**A Message from Our President Leo:**

Dear Fellow Members of HKIE,

It has been my honor and privilege to serve as your Club President of the Rotary Year 2020-2021.

We started this year under very challenging circumstances due to the COVID-19 Global Pandemic. We had to make many changes to our regular meeting schedules and to our community service plans. Although the window of opportunities to serve our community was scarce and narrow, we did the best we could within the parameters we were given. We met virtually via Zoom whenever physical meetings were not feasible. We organized fellowship and community services whenever and wherever we could.

Under current circumstances, with COVID-19, special needs arise. Our Club was quick to get involved in service projects related to these evolving needs. We also utilized new technologies to provide our community service. Our English and Maths programs, Colour Away Covid Face Masks donation, Adventure Training, Bike Learning for Autistic students and Donation of Recycled computers are some examples of that. Health, Peace and Environment are three areas of focus for our District this year. Our club carried out multiple projects in all three areas of focus.

Internationally, our club also participated in three other Global Grant Projects (Water and Sanitation) to join the efforts to fight against the pandemic. We supported Rotary International in its continued quest to eradicate polio from the face of this earth.

I am particularly proud of our members. We find problem and we smile as we overcome them. We are humble. We are happy to give of our time, talent and resources. Your generosity has changed lives. Together, we learn Rotary. We had 16 members who participated in the Online Learning Academy, 7 of which achieved Level 4.

Despite challenging circumstances, we have recruited six worthy new members in this Rotary Year. This is the result of everyone's effort in maintaining our good club culture.

My overwhelming emotion, as this Rotary Year comes to a close, is gratitude. I am overflowing with appreciation to so many including each one of you for making a contribution and joining our club. As I pass the baton to PE Bernard, PN John and VP Rico, I wish you all success in the next Rotary Year.

Thank you all for serving the community with our strongest HKIE spirit,

Yours in Rotary,

President Leo

Andrew II and we all stood and welcomed Rtn. Andrew to our HKIE Family. P Leo concluded the induction ceremony by saying that our club is a very peaceful friendly club with good people who have good hearts. This year we had 6 new Rotarians and they were attracted to us because of our HKIE spirit. He thanked everyone.
