PP Tim started the gathering with a very nice speech, saying that he promised P Stacy to host a fireside this year to connect with the newer members however due to his busy time schedule he wasn't able to. Hence PP Tim and Grace thought how about hosting a dinner as a nice end of the Year Gathering. In PP Tim's words:

"Dear all,

Grace and I are truly grateful for your presence tonight. We had a wonderful time getting to talk to newer members and renew old acquaintances. May HKIE go on with strength and renewed purpose and fellowship. Happy Father's Day and have a blessed weekend.

Tim"

P Stacy shared a few words - first thanking PP Tim and Grace for hosting such a gathering. Secondly, she expressed how happy she was to see everyone together and how honour and humbled she feels to be part of such a distinguished club.

PP Tim invited PP Andrew to speak. PP Andrew expressed his Thank You to PP Tim and Grace. PP Andrew said that he was so happy to see everyone together and that this is a fine HKIE tradition. PP Andrew also praised P Stacy for a great year as President.

PP Tim then invited PE Gilbert to speak. PE Gilbert made a wonderful announcement:

"I have some good news to share with all of you. 2018 is not only a new chapter for me as a President of HKIE, but also...a new chapter to become a Father. I want to share the news with all of you"

Congratulations PE Gilbert!

After the formalities, our fellowship launched into a very casual and great 3 hour Fellowship! Members moved around tables to talk to each other. The Annes were having a great time catching up after not seeing one another for a few years. The buffet was delicious! And there was plenty of wine and whiskey!

The night ended after 10:30pm with members still wanting to stay behind to chat more. This was truly a wonderful fruitful and heart warming fellowship. We all sincerely hope there are more fellowships like this to come!

The Last Laugh

A man goes to get his salary cheque and when he opens it he discovers that his employer has overpaid him by £2000. He decides not to tell anybody and keeps quiet. At the end of the following month when he opens the cheque, he sees that he's been underpaid by £2000. Fuming, he goes to have it out with his employer. "Sir, I think you've made a mistake on my cheque."
"And how do you figure that?" his employer asks.
"It seems I've been underpaid by £2000."
"So?"
"No disrespect Sir, but I want my money."
"Last month I overpaid you by £2000 and you didn't complain so why now?"
"Well Sir, thing is I don't mind if you make a mistake once but if it becomes a habit I have to say something."
