LAST WEEK'S PROCEEDINGS - AUGUST 9TH, 2017

P Stacy rang the bell at 1pm and welcomed everyone, including PP William Fong, RC HK North, and P Bruno Li from RC of RC Mid Levels, who had come to be our guest speaker today. And also, especially great to see IPDG Eric was joining us (seems like ages since we've seen him due to his past year busy schedule - welcome back!), and who shared with everyone about his travels in Japan recently with his family. It was a great atmosphere, not least because there were birthdays to celebrate. And birthday boy was Rtn Kenny, who invited PP William was invited to lead the birthday song. P Stacy then introduced guest speaker Bruno, who enlightened us with his experiences as Chief Financial Officer of Li & Fung, and also as a devoted and passionate Rotarian. PP Eddy thanked the speaker, then we had an auction, where we auctioned off a bottle of wine for the Red Box, and PP Hubert successfully won the auction bid at \$200. Finally, P Stacy asked all to rise, give a toast to RC Mid Levels, RI and RC HKIE. Meeting adjourned and everyone joined for a group photo.

RED BOX: \$1,200

TODAY'S SPEAKER - Budding entrepreneurs

Our first service project of the year is/was, "Discovering the Entrepreneur in You". This project was in conjunction with the School of Opportunity. School of Opportunity specifically serves students who are from refugee/asylum seeker status families (families from Egypt, Rwanda, India, Nepal.) The students have come here today (Age 11 - 13) to present 3 business proposals to present to the club. It is like a mock business presentation. They have been practicing, and they put a lot of thought and effort into their presentations.

Our luncheon is part of the Empowerment experience. I think for them it will be their first time in a 5 Star Hotel, first time talking to a group of professionals. They are very excited. And they have been prepping and practicing how to shake hands and introduce themselves, also practicing how to answer questions for their business plans.

The 3 presentations are: 1. Gaming App, 2. Drop Ship Business Model - selling iPhone cases, 3. Selling FAD teenage product.

NEXT WEEK: THOMAS WONG, FOUNDING PARTNER OF CW CPA

THE LAST LAUGH - Entrepreneurs

A Young Entrepreneur

A young entrepreneur had just started his own firm. He rented a beautiful office and had it furnished with antiques. Sitting there, he saw a man come into the outer office. Wishing to appear the hot shot, the entrepreneur picked up the phone and started to pretend he had a big deal working.

He threw huge figures around and made giant commitments. Finally he hung up and asked the visitor, "Can I help you?"

The man said, "Yeah, I've come to activate your phone lines."
