## AFRICA IS POLIO FREE!!!!

The World Health Organization (WHO) on 25 August announced that transmission of the wild poliovirus has officially been stopped in all [47 countries of its African region](#). This is a historic and vital step toward global eradication of polio, which is Rotary's top priority.

After decades of hard won gains in the region, Rotary and its partners in the [Global Polio Eradication Initiative \(GPEI\)](#) — WHO, U.S. Centers for Disease Control and Prevention, UNICEF, the Bill & Melinda Gates Foundation, and Gavi, the vaccine alliance — are proclaiming the milestone an achievement in public health. They offer it as proof that strong commitment, coordination, and perseverance can rid the world of polio.

The certification that the African region is free of wild poliovirus comes after the independent Africa Regional Certification Commission (ARCC) conducted thorough field verifications that confirmed no new cases and analyzed documentation of polio surveillance, immunization, and laboratory capacity by Cameroon, Central African Republic, Nigeria, and South Sudan. The commission had already accepted the documentation of the other 43 countries in the region.

### **Message from Community Service Director PP Stacy**

As your Community Service Director, (PP Stacy) I am writing to you to report our progress on the Colour Away COVID with Rotary Community Service Project and also to let you know how you as a HKIE Rotarian can get involved.

#### **Short Notes:**

**Summary: Support a youth art competition project that wants to provide children's mask (with a positive art message) to needy children in Hong Kong.**

Project Name: Colour Away Covid with Rotary

Funding Amount: 40,000HKD

Beneficiaries: Children's Kidney Fund, HandsonHongKong, Society of Community Organization.

Rotary Areas of Focus: Prevention and Treatment of Disease, Mother and Children's Health, Economic and Community Development (Youth)

Mask production costs are 1.85HKD per mask, @ 40,000HKD our donation supported 21,800 children masks.

#### **Detailed Project Description:**

A group of 20 High School and University Students gathered together to create an art project with the intent of unifying the community (through art) to combat covid. Colour Away Covid committee has 70 Brand Ambassadors and featured in multiple media outlets. Colour Away Covid (CAC) is a youth led movement.

Premise: A regional mask design competition - with the winning design printed on disposable masks. Art allows students to express themselves. Youth want to get involved in the COVID community crisis and PARTICIPATE in the way that they can (Art). Disposable masks will be donated to 3 charities: Children's Kidney Fund, HandsOnHongKong and SoCo @ 10,000 masks each charity. All 3 charities have requested for children masks. All 3 charities have been contacted by HKIE to confirm whether they truly do need masks. HKIE Board confirmed that these organisations indeed need children's masks.

This is a superb opportunity for HKIE to engage with passionate driven Youth who want to make a positive impact in our community. This Youth Led movement has done very well so far on its own. With the COVID-19 situation affecting our lives, these youths got together and thought how they could galvanise their community to make a positive impact during these difficult times & help others. They unified under ART. This art competition has had considerable media exposure. ESF (English Foundation Schools) have supported by offering a venue for the Award/Launch Ceremony. This Youth Led group has thoughtfully created a streamline of community outreach.

#### **Opportunities for HKIE Rotarians to Serve:**

1. Participating in the Opening Ceremony - VIP Seating and photo taking
2. Mask Distribution
3. Weekly Mentoring Sessions (Advisory) with the CAC Committee:
4. For HKIE Rotarians to help CAC with connecting to influential business professionals/companies. (e.g. connecting with potential corporate sponsors)

**Happy Hour Riddles!** - President Leo made a fun game during our club's Happy Hour Zoom Meeting that was held on August 28th 2020. DGN Norman was the winner and won a bottle of wine! Can you get them all correct as well? :)

1. What is always in front of you but can't be seen?
2. I am always hungry and will die if not fed, but whatever I touch will soon turn red. What am I?
3. I have lakes with no water, mountains with no stone and cities with no buildings. What am I?
4. Can you name three consecutive days without using the words Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, or Sunday?
5. What belongs to you, but other people use it more than you?
6. This is as light as a feather, yet no man can hold it for long. What am I?
7. I have no feet, no hands, no wings, but I climb to the sky. What am I?
8. I am full of holes but I can still hold water. What am I?
9. What is seen in the middle of March and April that can't be seen at the beginning or end of either month?
10. I have keys, but no locks and space, and no rooms. You can enter, but you can't go outside. What am I?
