### LAST WEEK'S PROCEEDINGS - AUGUST 30TH, 2017

P Stacy rang the bell at 1.05pm, and (sadly) it was a very low turnout this week, with just 6 members and 2 guests c'mon everyone..). P Stacy introduced the guests, who were her friend Bernard Lee, and CP Albert Yao of RC Peninsular South. After the announcements, the guest speaker was Rtn Tony Loy, who gave us a fascinating talk - From Genocide to Generosity, about the genocide in Rwanda, and where there is now an ongoing social engineering movement called, "Reconciliation" Tony went through the 12 steps of Forgiveness with us. We heard really amazing stories. For example, the above photo is a photo of a woman standing beside the man who murdered her sons. She forgave her neighbour and not only that...she openly welcomes him to help her with house chords as if she adopted him as her son.

Finally, P Stacy asked all to rise, give a toast to RC Mid Levels, RI and RC HKIE. Meeting adjourned and everyone joined for a group photo.

## TODAY'S SPEAKER - Thomas Wong

Mr. Thomas Wong is the founding partner of CW CPA, a professional accounting and advisory firm in Hong Kong. Developing overseas markets, in particular Latin America, Spain and Italy, is always at the top of his agenda. In line with his devotion to the promotion of trade with China and Hong Kong and with the dynamism of the economic and diplomatic relations between China and the Latin America, Mr. Wong established a Latin Desk in 2006. The presence of Mr. Wong and his Latin team in the Latin American/Spanish/Italian markets has been continuously strengthened over the past 10 years, due to the valuable network they have, covering consulates, trade promotion bodies, bank, law firms, services providers, and others. In 2013, Latin Desk was officially restructured as Latin Department. At present, Latin Department serves more than 200 active clients from Latin America, Spain and Italy.
