## LAST WEEK'S PROCEEDINGS - May 23, 2018

Meeting was called to order at 1:04

There were all together 9 members and 2 guests attending. Members in attendance were PP Hubert, PP Andrew, PP Rudy, PP William Rtn Jason, Rtn Peter, Rtn Bernard, P Stacy and PE Gilbert.

Rtn. Bernard introduced his two guests Patricia and Ernest, who are both in Education

P Stacy started the meeting with announcements:

Jeff Rotmeyer whom we nominated won the award at The ONE HK, his charities were awarded 200,000HKD. Our club is likely to have a vocational visit to ImpactHK's Guestroom soon.

PE Gilbert and PP William shared about their visit to sister club Rotary Club of Southsea Taipei. They both went for the anniversary celebration which was held during lunch. A great idea inspired by this gathering was that all performances were done by the beneficiaries of the Rotary Club of Southsea Taipei's service projects.

P Stacy also reminded that PE Gilbert's Club Installation is on July 18 2018 so members please mark your calendars!

Bernard introduced our speaker Patrick, who uses cartoons and sympathy to reach the hearts of kids in Hong Kong.

Patrick Siu - Education in Hong Kong  
From Patrick's point of view, - children are not born naughty. Children are born as a blank sheet and it is their life

experiences that create their character traits. Hence his passion is to offer high quality education to under privilege HK Students through his "Mr. Pat and Friends" video learning to government subsidised kindergartens.

PP Hubert eloquently thanked the speaker in our usual Rotarian fashion. Meeting is adjourned at 2pm.

## THE LAST LAUGH - EVER WONDER

- Why the sun lightens our hair, but darkens our skin?
- Why women can't put on mascara with their mouth closed?
- Why don't you ever see the headline "Psychic Wins Lottery"?
- Why is "abbreviated" such a long word?
- Why is it that doctors call what they do "practice"?
- Why is lemon juice made with artificial flavor, and dishwashing liquid made with real lemons?
- Why is the man who invests all your money called a broker?
- Why is the time of day with the slowest traffic called rush hour?
- Why isn't there mouse-flavored cat food?
- When dog food is new and improved tasting, who tests it?
- Why didn't Noah swat those two mosquitoes?
- Why do they sterilize the needle for lethal injections?
- You know that indestructible black box that is used on airplanes? Why don't they make the whole plane out of that stuff?
- Why don't sheep shrink when it rains?
- Why are they called apartments when they are all stuck together?
- If con is the opposite of pro, is Congress the opposite of progress?
- If flying is so safe, why do they call the airport the terminal?
