Then IPP Heman introduced the speaker, Mr. Eric Lee, Principal Assistant Secretary for Security Narcotics Division, Security Bureau and his topic is "Youth Drug Abuse"

Mr. Lee shared some proposed initiatives the government has taken up to fight against the Youth Drug Abuse problem in Hong Kong.

For the Youth Drug Abuse in HK, What are we facing?

- Variety is an issue that government needs to deal with (Heroin/Ice/Ecstasy/K2/Mephedrone/Piperazine)
- As parents /adults, how much do we know our youngsters are doing?

He also shared some important figures from Central Registry of Drug Abuse:

- For those who reported for the first time drug abuse, 26.1% are among the age of 13-20
- 18.9% of them are before the age of 12
- In 2008, from day 1 they started taking drug to being reported, it took 1.5 years to unearth a young drug abuser (average figure)
- In 2010, it took 1.8 years to unearth a young drug abuser (average figure)
- More than 13.9% of those being 1st time reported, have drug abuse for more than 2 years before they were being discovered, the longest case was 12.8 years
- 79% of the drug abuse took drugs at home or friend's home and they live with family
- 50% of them live in public housing
- 50% of them live in private housing

What the Government is trying to do:

- Mobilize and educate the community (Family is the 1st line to prevent youngster from falling into the victim of drug)
- Try to attack hidden nature of drug abuse e.g. education
- Teacher and Parent Kit
- Inviting schools to join "Healthy school program" (Means educational element + drug testing)
- Organize Parental Talk
- Attend to different organization and talk about the Youth Drug Abuse problem

Eric's talk aroused many questions and he concluded that symptoms such as tiring, slow motion, homework and the spending of the youngster could raise the red flag that one is addicted with drugs and parents should

Sales girl: The fiction department is on the other side, sir.

A man who surrenders when he's WRONG, is *HONEST*.

A man who surrenders when he's NOT SURE, is *WISE*.

A man who surrenders when he's RIGHT, is a *HUSBAND*

Man receives telegram: Wife dead - should be buried or Cremated?

Man: Don't take any chances. Burn the body and bury the ash.

Fact of life: One woman brings you into this world crying &

The other ensures you continue to do so for the rest of your Life!

Q: Why doesn't law permit a man to marry a second Woman?

A: *Because as per law you cannot be punished twice for the Same offence*

Man: I want a divorce. My wife hasn't spoken to me in six months.

Lawyer: Better think it over. Wives like that are hard to get!

The bride, upon her engagement, went to her mother & said, "I've found a man just like father!"

Mother replied, "So what do you want from me, sympathy?"
