Ronald's talk is titled as "**The Making of a Berkshire Hathaway Leader**".

Ronald has just launched his book "**Behind the Berkshire Hathaway curtain --- lessons from Warren Buffett's Top Business Leaders**"

The book was launched in May this year in Omaha, USA with the signature of Warren Buffett. Ronald has shared with us his experience from his initial idea to the finishing of writing this book.

Ronald has shared with us his interview experience with 8 top leaders in the Berkshire Hathaway organization. Here below are the interviewers name and their golden lines.

Standford Lipsey ,The Buffalo News

"As Hemingway said, never mistake motion for action!"

Walter Scott Jr., Berkshire Hathaway Board Director

"People think they can do anything, and then they waste so much time finding out they can't do everything..."

David Sokol, MidAmerican Energy

"Twenty years of experience can mean one year of experience twenty times!"
"An investment decision should always be based on facts and circumstances because a business is only worth so much!"

Cathy Baron-Tamraz, Business Wire

"We are builders! We have the genes of going one step at a time... We make sure we do the right think and can all sleep well at night."

Walter Scott Jr

. "Integrity is about completely honest in both good and bad times!"

Randy Watson, Justin Brands

"Success is about achieving a balanced life..."

Barry Tatelman

"Perhaps the number of people attending a person's funeral is a measurement of success!"

Don Keough, Former President of Coca-Cola

"The environment kept changing, and all I did was to swim forward!"

After the talk, Ronald offered to give 2 books to the first 2 who raised questions. PP Stephen Liu and Rtn. William Wong were the winners who had received the 2 books with the writer's signature.

PP Dr. Rudy then thanked the speaker. Rudy thanked the speaker for sharing his invaluable experience of his new publishing. PP Rudy very much agreed that Management is a team work, Ronald's passion and initiation turned him from an observer to a book writer, which successfully demonstrated his charm to the utmost. He enjoyed sharing with others which is definitely beyond money making.

The meeting was declared closed after a toast to RI coupled with RCHKIE, and group photos were taken.
