## THE LAST LAUGH - Dentists

One day, a man walks into a dentist's office and asks how much it will cost to extract wisdom teeth. "Eighty dollars," the dentist says. "That's a ridiculous amount," the man says. "Isn't there a cheaper way?" "Well," the dentist says, "if you don't use an anaesthetic, I can knock the price down to \$60." "Nope," moans the man, "it's still too much." "Okay," says the dentist. "If I save on anaesthesia and simply rip the teeth out with a pair of pliers, I can knock the price down to \$20." "Marvellous," says the man, "book my wife for next Tuesday!"
