Pres. Jonathan's address

DG Eugene, IPDG Kenneth, PDG Ada, PPs, fellow Rotarians and Guests,

Thank you and welcome to our club installation for the Rotary Year of 2013-14, it is my great privilege to take this occasion to induct our new board members, chairs and officers. On top of that, our highlight of today, we are going to induct 2 new members.

I am delighted and honored to take up the post of President for Hong Kong Island East and join hands with you in serving the Community.

This year Rotary theme is "Engage Rotary, Change lives", RI President Ron Burton unveiled the RI theme during the opening plenary session of the 2013 International Assembly in San Diego, California, USA, he said "If we really want to take Rotary service forward, then we must make sure that every single Rotarian has the same feeling about Rotary, and we need to make sure that every Rotarian has a meaningful role to play, that they're all making a contribution, and that their contribution is valued."

Club 16340

District 3450

Chartered on 06 April, 1954 by Charter President

PDG (Uncle) John Yuen

RI President Burton also emphasized that the job doesn't end when a new member joins: he said: "It's not done until that new member is engaged in Rotary, inspired by Rotary, and uses the power of Rotary service to change lives."

I tried to understand the meaning of Engage Rotary, Change lives and started to think about our esteemed members, our history of services, our fellowship, and all good memory in Rotary, then I realized that throughout the years we have engaged each other closely with our service projects and our fellowship, Rotary has changed part of our lives. In the times to come, I wish we could continue engaging Rotary together with our family and friends and make good changes to our lives and others.

One important venue of our club for this Rotary year - our 60th Anniversary that we are going to make it wonderful and unforgettable, thanks to the Organizing Committee members of the 60th Anniversary, they have proposed a good venue and our board has approved the venue last month, so we are going to put a great party together with our members, family members, friends and our sister clubs all over the world. The celebration of our 60th Anniversary will be held on the 5th April 2014 at the Harbour Grand Hong Kong, members and guests you are all welcome to join and please mark your calendar and to participate this once in a life time 60th Anniversary party.

Last but not least, without the support from all PPs and Rotarians I will not have an opportunity to become a President from a Club that holds 59 years history of success. Thanks to our club's past great leaders such as our PDG John Yuen, PDG Uncle Peter, PDG Y.K and all PPs, throughout the years they all have contributed their time, money and efforts giving our club a great 59 years of wonderful fellowship and services to the community.

Thank you for all your supports, I shall do whatever I could to contribute to our club's success, and lets us join our hands together and make a wonderful Rotary year to come. Thank you.

All guests, Rotarians, Ladies & Gentlemen Good Afternoon again!

Last Rotary year's marked another milestone in my life journey.

By the respective generous gestures, I am accorded the privilege of serving the District, the Club and the community - a privilege which I accepted with humility and gratitude as the 59th President for the Rotary Club of Hong Kong Island East and have the honor that serve under the great leadership of DG Kenneth in the Rotary year of "Peace Through Service".

I am proud to say that cumulatively, I have made our club the strongest as its inherited and still the most prominent & admirable Club in the District.

Though the whole year is tough but I have gained a lot of friendships and had many precious memories; especially those trips in Mongolia, GZ, Xian & Beijing.

It was an extraordinary year and a year that totally Made A Difference to me !!!!

Last but not the least, special thanks for those who I forgot to mention and had did a lot of works that build to the success of my year. The only words that are left for me to say is THANK YOU, THANK YOU and THANK YOU for walking with me this wonderful journey in my Presidential Year in Rotary.
