**Adventure Day Community Service Project with Yeung Yat Lam Memorial School**

This year our club sponsored Adventure Day Training Classes for Special Needs students in Tin Shui Wai. Adventure training activities include variations of obstacle courses, team challenges and swimming. It is through a structured simulated environment that these children have the opportunity to interact with one another and together gain valuable experiences. The Adventure training sessions help to enhance social interaction, self-esteem and personal growth.

## Out and About: Community Fun Fair December 29<sup>th</sup> 2019

On December 29th 2019, our club hosted a "Community Fun Fair for the families of Yau Tsim Mong" in collaboration with Ultimate United and CityLab. Members attending were: P Gilbert & Spouse Crystal and daughter, PP William & Spouse Fanny & Grandson, PP Norman & Spouse Isa, PP Nancy, PP Stacy & Family & Friends (Melo, Jamie, Gregory, YiLiz, Anthony, Jonah, Donna, Clyde), Dir. Kevin & Spouse Catherine & Friend Maria, Dir. Bernard, Rtn. Jason & Spouse Sharon & children Justin and Leah, Rtn. Mofiz, (27 HKIE Volunteers)

During the holiday season, it is especially important to have gatherings to boost morale, spirit of community and the spirit of giving. Ultimate United is a charity that has been serving the street kids and their families for the past 8 years. This gathering was for the Ultimate United families. There were various activities that harvested the fruits of joy, kindness, happiness and hope.

Rtn. Jason and his wife Sharon and their two children Justin and Leah came up with the idea of a photo booth. They carried their equipment to the venue: lighting, iPad, and printer. The queues for photo booth snaps were filled with happy families looking forward to having fun taking the photo as well as taking the photo souvenir home! Very often the case, a mother would ask the Chiu family, "May I have one more copy please?" to which they all would gladly reply: "Sure!"

HKIE also presented a projector to Ultimate United. This will be used during their Friday Night Kids Club. Story telling will be delivered using a projector screen now instead of a B5 Size plastic folder. Ultimate United is very grateful and wrote this to us:

Dear Rotary Club of HKIE,

Thank you so much for all your efforts to put things together for the community fun fair, and thanks for Rotary Club members for their generosity and sincere help. Please help to send our regards and gratitude to them. And thank you to your members for bringing along all their family members, they are really awesome and beautiful. So glad to have them together!!

Thank you so much for your friendship, support and love !!!

Much love and thank you,

Vijay and Kitling, Ultimate United
