President's Message – A 90 Days Report

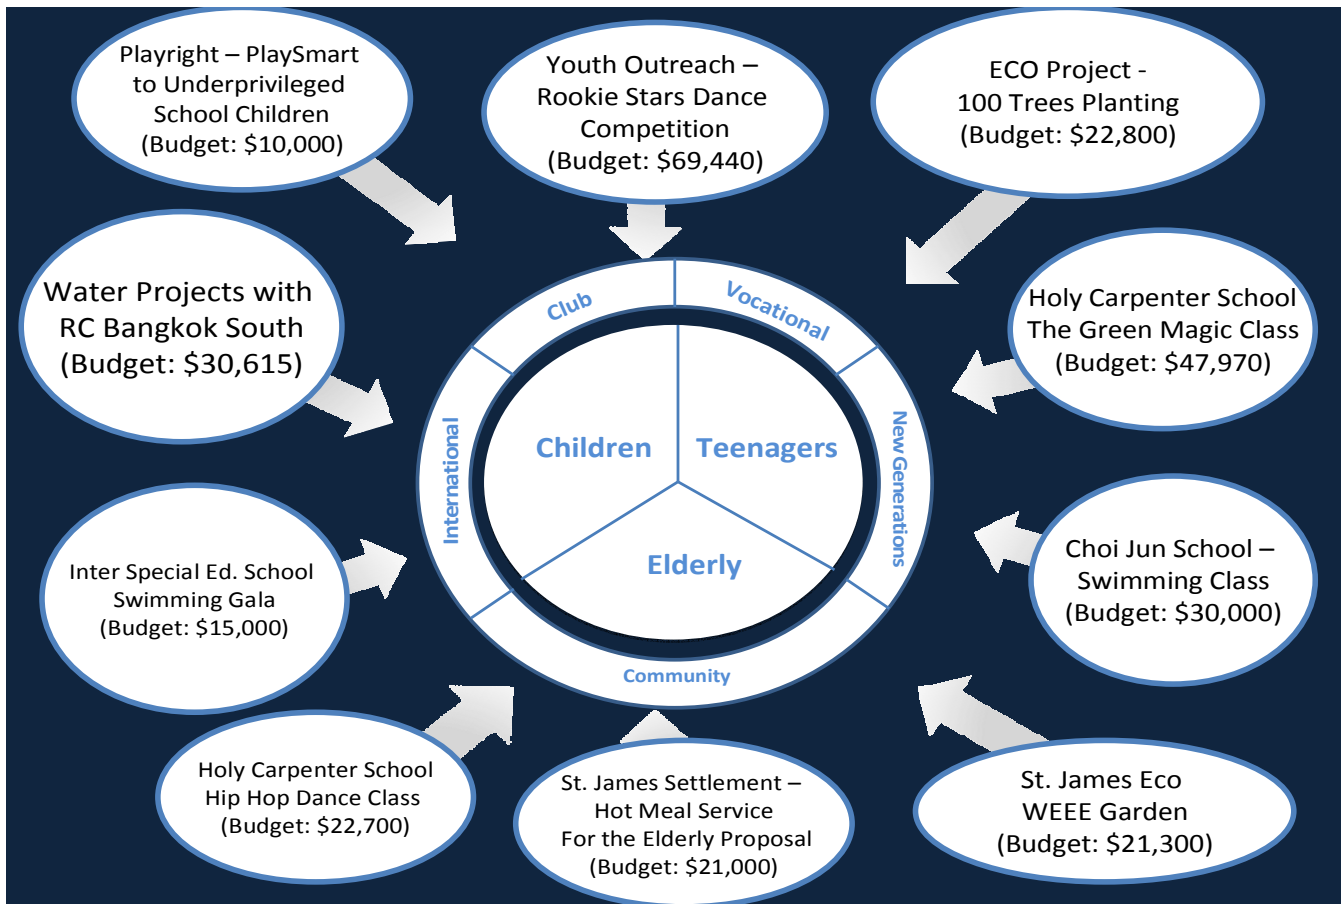

Dear Members,

Since July 1, 2011, I am honored to be the 58th President of Rotary Club of Hong Kong Island East. Following the theme of RI: "Reach Within to Embrace Humanity" and the goals: **Strengthen Club, Increase Humanitarian Service and Enhance Public Image**, I formulated a strategic plan with my dream team for our Club to achieve these goals.

To Strengthen Club, Four members were inducted in the first luncheon meeting of our Club. I would like to appeal members humbly to **Give Me Five – Five more members** in this Rotary Year.

To Increase Humanitarian Service, I have planned 18 service projects in five avenues of services. All projects encouraged member's participation and provided **an Integrated 360 Degree Service experience**.

An Integrated 360 Degree Service Experience means:

Members can access and interact with 18 service projects and in more ways than ever before – opening up new roles for members.

To Enhance Public Image, our Facebook was up online, website was redesigned and press releases were prepared to send to different media channel. During the past three months, I have visited 14 clubs including our sister club RC Penang to foster friendship and strengthen our Brand name as a prestige Club in Hong Kong.

JOKE FOR THE WEEK

Subject: The wine taster

At a wine merchant's warehouse, the regular taster died and the director started looking for a new one to hire.

A drunkard with a ragged, dirty look came to apply for the position. The director of the warehouse wondered how to send him away. They gave him a glass to drink.

He tried it and said, "It's a Muscat, three years old, grown on a north slope, matured in large old barrels. Low grade but acceptable." "That's correct", said the boss.

Another glass

"It's a cabernet, eight years old, a south-western slope, new oak barrels, matured at 8 degrees. Requires three more years for finest results".

"Correct."

A third glass...

"It's a non-vintage pinot champagne, high grade and exclusive" calmly said the drunk.

The director was astonished. He winked at his secretary to suggest something. She left the room and came back in with a glass of urine.

The alcoholic tried it.

"It's a blonde, 26 years old, three months pregnant and if you don't give me the job, I'll name the father."
