Last Meeting: PDG YK – District Resolutions

Last meeting we had our very own PDG YK as a speaker. He is a speaker who needs no introduction. This year he is the Chairman of the District Resolution Committee. In present times, Rotary District 3450 is undergoing a change in District Governor Electoral process because it has to align to the recently updated Rotary International rules. As Chairman, PDG YK gave us a thorough overview of the contentious issues at hand and he reported the progress to date:

1. Progress to-date:

- Consultation sessions held in Hong Kong, Macau & Mongolia
- Consultation paper issued in November 2019
- Received many useful views both verbal and written
- Consultation outcome available very shortly
- To start resolution drafting shortly
- Planning for District Legislation Meeting (DLM)

2. Spirit behind the consultation:

- be conducted with care and diligence which takes time
- to identify a method that enables participation by all Clubs for recommendation to District
- to ensure that the nomination method works in D-3450
- RI Bylaws & Rotary Code of Policies be faithfully followed

3. Consultation Outcome:

- Club Ballot (ballot by mail) is the overwhelming choice
- Accepts that the previous method has been rendered problematic and not practicable
- Following RI Bylaws, etc. emphasized
- That we get on with the remaining resolution work quickly

Laugh of the Week: Best Interview Answer

I was at a job interview today when the manager handed me his laptop and said "I want you to try to sell this to me."
So I put it under my arm, walked out of the building, and went home.

Eventually he called me and said "Bring my laptop back here right now!"

I said "\$200 and it's yours."
