LAST WEEK'S PROCEEDINGS - JULY 19TH, 2017

P Stacy welcomed back Kenny Chan and Stephen Liu, and commenced the meeting . It was a great turnout this week - 17 members, we want to see those attendance numbers rising! After reading out the announcements, P Stacy then asked PP Andy to announce the Red Box takings, before introducing the guest speaker this week, Prasanna Mathiannal, and investment banker who had come to enlighten us about 'Blockchain Theory'. After a fascinating speech, Rtn Jason was invited to thank the speaker. Prasanna had to leave earlier, so with 10 minutes to spare, P Stacy opened up a discussion session, starting by sharing her views that maintaining the weekly lunches is worthwhile because weekly lunches builds a sense of belonging and maintains our tradition. As Rotarians, we are no longer required to meet stringent attendance requirements, so P. Stacy prefers that we keep the weekly lunches, and add on 1 dinner/weekend fellowship per month. PP Tim gave a suggestion that how about we make a commitment to Regal Hotel for an annual commitment/monthly commitment. Other suggestions include bringing back prepaid lunch. The discussion was great, and we look forward to our discussion during the EGM. So at 2pm, P Stacy asked all members to rise, give a toast to RI and HKIE and join for a group photo.

RED BOX: \$1,300
