We had PP Ko Ying visiting us from the Rotary Club of Hong Kong North West.

PP David Li introduced his friend Heman Lam who was looking for joining our Club.

If any members interested in joining these events, please ask for more information from President Paul or Secretary Andy.

Then the acting Sergeant-at-arm PP David reported a total collection of \$1,100 for the Red-box donation. As he was the only member from Team 3 shown up in the meeting, he was asked to do the fellowship on duty, sergeant-at-arm and the bulletin editor. He urged the team leader (PP Hubert or Rtn. Eric?) to properly co-ordinate the team members for the club meeting.

The highlight of the meeting was the talk by our PDG Uncle Peter Hall.

As Uncle Peter is the Foundation Chair of our Club, his topic was "the Rotary Foundation".

He first told us about the history of Rotary Foundation. The Foundation was first set up in 1917 with an initial fund of US\$26.50 only. The fund grew slowly until 1947 when our Rotary Founder Paul Harris died and memorial gifts poured in to honour his death. From that time onward, The Rotary Foundation has been achieving its noble objective of furthering "understanding and friendly relations between peoples of different nations".

The Rotary Foundation is now receiving multi-million dollars each year for education and humanitarian work around the world.

However, for every dollar we donate, we will receive 50% of the money back to our district for District Designated Fund.

In our Club, we have three major donors, namely our club founder Uncle John Yuen, PP Samuel Lam and PDG YK Cheng (for the total contribution of US\$10,000 or over). Our PP Hubert is close to be a major donor. Up to August 2006, we have 140 Paul Harris Fellows and 23 Benefactors. Our total giving accounted for US\$514,424.00 already.

By contributing US\$1,000 or more to the annual programme, you will become a Paul Harris Fellow as the recognition. Then it goes on further to be Multi Paul Harris Fellow recognition with pins with one to five simulated sapphire stones and one to three simulated ruby stones.

Uncle Peter made the appeal to members to donate to the Rotary Foundation by just raising his hand and getting a cheque of US\$1,000 ready. He would do all the following works for him.

## Jokes

George Bush has a heart attack and dies.

He goes to Hell where the Devil is waiting for him. "I'm not sure what to do here," says the Devil. "You're on my list but I have no room for you, but you definitely have to stay here, so I'll tell you what I'm going to do.

I've got 3 people here in separate rooms who weren't quite as bad as you. I'll let one of them go, but you have to take their place. I'll even let YOU decide who leaves, alright?"

George thinks that sounds pretty good, so he agrees. The Devil opens the door into the first room.

In it is John Howard floundering around in a large pool of water. He keeps sinking and resurfacing over and over and over, gasping for air. Such was his fate in Hell.

"No!" George cries. "I don't think so. I'm not a good swimmer and I don't think I could do that all day long, forever."

The Devil leads him to the next room.

In it is Tony Blair with a sledgehammer. The room is full of large rocks. All Blair does is swing that sledgehammer, time after time after time, over and over, smashing rocks and more rocks immediately appear to replace the ones he smashes.

"No!" exclaims George. "I've got this problem with my shoulder. I would be in constant agony if I had to smash up rocks all day, forever!"

The Devil opens the third door.

In it, George sees Bill Clinton pegged out naked on the floor with his arms staked over his head and his legs spreadeagled out. Bent over Clinton is Monica Lewinsky, busily doing what Monica does best. George Bush looks at this in disbelief for a while and finally says,

"Yeah, okay, I can handle this."

The Devil smiles and says gently...."Monica, you're free to go."
