LAST WEEK'S PROCEEDINGS - May 09, 2018

Last week ...whether it was due to the rain or the vacation timing, unfortunately we had 5 members attending our luncheon. Members in attendance were: PP Andrew, PP Henry, PP Rudy, Rtn. Tony and P. Stacy, with visiting Rotarian PP Pedro from Rotary Club of HK City North.

The meeting started at 13:05. As a result of the low turn out, we all decided to sit on one table so that we can discuss and enjoy a nice meal. Lucky for us, the new manager at Regal gave us the Ballroom for our meeting! and we had Beef Wellington! Impressive!

The speaker - Dr. Willie Lai - over the course of lunch spoke to us about his views of the Greater Bay area, and how he got involved in his organization.

PP Rudy introduced the speaker. Dr. Willie Lai prepared a detailed presentation about his organization and his points of view about the Greater Bay Area. The Greater Bay area represents a potential GDP of 9 Trillion RMB. His Association is passionate about Community Service and specifically targeting to empower those in the ages of 25-40 years old. PP Henry thanked the speaker in our usual Rotary manner.

As there was quite low attendance, we all invited Dr. Willie Lai back to our club to redeliver his talk to more of our members.

Meeting was adjourned at 14:02.

Out & About - District Training Assembly 2018!

The District Training Assembly kicked off at 9am on Saturday morning May 14th 2018 at the HK Poly U Campus Block Z . In attendance was: PE Gilbert, IPDG Eric, PP Rudy, P Stacy and Rtn. Bernard. It was Bernard's first attendance to a large district event and hence very exciting. Bernard says that after attending the DTA he has a stronger sense of what it means to be a Rotarian. GREAT! The day started with an 'energizer' with our Rotaractors dancing for 5 minutes. Really great performance. DGE YC gave his opening speech with gusto! We expect great things from him next year!

The invited speaker Mrs. Patricia Lau gave her talk about Social Innovation in Cantonese (despite speaking fluent English). Our member IPDG Eric is next year's District Public Image chair and hence he lead the morning session on Public Image and Branding. The SAA were extremely exceptional this time - when Rotarians

were lining up for coffee or the buffet lunch - the SAAs on duty carried trays of coffee and plates (out of their own initiative!) Very impressed. Also, this DTA was environmentally friendly - there were water stations to fill bottles, and all the left over food from lunch was packed and offered to Rotarians to take back home or give to someone in need. Well done. Very great job by the Organising team led by PP Johnny Lee from RC Bayview.
