Dear Fellow Members,

Welcome to the Rotary Year of Rotary Connects The World, we are all connected inside the Rotary Club of HK Island East family. Island East is strong in bonding, it is one of the key elements of our club.

Being the President of the club for the second year, I hope we can do more service projects together, board members and I have been exploring new projects and ideas lately. Hopefully we can have some launched very soon.

The environment of Hong Kong may not be good at the moment, our motto stays the same no matter what "Service Above Self". I hope can we can live by this motto and make Hong Kong a better place to live.

I hope you all have fun and enjoy the year of "Rotary Connects The World"

With gratitude,  
Yours in Rotary  
President Gilbert

### Rotary Club of North Point:

PDG Eric shared some history of his Rotary journey and his upcoming vision of District 3450, in particular the importance of the District's role in membership development. New members need to be guided, and growth needs to be diversified, especially towards the fairer gender and a younger member base. In light of this, he will be starting a new club Rotary Club of Hong Kong North Point. There will be 27 members to start. PDG Eric was sponsored by PP Hubert to be a HKIE member 12-13 years ago. HKIE definitely has a strong legacy which should be preserved to be a role model. RC North Point will have HKIE as her mother club. The objective is to move forward to the Service Above Self values, which will also provide growth to the members. Although today will be the last day for him to come to HKIE, he will visit in the future from time to time in the future.

## Laugh of the Week

A blonde walks into the police department looking for a job. The officer asks her some questions:

Officer: What's 2 + 2?

Blonde: Ummm...4!

Officer: What's the square root of 100?

Blonde: Ummm... 10!

Officer: Good! Now, who killed Abraham Lincoln?

Blonde: Ummm... I dunno.

Officer: Well, you can go home and think about it. Come back tomorrow.

The blonde goes home and calls up one of her friends, who asks her if she got the job

The blonde replies excitedly, "Not only did I get the job, I'm already working on a murder case!"
