organization for young people between the ages of 18 and 28, but the age limit was later extended to 29.

Its purpose is to develop leadership and responsible citizens through service to the community; to advance the cause of world understanding and peace to promote recognition and acceptance of high ethical standard as a leadership quality and vocational responsibility.

At present, there are 4,402 Rotaract Clubs in the world with membership of 101,246 in 96 countries.

Our Club has one Rotaract Club known as the Rotaract Club of Hongkong Island East under the wise counsel of our own member Rtn. Joseph Chan. It has a membership of over thirty and is very active. In the past year, it carried out an "Anti-Smoking" campaign which was so successful that it received a District Award at last year's District Conference.

During this Rotary year, our Rotaract Club is launching another campaign called "Anti Pollution" in response to the R.I. service theme of the coming year "Preserve Planet Earth" – They will be holding seminars, photography competition and Posters exhibition.

Fellow members, please watch out for the date of this event, as we need your support is the same way as you have done in the past.

Our Rotary Year Ahead

LAST WEEK

Pres. Dave Chang
Annual Report for 1989/90 Rotary Year

'Farewell' and thanks Pres. Dave for 1989/90 Rotary year

This is it! The day of reckoning. A day I've looked forward to since July 5, 1989, the day after Independence Day, with apprehension. My charge back on that day was to Enjoy Rotary. I have managed to do that very well, thanks to the members of the board of directors, who had really worked hard on our behalf.

It was the resolve of the board that each member should be provided with opportunities to Enjoy Rotary after his own fashion as much as possible. All the board of directors' meetings were open to members. Those members who attended these meetings often expressed their views for the board's consideration. The venue for these meetings ranged from the high ceiling hall of Loke You at the University of Hong Kong to the cozy VIP room on third floor apartment of Yik Sun restaurant of our founder member Dragon. The food at the fellowship dinners after the board of directors' meetings was always good and of excellent value, and the fellowship was first rate. It is regrettable that only 20% of our members attended any of these meetings. I understand that this tradition of open board of directors' meetings and the fellowship dinners afterwards will continue next year. I urge you to take time from your busy routine and join these gatherings at least once. I promise you that you will be hooked.

Other than our regular luncheon meetings, the best attendance this Rotary Year was when we bid last farewell to our Founding President, Past District Governor Uncle John. It was indeed an eminently solemn and sad occasion. His memory would forever remain with members of this club who knew him. Perhaps as a consequence of our great loss, the original president's sash of this club got lost mysteriously after our Christmas Party. These losses are irreplaceable.

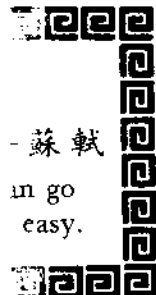

I am extremely proud to be associated with the members of the Board, each of them worked in true Rotary spirit and excelled in their respective avenue of service. I would like to recognize them individually:

From page 1

Our adviser PDG Peter, who is now representing our club at the Rotary world convention in Portland, Oregon, USA, always provided sound counsel to the board and helped us to uphold the fine tradition of this club.

Our representative from the Past Presidents' Council Past President Andrew kept us in proper perspective when, at times, we got overly engrossed in specific situations.

Our ex-officio immediate past president Jack furnished us with his wit at some of the board meetings despite his hectic schedule and contributed his talents in more ways than one.

Our vice president, who is also the chairman of club service President Elect Y.K., adhered faithfully to the resolve of the board. He conducted surveys and arranged our annual celebration according to the wishes of the majority of the membership. The evening was delightful for those who participated. It was distressing that less than 50% of the membership attended the affair. The function committee worked long and hard for the occasion, more should have shared in the enjoyment of it.

Our secretary Taj, who not only did his job conscientiously, but went beyond the call of duty at times and fought for the interest of the club.

Our treasurer Dick, who is currently on holiday, looked after the club's finances and administered the various memorial funds which were explained to us by IPP Jack a few weeks ago.

Our chairman for the community service Li had a well rounded program planned remarkably early, in fact before the Rotary year started, and went ahead and implemented each project with flying colors.

Our chairman for the youth service, who is also our assistant secretary, Joseph filled both jobs decorously in his typical low key manner.

Our chairman for international service Hubert had a successful year. In spite of the abortive attempt to visit our sister club at Makati, at which his committee member Tony II worked ever so diligently, Hubert organized our visits to Japan and helped us renew our acquaintance with two of our five sister clubs this year.

Our chairman for Rotary Foundation PP John as usual filled all the gaps that the rest of the board overlooked. He is our perpetual "one foot kick" caretaker.

Our chairman for vocational service Ben was exceedingly meticulous in his plans. Not only did he enabled members to broaden their knowledge of Hong Kong industry, but his committee won a district award for the club.

Our chairman for world community service is Lesley. In addition to his normal duties, he organized two memorable events for the club this year, the Christmas Party and the board of directors' meeting at the Staff Club of the Polytec.

Thank you very much Rotarians.

I would like also to acknowledge all the committee chairmen and their members of the club services. Thank you all for looking after the weekly running of this club.

As most of you were aware of the various projects organized by these committees and have worked in some of them, I shall not take time to recall each one. I trust that those members who wanted to be involved in the activities of this club found something suitable for them and had enjoyed the experience. If any member failed to find opportunities to partake in the clubs activities this Rotary Year, it would be my failure singularly to properly entice him.

For a club of our depth, breadth and history, believe me, it is a challenging task to marshal and channel all the resources available to it and to provide for all the needs of the membership. A handful of our members had left or will move abroad after this Rotary Year, we shall miss them dearly. Due to prevailing political and economical climate in this city, this trend is likely to continue. It would be on the shoulders of each of us to preserve the spirit of this club which we all treasure. Perhaps as a Senior Active member, I lack the dynamism to lead such a diverse group effectively. This will not be the case next year when you will have the youthful PE Y.K. heading an exceptionally enthusiastic board of directors. I am sure they will be able to solicit your strong endorsement for their plans and justify the trust you have placed on them.

For me, this past year went by quickly. Now that I have the benefit of hindsight, there are many things I would like to have done and there are many things I would have done differently. One certainty, I cherish your kind support. My hope is that I have met with the expectation of some of you to some degree. The one thing I miss very much is being able to sit amongst you during our luncheon meetings. I shall be able to do it again starting next week. I can't wait! Thank you for giving me the opportunity to serve.

THE WAY IT WAS LAST WEEK

- Pres. Dave opened the last meeting of this Rotary year at 1.30 p.m. and sitting with him at the top table were IPP Jack Lau, PP's John Kwok, Sam Lam, Incoming Pres. Y.K. Cheng, Incoming VP – PP Warren Wilson, Secty Tajwar and Rtn Leslie Soltay.
- We all spared a thought or two for PDG Peter Hall and PP Con Conway who were shortly to return to Hong Kong following the Rotary International Convention in Portland.
- Last week was not only the last meeting of the Rotary year, but it was also the last meeting at our Club for our very fine Rotarian Basil Saunders. Au Revoir Basil, Godspeed and good luck.
- Rtn David Li, (Our efficient Attendance Chairman for 1989/90) wrote to each member of the Club urging them to support the meeting today and 40/81 members attended including Charter member Dragon Nie. A good turn out considering the members away on business trips and on holidays.
- There were no overseas Rotarians visiting us last week and Rtn Leslie Soltay introduced visitors from our local Rotary District.
- Welcome back PP Sam Lam from Beijing, PP Peter K. Wong from Europe and China.
- Niigata Rotary Club sent Pres. Dave a beautifully bound photograph as a memento of our Club's visit this year.
- Rtn Tajwar reminded new Board Members of the Board Meeting to be held on 2nd July at World Trade Centre Club at 6.30 p.m.
- IPP Jack Lau again gave us information on Rotary. He spoke of R.I.'s entry into Moscow. (See Tung Feng on 9th May 1990.) Jack also acted as Sgt. at Arms for the day. He collected \$1,050. Special thanks to PP Sam Lam, PP Peter K. Wong, Charter member Dragon Nie, Incoming Pres. Y.K. Cheng, Rtn Rube Hausman, Rtn Michael Kelly.
- Pres. Dave then addressed us and gave us his annual report for 1989/1990 following which he received a deserved round of applause.
- The meeting then closed at 2 p.m. with a toast to the Rotary Club of Hong Kong and to Rotary International.

THIS WEEK'S PROGRAMME

Its musical, its attractive, its a surprise!

LAST WEEK

Installation of President YK Cheng
His Subject: Our Year Ahead

President Y K Cheng in Command

"Through the good intent of Rtn. W.K. Lam, now better known as "Captain" W.K. Lam, I started having lunch at this Club in June 1983 at the end of Con's year. So my first impression of Rotary was that the President had to do all the talking.

I am conscious of the honour which you had given me in electing me as your 37th President.

This is an honour which I accept with both pride and humility. To follow the steps of our Past Presidents is a daunting prospect - I will certainly do my best to uphold the integrity of this office and to live up to your expectation. Needless to say, I shall be at your disposal at all times to render whatever service that is necessary for the good of Rotary in general and of our Club in particular."

Pres. Y.K. then spoke to us about our new R.I. President Paulo V C Costa and the R.I. theme for this year "Honour Rotary with Faith and Enthusiasm". Y.K. then continued: "During the past year, as your Vice-President & President Elect, I was fortunate enough to see other Clubs as well as our District in action. The more I participate in these activities, the more I feel privileged to be a member of Island East. Our Club has indeed a fine Rotary tradition, well guided by the Past Presidents; possesses a diversity of membership representing different nationalities and age groups that complement each other. We have many dedicated Rotarians. Our success has been the envy of others.

But we are not without our share of problems. Through attrition, our membership is down to 75. So membership is one area on which we will be concentrating this year.

In the last District Conference, we were advised to weed out the "deadwood" even at the expense of positive growth. This is very true because the essence of a Club's survival lies with the quality of the members. I want everyone to be involved.

It is my earnest wish to "re-activate" some of our "more quiet" members and at the same time, start looking for new ones.

From page 1

It is in this connection that I am considering a "Five-for-one" plan whereby we will establish teams each consisting of five members. Each team is to be led by a Past President and the remaining members will be Rotarians with varying years of service. We will have about 12 teams and with a bit of luck we may get back to 80 by the end of the Rotary year. We plan to launch the scheme in August which is "Membership & Extension Month".

Fellowship was the original motivating power of Rotary and it remains one of the most satisfying products of Membership. It is the engine that powers Rotary. Fellowship thrives when all members participate. There is an old saying in Rotary. "No One Derives Fellowship From an Empty Chair." So, to increase fellowship, we need your strong support. A strong bond of fellow feeling and esprit de corps is the key to a thriving Rotary Club.

Attendance at Club Assemblies has been poor and very often there appears a lack of interest. I appreciate that it is not easy to have activities that are of common interest to all of us. I see the role of the Fellowship Chairman only as a co-ordinator — it is up to all of us to tell him what we want. And having done so we must support him by participating. With good fellowship, people will join us; with bad fellowship, members will leave. It is as simple as that.

We are indeed fortunate that we have a very strong Board of Directors this year — in fact one of the strongest I have ever seen. I see this year as a year of consolidation and a year of self-strengthening. We are grateful to the solid foundations which our Past Presidents and past members have built for us, so that by Honoring Rotary with Faith & Enthusiasm our Club can grow from strength to strength not only in the decade of the 90s but well into the 21st Century."

THE WAY IT WAS LAST WEEK

- IPP Dave opened the meeting and then he formally handed over his chain of office to Pres. YK Cheng who assumed the Chair. YK took to his new responsibility like a "duck to water". He invited PP Baker Moosedeen to present IPP Dave with the "Past President's" badge.
- Pres. YK extended a special welcome to PP Moses Cheng and he then called on Fellowship Chairman, Rtn Michael Kelly, to introduce our visitors. 45 of our own members were present out of 76 (59%).
- Welcome back Rtn Kurt Schneiders from China.
- Happy Birthday to "Santa Claus", Rtn Vianney, Willy-Furth and thanks to PP John Kwok who led the Birthday song.
- Mr. LK Cheung, President of Hong Kong Island East Rotaract Club reported to us. There are presently 46 members of the Club.
- Rtn Murray Macdonald introduced our new member Mathew Kok. Mathew was duly inducted by President YK to the acclamation of members present.
- On this special day, Sgt at Arms, Gary Chiu, collected \$2,160. Special thanks to Pres. YK Cheng (\$500!) insurance? Special thanks to Rtn Sital for his donation of \$250. Thank you also to visiting PP Moses Cheng, PP Sam Lam, PP Chan Soo, PP WK Lam, PP Andrew Chen, Rtns Mathew Kok, Gary Chiu, Vianney Willy-Furth, Michael Kelly, Sam Wong.
- IPP Dave Chang reported on the Board Meeting held on 2nd July.
- Congratulations to Pres. YK who will be Hon. Secretary of the District Joint Presidents Committee this year and he will also be Hon. Treasurer for the supervisory committee for the Rotary Information Centre.
- Pres. YK gave his inaugural address, passing on to us all sorts of glad tidings including information on R.I.'s theme for the year and perhaps more importantly, he spoke about our own Membership and Fellowship. He also spoke on relationship with our own Rotary District.
- There being no further business, the meeting then closed promptly at 2 p.m. with a toast to R.I. and the Rotary Club of Bonn Rheinbach.

PRESIDENT'S NIGHT – MONDAY 23RD JULY 7.30 P.M.

Pres. YK announced the annual President's night dinner (to express thanks to IPP Dave Chang and his Board for the 1989/90 Rotary year) will be held at the Overseas Bankers Club (top of Gloucester Building in Pedder Street) on Monday 23rd July. The cost will be \$175. Fellowship Chairman, Michael Kelly (Phone: 8330056; Fax: 5720156) is collecting names of those who will be attending. Rotaryannes are welcome.

SNIPPETTS FROM THE BOARD MEETING 2ND JULY 1990

In future issues of Tung Feng, we will be featuring articles from the Chairmen of our Four Avenues of service (Club, Community, International, Vocational) advising the make up of the respective sub committee's and their plans for 1990/91.

Other issues discussed at the Board meeting were:

- Membership as at 30/06/91 was 81. Attendance for June 66.67%.
- Warren Wilson, Baker Moosedeen, Tony Crow granted Leave of Absence.
- Resignation received with very much regret, from Pau Leung.
- Notices for half yearly dues will shortly be sent out to members.
- District Governor, Arthur Au, will visit us on September 5th. We will have a Club Assembly that evening.
- Rtn Michael Kelly wants ideas from members re the type of fellowship function we feel will appeal.

FROM R.I. PRESIDENT – PAULO V.C. COSTA

"Honour Rotary! With faith and enthusiasm in every thing we do; building a better world, united we will be; a million strong, we march along to honour Rotary. Honour Rotary.

We must keep the forest green. Make the seas and oceans clean; save the land, make pure the air, they will know that we do care. Feed the hungry, help the poor, heal the sick, let's find the cure; guard the young, the aged too; There is still so much to do.

We must help to build world peace, let our efforts never cease; find the ways to do the good for our common brotherhood; let love and kindness be our guide, law and justice at our side; then we'll know that Rotary has tried to serve humanity!"

Welcome to the Club, Mathew Kok

LAST WEEK'S PROGRAMME

"WHIM'N RHYTHM"

"It's musical, it's attractive, it's a surprise" said Tung Feng announcing last week's programme and indeed that's just what it turned out to be. To start off with no lunch was served when we sat down and then our newly installed President called on PP Robin de Morgan of Rotary Club Hong Kong South to give a speech! Had YK Lost his sense of timing you may well ask? Nerves perhaps? No, it was planned this way. PP Robin then went off at a tangent saying how his Club was ten years' old; we founded it; it was doing well and they now have lady members! All very interesting! Then came the bombshell - Robin told us he had brought along 14 female contenders for Membership of our Club!

The looks of concern on the faces of some of our members was a sight to behold as 14 lovely young ladies (a choir from Yale, U.S.A. who call themselves "WHIM'N RHYTHM") then entered the room and proceeded to entertain us with a delightful selection of "Barber Shop" and other similar style songs. The ladies warmed to the occasion as we certainly warmed to them. The choir is on tour and while in Hong Kong, they will be performing three concerts at the Fringe Club. They will also be singing at HK Cultural Club and Whitehead Refugee Camp. Rtn Michael Kelly officially thanked the Group "We loved the enthusiasm and the swing" said Michael. He expressed the wish of us all that the choir have a successful and enjoyable tour. Commenting on the fact the Group were breaking up to go their various ways in life, Michael advised the girls "Whatever you do - stay singing".

Thank you PP Robin de Morgan and Secty Tajwar Shadikhan for organising the event and thank you to the girls, Allison Day, Priscilla Anderson, Melissa Grigorieff, Carroll Haymon, Lisa Campbell, Tanya Carswell, Stacy Donohue, Kim Easter, Claudia Rosen, Anaia Cederstav, Dawn Ellis, Rachel Beattie, Heather Beatty and Gillian Williams.

THE WAY IT WAS LAST WEEK

- Pres. Y.K. Cheng opened the meeting and then probably for the first time ever, our programme for the day commenced when we were serenaded by a 14 Group ladies choir from Yale University who were visiting us. The change to our usual format was very well received and we felt privileged to be able to hear such a talented choir who performed with such grace and excellence.
- Lunch was served at 1.30 p.m. and we extended a warm welcome back to PDG Peter Hall who has recently returned from the Rotary Convention.
- Fellowship Chairman Michael Kelly introduced visiting Rotarians and guests. 41 of our own members were present (53%).
- Sgt. at Arms Rtn Gary Chiu collected \$1,030 last week. Special thanks to Pres. Y.K. Cheng, IPP Dave Chang, PP's Chan Soo, Ken Poon, Rtms Mark Whitehead, Rube Hausman.
- Welcome back PP Ken Poon, Mark Whitehead and Tajwar Shadikhan.
- Pres. Y.K. reminded us of the President's Night on 23rd July. This will be our first Fellowship function for this Rotary year.
- PDG Peter Hall then reported to us on the R.I. Convention in Portland Oregon.
- Happy Birthday IPP Dave Chang! The lucky fellow was well and truly serenaded. Thanks largely to our visiting lady choir!
- "WHIM'N RHYTHM" entertained us to a few more songs before Pres. Y.K. closed the meeting with a toast to RI and the Rotary Club of Rio de Janeiro. This was definitely one of our more memorable and enjoyable meetings.

DISTRICT NEWS – FROM THE JOINT PRESIDENTS MEETINGS

The following were elected officers for the Joint Presidents' Meetings 90/91 (JPM):

Chairman	– George Koo	– Hong Kong
Vice Chairman	– Peter Kendrick	– Kowloon
	– Francisco Borges	– Macau
Hon. Secretary	– Y.K. Cheng	– Island East
District Finance Committee Representative	– PP Moses Cheng	– HK North East

DG Arthur Au advised that in view of R.I. President Paulo Costa's goal to "Preserve the Planet Earth", it would be appropriate to look for projects in the areas of:

- Water resources
- Air pollution
- Flora
- Fauna (wild animals)

It was appreciated that for obvious reasons certain types of projects such as those associated with "Fauna" could be difficult to identify in Hong Kong.

Group Study Exchange (GSE)

PP Moses Cheng tabled for discussion a 2-page Summary on the GSE between District 345 and District 697 in Florida, U.S.A. for the 90/91 Rotary year (copy attached).

PP Moses' initial thinking was that the GSE could take place "some time" around the Dragon Boat Festival in 1991 so that the team from Florida could be able to see the celebration of certain Chinese festivals unique for Hong Kong. The JPM was requested to consider the best time for the team to visit Hong Kong. This team would include five representatives under 35 years of age and one "supervising" Rotarian.

As part of the exchange, there would also be a team from Hong Kong visiting Florida. The team will stay for six weeks in Florida. Selection criteria for suitable candidates from District 345 should include:

- Good command of English;
- Ability to act as good ambassador;
- Willingness to spare the time.

Rotarians and their family members are not allowed to apply.

PORTLAND R.I. CONVENTION – BY PDG PETER HALL

"For the second time in Rotary history, another R.I. Convention was held in the City of Roses – Portland, Oregon, U.S.A. from 24th to 27th June 1990 with a total registrants of well over 21,000 from 97 countries, over 50 delegates were from district 345, Hong Kong and Macau area."

PDG Peter told us there were two "Appeals to the Convention". This is most unusual but it is provided for in the rules and regulations. Rotary Club of Delhi protested the R.I. Board's decision to disallow the nomination of Past R.I. Director Manohar Manchanda as an additional candidate for R.I. President 1991-1992 and the Rotary Club of Mid-Town India appealed against R.I.'s decision re the District Governor of District 312 for 1990-91. Both appeals were lost.

One of the many highlights of the Convention was the presentation of the Rotary World Understanding Award to Mr. Václav Havel, President of Czech and Slovak Republic. The award is to realise, exemplify and dramatize the Rotary ideal of service especially in the promotion of international understanding, goodwill and peace.

Eastern Block countries were now embracing Rotary and the new Presidents of Rotary Clubs of Budapest (Hungary); Warsaw (Poland); Moscow (USSR) and the Provisional Club of Prague (Czech and Slovak Republic) were introduced.

Incoming President Paulo VC Costa addressed the Convention emphasising the theme "HONOR ROTARY WITH FAITH AND ENTHUSIASM".

"Rotary is the messenger of good words; sower of good seeds; Defender of Nature; architect of Peace."

The Convention ended with the call from outgoing R.I. President Hugh Archer, for all to meet in Mexico City next year.

PP Clarindo Guieros and Albertina

Happy birthday Dave

ATTENDANCE COMPETITION BY RTN TIM LUI

As part of our drive to improve and stimulate attendance during the Rotary year 1990/91, the Attendance Committee has proposed to organise attendance competition amongst specified groups within the Club membership. The members will be divided into 8 groups and the average attendance of each group will be recorded and the attendance statistics released on a quarterly basis. The competition will last for the entire Rotary year and appropriate recognition will be made by the Club to the members of the winning group.

The composition of the groups is being finalised and every effort will be made for an even distribution of high and low attendance members according to past records in order to make the competition as fair as possible. So, members please take note of this competition and give your respective groups support in line with the R.I. theme 'Honor Rotary with Faith and Enthusiasm'.

CHINESE SAYING FOR THE WEEK

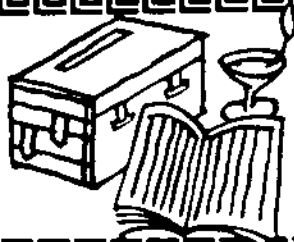

VP Warren Wilson introduced the "Chinese Saying" as a regular feature in our Bulletin, some years ago. Rtn Ben Wong then continued this practice and so did Rtn Murray Macdonald in the 1989/1990 Rotary year.

Murray advises it was Rtn Ben Wong who provided the sayings in 1989/90. This means Ben has provided a "saying" every week for 3 years, a very fine effort and thank you Ben for doing this.

Sadly, to keep the "saying" going every week in 1990/91 may not be possible as according to Ben, "The Well from which he taketh hath Runneth dry" – almost!

Should members have some "sayings" tucked away somewhere in their archives, it would assist us if you could let Rtn Murray Macdonald have the English translation (and if possible the Chinese translation as well)

HONOR ROTARY WITH FAITH AND ENTHUSIASM —

You who belong to Rotary are truly blessed!

You were made a part of this organization in recognition of your strong leadership abilities, your outstanding citizenship, your importance to the community, your worthy performance in your business or profession and your strong family values. It was recognized that you possessed the ability, the desire, and a true calling to Service. As such, your fellow Rotarians placed their complete confidence in You.

Those who receive such recognition from their own communities can only count themselves blessed, for they are persons of great merit. They display the sensitivity to understand that greater happiness comes to those who serve than to those who are served.

You belong to an extraordinary "Crusade for Peace," which gathers together more than 1,100,000 volunteers, active in more than 24,500 clubs located in 167 countries and geographical regions the world over. In Rotary you will find, in addition to this treasure-trove of more than a million friends, excellent opportunities to serve, to be of use, and to return a little of the bounty you have received.

How can you repay this privilege and this blessing?

You can repay it by working to Honor Rotary with the full force of your faith and all the ardor of your enthusiasm. You can recognize that Rotary's great potential depends on the combined strengths of all of us, and that your active participation is required and essential. Have absolute faith in the validity of Rotary's actions, because these have their foundation in actual events, made concrete thanks to the unselfish spirit of people of good will.

Always keep alive your enthusiasm for Rotary, a dynamic movement that proclaims friendship and harmony, dignifies all worthy occupations, alleviates the pain of those who suffer, defends truth and justice, and promotes deep understanding and peace among nations.

HONOR ROTARY—BY BEING LOYAL AND ACTIVE

Your club needs you and relies on your loyalty to Rotary. Your ideas, your support, your experience and your collaboration confirm your true leadership.

Make yourself an essential part of the process. Be a genuine source of support by cooperating in all the initiatives of your club. Move from fellowship to friendship, and from friendship to brotherhood. Take pride in the privilege of your Rotary membership, and honor the whole by participating with the fullness of your enthusiasm.

Leave an indelible mark on the world through your faith in Rotary.

HONOR ROTARY—BY MAKING YOUR VOCATION A LESSON IN DIGNITY

It is easy to be good, and it is easy to be bad. The hard thing is to be just.

In serving through our professions, we must always proclaim the Truth, promote Justice, and defend Honesty as absolute values. Honor Rotary by making your occupation a magnificent opportunity for Service. Seek always to serve, not only as an example to youth, but also as a model for those who have already come of age. Transmit Rotary's sound principles to your professional association, to your clients, and to your competitors. Captivate even the most skeptical with your enthusiasm, by demonstrating your faith in the Ideal of Service. Steadfastly preserve Morality and Ethics by dignifying your personal participation in Rotary.

HONOR ROTARY—BY REVEALING OUR TRUE IMAGE

Because many are unaware of the valuable services we provide, Rotary's true image often is distorted. In many communities, and by various organizations and even governments, we are misunderstood and, at times, our intentions are wrongly interpreted. As a result, we need to disclose Rotary's legitimate status as a vital Service Organization. To do so, we need to take a decisive role in solving community problems, putting to work Rotary's excellent programs, which benefit all noble causes. Our strongest signal to the world will come through our dedicated work on behalf of the children, of the elderly, of the homeless, and of the needy. By walking alongside our young people, transmitting to them our faith and our enthusiasm, we will consolidate the present and construct a future that will guarantee them a better world in which to live.

HONOR ROTARY—BY PREPARING FOR THE NEXT CENTURY

We are living in the final decade of this fascinating and tumultuous 20th Century. Rotary, having been a remarkable reality in this day and age, will no doubt go on to become the Great Hope of the 21st Century. The world has gotten smaller, but Rotary itself has grown by leaps and bounds. Today we are present and active on every continent. We have attained an extraordinary internationality even as we have maintained our impressive unity.

The success of The Rotary Foundation and of our ambitious international projects leaves us with a responsibility to take one more step forward and, likewise, gives us the assurance that we will do precisely that. We will act with complete objectivity, envisioning a world of greater justice in which Peace reigns supreme. We will work with dedication to protect and preserve our natural resources, in order to achieve a better quality of life here on our "Planet Earth."

In keeping with the dignity inherent in the legacy of Paul Harris, let us Honor Rotary with Faith and Enthusiasm!

THIS WEEK

Mr. Alfred Shum, Ernst & Young
Subject: Taiwanese Investment in PRC

NEXT WEEK

Mr. Dickie Yip
Senior Manager Hong Kong Bank
Subject: Electronic Payment Service

LAST WEEK

Mr. Fred Tromp
Environmental Protection Department
Subject: Hong Kong Environment Problems
and How They Are Being Tackled

Mr Fred Tromp

Mr. Tromp illustrated for us the very serious environmental problems facing Hong Kong today. "The Pressures on the Environment have reached extreme danger levels" he said Time is running out and immediate action is necessary to divert an irreversible ecological disaster occurring here. Mr. Tromp outlined the action being taken by his Department in analysing and then addressing the problems.

The Government White Paper on Pollution in Hong Kong was published in June 1989 and an extensive commitment to tackling environment/pollution problems, has been made. The cost in dollar terms will be substantial but every dollar spent will be essential. Education of the public is a top priority.

Enabling legislation is being introduced and the biggest success story so far has been the dramatic drop of Sulphur Dioxide in the atmosphere following the law to ban heavy fuel oil in factories this month. Mr. Tromp said Sulphur Dioxide levels were now only 1/5 of what they were.

EPD will shortly be turning its emphasis to the control of Air pollution from Motor Vehicles. Unleaded petrol would be available in 1991 and Mr. Tromp suggested people should check between now and then to ensure their vehicles could run on unleaded petrol in order to make the change over smooth and effective. With other controls to be implemented, Mr. Tromp said it was aimed to reduce by ten fold, the present levels of carbon Monoxide, Hydrocarbons and Nitrogen Oxides, presently in the atmosphere due to vehicle pollution.

We came away from the meeting feeling secure in the knowledge that the Environmental Protection Department was a thoroughly effective unit, equipped with very able staff and their work to analyse and correct (with legislation as necessary) the present environmental imbalances was starting to succeed. This is one area where Government can count on the fullest possible support from organisations such as Rotary.

THE WAY IT WAS LAST WEEK

- It was "acting" day with PP Jack Lau acting as President and Rtn Murray Macdonald acting as Secretary for Tajwar who was in Honolulu. Pres. Y.K. Cheng was "topping off" one of his buildings and the auspicious hour designated clashed with our meeting time. We missed Y.K. and Tajwar but we had fun anyway!
- PP W.K. Lam introduced visiting Rotarians and Guests. We had a large contingent present from the press and two TV channels.
- Welcome back PP Sam Lam, PP Chan Soo and Rtns David Waring, Henry Yung, Francis Li.
- Congratulations and very best wishes to Rtn Francis Li and his wife on the birth of their daughter.
- Happy birthday to "RF" Robert Farrell and Henry Yung. "Gondolier" David Li was in excellent voice to lead us in the birthday song.
- Sgt. at Arms Gary Chiu, collected \$1,040 for the Community Service Fund. Thanks to all who contributed. Special thanks to "RF" for his generous \$200 and to PP Chan Soo, PP Sam Lam, Rtns David Waring, Henry Yung, Francis Li.
- PP Jack reminded us all of the Presidents night to be held at the Overseas Bankers Club on Monday night, 23rd July at 7.30 at a cost of \$175 per head.
- PP Edwin Lau gave us some Rotary Information and he spoke on the job of the Sgt. at Arms.
- Rtn Henry Chan then introduced our guest speak, Mr. Fred Tromp. Following Mr. Tromp's address, Rtn Vianney Willy-Furth moved the vote of thanks.
- PP Jack closed the meeting at 2 p.m. with a toast to R.I. and to the Rotary Club of Chester, U.K., the home Club of our visiting Rotarian Stuart Begbie.

DISTRICT ECOLOGY COMMITTEE

Rotary International's emphasis this year is to be "preserve Planet Earth" and every Rotary Club in the World has been asked to contribute towards doing just this. Our District Governor, Arthur Au his appointed Immediate Past President, Chan Ho-fung (RC Kowloon East) to be chairman of the District 345 Ecology Committee. R.I. will be coordinating projects entered into by Rotary around the world and a newsletter is to be introduced called "The Green Wave" to carry articles on projects showing what Rotary Clubs are already doing in the different regions of the world. Through its International efforts, Rotary has successfully ensured Polio will be eradicated by the year 2005. Now the international emphasis has turned to the Environment. We will no doubt be hearing much more from D.G. Arthur as to what the aims and objectives for our District will be.

DUTIES & SERGEANT-AT-ARMS – By PP Edwin Lau

From my observation, our club's Sergeant-at-Arms is doing a good job to benefit our community fund. There is nothing wrong in this practice.

The job of the Sergeant-at-Arms is to help maintain an orderly, dignified and effective Rotary club meeting, one that will make the right kind of impression on club visitors and guests. He should be constantly on the alert to prevent any occurrence that might detract from the dignity and prestige associated with Rotary clubs.

The Sergeant-at-Arms should arrive at the meeting place early to ensure the venue is in order. He welcomes visitors and turns them over to a member of the fellowship committee. Be sure that the members and guests get started to take their seats after the gong; Call attention, in a humorous way to members who come in late, to make them want to be on time at the next meeting. (To impose small fines is in order), Keep an eye on the eat-and-run Rotarians by calling their attention to the habit in a diplomatic way and advise them the 60% requirement to qualify for a meeting attendance.

It is preferable to have an assistant Sergeant-at-Arms to take over the duty when the S-A-A is absent.

Having said all this it is a pleasure to see such an efficient job being done by Rtn Gary Chiu our present Sergeant-at-Arms.

TIME TO REFLECT A LITTLE

Rtn David Waring has just returned from USA and the following poem appeared in the Rotary Club of Salem, Virginia, bulletin on 24th May 1990. It was contributed by 90 year old Rotarian, Harley Erb.

" I've dreamed many dreams that never came true, I've seen them vanish at dawn, But I've realized enough of my dreams, thank God. To make me what to dream on.

I've prayed many prayers when no answer came, Thought I waited patient and long, But answers have come to enough of my prayers, To make me keep praying on.

I've trusted many a friend that failed, And left me to weep alone, But I've found enough of my friends true blue, To make me keep trusting on.

I've sown many seed that fell by the way, For the birds to feed upon, But I've held enough golden sheaves in my hands, To make me keep sowing on.

I've drained the cup of disappointment and pain, And gone many days without song, But I've sipped enough nectar from the roses of life, To make me want to strive on. "

INCOMING ROTARY FOUNDATION SCHOLARS

Our Club is providing counsellors for two of the incoming Rotary Foundation Scholars for the 1990/91 Rotary year. The two Rotarians are Joseph Chan who for some years has quietly and very effectively been working for the Club in the area of Youth Service, and Murray Macdonald. Tung Feng will publish details of the two scholars assigned to our Club. They arrive here in September and it is hoped as many of our members as possible will meet them. It is also anticipated many members will be wishing to extend hospitality as the year progresses.

IN MEMORIAM

PDG O.R. Sadick (1963-64) of district 345 passed away peacefully on 24th July 1990 at Hong Kong Sanitorium and Hospital. Funeral service was held at the Islamic Centre, Hong Kong on 25th July 1990.

MEMBERSHIP DEVELOPMENT — BY PP EDWIN TAO

Rotary International statistics show that between April 1989 and April 1990, there is a nett gain of membership world-wide with about 200,000 new Rotaries. But this has been almost entirely due to the organization of nearly 600 new clubs during the period.

Again the statistics show, the worldwide average membership drop out in clubs is about 10%. It is higher in our district. The prevailing brain drain plus personnel transfers have been the main cause in our district and HKIE is no exception.

We can not afford such growing attrition but to look for remedy. Working to recruit new members is not only the duties of the chairman and members of Membership Development Committee, but also the responsibility of every member of the Club. Those who have never introduced a new member into the club should seriously look for suitable candidates, amongst his friends and associates & bring them into this great organization to show that you really care for the growth of your club.

The 5 + 1 plan should be implemented at the beginning of Rotary year. The new classification rules allow the admission of more members. The classification rules allow the admission of more members. For example, 2 bank managers, one can be admitted & classified as "Manager" and the other as "Accountant". Additional active membership is another avenue to provide more membership.

The most important thing is to work on the list of updated filled & unfilled classifications. With this list, members can easily look for suitable potential candidates to fill the vacant classifications.

By the way, a word for classification committee chairman, R.I. require that this list of up-to-date "unfilled" & "filled classification be completed by the end of August.

Rtn Dicki Yip

Subject: Easy Payment System in Hong Kong

Rtn Dickie Yip

Rtn Dickie Yip talked to us about the development of EPS in Hong Kong.

EPS is a system which replaces the expensive use of cash. It is a system which allows people to transfer money (in about 20 seconds) from their own accounts to the accounts of various merchants. About 2-3000 merchants are registered under the system.

Merchants can either own the terminals or they can use terminals belonging to EPS. A fee is paid by the merchant to EPS per transaction. The amount varies depending on whether or not the merchant owns his own terminal.

Rtn Dickie explained the workings of EPS and the benefits to consumers merchants and banks alike. He surmised there were tremendous opportunities for further development of EPS in Hong Kong. He envisaged consumers being able to use the EPS system via the telephone in future.

THE WAY IT WAS LAST WEEK

- 65% attendance last week (51 of our members). Pres. YK Cheng opened proceedings at 1.25 p.m. and Rtn Michael Kelly introduced visiting Rotarians and Guests. Banners were duly exchanged. A large contingent from the Press were also welcomed.
- Welcome back PP Sam Lam (again!), PP Baker Moosdeen and Rtn Wing Eng. Happy Birthday Rtn Kenny Chan and thank you PP Jack Lau for leading the birthday song.
- PDG Peter Hall gave Rotary Information. He spoke on The Presidential Awards of Honour.
- Rtn Peter Haigh acted as Sgt. at Arms. A decision had been taken to donate the days takings to our Rotary District for pooling and onforwarding to Rotary in Philippines. The money would than be put to effective use for Earthquake Relief. Thanks to the generosity of all who contributed, we collected \$3,200.
- Rtn Tim Lui explained the operation of the attendance competition to be implemented this Rotary Year.
- PP Con Conway introduced our Guest Speaker Rtn Dicki Yip who told us about "EPS". President YK thanked the speaker and then closed the meeting with a toast to RI and the Rotary Club of Santa Tecla.

QUOTE FROM DISTRICT GOVERNOR ARTHUR AU

"Rotary is a wonderful organisation, its symbol is a wheel. It signifies rotation. Every year, starting on 1st July and ending on 30th June the next year, the Presidency and officers change. New men and women take over. New ideas and new ways of doing things will emerge."

100% ATTENDANCE 1989/1990

We published the list of 100% attendees in last week's Tung Feng, but it appears we missed one! None other than our very fine Rotarians with the huge smile – PP Con Conway who gains recognition as a 100% percenter on a "count back". Congratulation Con.

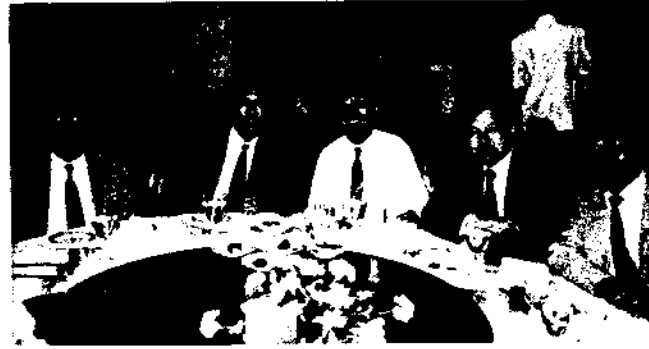

Happy birthday Rtn Kenny

THE PRESIDENTIAL AWARD OF HONOUR 1990 – 91 BY PDG PETER HALL

In each Rotary year, there are awards and citations presented by the R.I. President. This Rotary year, the Presidential Award of Honour will be presented to outstanding clubs and districts in each region and to individual Rotarians who have exemplified the ideals of Rotary through their outstanding commitment to Honour Rotary with Faith and Enthusiasm.

Rotary Clubs may qualify for awards in 7 categories while districts in 8 categories. All nominations should reach the R.I. Secretariat in Evanston not later than 23rd February 1991. Awards will be presented at the coming R.I. Convention in Mexico City, Mexico.

The seven clubs awards categories are as follows:

1. Membership
2. Public Relations
3. Drug Abuse Prevention
4. Preserve Planet Earth
5. Youth
6. Rotaract
7. Exemplary Rotarian: an award will be presented to the Rotarian in each region who has distinguished himself by his commitment to HONOUR ROTARY WITH FAITH AND ENTHUSIASM, who best exemplifies "SERVICE ABOVE SELF" and who personifies the object of Rotary. In addition, the Board of Directors also will select four Rotarians worldwide to receive an international Exemplary Rotarian Award. These four international Exemplary Rotarian awards will be granted for outstanding performances in the four Avenues of Service, such as Club, Vocational, Community and International. These Rotarians will be invited as special guests to the 1991 R.I. Convention.

The eight district awards categories are as follows:

1. Extension
2. Public Relations
3. World Community Service
4. Rotary Village Corps.
5. Drug Abuse Prevention
6. Preserve Planet Earth
7. Rotaract
8. The Rotary Foundation: an award will be presented to the district in each region with the highest amount of unrestricted contributions to the Rotary Foundation based on unrestricted contributions received between 1st July 1990 and 1st January 1991.

All nominations must be received at the R.I. Secretariat no later than 23rd February 1991.

THE WAY IT WAS LAST WEEK

- Blame it on the summer heat which did not quite register 34 on the Celsius scale, but 34 was the number of our members who showed up, the lowest attendance figure in many weeks.
- 34 seemed to be the number for the day too. President Y.K. started the meeting at 1.34 p.m.
- In his famous baritone PP John introduced visiting Rotarians and guests. Even they were fewer than usual, totalling only 8, vs. the 17 that we had just the week before.
- With four and a half empty tables resulting from the small turnout last week do not be overly surprised if the Excelsior relegates us again to some nooks and corners in the next few meetings.
- Two Rotarians were welcomed back from equally hot places, Manolo from Singapore and Mathew from Malaysia. Joseph, however came back from the cooler climes of San Francisco.
- No one challenged the youthfulness of Rtn. C.T. Ng, but when it came to the other birthday boy, PP John, there was some debate as to whether he was 'old'. Rtn. Wing provided the conclusive argument — anyone who survived an ocean cruise with five females cannot possibly be old.
- PP Jack was specifically named by Long John to lead the birthday song. Did John pay for the nomination, or Jack?
- President Y.K. reminded everyone, Board members especially, of the Directors' meeting on Monday, August 13, which was rescheduled from the previous Monday, partly due to the troublesome problem of a quorum. (Y.K. will buy PP Ken another drink if he attends this or any future Board meeting this year.)
- The Rotary Information was delivered by IPP Dave, standing in for PDG Peter. Even the original speaker needed a stand-in. Rtn. Wing replaced Mr. Mike Smith who was scheduled to give a talk on 'personal investment'. Any ideas relating the non-delivery of the speech to Kuwait should be dismissed as purely speculative.
- What needed no speculation was the amateur status of stand-in club photographer Raymond, first time at the job but doing an adequate job nonetheless.
- Reporting generous contributions by C.T., Manolo, Vianney, PP John, PP Sam, President Y.K., Wing, Joseph and the elusive Dragon, Sgt-at-arms Gary announced an encouraging intake of \$1,410 despite the dismal attendance figure.
- Allowing members 5 minutes before being exposed again to the heat, Y.K. ended the meeting at 1.55 p.m. after proposing a toast to R.I. coupled with our sister club of Makati North.

ROTARY INFORMATION

AGM and Inaugural of our Rotaract Club — by IPP Dave on behalf of PDG Peter

The Rotaract Club of Hong Kong Island East (sponsored by our club) held its annual general meeting on the 4th August 1990 at the Holiday Inn, Harbour View Hotel for the installation of their new chairman and officers for the year 1990/91.

The out-going chairman L.K. Cheung handed over the chairman's jewel to the in-coming chairman Raymond Chan who then introduced his board members.

The inauguration dinner was attended by around 60 members and guests who all participated in a 'Karaoke' singing competition, lucky draws and other entertainments. The evening was filled with fun.

Our own President Y.K. Cheng, PDG Peter Hall, Rtn. Stephen Liu, Rtn Wing Eng and wife Sharon were among the happy group to share the fellowship of all the Rotaractors.

ABOUT THE 180,000 NEW ROTARIANS YET TO JOIN

In the August 1 issue of Tung Feng, under 'Membership Development' PP Edwin was said to have mentioned '...200,000 new Rotarians....' in the context of new R.I. members who joined since last April. Exciting as the statistics may be, PP Edwin was actually misquoted by Tung Feng. The less impressive but true figure cited by him was 'about 20,000'. We apologize for the error but remain bullish about the recruitment efforts of Rotary International.

Community Services by Rtn. Hubert

The first and one of the main projects for the year will be the Carnival For a Better Environment to be held in the afternoon (between 2-5 p.m.) of Sunday, December 9 at Victoria Park. The theme of the event is to propagate the importance of 'Keep Hong Kong Clean' and Environmental Protection. The carnival will include a variety show, ten games stalls, an exhibition on environmental protection, a rubbish bin refurbishing contest, a poster design contest, coloring-for-fun for children and an inflatable labyrinth for them.

Vocational Services by President Y.K. on behalf of Rtn. Leslie

The vocational service committee is still looking for appropriate projects and shall welcome any suggestions. Special emphasis will be placed on October, the Vocational Services month, in which prominent speakers will be invited to address the club. Finally, more vocational talks by new members will be planned for this year.

International Services by President Y.K. on behalf of Rtn. Murray

The objectives set for this year are:

1. To ensure members are well informed on the Rotary Foundation and its programmes and to encourage members' involvement in the programmes (i.e. as counsellors for Foundation scholars and as hosts for the GSE team.) Members will be encouraged to look for candidates for Rotary Foundation Scholarships and Group Study Exchange.
2. To enrol 4-7 Paul Harris Fellows and 2 Benefactors in 1990/1991.
3. To participate in at least two World Community Service Projects, possibly with a sister club, especially Makati North to provide for the Baguio earthquake victims.
4. To arrange for sister club visits in conjunction with the clubs in the Philippines, Japan, or the Tanglin club of Singapore.

THE WAY IT WAS LAST WEEK

- In contrast to the previous week, members turned up in force last week and were joined by 14 visiting Rotarians and guests. Among them were the charter presidents of two of our baby clubs, PP Moses of Hong Kong North East and PP Eric of Hong Kong Harbour (who despite his beard bears little resemblance to any Iraqi stereotype.)
- After successfully overcoming a minor problem of the non-functioning microphone President Y.K. paid a special welcome to PP's Moses and Eric as well as VP Warren who just returned from Greece and Turkey but wisely refrained from venturing south-eastward from that last country.
- PP Con was all smiles when he was conscripted as a 'volunteer' to lead the song for birthday boy Alex Ling. If we could have more of such happy volunteers at Kuwait there would be no cause for worry.
- The Banner Exchange reported one in and one out. President Y.K. offered a banner to PP Eric of Hong Kong Harbour without success. However, members were please to see a banner from Calcutta, sent by an honorable Rotarian in settlement of his IOU during a previous visit to our club.
- The 33 degree Celsius temperature did not quite remind us of Christmas, but Secretary Taj did so with his announcement of our Christmas dinner party on Wednesday, December 19, probably at the Excelsior. If you don't plan to hang up the mistletoe right away at least put the date down in your diary.
- While you are at it please also put down Wednesday, September 5 on which our DG will visit us at our regular lunch meeting as well as join us for our first club assembly that evening at the Royal HK Jockey Club, to be followed by dinner which will cost members the bargain basement price of \$100 only.
- Taj also reported on our membership which was 76 as of July. Attendance for that month stood at 64.8% which is below our normal performance. Members are urged to make every effort to improve on that.
- Two 100 percenters deserve special compliments here — PP John for his contribution in making the 'Honour Rotary' sign (see picture) and Rtn Li for volunteering to act as photographer last week.
- Acting Sgt-at-arms Peter reported a good intake of \$1,040. Generous donations were received from VP Warren, President Y.K., Birthday Boy Alex, Chan Soo as usual and PP W.K., the last 'in support of a gentleman of leisure', presumably not referring to President Bush.
- President Y.K. closed the meeting with a toast to R.I. coupled with the Rotary Club of Hong Kong North East.

LAST WEEK

Speaker: Mr. Terry Smith
Subject: Personal Financial Planning

Mr. T. Smith

Mr. Smith observed that many people do not have an overall financial plan and have no particular goal in mind. What they need is an independent financial consultant to provide advice on tax, insurance and investment based on their different needs and requirements. They should start by revealing to this expert their family situation, ages, occupations, salaries, current investments, future job prospects and aspirations, stability of marriage, health and likely country intended to settle in and when etc.

More specifically, the first step in financial planning is the making of a will which can vary in complexity but should be reviewed by the consultant and prepared by a lawyer.

The next element is life assurance followed by a health or medical insurance plan. Then they need to put aside a lump sum for emergencies and to provide for income tax bills. Expatriates in Hong Kong should also examine the availability and benefits of any State Pension Schemes in their home countries.

Moving on, the purchase of a property, possibly the single biggest investment for most people, should be carefully considered.

Next one should get into pension planning, requiring a disciplined, regular savings commitment throughout one's working life. Depending on age and retirement date this may mean saving 15-25% of income for such purpose.

School fees for the children should also be provided for and should commence early in the child's life.

The balance of one's assets can then be invested under the guidance of professional managers as an individual portfolio management scheme.

Finally tax planning should be undertaken to mitigate the various taxes that authorities may seek to impose.

POLIOPLUS HELPING BUILD WORLD'S LARGEST POLIO VACCINE PLANT IN KUNMING, CHINA

Rotary's PolioPlus Program is awarding US\$15 million to help build the world's largest polio vaccine plant in the city of Kunming in south central China. The award is being administered through the World Bank since there are currently no Rotary clubs in the People's Republic of China.

The new facility is integral to the effort to eradicate polio worldwide. It will ensure that, for the first time, Chinese children will receive vaccine that meets standards set by the World Health Organization.

The People's Republic of China represents one fifth of the world's population and has 23 million newborns each year. The new factory will produce 100 million doses of oral polio vaccine (OPV) annually.

The Netherlands' National Institute of Public Health and Environmental Hygiene (Rijksinstituut) won the contract to build the Kunming factory. The facility will produce OPV from virocell substrates, an innovative technique approved by WHO only last year. China's Ministry of Public Health will supervise construction with World Bank and Rotary representatives monitoring progress. Vaccine production is expected to begin in 1994.

Rotary's support for the OPV factory is an important example of a non-governmental organization's collaboration with the World Bank.

Most of the foundation's other 94 PolioPlus grants fund the purchase of polio vaccine and other operational costs for national immunization programs. Departure from this usual practice was necessary since government policy mandated nationally produced polio vaccine. The PolioPlus grant will speed the availability of reliable vaccine, thereby protecting Chinese children sooner than would otherwise be the case. Producing the needed vaccine in China will be cheaper than importing it.

PolioPlus also will fund, in cooperation with UNICEF, an \$899,000 program to create 20 training centers and laboratories and train personnel to monitor progress toward polio eradication.

THE WAY IT WAS LAST WEEK

- When you joined the club you needed the proper classification. Then you belong to a club which is in a group under a district of R.I. As if life was not complicated enough, starting from last week we had to sign in on different sheets because PP John wanted us to be identified by groups. Thank you PP John, we now know how it feels like to be in Huxley's 'Brave New World'.
- In case we were not well disciplined still, booklets of our Club Constitution and By-laws were handed out, compliments of the team who has put in months on the project, not least of which was Secretary Taj.
- Rtn. Tom Bovet introduced visiting Rotarians and guests among whom was Mr. S.W. Ip who has shaved off his moustache in preparation of joining our Club.
- Again President Y.K. enthusiastically offered our club banners but once more without success. Perhaps we ought to give away color TV's with them, Y.K., please talk to PP John or PP Jack.
- Leslie was welcomed back. Where from? According to him, he spent his entire vacation in his boat, although he did not say whether that was anchored off Sai Kung or Saigon (a.k.a. Ho Chi Minh City). Francis and Mark were also welcomed back 'after a long absence', to quote Y.K. However, the latter declared that he was with us only the previous week. One week can be an eternity for a busy club president, Mark.
- Leslie's legs were still somewhat wobbly when he went up with Rtn. Dragon to collect their birthday gifts. PP Harold was specifically requested by Dragon to lead the birthday song.
- VP Warren reminded us once more about the Club Assembly of September 5. The charge per person will be a bargain-basement \$100. VP Warren will throw in the wine. Do bring your Rotarianne too.
- That piece of good news was followed by a sad one. PP Peter K. came to bid us farewell before he left for Andorra after ten years in Hong Kong. He told us that he was 'not retiring but will not be doing much either'. We wish PP Peter every success in whatever he does or does not do much in.
- The Rotary Information talk given by PDG Peter was uncharacteristically brief. However we learnt the full name of our incumbent R.I. President and even V.P. -- William H. Huntley of the Rotary Club of Alford & Maplethorpe, U.K.
- Acting Sgt-at-arms PP Jack reported a good harvest of \$1,440 including \$500 from Dragon and generous contributions from PP Peter K., President Y.K., VP Warren and Leslie.
- The speaker was introduced by PP Con and thanked by Sital after his speech on 'Personal Financial Planning'. Apparently that planning did not include giving away his watch which he left at the lectern and was returned by President Y.K.
- Ever the gentleman, Y.K. honored our visiting lady Rotarian from Hong Kong South by asking us to toast, before closing, to R.I. coupled with her club.

A VERY WARM WELCOME TO DISTRICT GOVERNOR ARTHUR AU

Some brief data about DG Arthur

DG Arthur Kam Yuen Au has been a Rotarian since 1976, a Past President of the Rotary Club of Peninsula (1987/88), and has served in District 345 in different capacities before becoming District Governor for the current Rotary year.

DG Arthur is a lawyer by profession, a member of the Law Society of England and Wales and the Law Society of Hong Kong and the president of the Hong Kong Society of Advocates. He also serves as legal advisor for the Association of Government Nursing Staff.

Ceramics and gardening are the common hobbies of DG Arthur and his Rotarianne Victoria. Besides these our DG also plays duplicate bridge.

Open Forum
Subject: Membership and Membership Development

PP Con presiding at 'Open Forum'

The Forum was chaired by PP Con who asked President Y.K. to introduce the topics to be discussed.

Y.K. explained that membership is the very life blood which sustains a club and we need to maintain that both in quality and quantity. For the latter membership development is necessary. At the end of the last Rotary year five members left and our membership stood at 75. With the joining of Matthew we now have 76 members. To achieve growth we should explore internally membership provisions such as Active and Additional Active members as well as qualifying those eligible for Senior Active membership. Externally we can identify potential candidates among such groups as Rotaract and JC's. At the upcoming Board meeting a plan will be tabled for a 5 for 1 or 7/8 for 1 recruitment drive based on the present attendance contest groupings.

Con further elaborated on Y.K.'s outline by commenting that about 60 of our members can be considered active. Of these perhaps 20 are seriously involved in club operations. From such ranks we have recently lost quite a few, including Roy, Peter K and others. More are expected to go for one reason or another. He then requested one of our visiting Rotarians, PP Ken John from Australia, to tell us about his experience.

Visiting Rotarian PP Ken addressed the meeting

PP Ken dwelled at length on the membership scene at his club and district and advised us that we should not preclude female participation in our club. 'You will not suffer if you bring women in,' so concluded our distinguished visitor.

(At the conclusion of PP Ken's remark, PP Con half-jokingly declared that as much as he would like to it is not proper for him to offer a rebuttal in his capacity as Chairman of the Forum.)

Rtn. David Waring then weighed in with an enquiry regarding the ideal size of a club, whether excessive size would take it out of control and excessive growth would bring diminishing return.

PDG Peter offered that no club is either too big or too small. 'How can we serve with just a few members?' he asked somewhat rhetorically. On the other hand if a club believes that it is too large it can always split into two. He further explained that worldwide, Rotary clubs in general are losing members. Although PP Edwin told us a few weeks ago that RI gained 20,000 new members in the first few months of this year these came mostly from formation of new clubs.

PDG Peter went on to suggest a new approach to classification by having prospective new members classified by his function rather than occupation. As an example, a banker may actually be categorized as an accountant if he is an accountant by professional qualification. This is a new rule accepted by R.I. A point on which PDG Peter is not in complete agreement with R.I. was their emphasis to pick young ones for targetting membership recruitment. His advice for us was, 'Don't forget the old.'

Somewhat in the manner of an epilogue our guest and potential member, Mr. S. W. Ip, told us that in the several meetings that he has attended in our midst he has discovered that senior members of this club have been sharing their experience with new members in a most encouraging way.

THE WAY IT WAS LAST WEEK

- As predicted in the Tung Feng several issues ago we were sent to the Gloucester Room last week, apparently for our dismal attendance record in the last few weeks.
- For some fifteen terrifying seconds President Y.K. must have thought that the Excelsior even denied us the use of the microphone when he huffed and puffed at the mike to no avail. Relief was all over his face when it finally kicked into action.
- Rtn. David introduced guests and visiting Rotarians who turned out to be much keener on our banners than in previous weeks. They snapped up no less than 3 of them. At this rate there is still hope that we may get rid of our stock of 32,981 before 1997. Meanwhile we received a nice banner from Istanbul and two others by mail through earlier IOU's.
- VP Warren was welcomed back from 'wet' Manila and even threatened to tell us about it. Instead, he reminded us again of the Club Assembly to be held today, September 5 at the Chater Room 5th. floor, Royal Hong Kong Jockey Club at Happy Valley, starting about 6-6.30 p.m.
- Actually the September Board meeting was also held at the same venue on Monday, September 3 as announced by Secretary Taj last week. If you missed that one do try to attend the next meeting, tentatively scheduled for October 1, venue to be announced.
- Acting sgt-at-arms Rtn. Peter reported an intake of \$960 with generous contributions from Y.K., Sital and \$300 from Sam for his newborn baby -- it's a boy!
- As expected PP Con conducted the 'Open Forum' with vim and vigor, as evidenced by the picture taken by volunteer photographer PP John showing him 'eating the mike' (in the words of Y.K.)
- Participants were so engrossed in the forum that for the first time since President Y.K. took over the meeting ran over time by no less than 7 minutes before it was concluded with a toast to R.I. coupled with the Rotary Club of Kogaran, Australia.

PROGRAMME LAST WEEK

District Governor Arthur Au

- official visit to our club

DG Arthur Au

"Rotary represents service and fellowship. It is better to serve than to be served. It is better to give than to receive. Service is much more than reaching out with hands to give something we possess. It is reaching with our hearts to give something that many times we have not received. Service is like the planting of seed although our children and not ourselves will reap the harvest.

Service is being of use to each and every person we meet, and not just to those who can give us something in return.

Always keep alive your enthusiasm for Rotary, a dynamic movement that proclaims friendship and harmony, dignifies all worthy occupations, relieves the pain of those who suffer, defends truth and justice, and promotes deep understanding and peace among nations.

Honour Rotary - By being loyal and active

Honour Rotary - By preparing for the 21st century

Honour Rotary - By making your vocation a lesson in dignity

It is easy to be good, and it is easy to be bad. The hard thing is to be just.

In serving through our professions, we must always proclaim the Truth, promote Justice, and defend Honesty as absolute values. Honour Rotary by making your occupation an opportunity for Service."

DG Arthur urged us to take pride in the privilege of our Rotary Membership.

"Leave a positive mark on the world through your faith in Rotary. Honour Rotary - By revealing our true image" he said "We need to disclose Rotary's legitimate status as a vital Service Organisation. To do so, we need to take a decisive role in solving community problems, putting to work Rotary's excellent programs, which benefit all noble causes. Our strongest signal to the world will come through our dedicated work on behalf of the children, of the elderly, of the homeless, and of the needy.

In finding ways to Honour Rotary, fellow Rotarians, we must do so with vigor, we must do so with a belief in ourselves. We must accept that Planet Earth is our home-our only home in this life. We must preserve it. If we destroy it, we have no recourse because if we destroy nature, we destroy ourselves."

CLUB ASSEMBLY 5 SEPTEMBER 1990

"Well attended", "Enjoyable", "Informative" — what more can one want from a club assembly! DG Arthur was there to impart words of wisdom and the dinner afterwards was a great success. In all 50 (Rotarians, Rotariannes and Rotaracters) spent a most enjoyable evening. Many thanks to VP Warren Wilson. The Jockey Club provided an excellent menu and wines for the occasion.

THE WAY IT WAS LAST WEEK

- A special welcome was extended to DG Arthur Au, Dist. Secty, Michael Tai, DGN Andy Guillen and PDG Philip Lai.
- 43 of our own Members attended and this represents 62.39% of our 'non exempt' Membership of 69. (In addition, we have 7 members who qualify as being exempt from attendance — i.e. our total Membership stands at 76).
- PP Ken Poon introduced our visitors and three visiting rotarians exchanged banners with us.
- A guest of Rtn Peter Haigh was Miss Lee Wai Man who our Club has sponsored as a candidate for a Rotary Foundation Scholarship from District 345 next year.
- Welcome back PP WK Lam and Rtms Gary Chiu, Murray Macdonald.
- Would you believe it — 5 birthday boys! PP's Jack Lau and John Kwok led the birthday song for PDG Peter Hall, DGN Andy Guillen, PP Edwin Tao, Rtms Stephen Liu and Mike Wong.
- VP Warren Wilson reported the horoscope signs were highly favourable for an excellent Club Assembly later in the day and so it turned out to be!
- Thank you PP John Kwok for preparing the welcome banner for DG Arthur's visit.
- And a great day it was for Sgt at Arms too! Club funds benefitted in the amount of \$1,830. Special thanks to Pres. YK Cheng and Rtn Michael Wong and also to PDG Peter Hall; DGN Andres Guillen, PP's WK Lam, Chan Soo, Andrew Chen, Edwin Tao, VP Warren Wilson, Rtms Tajwar Shadikhan, Gary Chiu, Stephen Liu, Manolo Chellaram and Murray Macdonald.
- Pres. YK introduced DG Arthur Au who then proceeded to address us.
- The meeting then closed with a toast to RI and Rotary Club of Peninsula.

ROTARY INTERNATIONAL NEWS

When the Rotary Club of Moscow was admitted into R.I., there were 168 Rotary countries worldwide.

The number of Rotary countries and geographical regions has jumped to 172 with the admission into R.I. in quick succession of the Rotary club of Ljubljana, Yugoslavia. The Rotary of Maputo Mozambique, the Rotary Club of Ponape in the South Pacific island nation of Federated States of Micronesia.

ROTARACT CLUB NEWS

Rtn Wing Eng is the Club's Rotarian Adviser this year and it was pleasing to see so many Rotaracters at our Club Assembly. The Rotaract Club of HK Island East raised the sum of US\$100 which has been added to Rotary's contribution towards the Philippine Earthquake Relief Fund. Future editions of Tung Feng will give members more news on our Rotaract Club activities.

THIS WEEKS PROGRAMME

The Rotaract Club of
Hong Kong Island East

YOUTH ACTIVITIES MONTH

September is Youth Activities Month, a time to take stock of how our Club is helping young people.

What services can Rotarians offer youth?

Service to youth means those things that a Rotarian does as an individual or in cooperation with his club to promote the physical, mental, and moral well-being of boys and girls, and older youths. He seeks to help their development into good citizens through recreational programs, prevention of juvenile delinquency, prevention of drug abuse, vocational guidance and training programs financial assistance to students, Youth Exchange programs, and the like.

Does Rotary have a slogan for service to youth?

Yes. "Every Rotarian an Example to Youth."

How can Rotarians assist young people in their choice of careers?

- (a) By career talks at high schools.
- (b) By furnishing temporary employment during vacation.
- (c) By tours of factories or business establishments owned or managed by Rotarians.
- (d) By sponsoring an "occupational bookshelf" in the school or public library.

Rotaract Club

Ideas seldom remain static - and the idea of service to young adults, essential to the concept of Rotary International, led to Rotaract Clubs being started in 1968.

There are now over 4000 Rotaract Clubs and in excess of 96,000 Rotaractors in 96 countries of the world. In our District we have 13 Rotaract Clubs 8 of which are community based and 5 are academic based.

Rotaract means Rotary Action. Members are young adults aged 18 to 29. The objects of Rotaract Clubs, among others, are to develop constructive leadership

and personal integrity, to encourage and practice thoughtfulness of and helpfulness to others, to build respect for the rights of others based on recognition of the worth of each individual, to emphasize acceptance of individual responsibility as the basis of personal success, community improvement, and group achievement, to recognize the dignity and value of all useful occupations as opportunities to serve society.

Rotaract Club works like a Rotary Club. They have a board of directors which is elected annually. All the clubs in the district formed a district council, chaired by the Rotaract District Representative. They have meetings every month with speakers, who speaks on vocational or interested topics. They must organize at least three projects every year, that is, Community Service, Vocational Service and international Service.

ROTARY INFORMATION by PP Sam Lam

Interact Clubs

Interact club was launched in 1962 as a service club for young people of secondary school age ranging from 14 – 18 sponsored by Rotary club.

- Our club established 4 Interact clubs;
- Interact Club of New Method College
- Interact Club of Shaukiwan Technical School
- Interact Club of Queen's College

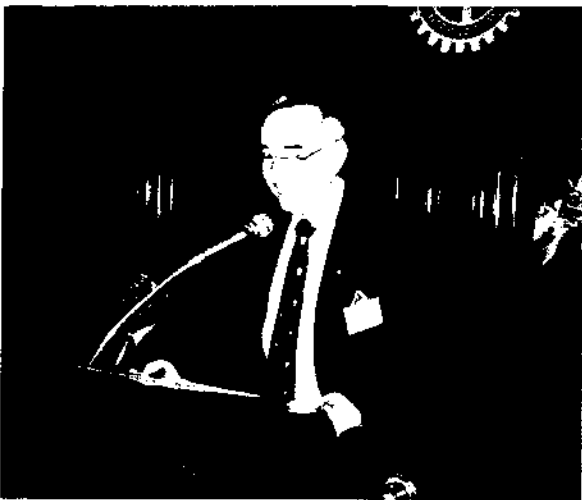

but maintain only one at the present time, i.e. Interact Club of New Method College, Hong Kong. The other Interact clubs were transferred to our baby Rotary clubs when they intended to sponsor Interact.

Interact Club of St. Stephen's College was given to the care of the Rotary Club of Hong Kong South, while Interact Club of Shaukiwan Technical School to Rotary Club of Hongkong North. Due to lack of activity, the Interact Club of Queen's College was terminated.

The chairman of Youth Service is Rtn. Hubert Chan who has assigned Rtn. Wing Eng to be the Rotarian Adviser to our only Interact Club holds its meetings at the school premises and each meeting is attended by our advisor.

At present, there are 6,734 Interact Clubs with a membership of 148,148 in 91 countries while in district 345 (Hongkong & Macau) there are 15 Interact clubs:

I appeal to members to spare sometime to attend one of the meetings of our own Interact club. Attending an Interact club meeting counts as a make-up.

NOTE YOUR DIARIES

Wed. October 10th — "Dinner and Racing" night at Happy Valley
Thurs. November 20th — Fellowship Dinner at Lamma Island

WOULD YOU BELIEVE IT?

- PP Con Conway is off to Beijing to act as a hockey judge at the Asian Games. In fact the said PP Con was a very good hockey player in his recent youthful years!
- Our club consists of many nationalities: Hong Kong, British, American, Irish, Australian, New Zealand, Indian, Portuguese, Malaysian and German.

THE WAY IT WAS LAST WEEK

- Attendance was down a little at 50.7% or 35 of our 'non exempt' membership of 69 (total membership 75).
- Rtn Wing Eng welcomed 7 visiting Rotarians — (5 PP's!) and our guests were introduced. Banners were exchanged.
- Welcome back IPP Dave Chang (from Canada). Rtn Mark Whitehead from Europe and PP Sam Lam from London.
- Happy Birthday Rtn John Luk.
- Sgt. at Arms collection was \$1,050. Many thanks to the 32 members who contributed and specially to Pres YK Cheng, PP's Sam Lam, Chan Soo, Rtns Gary Chiu, John Luk, Mike Wong.
- Pres YK advised us our Sister Club of Niigata proposed to visit us from 20th — 23rd November. Further details would be made known in due course.
- VP Warren Wilson told us we are to have a 'dinner and racing' fellowship night on October 10th and details would be sent to members shortly.
- On Tuesday 20th November, the 'Lamma Amarda' will be departing for a fellowship dinner at Lamma Island. "Commodore" Rtn David Waring is organising this.
- Pres YK presented 4 Paul Harris Fellowship certificates to IPP Jackie Tam of Rotary Club of HKNW.
- PP Sam Lam spoke to us about our Interact Club.
- Pres YK announced the Rotary Club of Penang were to celebrate their 60th Anniversary on October 6th at Rasa Sayang Hotel in Penang. Pres YK is keen to get a party together so as to re-establish a Sister Club relationship with Penang Rotary Club.
- We then saw a video on "Rotary in Turkey". All very colourful.

The meeting closed with a toast to RI and the Rotary Club of Hong Kong North East.

Happy birthday Rtn John Luk

ROTARY FOUNDATION NEWS

- PP Chan Soo who is already a Paul Harris Fellow (by donating US\$1,000 to The Rotary Foundation) has now become a 'Benefactor' by donating yet another US\$1,000 to this very worthy cause. Money for Paul Harris Fellowships go directly into the Foundation 'Coffers' for distribution among the many Foundation Projects. Under the "Benefactor Endowment" Scheme, the money donated goes into a trust, earnings from which go into the general fund. Both funds are essential in keeping the Foundation alive today as well as in the years ahead.

Did you know Rotary Foundation supports Health, Hunger & Humanity Grants, Special Grants, Rotary Volunteers, Scholarships, Rotary Peace Forums, Group Study Exchanges.

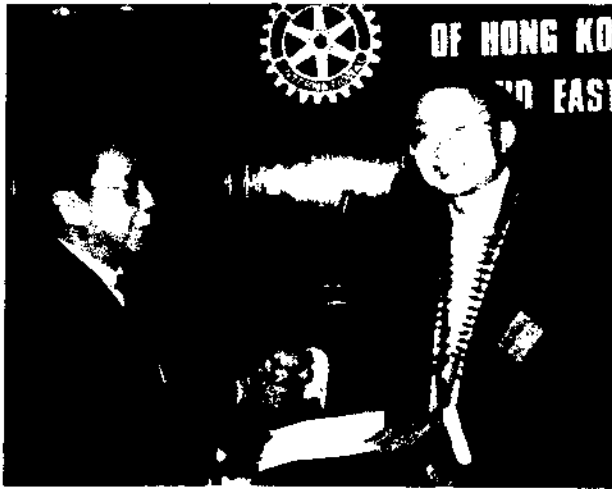

Our Club presently has 40 Paul Harris Fellows and 2 Benefactors. The "Role of Honour" will be published shortly in Tung Feng. PP John Kwok and Rtn Murray Macdonald hope we can boost these numbers to 50 Paul Harris Fellows and 5 Benefactors by the end of this Rotary year. Contact John or Murray if you would like more information.

- The two Rotary Foundation Scholars assigned to our Club for 1990/1991 have arrived and are setting into University this week. The two are Barbara Barns (Sponsor Club Dallas, Texas) whose Host Club Counsellor is Rtn Murray Macdonald, and Louise Tythacott (Sponsor Club Bockham and Horsley) whose Counsellor is Rtn Joseph Chan. Arrangements are being made to have Barbara and Louise talk to us at our meeting on November 14th.

THE WAY IT WAS LAST WEEK – IT WAS A BUSY ONE!

- 42 members were present and out of a non exempt membership which now stands at 68, this represents an attendance of 62%. (Total membership 75).
- Pres YK called on Rtn Michael Kelly to introduce our visitors and we received one banner from Rotary Club of Banford (Rtn Neville Quinn).
- Welcome back to PP Con from U.K.; Rtms Peter Haigh (Beijing) and Walter Yuen (H.K.). Happy Birthday to PP Andrew Chen who selected PP "Jolly Hockey Sticks" Con Conway to lead the birthday song.
- PP Chan Soo received warm congratulations and thanks for his donation to Rotary Foundation. Chan Soo has elected to become a "Benefactor" and he becomes the 2nd person in our Club to do so (PP Con was the first in the Club and indeed he was the first "Benefactor" from our Rotary District).
- Pres YK advised a delegation would be going to Penang to celebrate RC Penang's 60th Anniversary on 6 October and to re-establish Sister Club ties.
- Exercising artful delegation Pres YK announced Rtn David Li was our Sports Convenor for the up coming Tennis Tournament on Sat. 24th Nov! We were also asked to note our diaries that the District "Family" Sports Day is to be held on Sunday 18th November.
- Sgt. at Arms for the day was Rtn Henry Yung and our collection totalled \$1,560. Many thanks to all who contributed, particularly to Pres YK Cheng and PP Andrew Chen who led the way with \$200 each. Special thanks also to PPs Sam Lam, Chan Soo and Rtms Gary Chiu, Tajwar Shadikhan, Henry Yung, Walter Yuen and Robert Farrell.
- PP Sam Lam spoke to us about "Rotaract" and this was a fitting lead into an address we listened to from Rotaractor Cyrus Chiu.
- Our visitors last week were Rtms Neville Quinn (RC Blandford, U.K.), Bernie Thomas (Macau), Joseph Kwan (Kwln Golden Mile), Albert Chan (Victoria), Patrick Ng (HKH). There were two guests, Mr. Edward Kwan (guest of PP John Kwok) and Mr. Lau Wing Cheok (guest of PP Jack Lau).

The meeting closed with a toast to RI and the Rotary Club of Bandford.

Rotarianne Sharon Eng

Hay Management Consultants Hong Kong Ltd.

Sharon explained Hay's role as Human Resources Management Consultants. The managing of human resources includes comparing and advising on employee benefits within the region but Hay's role is not to advise client companies what salaries to pay. We were told the level of salaries in Hong Kong were dictated by a number of issues, important among which were the tight labour market and associated shortage of skills and high turnover of staff.

The average staff turnover rate in Hong Kong is estimated to be in the region of 22%. Why do staff leave? A survey suggests:

"82% leave for other positions locally (the job-hopping syndrome - and usually for better compensation packages."

15% Immigrate
3% Retire

This trend shows no signs of changing in 1991.

Compensation packages have been spiralling upwards at an alarming rate. It was suggested the salary 'trend setters' in Hong Kong were Government, Utilities and the Hongs. Everyone else had little option but to follow.

Sharon reminded us of some worrying statistics:

In 1988 Salaries generally increased 12% whereas inflation was 6½%

In 1989 Salaries generally increased 16% whereas inflation was 10%

In 1990 Salaries generally increased 16% whereas inflation was 10%

Looking at other countries in the region in 1990, salaries in Philippines increased 17% over last year, Singapore 10%, Taiwan 11%, Korea 15%.

Danger signals are ringing loud and clear for Hong Kong. As the salary levels increase beyond the inflation rate, so our competitive edge with the rest of Asia is affected.

Companies should invest to reduce their requirement for 'people'. Application of improved technology should have a high priority on companies agenda for their immediate and future development plans.

ROTARACT CLUB NEWS

At a well attended and enjoyable dinner meeting on 26 September, our Rotaractors discussed the meaning of Rotaract with PP Herbert Lau (Rotary Club of Tolo Harbour). Herbert is our District Rotaract Chairman. Members of Rotary Club of HK Island East are strongly recommended to attend a Rotaract General meeting. For one thing, it adds our support and for another, you will find you have a most enjoyable evening witnessing the enthusiasm with which these young people handle their Rotaract activities. Attending a Rotaract General meeting in this way also counts as a 'make up' should you need one. Rtn Wing Eng is the Rotarian Adviser to the Club.

ROTARY FOUNDATION NEWS

Congratulations and many thanks to Pres Y.K. Cheng and Rtn Chris Ting both of whom have contributed to the Rotary Foundation with a donation of US\$1,000. In so doing, they become recognised as Paul Harris Fellows. We now have 42 Paul Harris Fellows attributed to our Club.

If you would like more information about how to become either a Paul Harris Fellow or a Benefactor or both, please see our Rotary Foundation Chairman PP John Kwok or International Service Committee Chairman Rtn Murray Macdonald. You can become a sustaining Paul Harris Fellow with a smaller donation should you wish.

ROTARY INTERNATIONAL NEWS

● The number of Rotary Clubs worldwide is now 25,000.

10 WAYS TO DESTROY YOUR CLUB! PLEASE DONT DO ANY OF THESE!

- 1) Stay away from meetings.
- 2) If you come, find fault.
- 3) Decline office or appointment to a committee.
- 4) Get angry if you are not nominated or appointed.
- 5) After you are named to a committee, do not attend the meetings.
- 6) If you do come to meetings, do not speak until the meeting is over and then criticise and say how things should have been done.
- 7) Do not do any club work if you can avoid it. When the old reliables pitch in to get the work done, accuse them of being a clique.
- 8) Oppose all new programmes as being a waste of club money.
- 9) When nothing new happens, complain that the officers lack imagination.
- 10) Do not read your club bulletin and then complain that you do not know what is going on.

ROTARY INFORMATION – by PP Sam Lam

This is the last week in Youth Activities Month and I would like to touch on one of the most worthwhile projects for young men and women, known as RYLA which is the abbreviation of **ROTARY YOUTH LEADERSHIP AWARDS.**

The purpose of RYLA is to:

1. Demonstrate Rotary's respect and concern for youth;
2. Encourage and assist selected youth leaders and potential leaders in effective youth leadership by providing them with a training experience;
3. Recognise publicly the high qualities of the young people serving their communities as youth leaders.

District 345 is again organizing a district camp this year in St. Joseph School in Macau from 28th to 30th December. Each Rotary club is requested to nominate candidates to take part in this RYLA programme.

The RYLA committee will select two to four best campers and arrange them to participate in the RYLA Camps in the United States of America or Australia, free of all expenses.

I do hope our club will select potential candidates to join our RYLA Camp.

Miss Amy Tso

Speech Training for Deaf Children

LAST WEEK'S PROGRAMME

Mr. Y.Y. Wong

Mr Y Y Wong

Mr Wong addressed us on the subject of The Occupational Safety & Health Council and The Legislation on General Duty of Safety. He gave us some startling facts. Referring to last year's statistics, the total man-days lost for the year was 663,000. This means nearly 2000 employees are off work every day due to work related injuries.

"It is an inherent duty of an employer to protect the safety and health of the employee. The law merely put this responsibility into words and to punish those who neglect this duty. Employers who do not have the intention to break the law should not be scared. They can either employ safety officers or to engage the service of consultancy firms or the Occupational Safety and Health Council to solve the problem of safety policy, procedures, safety training, etc.

Occupational safety and health is no longer a passive reaction from employers. Employers should take positive action to ensure a safe working environment, and subsequently, a safe and efficient enterprise."

Referring to the new legislation, Mr. Wong told us Employers have five major areas of responsibility.

- 1) to maintain plant and provide work procedures to ensure work safety;
- 2) to ensure that the use, handling, storage and transportation of substance is safe;
- 3) to provide information, instruction, training and supervision;
- 4) to maintain safe access and egress;
- 5) to maintain a safety and healthy working environment.

Anyone who contravenes this section wilfully and without reasonable excess is liable to a fine of \$30,000 and imprisonment for 6 months.

There are also two requirements for the employee:

- 1) to take care for the safety and health of himself and other persons who may be affected by his work;
- 2) to co-operate with employer to secure safety and health.

Anyone contravening 1) above may be fined \$10,000 and anyone contravening 2) wilfully and without reasonable excuse may be fined \$30,000 and imprisonment for 6 months.

Make up cards to: Miss Ada Chan, G.P.O. Box 1508, H.K.

COMMUNITY SERVICE NEWS

- Victoria Park School for the Deaf — We are assisting with renovation of the upper playground. The amount of HK\$50,000 has been approved by the Board for the Project. The Board also approved \$5,000 for Staff Training and a further \$5,000 for Scholarships for pupils. On Nov 11th, we will be sponsoring a day out for the students (at Auxilliary Police Headquarters in Kowloon Bay, at a cost of \$3,000 (9.30 a.m. — 4.00 p.m.). The Community Service Committee hopes Rotarians and their families will be free to attend (contact Rtn Hubert Chan Ph 8736033 Fax 8736753).
- The Board has also agreed to be a major sponsor for the "Building a Better Environment" Carnival to be held at Victoria Park Sunday Dec 9th (3.00 p.m. — 5.30 p.m.). Our Interact Club is going to be involved in the Project and our contribution will be \$20,000.

ITS BASKETBALL TIME!

Rtn Samuel Tsang of Rotary Club of Tolo Harbour is organising a District Basketball competition! Indeed one was held last year too and it was a great success!

Venue: MacPherson Indoor Stadium, Mongkok.

Date: Dec 9 and 16th.

Time: 9.00 a.m. — 6.00 p.m. (it's a long game!).

Our Convenor: Rtn Tony Rackham (Phone 5265654 Fax 8685438).

ROTARY INFORMATION CENTRE APPEALS FOR PERSONAL COMPUTER

The R.I.C. is appealing to all Rotarians of District 345 for their support in equipping the R.I.C. with a personal computer system to replace the typewriters previously used which are now beyond repair and to improve on the services to be provided by the R.I.C. Preferably the PC should have either a 80286 or 80386 processor, a 40 MB hard disk and 640K ram so that the latest softwares can be used. The chairman of the R.I.C. supervisory committee has donated a HP Deskjet printer to be used with the PC and R.I.C. will then enter into a new era of its service to Rotarians and Clubs in the District. Please contact Connie (Phone 5768882) if you or your club or your club member would wish to respond to this appeal.

ROTARY INFORMATION – PP HAROLD LEE

Stepping into the Vocational Service month in October, I would like to touch on a Rotary subject which is not only dry but also rather puzzling to Rotarians, that is

VOCATIONAL SERVICE.

In the 4 avenues of service in Rotary, vocational service is ranked the 2nd place immediately after Club service, hence it is the backbone of the Rotary structure, but it is rather difficult to digest by most Rotarians.

To put Vocational Service into practice, R.I. has in 1987 established a fresh concept as a new Direction in Vocational Service. Instead of carrying out vocational service by each individual member as in the past, it is recommended that vocational service is both the responsibility of a Rotary club and of its members.

The role of the CLUB is to implement and encourage the objective by frequent demonstration, by application to its own actions, by example and by development of projects that help members contribute their vocational talents.

The role of MEMBERS is to conduct themselves, their business, and their profession in accordance with Rotary principles and to respond to projects which the club has developed.

To reinforce the new emphasis on collective club efforts in this Avenue of Service, clubs are encouraged to set up sub-committees under the Vocational Service Committee in the following categories:

- 1) Career Development
- 2) Vocation at Work
- 3) Vocational Awareness &
- 4) Vocational Awards

Any member who has fresh and good idea about Vocational Service, please do not hesitate to inform our Vocational Service chairman Leslie Soltay (Phone: 3638344 Fax: 7643374).

VIEWS ON THE 4-WAY TEST – PP HAROLD LEE

The 4-Way Test is not a code or a creed, but a stimulus to self-appraisal. It is not a pledge, but rather a spring-board to voluntary self-improvement. The Test was conceived in 1932 at the height of the Great Depression by Herbert J. Taylor, a Chicago Rotarian, who later became president of R.I. during its 50th anniversary year (1954-55). It does not provide answers but asks four simple questions of the things we think, say think or do:

1. Is it the Truth?
2. Is it fair to all concerned?
3. Will it build GOODWILL and BETTER FELLOWSHIPS?
4. Will it be beneficial to all concerned?"

DISTRICT NEWS – ROTARY CLUBS HAVING A BALL!

The list of Rotary Club Balls for 1990/91 has been published by Rotary Information Centre. There are three in October, 9 in November, 1 in December, 4 in March, 3 in April, 4 in May and 1 in June. Eight Clubs (including ours) have yet to make up their minds. Tis times like this we feel sorry for any encumbent DG who presumably is invited to all of them! Hopefully DG's Power's of Delegation will be exercised – Can you imagine it – 25 Balls in 9 months – Ugh!

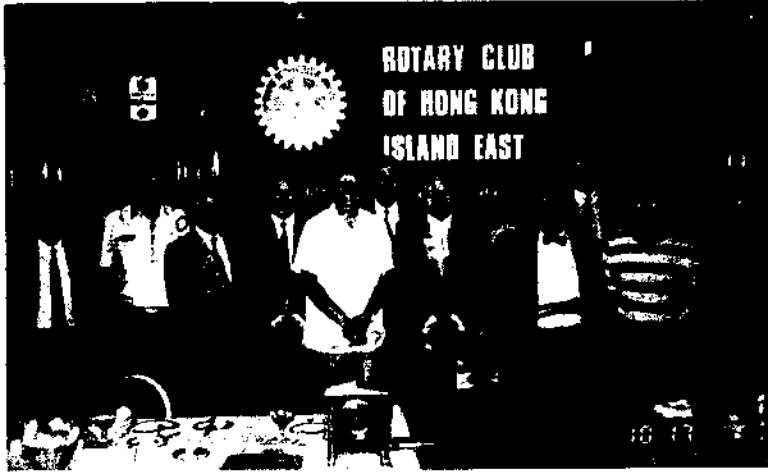

As for Venues, the score is Regent Hotel – 8 Balls; Hyatt chain 5; Conrad and Lisboa – 2 each; Hilton, Holiday Inn, American Club and Furama – 1 each; Unknown – 4. 'Regent' therefore takes the prize as being the 'favour of the year'.

NEWS FROM PP PETER K. WONG

Peter's new address is Edifici El Pui, 2C, La Massana, Principat d'Andorra, Andorra. Our other former member Rtn Roy Grubb has also established himself in Andorra – "a delightful place" they both say, "come and see us".

LAST WEEK'S PROGRAMME

PP David Diniz (RC Peninsula)
Subject: Vocational Service

PP David Diniz

PP David claimed Vocational Service was perhaps the most misunderstood avenue of service in Rotary. He outlined the 4 way test and gave an excellent interpretation as to how each one of us should apply it. "Test Yourself" said PP David, "to learn it by heart is not enough. Rotarians must apply it at all times - and indeed most do".

PP David outlined the major objectives of Vocational Service were: Career Development; Vocation at Work; Vocational Awareness; Vocational Awards; Vocational Service Month (October).

WHAT IS VOCATIONAL SERVICE

Vocational Service, the second of the four Avenues of Service, is an obligation of all Rotarians which, because it is frequently misunderstood, has also been frequently neglected. For many years, Vocational Service was solely a personal responsibility - one that required individual Rotarians to represent their vocations within their clubs and uphold high ethical standards in the workplace. In 1987 the R.I. Board adopted the following statement, which substantially expanded the scope of Vocational Service to require collective club activities as well as the traditional individual commitment.

THE NEW R.I. POLICY ON VOCATIONAL SERVICE

Vocational service is the way Rotary fosters and supports the application of the Ideal of Service in pursuit of all vocations.

Inherent in the Vocational Service ideal are:

- 1) Adherence to, and the promotion of, the highest ethical standards in all occupations, including faithfulness and fidelity to employers, employees, and associates, fair treatment of them and of competitors, the public, and all those with whom one has any business or professional relationship;

- 2) The recognition of the worthiness to society of all useful occupations, not just one's own or those which are pursued by Rotarians;
 - 3) The contribution of one's vocational talents to the problems and needs of society.
- Vocational Service is both the responsibility of a Rotary club and of its members. The role of the club is to implement and encourage the objective by frequent demonstration, by application to its own actions, by example, and by development of projects that help members contribute vocational talents, the role of members is to conduct themselves, their businesses, and their professions in accordance with Rotary principles and to respond to projects which the club has developed.

THE WAY IT WAS LAST WEEK

- Pres YK opened the meeting at 1.15 p.m. Our own attendance today was 42 or 60% of our non-exempt membership. Our total membership stands at 78.
- PP Ken Poon welcomed our visiting Rotarians namely Rtn Bob Hecks from our sister club Makati North; Rtn Peter Cordy – Toronto; Rtn Will Ullrich – Memorial Spring; Rtn Larry Malsam – Westminster; Rtn T. A MESSAGE FROM R.I. PRESIDENT FOR ROTARY FOUNDATION MONTH

My Fellow Rotarians,

November is, to me, a very special month because it is the time when we honor Rotary's greatest gift to the world – our Rotary Foundation. As I have said so many times, if Rotary had done nothing else of consequence during its 85-year history, the continuing achievements of the Foundation would serve to justify and even glorify our existence. One of the most critical tasks that faces us today is to guarantee the future of this gift by participating in its programs and supporting its Endowment for World Peace and Understanding.

The people of the world depend on Rotarians to fight poverty, to eliminate the scourge of polio and other diseases, and to work for peace in every corner of the world. The Rotary Foundation is one of the vehicles through which we can carry out this mission, touching the lives of millions of people whose urgent needs might otherwise go unnoticed. As the public manifestation of our private beliefs, the Rotary Foundation reveals the true image of Rotary—that of a humanitarian organization dedicated to achieving world understanding and peace.

During Foundation Month, let us renew our commitment to this extraordinary institution. Make sure your club is participating in Foundation programs as fully as possible. Encourage members to become Paul Harris Fellows by giving an unrestricted contribution of US\$1,000 or more to the Foundation. Also urge them to become Foundation Benefactors by making provisions in their estate plans for the Endowment or by giving an outright Endowment gift of US\$1,000 or more. Only by building a strong Endowment can we guarantee a secure future for the Foundation programs.

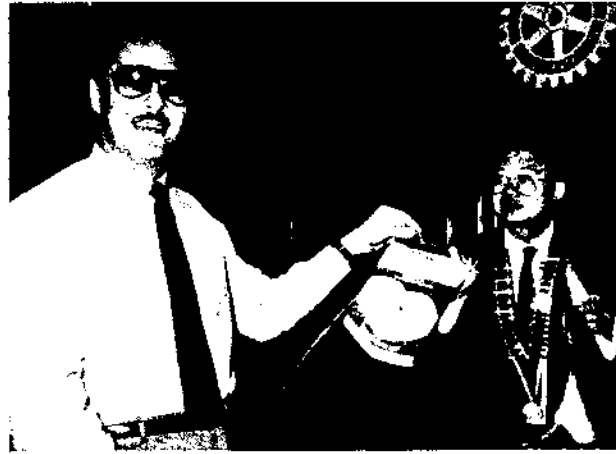

And so in November, let us HONOR ROTARY by putting all our faith and enthusiasm to work for The Rotary Foundation, so that it, in turn, can continue to help the peoples of the world.

With warmest regards,

Paulo V. C. Costa

THE ROTARY YOUTH LEADERSHIP AWARD scheme is conducted by ROTARY DISTRICTS with the active participation and sponsorship of Rotary Clubs. RYLA camps/seminars have been held throughout the world for 25 years.

RYLA's objects are to :

- Demonstrate Rotary's respect and concern for youth;
- Encourage and assist selected youth leaders and potential youth leaders in responsible and effective voluntary youth leadership by providing them with a Youth Leadership training experience;
- Encourage continued and stronger leadership of youth by youth;
- Publicly recognise the high qualities of the many young people who are rendering service to the Community as youth leaders.

HOW IS RYLA CONDUCTED ?

RYLA is for all young people between the ages of 18 and 25 who are showing leadership potential. You may nominate yourself or be nominated by your employer/school. This will enable us to select you for the camp from among all nominations. A group of 60 to 70 young people from Hong Kong and Macau will be selected for the program.

Only the worthiest of young people will be considered - young people who have the qualities to return the maximum benefit from the RYLA experience to our community. In other words, RYLA Training is a TRAINING FOR THE LEADERS OF THE LEADERS.

It is a three days camp to be conducted from 29th December 1990 to 31st December 1990. It will be held in Macau with accommodation and activity facilities provided. Transportation facilities to/from Macau will also be provided for RYLA'ians from Hong Kong.

WHAT ARE THE RYLA PROGRAMS ?

RYLA programs are designed with a central theme in mind. In the last year, the theme was "RYLA YOUTH INTO THE 90'S". With the goal of Rotary International for the year 1990/91 "PRESERVE PLANET EARTH" in mind, we have chosen

as our theme for this year.

CONFIDENCE

Self-assurance boost courage

AWARENESS

Knowing and being knowledgeable

RATIONALIZATION

Analysis justifies action

EMPATHY

Feeling and considerate

Nobody can contribute to society and our planet earth at large unless he CARES. Youths of the 90's have definite role to play in establishing a bright future.

Confidence, Awareness, Rationalization, Empathy - RYLA Youths are expected to demonstrate and develop these important qualities of leadership in our three-day camp.

The programs will include a series of games which will bring out our theme. You will learn about group dynamics, communications, understanding people, problem solving, interpersonal relationships, moral and ethical questions, conflict resolution etc.....

QUALIFICATION

RYLA programs are designed to train the leaders the leaders. To qualify for the enrollment, you must be:

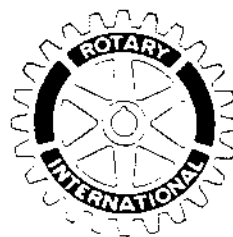

- Holders of other training/leaders certificates, awards, medals e.g. Duke Edinburgh's Award, First Aid, Lifesaving;
- Active members of an organisation providing service to the community, e.g. scouts;
- Between the age of 18 and 25;
- A student or in employment.

In addition, the camp will be conducted in English. You should have a fair standard of English.

THE AWARD

All RYLA'ians who have completed the camp will be awarded. You will be asked to submit a report summarizing your experience. Four RYLA'ians will be selected among you to join the RYLA Camp/Seminar to be held in Australia and/or USA 1991.

Our Sister Club

Rotary Club of Penang

Presidents R S Singh & Y K Cheng

WELCOME - By Pres Y K Cheng

As you know, PDG Peter Hall, PP John Kwok and I were in Penang a month ago to join our sister Club in their 60th Anniversary Celebration.

We had an enjoyable visit - an excellent opportunity to make new friends and re-new acquaintances. I should like to take this opportunity to thank you - R.S., Herb, Wu Chong for your generosity of hospitality and warmth of welcome.

Many non-Chinese friends have asked me to explain the significance of the number "60".

The Chinese calendar, each year is designated by two characters, the first is taken from a group of 12 and the other 10. So by permutation, progression, combination, etc. you wind up with 60 sets of 2-character. Instead of the century, China uses 60 years as a cycle.

Because China has no indigenous religion, there is no origin of reference in the Chinese calendar, nothing equivalent to the birth of Jesus Christ. So all Chinese years are labelled cyclically and in modulus 60. Naturally this leads to a cosmological view of an oscillatory universe rather than that emanating from a big bang.

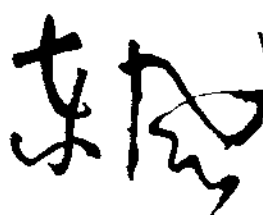

For a Chinese, reaching 60 has a special significance, not only because one is still getting on, which is of course true, but because one is entering a new cycle of 60, and therefore can be allowed to be young again. This is amply demonstrated by some Rotarians who are here tonight. You are doing so well as youths in your second cycle. Look at PP Herbert - he is only one year old; he knows already how to sing Viva Rotary! And our very own Johnnie - he is only a few months old, spilling juices everywhere, standing up when expected to sit down, just like my 2-year old son.

Rotary Club of Penang, I am sure you must have experienced the singular impact of strong and mixed emotions as you celebrate your 60th birthday or complete your first cycle; and on behalf of Hong Kong Island East, I wish you health, strength and happiness as you enter your second cycle.

From page 1

Both your Club and our Club have lots of things in common notably English speaker against a cosmopolitan membership. This month we celebrate the 21st Anniversary of the signing of our sisterhood pact – the number "21" also has its significance, it means coming of age and I certainly look forward to closer ties between the 2 Clubs in the future.

RESPONSE – By Pres. R.S. Singh

It is indeed an honour to be here today with all of you. I bring greetings and best wishes from my members & Ann's Toyou and your charming Ann's. We have just come from our visit to 2 of our Sister Clubs in Japan, Togi & Ichinomiya North. It has been a wonderful and hectic experience so far but then the excitement in Rotary never ends.

And here we are with our third Sister Club in Hong Kong. When I became President of The Rotary Club of Penang, I knew we had a Sister Club in Hong Kong, but I did not know which one! But once our 60th Anniversary Ball was upon us we decided to invite all our Sister Clubs, then we got the correct address! We had the honor to have your President Y.K. Cheng, PDG Peter Hall and John Kwok at our 60th anniversary function. Lets not allow this sister club baondage to die off again when tonight is over. Lets revive it. Now that we know how you look like and where you are, and vice versa, let us restart our 'marriage' again. This sister club project has promoted international understanding between nations. Let us cultivate friendship that breaks down borders which separate us. Let language be no barrier between us as we somehow manage to understand each other. Let us share our culture with you as we come to know yours.

All of you know where Penang is. We are 43 members strong and we meet every Wednesday lunch at the Merlin Hotel. What's more, there are direct flights between Hong Kong and Penang. You can breathe freely in Penang and see your golf ball soar clearly into the distance – no smog there!

I would like to thank all of you for the kind hospitality shown to all of us and here is wishing you all, good health and prosperity and keep on enjoying Rotary.

OUR FIRST SISTER CLUB – By PDG Peter Hall

It is very timely to talk about our first sister club – The R/C of Penang when their members are visiting us to-day.

Sometime around 1968, our late PDG Uncle John, through his connection in Malaysia, proposed to form a sister club relationship with the Rotary Club of Penang.

After a chain of negotiations, a sister club pact was signed by our then President Dennis Ting together with President Cheah Phee Aik of Penang at our regular weekly meeting at Lee Garden Hotel on 26th November 1969. This became our first sister club relationship.

The signing ceremony was witnessed by the then DG George Lin and four members from the R/C of Penang, namely:– Rtn. Fanson Kuo; Rtn. Soon Cheng Sun; Rtn. D. Ramanathan & Rtn. Manickvasagam and also 4 members from the R/C of Ipoh, viz., they are:– Rtn. Herbert Ho who is here this evening; Rtn. Pim Bangert; Rtn. Cheah Ewe Hoe and Rtn. Ng Hee Yew

Though we gained a new sister club, communications between us has been very poor. In fact, very few members know about the existance of our sisterhood agreement.

Thankfully, after 21 years of silence, it was brought back to life again when the R/C of Penang was celebrating its 60th Anniversary in October this year. It was the good work of our President Y.K. who led a delegate of 3 persons from our club, i.e., President Y.K. Cheng; PDG Peter Hall and Rtn. John Kwok to attend the 60th Anniversary of Penang Club.

We are very happy that our sister club has today reciprocated our visit by sending a group of 4 members, comprising President Rangit Singh; Secretary Herbert Ho; PP Lam Wu Chong and Rtn. Chan Kok Swee

How wonderful it is: to renew acquaintance.

I hope we have more frequent interchanges of visits to cement an even better relationship.

THE WAY IT WAS LAST WEEK

- We warmly welcomed our visitors from RC Penang: Pres Rangit Singh, PP and Secretary Herbert Ho, PP Lam Wu Chong and Rtn Chan Kok Swee and what a splendid evening we all had at the Gloucester Room in Excelsior Hotel. Our Annes added their usual charm and grace to the occasion and all "second best singers" were there except for Rtn David Li, but more of this later.
- Pres YK opened the meeting at 7.45 p.m. and he introduced our Guests of Honour. Then Rtn Michael Kelly introduced and welcomed our two visiting Rotarians, Rtn Eddie Jones from RC Bebington, UK and Rtn Andy Cheung from RC Victoria.
- 28 of our own members were present and this represented 40% of our non-exempt membership of 70. (in all, we have 78 members.) However, our numbers were well and truly made up by the presence of so many Annes and guests. We welcomed Irene Cheng (Pres YK Cheng); Jill Wilson (VP PP Warren); Mina Lee (PP Harold); Sonja Willy-Furth (Rtn Vianney); Chitra Chellaram (Rtn Manolo); Merry-Christina Kelly (Rtn Michael and – you guessed it – Chris was born on Christmas Day!); Sharon Eng (Rtn Wing); Carmen Lloyd (Rtn Tom); Merissa Grubb (Rtn Roy – presently away in Andorra); Virginia Wan (Rtn Raymond Chung); Carol Chiu and Anthony Chiu (Rtn Gary); Tony Sun (Rtn Sunway Ip); Kenneth Lam (PP Sam).
- Visiting Rtn Eddie Jones introduced his Anne, Hannah and Rtns Murray Macdonald and Joseph Chan introduced our visiting Rotary Foundation Scholars Barbara Barns and Louise Tythacott.
- Having said all the above – There's not much room left! We had a birthday boy for the occasion and he was Rtn Tim Lui. Tim selected '2nd Best Singer', PP John Kwok to lead the birthday song. Almost forgot! – We welcomed back PP Sam Lam from Beijing and VP Warren Wilson from South Africa. Rtn David Waring reminded us of the "Lamma Amarda" on 20 November (cost about \$125 per head).
- Pres YK and Pres Ranjit then addressed us. A quickly quelled riot threatened when Pres YK in his address referred to PP Jack Lau as our No. 1 singer – all "2nd best singers" were up in arms! and by not so secret or silent a ballot, it was decided the President may have to be overruled! How can there possibly be a No. 1 singer in the Club! – quite easily it seems – have to admit it – PP Jack performed admirably as did all our Penang visitors and our visiting Rotarians. Even Rtn Murray – not reknown for singing prowess and a suspected "anti singing at Rotary meetings" lobbyist burst out in a Japanese song – which some thought was Italian and others thought was Maori – still others felt relieved when he sat down (himself included!)
- A great night of good fun, good food and excellent Fellowship was made even better thanks to the very good brandy donated to the cause by Pres YK Cheng. Pres YK was so carried away by the night he announced all drinks were on him but fortunately for him, the end of the evening was nigh and with a rendition of "Auld Lang Syne" we departed into the night – most of us heading for home – having thoroughly enjoyed the evening. Thanks to members generosity, Sgt at Arms Rtn David Waring reported a take of \$1,202. Thanks again to Rotary Club of Penang for visiting us and thank you also for the gifts you distributed.

PDG Uncle John Yuen — Memorial Project

The late PDG John Yuen

The following is an extract of an address by Pres YK at our weekly meeting on 7 November 1990.

"PDG Peter, President Moses, fellow Rotarians & guests, you will recall that our Founder President PDG Uncle John Yuen passed away one year ago on 8th November 1989 at the advanced age of 88.

For the benefit of our newer members and visiting Rotarians, PDG Uncle John Yuen, whose name appears at the front page of the Tung Feng, was our Founder President and then served a second term as President of our Club in the Rotary year 1970/71. He was a past Governor of District 345 having served RI in this post in 1973/74.

Charity, philanthropy, candour and wisdom are some of the very suitable words to describe Uncle John and the very full life which he led.

As PP Con wrote in a special obituary "..... Uncle John was not only a source of light, comfort and wisdom to us all, he also embodied all that is Rotary. He gave us his fellowship, his advice and counsel, and, above all, his affection."

It was Uncle John who ensured that our Island East Rotary Club was built on a solid foundation, saw to it that the Club was properly nurtured, and quoting again from Con, "..... it was mainly due to his unstinting leadership that we gained our reputation as one of the finest Rotary clubs in this part of the world". For his excellent efforts, Island East will forever be indebted.

I myself can certainly speak for members of our Club here that we count it as our privilege to have shared Rotary with Uncle John.

Uncle John had indicated in his will that a sum of HK\$1 million would be made available to our club in the form of a donation for the purpose of a Community Service Project. This is certainly good news and a great honour for Island East.

Needless to say, this is a matter of considerable importance and I am pleased to advise that PDG Peter Hall has accepted your Board of Directors' invitation to chair a special committee to research, identify, negotiate and implement this important project. It is intended that members of this Committee will consist of representatives from our PP Council, members of Uncle John's family and from our Board of Directors. We will have further details for you from time to time. If you have any ideas or suggestions, please do not hesitate to convey them to Uncle Peter or myself."

WHAT IS THE ROTARY FOUNDATION AND WHAT DOES IT DO?

The Rotary Foundation is a non-profit corporation supported solely by voluntary contributions from Rotarians and others. Its objective: to contribute to the achievement of world understanding and peace through international charitable and educational programmes.

CONTRIBUTIONS TO THE ROTARY FOUNDATION – WHAT'S IN IT FOR US?

During the 1990-91 Rotary year, the Rotary Foundation's goal is to raise US\$38 million in unrestricted contributions. For that goal to be met, our District has set its own goal of US\$120,000. Our Club's goal is US\$7,000. Since The Foundation relies primarily on contributions from Rotarians, its educational and humanitarian programmes could be reduced if these goals are not met. Most of us do not need to be convinced that The Foundation is carrying out vital, important works in the world. We know of villages that for the first time are being supplied clean drinking water, the families who now have eye or dental care. We know how Foundation humanitarian programmes promote self-help – not a quick fix – so farmers can grow the foods that produce the greatest yield and the children have an opportunity to go to school and learn skills for a lifetime. And we know the long-term investment that the Foundation makes for participants of the Scholarships and Group Study Exchange programmes, as they act as ambassadors of goodwill in countries throughout the world. What we may not be aware of is what is at stake for us if our Club and district goals are not met. Our District's participation in Rotary Foundation programmes – the number of Scholars we sponsor, the number of Group Study Exchange teams awarded to our District – is directly affected by our level of giving. If we fall short of our goal, we will have less to say about how Foundation grant dollars are allocated. Our role in helping to improve international understanding will be cut short. But when we reach our goal, our opportunities to participate in Foundation programmes increases. Let's make sure that happens. Let's see that our Club goal for the year is met.

HOW DO WE BECOME PAUL HARRIS FELLOWS OR BENEFACTORS

Contributions of US\$1,000 can be made through our Club and for those who would like to participate but who would prefer not to part with US\$1,000 in one shot, you can become a Paul Harris Sustaining Member by contributing smaller sums over up to a ten year period (i.e. US\$100 per year). All you have to do is to obtain a Bank Draft in US Dollars made payable to Rotary International and pass this to Pres YK Cheng, PDG Peter Hall, PP John Kwok or Rtn Murray Macdonald. They will do the rest.

THE WAY IT WAS LAST WEEK

- Pres YK opened proceedings promptly at 1:00 pm. The first item on the Agenda was the one minute silence in tribute of our Founder President PDG Uncle John who passed away one year ago.
- We had 33 members present which is 47% of our total membership. We also had a total of 33 visiting Rotarians and guests of Rotarians.
- Pres YK gave a particularly warm welcome to our Fellow Rotarians from our baby club the Rotary Club of Hong Kong Northeast headed by our own former member Pres Moses Cheng. Moses was also Charter President of Northeast and this year they celebrate their 8th Anniversary.
- Rtn Ben Wong's father passed away and the funeral had taken place at noon. Mr Wong Wang Kwong passed away peacefully earlier this month at the age of 85. We extended our deep sympathy to Rtn Ben and his family and observed one minute's silence.
- PP John then introduced our visiting Rotarians and guests in what was generally thought to be an interesting and somewhat curious fashion. Never mind, he paid the Sgt-at-Arms for his sins of omission and commission.
- Exchange of Banners. We received 4 banners from the Rotary Clubs of Bebington, England; Semarang Bojong, Indonesia; Inverurie, Aberdeenshire, Scotland and Lombardy, South Africa.
- Two birthday boys were present viz, Rtn Manolo Chelleram and Rtn Rube Hausmann and at Rtn Manolo's specific request PP Con led us in the birthday song. According to Con, PP Jack was not amused by this slight to 'the best singer in our club' the latter being a quote from Pres YK.
- Rtn Sunway then announced that our next Community Service project -- the day-camp with pupils of the Victoria Park School for the Deaf -- will be held on Sunday -- 11th of November, 1990. The programme will start at 9:30 am and will last until 4:00 pm.
- Rtn David Waring advised us of the very important Club Service fellowship event on Tuesday 20 November 1990 when the Lamma armada will set sail at 6:00 pm. More details in a circular doing the rounds today. Please sign up early.
- PP Dave Chang advised through the President, that our friends from the Rotary Club of Niigata will join us in a Golf Tournament on Thursday 22 November 1990. 12 Rotarians and Rotariannes are in the contingent from our sister club. If you would like to participate in this event please contact PP Dave.
- The programme for the day was a video tape on the Rotary Foundation. This was presented by PP John with full technical support from Rtn Henry. The consensus was that it was a very fine presentation of a most important aspect of Rotary.
- Acting Sgt-at-Arms Gary reported contributions totalled \$1,750 and he singled out for special mention Pres Moses, PP Chan Soo, VP Warren, PP Sam, Pres YK, Rtn Sital, PP John and, of course, birthday boys Rtn Manolo and Rtn Rube. Manolo was especially generous as it was also his 11th wedding anniversary.
- Pres YK had to leave at 1:45 pm on urgent business. Before his departure he handed over the mantle to Pres Moses.
- Pres Moses ended this meeting with a toast to RI coupled with a toast to the Rotary Club of HK Island East.

Rotary Foundation Scholars
Louise Tythacott and Barbara Barns

Louise Tythacott

Barbara Barns

These two lovely ladies who have already endeared themselves to many of us gave us a wonderful programme. Having been studying here for a mere two months, it was perhaps a little bold to expect to hear a great deal as to how Louise and Barbara felt about Rotary and in particular their scholarship here. However, their two presentations, made with such warmth and feeling left us in no doubt that their respective host clubs in UK and Dallas are to be congratulated on selecting two outstanding people for the Foundation Scholarship.

Louise graduated from University of Kent in June 1989 and the Rotary ideal of International understanding is in many ways an extension of her degree subject (Honours in Social Anthropology). "What I generally call the study of people and cultures throughout the world" she said.

Louise' interest in Art has led her to give several talks on different art traditions and it was also the reason she worked for a while at the British Museum in the Dept of Ethnography. Louise has also spent a year in Washington DC at Smithsonian Institute and her experiences include 2 months in Mexican jungles, Guatemala and Honduras, studying ancient temples, architecture and sculptures of the Mayan civilisation.

Not surprisingly, Louise has the ambition to become the Curator of a Museum and while at Hong Kong University she will be conducting supervised research in the Dept. of Sociology, on religious and belief systems. She is also working on a voluntary basis for Oxfam, an organisation with which she was actively involved in UK.

Barbara Barns comes to us from Dallas Texas and she graduated from Baylor University in 1987 with a Bachelor's degree in Business Administration. She obtained a triple major in Finance, Economics and Real Estate. Barbara become a real estate investment banker in Boston. She was also a commercial

mortgage broker before joining G(eneral) E(lectric) Capital-Commercial Real Estate Division in Washington DC. They have granted Barbara leave of absence so she can undertake the Foundation Scholarship.

At University of Hong Kong Barbara is studying under the MBA programme and she says the academic quality of the programme far exceeds her expectations.

"I am indebted to my sponsor Club, Rotary Club of Dallas and to you my host Club, for the opportunity given to me and for the warmth and support you have extended. Every minute in Hong Kong has been an exciting adventure. I've been and done so much and I eagerly look forward to the next several months with you in Hong Kong."

Of the Foundation and Rotarians donating towards it, Barbara expressed the view:

"As a Banker by trade I know how investments are scrutinised and I imagine many of the same thoughts go into determining investments of goodwill – namely your investment in the Rotary Foundation of which I am a grateful recipient.

What is the Foundation money doing? What do Scholarships do and achieve? Why give – are the benefits worth it? Is it a program worth preserving? Will this investment achieve the highest return?

Former Rotary International President Dr. Ed Cadman said Rotary Foundation Scholarships provide Peace through Personal Exchange. I agree. Few organisations have seen such concern for world peace and global understanding that will make investments whose returns may not be immediate, but over a lifetime. Rotary has such concern. You plant a tree and allow it to grow and eventually bear fruit"

Louise Tythacott said:

"The Rotary Foundation is clearly and International, Global and Humanitarian organisation concerned with funding and using individual Rotarian abilities to aid related projects in most needy countries of the world.

After the United Nations, Rotary is the 2nd largest contributor to worldwide humanitarian projects. This is something of which Rotarians must rightly be very proud. How gratifying it must be for those of you who have contributed by way of Paul Harris Fellowships or as Benefactors to the Rotary Foundation, to know that your donation achieves so much. Long may Rotarian's continue donating to this very worldwide cause."

Louise and Barbara will address us again prior to completing their Scholarship here.

THE ROTARY FOUNDATION – OUR ROLE OF HONOUR

In the Rotary calendar, November is recognised as Rotary Foundation Month and at our recent meetings, we have learnt more about the Foundation and the great work it does. However, it can only carry out these functions with financial support of Rotarians from around the world.

Over the years, our Club has taken just pride in the number of our members who have generously contributed to Rotary Foundation with individual donations of US\$1,000 to become Paul Harris Fellows or Benefactors. Two of our members, PP Con Conway and PP Chan Soo are both Paul Harris Fellows and Benefactors.

Today in Tung Feng we salute those who made the contribution to this thoroughly worthy cause by becoming Paul Harris Fellows and Benefactors.

THE WAY IT WAS LAST WEEK

- We were up on top of the Excelsior last week – not Top of the Town thank goodness but the Penthouse which was much better. Pres YK opened the meeting early at 1.10 p.m. 47 of our own members were present (67.14%)
- Rtn Mark Whitehead introduced our visiting Rotarians. They were: Rtns Markau (Frankfurt); Charles McKee (Portland Maine), Ron Topps (Hythe & District); Eddy Chan (HK); Peter Potter (Perth, Aust.). Eddie Jones (Bebington, UK), IPP Didi Yip (HKNE). Rtn Tan Kim Siew (Victoria).
- Rotarians introduced their guests, namely Mr. Max Fankhanel (Rtn Chris Ting); Mr. Mark Rawson (Rtn Mathew Kok); Barbara Barns and Louise Tythacott (Guest Speakers), Mr. Eric Au (Rtn Eddie Jones); Mr Edward Kwan, Lee Scott (Rtn David Waring).
- Happy Birthday Rtn Walter Yuen and thank you PP Con for leading us in the birthday song with your dulcitol tones, – certainly worthy of the honoured title of "2nd best singer"!
- Community Service Committee Chairman Hubert Chan reported on a very successful day-project for the Victoria School for the Deaf on November 10th. 8 Rotarians and their families were there and the day was well organized by the Rotaract Club of Hong Kong Island East. 120 persons attended and a most enjoyable day was had with the children and their families.
- Pres YK and Rtn David Waring updated us on details for the visit of the Niigata Rotary Club and the Lamma Amarda.
- PP John Kwok was Sgt. at Arms for the day. He collected \$1,600. Thanks to all who contributed and special thanks to Pres. YK; PP Andrew Chen, PP John Kwok, Rtns Michael Kelly, Ben Wong; Hubert Chan.
- Pres YK then inducted our new member Edward Kwan. Edward's proposer is Rtn David Waring and we warmly welcomed Edward into the Club. Our membership now stands at 79.
- Guest speakers for the day were our visiting Rotary Foundation Scholars Barbara Barns and Louise Tythacott, two delightful young ladies who have been worthily awarded a Rotary Foundation Scholarship by their respective Rotary Districts in Dallas and UK. Barbara and Louise were introduced by Rtn Murray Macdonald and Pres YK Cheng moved the vote of thanks.
- Pres YK reminded us our next Annual General Meeting would be held on 12 December 1990. Notices have already been sent to members. He then closed the meeting with the usual toast to R/I and Rotary Club of HK North East.

Our Sister Club
Rotary Club of Niigata

Presidents Akihiko Ban and YK Cheng "The Hand of Friendship"

WELCOME: By Pres YK Cheng

Members of our Club will recall that PDG Peter, IPP Dave and I were in Niigata in late April this year to join our sister club in their 50th Anniversary Celebration.

It was a trip that we all thoroughly enjoyed and made many new friends some of whom are in this room today.

I am quite sure we have left them with two major impressions:

1. That we are a very nice and attractive people;
2. And that our standard of golf makes us ideal competitors as far as they are concerned since they won most of the prizes in our last competition.

I am therefore greatly honored and extremely happy that the Rotary Club of Niigata decided to visit us in full force. This further strengthens the sisterhood relationship signed in 7th March, 1973 between our then President David Bailey and their Past President Yokoyama whom I had the pleasure to meet while we were in Niigata.

Our mutual visits this year I am sure lay new foundations for future growth and co-operation between our two Clubs. I must in this connection congratulate and thank President Ban & Niigata for the very fine effort which they had demonstrated in the true spirit of international service."

RESPONSE: By Pres Akihiko Ban

It is an honour to visit the Rotary Club Hongkong Island East.

It was unfortunate we lost contact since we signed up the Sisterhood Agreement on 7th March, 1973. But fortunately, when we celebrated our 50th Anniversary on 21st April, 1989, PDG Peter Hall, David Chang & YK Cheng visited us and then we started our communications again.

From page 1

On 14th July, 1990 when I made a personal visit to Hong Kong, PDG Peter Hall, YK Cheng & Hubert Chan invited me for dinner during which we discussed this official visit. Hong Kong and Japan are not far apart and we should communicate & visit to each other more often in the future.

On the other side of the world, we are also negotiating with the Rotary Club of Porto Alegre-Lante in Brazil regarding matter of Sisterhood arrangement.

We are all working for the theme of this year Honour Rotary.

We are also trying to help other areas to set up their Rotary Clubs such as Soviet Union & Siberia Prefecture on the East Side of Niigata.

The world is under great change, we hope by going through this international communications, we can promote peace and development between us.

We really appreciate this long history, tradition and also the presece of all Senior Rotarians in Rotary Club of Hongkong Island East.

SISTER-CLUB INFORMATION — By PDG Peter Hall

During the presidency of David Bailey (1973/74) our 2nd sister-club was established between the Rotary Club of Niigata and the Rotary Club of Hongkong Island East.

A formal sisterhood agreement was sealed on the 7th March 1973 in Hong Kong by President Kaichi Yokoyama of our sister-club and our own President David Bailey .

President Yokoyama led a group of 12 delegates, including his daughter Aki and the D.G. Seiichi Shirose of District 256 to visit our club.

Presumably through the Rotary spirit, Miss Aki Yokoyama, daughter of President Yokoyama became the wife of our good friend, Rtn. H. Takahashi who is with us to-day. I must say he is a lucky guy!

Since we became sister-club, we held one international service project, i.e., the exchange of children's drawings between Hongkong and Niigata for exhibitions locally to promote cultural exchange.

Throughout these 17 long years, we have been rather quiet, until the end of the last Rotary Year, IPP Dave took the initiative to pay our 1st visit to the R/C of Niigata to celebrate their 50th Anniversary with President Y.K. and PDG Peter.

We are glad we have revived our relationship by the reciprocal visit of President Akihiko Ban and his group of ten.

Pres YK

THE WAY IT WAS LAST WEEK

- Pres YK opened the meeting by extending a very warm welcome to our Sister Club, Rotary Club of Niigata, and in particular to their eight members and two Rotaryannes who were visiting us. Pres YK, PDG Peter Hall, PP Harold Lee, Rtn Hubert Chan and Murray Macdonald met the Group on their arrival in Hong Kong on 20/11/90.
- 48 of our own members were present and this represented 68.6% of our non exempt membership.
- Community Service Chairman Hubert Chan introduced our visiting Rotarians and guests.
- Visiting Rotarians were: From Niigata: Pres. Akihiko Ban; Rtns Tateo Koyama; Hikozo Takahashi; Takashi Kojima; Toshiaki Fukuchi; Junichiro Ogi; Katsushi Kato; Satoru Kobayashi. From other clubs: Rtns Esko Jusula (Helsinki, NW), Sugianto (Tasikmalaya, Indonesia); Francis Tsai (Taipei NE); PP Winston Tsang (Kwln. East); PP Allan Pipe (Victoria); Rtn JP Lee (Wanchai); Inguar Isakssoh (Burtiou – KarSturp, Sweden).
- Guests were: Mrs. Skemi Ban (Pres. Akihiko Ban); Mrs. Yukiko Koyama (Rtn Tateo Koyama); Mr. Ron Forte (VP Warren Wilson); Mrs. Jacinta Chang (IPP Dave Chang); Mr. Julian Liew and Mr. Ken Low (Rtn Mathew Kok); Mr. David Bottomly (Rtn David Li). Mr. Doddy Marcelo (Rtn Tom Lloyd); Mr. Lee Scott (Rtn Edward Kwan).
- President YK Cheng (HKIE) and President Akihiko Ban of Rotary Club of Niigata exchanged Banners of goodwill. Further banners were exchanged and we ended up with 7 of ours going out and 5 coming in.
- Sgt at Arms Rtn Mathew Kok reported a collection totalling \$1,265. Special thanks to Pres. YK Cheng; IPP Dave Chang, PP Ken Poon (\$200); PP Andrew Chen; PP WK Lam (\$150); Mark Whitehead; PP Sam Lam.
- Pres. YK had the pleasant duty of inducting a new member, Ron Forte. Ron is a Rotarian of 15 years standing in Australia/Malaysia and he is now resident in Hong Kong. VP Warren Wilson is his proposer. This brings our membership to 80.
- Welcome back VP Warren Wilson who, with Jill has just returned from the marriage of their daughter in Adelaide. Welcome back also to PP WK Lam from Japan and Rtn SY Pang. Happy Birthday PP Ken Poon. Once again "No. 2 singer" PP Con Conway led the birthday song.
- Rtn David Waring reported on an excellent evening held at Lamma on 20/11/90. Thanks to PP Chan Soo and VP Warren Wilson for arranging boats. PP John Kwok reported on the Golf Competition with RC Niigata on 22/11/1990.
- Pres. YK reminded us of the District Tennis Tournament. Our Club entered two teams. We were also requested to look for participants for the Rotary Youth Leadership Awards Camp in December.
Rtn Michael Kelly advised the Christmas Party will be held on 19 December (\$160 per adult and \$80 for children). Further details will be sent to each of us very shortly.
- PP YP Yang spoke to us on becoming Paul Harris Fellows, urging members to consider contributing. He spoke also of the alternative to consider – that of becoming a Benefactor.
- Pres. YK Cheng and Pres. Akihiko Ban then addressed us following which Pres. Akihiko Ban presented the club with a Polaroid Camera. As an additional act of goodwill, Pres. Ban presented the Club with a "Smile Box" from Rotary Club of Niigata containing Yen 100,000 (HK\$6,100) to be used for a Club project. This generosity was warmly applauded.
- After thanking Rotary Club of Niigata and Pres. Ban, Pres. YK Cheng then closed the meeting with a toast to RI and Rotary Club of Niigata.

Pres YK with Pres. Ban and our visitor

Welcome to the Club... Rtn Ron Forte

TO WIND UP ROTARY FOUNDATION MONTH

1.0 Paul Harris Fellow

One who makes an unrestricted donation of US\$1,000 to the Rotary Foundation in support of its activities (or one in whose name such a donation is made). One can become a Paul Harris sustaining member with a lesser contribution.

2.0 Rotary Foundation Benefactor

One who makes either a donation of US\$1,000 to Rotary Foundation or who makes provision in his Will for such a donation to be made upon his passing. Such donations to be restricted in that they are to add to the Capital of the Foundation and the earnings from this fund are then used for Foundation purposes thus ensuring the long term interests of the Foundation will continue.

3.0 How to Contribute

Obtain a US\$ Draft made Payable to Rotary International Inc. and give it to PDG Peter Hall, Pres. YK Cheng, PP John Kwok or Rtn Murray Macdonald. They will do the rest.

4.0 Our Role of Honour

Last week in Tung Feng we honoured those who have contributed towards the Rotary Foundation via our Club.

This week we pay special tribute to five present and past Rotarians of our Club who, over the years, have contributed more than once to the Rotary Foundation.

PDG the late Uncle John Yuen – 5 Paul Harris Fellow contributions of US\$1,000 each

PP Sam Lam – 5 Paul Harris Fellow contributions of US\$1,000 each

PDG Peter Hall – 2 Paul Harris Fellow contributions of US\$1,000 each

PP Con Conway – 1 Paul Harris Fellow and 1 Benefactor contribution, each of US\$1,000

PP Chan Soo – 1 Paul Harris Fellow and 1 Benefactor contribution, each of US\$1,000

5.0 Our Club's Target

Our Club target for this Rotary year is a contribution to Rotary Foundation of US\$7,000. To date we have recorded US\$1,500. Will there be any arm twisting of members to achieve our target of US\$7,000? Certainly not, Contributions are very much a personal thing for every member to consider, but hopefully in the past four weeks the workings and goals of the Foundation have been made clear to all and we hope more members will consider becoming Paul Harris Fellows or sustaining Paul Harris Fellows between now and 30th June next year.

Dr Emil Mezgolits

"Doing Business in Eastern Europe"

Dr. Mezgolits addressed the meeting

Dr Mezgolits explained the first move was to sell technology to Eastern Europe and his country, Austria was the nearest to Eastern Bloc countries. He explained that investors had to weigh up the low cost of living in Eastern Europe with seemingly low productivity. In order to do business in the Eastern Bloc, a secure base is needed in the West with money and personnel ready to go into Eastern Europe at short notice. Much patience is needed due to frequent changes in negotiations. Investors must be prepared to bear a high cost in getting established in Eastern Europe and to accept any project will take a long time to proceed. It is very important to use personnel who can speak the local language understand the local mentality.

Dr Megolits gave us examples of various Eastern European economies. Hungary was cited as being in very bad shape with transport and technology information producing major problems.

Dr Megolits company, Austrian Lotto and Toto Company in Vienna, is assisting Banking organisation in Hungary to improve their technology. They are also in discussions with company in Croatia Slovenia Yugoslavia USSR and Czechoslovakia. The process of introducing information technology into Eastern Europe will take a long time.

NEWS FROM ROTARY INTERNATIONAL

Women in Rotary

In the past several months, we've seen the number of Rotary countries and geographical regions grow to 172, and we've seen the number of Rotary clubs pass the 25,000 mark. There also has been another significant area of growth in that as of July 1990, we estimate that there are more than 22,200 women Rotarians. These women have already had a tremendous positive influence on Rotary's plans and programs. Many of them have assumed important positions of leadership, and we look forward to an increase in their numbers and contributions.

ROTARY INFORMATION — by PP YP YANG

November is a very special month in the Rotary Calendar because it is the time when we honour Rotary's greatest gift to the World, our Rotary Foundation.

To quote a message from R.I. President Paulo V.C. Coasta.

"If Rotary had done nothing else of consequence during its 85 year history, the continuing achievement of the Foundation would serve to justify and even glorify our existence. One of the most critical tasks that faces us today is to guarantee the future of the gift (to the world) by participating in its programmes and supporting its endowment for world peace and understanding"

The people of the world depend on Rotarians to fight poverty; eliminate the scourge of Polio and other diseases; to provide scholarships and personnel exchange opportunities and to work for peace on a Global basis. The Rotary Foundation is one of the vehicles through which we can carry out this mission. As the Public manifestation of our private belief, the Rotary Foundation reveals the true image of Rotary — that of a humanitarian organisation, dedicated to achieving world understanding and peace.

Let us renew our commitment for this extraordinary venture and make sure our Club is fully participating in the Foundation programmes. Let us Honour Rotary by putting all our Faith and Enthusiasm into working for the Foundation so that it in turn can continue to serve the World. Please consider and make your contribution towards this truly wonderful organisation of ours.

COUNCIL ON LEGISLATION

While the 1992 Council on Legislation is still more than a year away, our legal services department already has received six proposed enactments for consideration and five additional items in draft form. Please be aware that the deadline for clubs and district conferences to submit proposed enactments for consideration by the council is 1 May 1991. (Proposed resolutions may be received up to 30 days before the council is scheduled to convene.)

Although it is the responsibility of the proposer to prepare proposed legislation in appropriate form for consideration by the council, the Board of Directors of R.I. has authorized the Constitution and By-laws Committee to assist clubs and districts in drafting correcting and refining the wording of proposals prior to their being submitted to the council for consideration. Because proposals must be prepared for publication immediately after 1 May 1991, it will not be possible to provide drafting assistance for proposals received close to that date.

THE WAY IT WAS LAST WEEK

- The meeting opened at 1.17 pm and we warmly welcomed Rtn Roy Grubb back from Andorra. Roy is to join Rotary Club of Andorra in December and sadly, his resignation from our Club becomes effective 31 December this year.
- Rtn David Waring introduced visiting Rotarians and guests and we exchanged banners. 2 in and 4 out.
- Rtn Tom Bovet has just returned from Vietnam. Welcome back.
- PP Sam Lam spoke to us about interviews for New Jersey High; Rtn Tony Rackham advised us of our Tennis success at the recent District Tournament where our representatives were Rtns Sunway Ip, Mark Whitehead, Tony Rackham and Michael. Tony and Michael reached the golden heights of the semi-finals.
- Rtn Roy then addressed us. He assured us the Country he is now residing in is Andorra and not Angola. The Rotary Club of Andorra (which Roy is now joining) has 34 members and is very friendly. Roy's business activities are mainly in Paris Athens and Hong Kong.
- Pres YK summarised our busy past few months and thanked all who had assisted with the various activities.
Pres. YK also reminded us that next year's Rotary International Conference is to be held in Mexico June 2 – 5 1991.
Our own District Conference for this Rotary year is to be held in Macau from Friday – Sunday April 26 – 28th 1991 and Pres YK has been appointed the Secretary General for the Conference.
- PDG Peter Hall presented Rtn Chris Ting with his Paul Harris Fellowship Badge and Certificate, acknowledging the unrestricted donation by Chris, of US\$1,000 to the Rotary Foundation.
- PP Y.P. Yang gave us more Rotary Information.
- Pres Bengt Magnuson was visiting us from RC Bookham & Horsley, in UK, the Sponsor Club for Rotary Foundation Scholar, Louise Tythacott. Pres Bengt thanked us for the assistance given to Louise. Coincidentally, we have also received letters thanking us for our assistance in respect of Barbara Barns, from DG Milton and PP Linus from Dallas Texas.
- Rtn Sunway Ip was Sgt. at Arms. He reported 48 of our own members were in attendance (70% of our non-exempt membership) and donations to the Community service fund totalled \$1,780. A great effort! Thanks to all who contributed and particularly to Pres. YK, Rtns Tom Bovet, Roy Grubb, Sunway Ip, Michael Kelly, Mike, Vianney Willy-Furth, PP's. Chan Soo, Con Conway, Harold Lee.
- PP Con Conway then introduced our Guest Speaker, Dr. Emil Mezgolits who was visiting Hong Kong for an Information Technology seminar.

VISIT TO HONG KONG OF RI PRESIDENT ELECT — Raja Saboo — Dec 17th

Message from DG Arthur Au:

"President Elect Raja Saboo will be in Hong Kong on 17th December 1990. It is his intention that he meets and talks to as many Rotarians as possible. Accordingly our District will have an Intercity Meeting in the honour of our future Rotary Leader, 1991-1992. As Monday being the only possible and available day open for such a meeting, I have talked to Presidents of all the seven Clubs whose meeting fall on Monday, 17th December 1990. All the seven clubs will act as host Clubs. All Rotarians are encouraged to attend. The venue shall be the Ball Room, Grand Hyatt Hotel, Harbour Road, Wanchai, Hong Kong. Fellowship will commence at 12:00 noon. The meeting shall start at 1:00 a.m. and finish at around 2:00 p.m."

Would those who are able to attend the meeting on December 17th please notify Pres YK Cheng (Phone 5764343; Fax 8950237).

ROTARY INTERNATIONAL NEWS

R.I. President Paulo Costa urges every Rotary club in the world to take part in an ecology project to signal Rotary's interest in the environment.

Here are eight ways he suggests clubs can work to preserve and protect the environment.

- Program a speaker on local ecological problems.
- Sponsor a panel on Ecology vs Development.
- Survey members to see if they are recycling cans, bottles, newspapers, batteries.
- Plan to give an award for an innovative ecology project in your community.
- Challenge every member to plant a tree.
- Sponsor a community meeting to discuss local ecology problems.
- Develop an award for community businessmen who have implemented ecology policy at work.
- Adopt a portion of a local river, stream or highway and encourage other community organisations to take part in keeping it clean.

NEXT WEEK

As Wednesday 26th December is a Public Holiday, there will be no Rotary meeting on that day.

WEDNESDAY 2ND JANUARY 1991

Ms. Camille Yeh

Subject: Hong Kong and the future

VISIT BY R.I. PRESIDENT ELECT – Raja Saboo

At relatively short notice, a special luncheon meeting was convened at Grand Hyatt Hotel on Monday 17th December to welcome, meet and listen to Raja Saboo, who is to be President of Rotary International in the 1991/92 Rotary year.

In an inspiring address, PDG Raja addressed the theme of Rotary for his year in office and he encouraged all in District 345 to continue to develop this wonderful organisation of ours by introducing more members and forming more Club's.

Those who attended the meeting came away feeling confident that the leadership of the Rotary movement in 1991/92 will be in capable hands.

LAST WEEK'S PROGRAMME

Our Annual General Meeting.

Congratulations to the following members who were elected to lead the Club in the 1991/92 Rotary year:

HONG KONG KIDNEY TRUST FUND

Rtn Tony Keenan of Rotary Club of Kowloon has notified us of a fund raising venture the Club is entering into in support of the above fund by way of a raffle for a Lancia Thema car (HK\$269,000). Only 1,500 tickets will be sold at a cost of HK\$500 each. Persons wishing to participate should contact Tony at 5456661 ext. 62 (Secty. Vivian Kwan).

Tony advises there is a second prize which is a round trip ticket to Mauritius valued at HK\$60,000.

"The Hong Kong Kidney Patients Trust Fund was founded by Mrs. Jenny Parr in 1985 after the death of David, a young Chinese boy and a close family friend. David died of kidney failure because he could not get a place on a government sponsored dialysis programme and could not afford the only alternative which was private treatment.

Jenny discovered that there was many such patients in Hong Kong and the death rate was approximately 1,000 per year. The Trust Fund raises money to finance dialysis fluids for the portable dialysis programme called CAPD (Continuous Ambulatory Peritoneal Dialysis) and at present supports 239 patients at a cost of HK\$453,000.00 per month.

Trust Fund patients are all Chinese and in the low income bracket and would all be dead if they could not be supported. The youngest patient is 12 years old and the oldest is 79 years old. All patients are referred by Government social workers and doctors. The Trust Fund is run from Jenny's home. This keeps the administrative expenses to an absolute minimum so that monies raised can go directly to patients who need immediate help - patients in renal failure cannot wait for long!"

Pres YK opens the meeting

Pres Elect Warren Wilson

PP Edwin Tao conducts the AGM

THE WAY IT WAS LAST WEEK

- It was Annual General Meeting time and we had no fewer than 13 PP's keeping a watchful eye on proceedings!
- 48 of our own members were present and this represented 60% of our total membership and 66.6% of our 'non exempt' membership.
- Pres YK extended a warm welcome to all as he opened the meeting, a particularly warm welcome was extended to charter member Rtn Dragon Nie.
- PP John Kwok was in the thick of it all in his capacity as Sgt at Arms for the day. Ticked pink he was! and with good reason — his take for the day totalled \$4,880.00. Thanks to the 21 members who each contributed \$100 to send Christmas greetings in today's Tung Feng and thanks also to the many members who donated so generously.
- For the election of officers in the 1991/92 Rotary year, Pres YK handed over the control of the meeting to PP Edwin Tao. PP Edwin was assisted by PP's Baker Moosdeen, Jack Lau, Harold Lee, YP Yang who acted as scrutineers. Other PP's keeping a fatherly eye on us were PDG Peter Hall, Con Conway, Chan Soo, Andrew Chen, John Kwok, Sam Lam, Ramesh Mahtani, Dave Chang.
- Rtn Wing Eng updated as on our Rotaract Club and sought support for the Rotaract Club function to be held on Monday 24th December.
- Rtn Henry Chan reported on the success of our Community Service Project "Building a Better Environment". Both our Rotaract and Interact Clubs were also actively involved.
- After the new Board for 1991/92 had been elected, Pres YK closed the meeting with a vote of thanks to our PP's for handling the AGM so efficiently.
- We raised a toast to RI coupled with the Rotary Club of Hong Kong, our mother club.

THE ROTARY FOUNDATION

We recently featured in Tung Feng, R.I. President Hugh Archer's call for more support to the Foundation.

WHAT IS THE FOUNDATION AND WHAT DOES IT DO?

The Rotary Foundation is a non-profit corporation supported solely by voluntary contributions from Rotarians and others. Its objective: to contribute to the achievement of world understanding and peace through international charitable and educational programs. Since 1947, the Foundation has spent more than US\$206 million on its programs.

The programs of The Rotary Foundation:

Scholarships: Men and women spend an academic year abroad continuing their studies, learning about other cultures, and serving as ambassadors of goodwill for Rotary and their countries.

Last year, 1,382 scholars were sent to study in 63 countries at a cost of US\$16.7 million.

Group Study Exchange: Teams of four or five non-Rotarian young business and professional men or women visit each other's country for four to six weeks to study the social, economic, business, and cultural conditions, while staying in the homes of Rotarians.

332 Teams (involving 1,400 participants in 40 countries) were sent abroad last year at a cost of US\$3 million.

Health, Hunger, and Humanity (3-H) Grants: Large-scale, one-to-five year projects, international in scope, that emphasize self-help and improve health, alleviate hunger, and enhance human and social development. The total expenditure last year amounted to US\$3 million.

Rotary Grants for University Teachers to Serve in Developing Countries: University educators teach and conduct research in developing nations on subjects of benefit to their host countries for six to ten months.

Special Grants: Matching funds for small international, humanitarian, and charitable service projects conducted by Rotary clubs and districts.

Disaster Relief: Immediate response to natural catastrophes wherever they occur. The President of R.I. approves the grants, relief is provided, and the grant funds are replenished with contributions by Rotarians.

The total cost for the above Grants and Disaster Relief last year was US\$1.7 million.

Rotary Peace Forum: Through conferences held in different regions of the world, this pilot program examines the causes of conflict among nations and explores activities that can promote and maintain peace. Last year 13,250 people from 25 countries participated.

PolioPlus: Provides vaccines and supports the social mobilization activities of Rotarians in developing nations to ensure the immunization of all the world's children against polio by the year 2000.

Rotary Volunteers: Rotarians and Foundation alumni share their professional skills internationally by providing service for four weeks or more in developing countries. Last year there were 154 volunteers in 28 countries.

WHERE DOES THE MONEY COME FROM?

The money comes from voluntary contributions from Rotarians and others. These contributions may be in the form of a benefactor contribution, endowed scholarships, or by contributing to the endowment scheme as did PP Con earlier this year.

To those who contribute generously, the Trustees of the Foundation offer a variety of ways of expressing gratitude and recognition. Perhaps the best known is the designation of Paul Harris Fellows.

Any individual who contributes, or in whose name is contributed, US\$1,000 to The Rotary Foundation of Rotary International, is recognized, upon request, as a Paul Harris Fellow.

HOW DO WE BECOME PAUL HARRIS FELLOWS?

Contributions can be made through our club and for those who would like to participate but who would prefer not to part with US\$1,000 in one shot, you can become a Paul Harris Sustaining Member by contributing smaller sums over up to a ten year period (i.e. US\$100 per year).
