**Community Service Project: Diapers and Baby Essentials for Mother’s Choice.
Reported by PP Stacy, Director of Community Service.**

Our PP William brought forward a community service opportunity to serve in the area of focus of Maternal and Child Health. He was approached by his mentee Charlene Kotwall (Mentorship arranged by the Hong Kong Government SME Mentorship Programme) with the prospect of supporting Mother’s Choice in its Diaper Drive.

Mother’s Choice is extremely short of funding this year and it is running out of money for diapers for the kids and babies. Each month Mother’s choice uses:
Diapers: Small size 796 diapers, Medium size 1,920 diapers, Large size 2,772 diapers, XL size 2,760 diapers. Training Pants: XXL 1,350 training pants.

I’m please to report to you all that our Board approved the sponsorship amount of \$5,000HKD to donate to Mother’s Choice. We ask all members if they have any connections with Diaper/Training Pant suppliers please let us know so that we can further support Mother’s Choice.
Thank you everyone.

Mother’s Choice is a local charity serving the many children without families and pregnant teenagers in Hong Kong.
We join hands with our community to give hope and change the life stories of vulnerable girls and babies. Our vision is to see every child in a loving family.

This is the first of many service opportunities our club is intending to carry out with HKCRA.

Go is an abstract strategy board game for two players in which the aim is to surround more territory than the opponent. The game was invented in China more than 2,500 years ago and is believed to be the oldest board game continuously played to the present day.

Go teaches mental skills such as patience, discipline, and open-mindedness. **Go** also encourages methods of thinking that are not easily learned in other ways. For these and other reasons it is often taught to young children to help mental development early in life.

Hence, our club supports this initiative to bring Go lessons to our Hong Kong Youth.

Vocational Service in Action

Posted on January 28, 2019

By Rotary Service and Engagement

Vocational Service is the essence of Rotary and serves as the foundation from which we serve our communities around the world. Vocational Service calls on us to empower others by using our unique skills and expertise to address community needs and help others acquire or refine skills and advance their professional opportunities.

Below are some examples of vocational service in action:

- The [Rotary Club of Hong Kong Island East](#) partnered with the School of Opportunity, a summer camp for refugee students in Hong Kong. Rotarians from the club volunteered to teach business and coding courses to 12 students three times a week for three hours each session. The goal was to show the refugee teenagers (ages 11 – 15 from Nigeria, Rwanda, Israel, India) that there is kindness in business, and that being an entrepreneur is not only about making profits but also contributing to the community. Two members of the club who had grown up in public housing, and came from low income families spoke to the students about their experiences putting their heart and efforts into creating amazing careers.

Welcome to our Members: Chris Wang and Bonnie Yeung

This serves as a formal notification that we have received two applications from Christopher Wang and Bonnie Yeung to join our Rotary Club of Hong Kong Island East. The Board approved their applications and as there were no objections from members, we fully welcome them to our HKIE family.
