### Last Meeting's Speaker: District Governor Wilson Cheng

DG Wilson Cheng brought his delegation of District Officers to visit us on November 20<sup>th</sup> 2019. At first, our Board Members met with DG and his team for a 30 minute review. DG Wilson has a strong vision and strong core values to lead Rotary. DG Wilson thanked us for being a leading club in District 3450 and he asked for our club members to consider mentoring younger clubs, younger Rotarians.

DG Wilson is advocating the strengthening of clubs and retention of members. That although growing the Rotary membership base is important, quality should not be overlooked. DG Wilson has a long term focus and supports all clubs growing whilst keeping the sanctity of the Rotary spirit.

DG Wilson said that in these difficult times in Hong Kong, there are several occasions during which Rotary Clubs may have to reschedule service projects, meetings and functions. For example the Intercity Meeting that was to be held on December 3<sup>rd</sup> now has been rescheduled.

DG Wilson also thanked our member PDG YK for chairing the District Resolution Committee.

DG Wilson said that although it is absolutely important to serve society, it is crucial not to neglect club members. If a club membership base is not strong nor united, how can that club best serve society?

We thank DG Wilson for his visit and we very much appreciate DG's view on membership development.

## Laugh of the Week: One Way To Save Money

A man named Marty called his son.

“Harry I have news to tell you, I know it’s going to upset you but I have made up my mind and there is nothing you can do about it. I have decided to divorce your mother.”

“But dad how can that be?” the son asked.

“You have been married for 40 years, and you always seemed to get along? What happened suddenly?”

“Son, I have made up my mind, and I don’t want you to try to convince me out of it.”

“OK” the son responded.

“but promise me you won’t do anything until I come and talk to you in person, and I am going to ask all of the siblings to fly in also.”

“Alright” said the father hanging up “you have my word.

“Well” said Marty, turning to his wife “I got them all to come in and I didn’t even have to pay for the tickets.”
