Last Week's Meeting: Usual Club Conflicts and Mitigation

Speaker: PP WH Fok

Twenty-five years ago, when PP WH was a fresh Rotarian, he ventured into club visits. Our club was the first club he visited. A Senior HKIE Rotarian who sat next to PP WH changed his life. The Senior HKIE Rotarian wise words were, "when you start participating in community service, you'll start to know Rotary." and "You have the obligation to spread the word of Rotary."

PP WH's interpretation of the 4-way test is enlightening: he sees a 12-way test because he repeats the questions with the verbs "think, say and do". PP WH delivered a high-level overview of his thoughts of what is to be a Rotarian and the magic sauce of growing a strong club: sharing vocational knowledge in Rotary, knowledge sharing brings about the club's momentum, high ethical standard is key.

Conflicts come about when: members do not follow Rotary Principles, members are not acting on usual club practices, members not acting on what was decided and announced, there are irregularities of handling issues. Members may be confused, disappointed and even angry when things appear to be unfair.

At the heart of the various conflicts lies the misunderstanding and misapplication of Rotary and Rotary Principles. Whenever there is a disagreement, members can align back to the purpose and principles of Rotary. Conflicts often occur when members hold different interpretations of roles, rights and responsibilities from time to time.

PP WH served as President of RC Peninsula South at the same year our PP Desmond served as our President. The Rotary Theme in their year was, "Act with Consistency, Credibility and Continuity" PP WH advocates this Rotary Theme as a reference point in handling conflicts.

To survive conflicts, PP WH suggests for clubs to: observe Rotary Principles, state and adhere to clear definition of roles, rights and responsibilities, be consistent, fair and transparent when handling club matters, keep members well informed with the decision and actions and the rationale behind actions, be frank, objective and non-personal in arguments, be democratic and respect club opinion (within a framework), be tolerant and inclusive, maintain good relationships, and most importantly of all:

Remember: "Service Above Self" not "Service About Self"

Last Meeting:

Meeting called to order at 1:03 PM

P Bernard shared with us his reflection on District Conference, shared with us photos of the RAC HKCC Club Installation and he also shared with us that the JPM will be held on July 13th 2021.

PP Andy delivered the vote of thanks. In the talk, PP WH asked us, "Who is your boss in Rotary?" From PP Andy's point of view, our boss in Rotary is our community. PP Andy expressed, "When we are members of Rotary, we need to Respect, Be Humble, Be Forgiving and Be Supportive. No matter who is the leader, he has his opinion, what we need to do is support him/her to get things done for the community." We thanked PP WH in our usual Rotarian manner

Redbox: \$950 HKD.

Meeting adjourned at 2:02 p.m.

District Installation:

District Installation was held on July 10th 2021 at the Hong Kong Convention and Exhibition Centre. Outgoing DG Eric reflected on his year as DG through a thoughtful overview. The Guest of Honour was Bernard Charnwut Chan GBS, JP. His speech was open and honest. He shared his thoughts on areas in which Rotarians could serve the community, i.e. through actively listening to the youth. Actively listening to the youth creates a platform on which we can engage in civil discourse. The District Governor Installation was very touching, before the installation began, GOH Bernard walked back to share a fun fact with us that all three: (IPDG, DG and himself) were La Salle Old Boys. Representing La Salle very well! DG Keith shared his vision and his plans as DG. He also invited his daughter and wife on stage to receive flowers as a gesture to express his gratitude for their support. During the Installation of the Presidents, we all cheered when we witnessed President Bernard receiving the HKIE President Sash. The surprise of the event was when DGE Norman announced that our IPP Leo was the Open Opportunities President of the Year! We all rejoiced in gladness! Congratulations to our IPP Leo and also to Sally! They both dedicated so much of their time and most importantly their hearts to HKIE over the past 12 months. IPP Leo, we all salute you! You make us proud!
