### Last Meeting's Proceedings – 21<sup>st</sup> August 2019

Speaker: Peter Zia

Peter Zia is currently an asylum seeker in Hong Kong. However – life was not always this way for him. Peter studied his Undergraduate Business Degree in the United Kingdom and went back to his hometown in Kampala Uganda. Peter is a business man in the Import/Export Industry as well as the Education Industry. Peter has a school in Kampala that provides Education for over 600 children. Peter taught for 10 years and then decided to support the Opposition Party in Ugandan Politics. Peter offered his school premises as a venue for Town Hall Meetings. The current Ugandan President Yoweri Museveni has been serving as President for 37 years. Peter was persecuted for supporting the Opposition Party and escaped prison by fleeing to Hong Kong in 2017. Peter never imagined the plight of refugees and asylum seekers here in Hong Kong. At first Peter was discouraged by his glum circumstances, however now he has chosen a new perspective – that he is carrying out his mission trips: but in Hong Kong. Every single day Peter spends time with fellow asylum seekers – offering them counselling, pastoral services and friendship. Peter shared that some asylum seekers have been here in Hong Kong for 20 years with very little chance to leave – being stuck in such dire circumstances in a long period time has affected many of their sanity and mentality. Peter hopes that there are more and more people like Rotarians in this world to make the world a better place.

### Laugh of the Week

**A guy goes into a lawyer's office and asks the lawyer: "Excuse me, how much do you charge?"**

The lawyer responds: "I charge £1,000 to answer three questions."

"Bloody hell – That's a bit expensive isn't it?"

"Yes. What's your third question?"
