Pres. Eddy opened the meeting by welcoming two visiting Rotarians. They were Pres. Tobias Doeringer (HKS) and Rtn Christophe Piganiol (Bugis Junction, Singapore). We had an unusually high turnout for this meeting of 21 members. What did we do different? We hope that it was due to the speaker of the day who is our own member Charles Bien giving us his vocational talk.

We were shocked by the sudden appearance of our long absent member this week-- Clark Lu!! Welcome back Clark. He was so good that he even brought along a friend named Geoffrey Yeung, who may be a potential member. Membership committee please take notice. Clark, please do come again next week. We really missed you.

PDG Uncle Peter presented a 2-Ruby Paul Harris medal to PP Hubert Chan. Congratulation, PP Hubert.

Pres Eddy then made two announcement concerning up coming events as follows:

Oct 26th is our club's Racing night to the Jockey club. He asked those who wish to go to signup with Hon Sec Andy and get all the information concerning this event. Please note also we will cancel our normal luncheon meeting on this Wednesday (26th of October) and will move to the evening to the race course in Happy Valley. This meeting will count towards attendance records.

For the first time, we celebrated the birthday of our new member Charles Bien who picked Rtn Jason Chiu to lead the singing of the birthday song after receiving his birthday gift from President Eddy.

Acting Sergeant-at-Arms Laurence Chan announced the harvest of the day totaling \$1,500.00

### **Golf Rules continued**

#### **Ball Lifted and Thrown into Pond in Anger.**

Q. A player played a poor shot and his ball came to rest through the green near a lake. In anger, the player lifted his ball and threw it into the lake from where it could not be retrieved. The player placed another ball on the spot from which the original ball was lifted and holed out. What is the ruling ?

A. Although Note ! to Rule 18 states "If a ball to be replaced under this Rules is not immediately recoverable, another ball may be substituted", as the player's ball became irrecoverable only due to the player's subsequent actions after his breach of Rule 18-2a, the Note is applicable. The player lost the hole in match play - Rule 15-2.

In stroke play, the player incurred a penalty of three strokes - one under Rule 18-2a for lifting his ball without authority under the Rules and two under Rule 15-2 for substituting a ball when not permitted.

Ball Dropped in Improper Manner and in Wrong Place

Q. A player obtaining relief from ground under repair dropped a ball in a manner not conforming with Rule 20-2a and in a wrong place. What is the ruling ?

A. If the player corrected the errors before playing his next stroke, there was no penalty. If the player failed to correct the errors before playing his next stroke.

(a) In match play, he lost the hole for playing from a wrong place.

(b) In stroke play he incurred a penalty of three strokes - one stroke for dropping in an improper manner and two strokes for a breach of Rule 25-1b

## Joke

Chinese walks into a bar in America late one night and he saw Steven Spielberg.

As he was a great fan! of his movies, he rushes over to him, and asks for his autograph.

Instead, Spielberg gives him a slap and says, "You Chinese people bombed our Pearl Harbour, get outta here."

The astonished Chinese man replied, "It was not the Chinese who bombed your Pearl Harbour, it was the Japanese".

"Chinese, Japanese, Taiwanese, you're all the same," replied Spielberg.

In return, the Chinese gives Spielberg a slap and says, "You sank the Titanic, my forefathers were on that ship."

Shocked, Spielberg replies, "It was the iceberg that sank the ship, not me."

The Chinese replies, "Iceberg, Spielberg, Carlsberg, you're all the same."
