Last Meeting: Annual General Meeting

It is this writer's greatest pleasure to report to you all that our beloved HKIE is strong on track with our leadership succession plans. At the last meeting, we elected Leo Yu to be our Club's President Elect, President 2020-2021. Here is a summary of his speech:

PE Leo thanked all members for selecting him, he acknowledges it is an honour and privilege to lead our club. At the same time, with this great honour and privilege comes great responsibility. Hence, PE Leo fully understands the responsibility that was entrusted to him.

In Leo's eyes, Rotary Club of Hong Kong Island East is wonderful club. We are a well organised club. In the upcoming year, PE Leo will run the club with the main priority of "Our Club First". If there are any functions that the District organises which would enhance the club, PE Leo will support participation. However, if there are any District activities that do not enhance the club, these such activities will not be on his priority list. His main priority is to strengthen club. PE Leo's focus will be on: membership i.e. increasing members with the combination of quality & quantity. Furthermore, PE Leo will take into account the future leadership of our club. He will ensure that all his activities are sustainable and ensure that the transition to the Rotary Year 2021-2022 will be sooth.

PE Leo thanked all his advisors: PP Tim will help with arranging a top speaker for 4 Clans and our regular luncheon meetings. PE Leo's advisors are: PP David, PP George, PP Rudy, PP Henry.

PE Leo closed his speech by acknowledging the high standards that his predecessors have set in leading HKIE. PE Leo will do his very best to maintain this high standard. PE Leo thanked all his Board of Directors and Chairs for their words of encouragement that has strengthened his resolve to serve as our Club President. As a club, together all of us will strengthen our club.

Laugh of the Week: Two of Santa's Reindeers

On a famous TV game show a blonde contestant needed only to answer one more question. One simple question stood between her and the £1.000 prize.

"To be today's champion," the show's host smiled, "name two of Santa's reindeer." The blonde gave a sigh of relief because she had been given such an easy question.

"Rudolph!" she said confidently, "and... Olive!" The studio audience started to applaud (as the little sign above their heads said to do) but the clapping quickly faded into mumbling, and the confused host replied, "Yes, we'll accept Rudolph, but could you please explain... 'Olive?!'" "You know," the woman circled her hand forward impatiently and began to sing,

"Rudolph the Red Nosed Reindeer - had a very shiny nose. And if you ever saw it, you would even sav it alowed. *Olive.* the other reindeer..."
