LAST WEEK'S PROCEEDINGS - Jan 17, 2018

The meeting came to order at 1:01pm. Members attending were: PP Norman, PP Rudy, PP Andy, PP William, Rtn. Bernard, Rtn Peter, Rtn Jason, PE Gilbert, and P. Stacy

PP Norman has introduced his guest, his beloved wife Isa. Speaker Colin also introduced his guest Kieran.

PE Gilbert introduced the speaker, the speaker was Colin Chau, the topic was "2018 Investment Outlook". Colin first gave a review of 2017. 2017 was a good year for investment with MSCI ACWI (Equities), Bloomberg Barclay US Agg. Bond Index (Fix Income). Dollar Index (USD vs Int'l Currencies), Gold and Oil. USD weakness gave additional returns for investors with exposure to non-USD securities.

After that, Colin asked weather 2018 is a year of Bull or Bear. Some of us said Bull and some of us said Bear, and Colin told us it is Dog, as Chinese Year is coming. For 2018, Colin anticipate performances for equity and bonds to be relatively static before the beginning of a Bear trend as a result of less liquidity in the market to support valuations of risky assets. For now, the Bear trend to be a "correction" and not a "crash" due to supportive economic outlook globally. However, would not rule out the possibility of a crash to occur if it gets triggered by major event such as uplift to the scale of terrorist attacks.

Rtn. Jason thanked the speaker.

Meeting was adjourned at 2:00pm.
