Last Week's Proceedings – 6th November, 2013

As President Jonathan Lamport was not in town, Acting President Immediate Past President (IPP) Nancy Yee began the meeting on time by warmly welcomed our members, guests as well as our speaker, Assistant Governor (AG) Andy Li of Rotary Club of Kwai Chung, to our regular meeting. She invited Past President (PP) Hubert Chan to introduce his guest - his brother in law, Dr. Raymond Chu; Dr. Chu also handed in his membership application.

As there was no birthday boy present other than our speaker AG Andy, we celebrated his birthday on spot. AG Heman Lam was invited as song leader, and we all sang elatedly. Acting President Nancy presented the birthday gift to our birthday boy and the cake was then cut and later served.

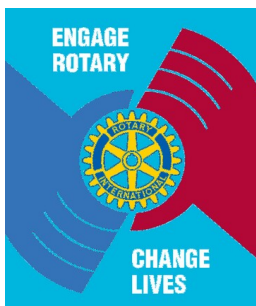

Acting Sergeant-At-Arm William Wong report the red box collection as HK\$2,200.- with handsome contribution from our birthday boy and speaker, AG Andy. SAA William then thanked everyone who have made the contributions for their generosity.

Acting President Nancy made her announcements as follows:

After a short break for enjoying our lunch, AG Heman then proceeded to the rostrum and introduced AG Andy Li who is the Assistant Governor of Area 6, he was in the same year as President of Rotary Club of Kwai Chung as AG Heman. Andy has 15 Year experiences in Security System Industry; his company, Powerful Industrial Ltd, was established in 1993 with over 600 staff and total of 19 branches & 35 services centers in China, HK & Macau. His company being the security system provider, delivers world-class technologies & integrated solutions to clients; they are the sole distributor of Samsung Security in PRC, HK & Macau since 2000, Samsung Large Format Display (LFD) as well as other world leading Security System, such as Samsung, Genetec, Digifort & Avigilon, CEM, Software House...etc. AG Andy is also a member of HK Security Association, ASIS, New Territories General Chamber of Commerce and Federation of Hong Kong Industries.

AG Andy began his talk by alerting us on the rising number of crimes and terrorist activities worldwide have alerted governments and people to safety. Along with the technological advancement, closed-circuit television (CCTV) develops rapidly and is widely used in different areas. Therefore, countries have invested a huge amount of money into CCTV for preventing and solving criminal cases. We can see CCTV is undoubtedly important nowadays.

With his knowledgeable experience and live demonstration of latest technologies, such as close up camera from mountain top, face and movement recognition, heat tracking surveillance camera commonly used in the security area of borders between countries, infra-red surveillance camera which see through smoke and fog, etc. We all have had a good time with him and understand more on this industry. Video surveillance is playing a very important role in today's world indeed

Acting President Nancy presented a gift to AG Andy as token of our appreciation.

PP Norman Lee then proceeded to thank our speaker by quoting a couple of examples on how surveillance camera worked in our daily life.

Acting President IPP Nancy reminded us that next week meeting will be moved to Monday 11th Nov , the Second Area 3 Join Meeting at 7pm Regal HK Hotel, Causeway Bay, she then closed the meeting by ringing the bell, she then proposed a toast to RI coupled with Rotary Clubs of Kwai Chung and Hong Kong Island East. Meeting was adjourned timely and all participants were invited to a group photo and fellowship afterwards.

Rotary Potpourri

Dream Café 夢想咖啡店

The joint service project, Dream Café, with Rotary International District 3450 and Yang Memorial Methodist Social Service - Homantin Integrated Centre for Youth Development Youths in Transition Scheme started on Oct 19, 2013. Project in-charge service director William, his wife Fanny, Service Chair Kevin and his wife Catherine attended the opening.

This is a District Poverty Alleviation Project; it mainly targets for youth who are in transition years and aims to help our youth to develop along one of the M.O.R.E. dimensions (i.e. Motivation, Options, Rapport, Esteem). The fund is 50% coming from the District which was raised through the "Rotary 10K Race" in November 2012 and another 50% is sponsored by our Rotarian Jason Chiu. Thank you for Jason's generosity and supports on this project.

There are three big dates of this service project:

Dec 7, 2013 – Give Birthday Party to the children from low income families.

Dec 15 and 22, 2013 – Christmas Service Day to give students a practice and let them learn how to give service to the community. Members, please pencil the above dates and come to support the project and the students.

Our Club's 186 Members and Youth Help to Break a Guinness World Record

LAUGH FOR THE WEEK

Subject: Brilliant Beijing Hotel Brochure

Brilliant Beijing Hotel Brochure - Translated as only they can.

A friend went to Beijing recently and was given this brochure by the hotel. It is precious. She is keeping it and reading it whenever she feels depressed. Obviously, it has been translated directly, word for word from Mandarin to English.

Getting There:

Our representative will make you wait at the airport. The bus to the hotel runs along the lake shore. Soon you will feel pleasure in passing water. You will know that you are getting near the hotel, because you will go round the bend. The manager will await you in the entrance hall. He always tries to have intercourse with all new guests.

The Hotel:

This is a family hotel, so children are very welcome. We of course are always pleased to accept adultery. Highly skilled nurses are available in the evenings to put down your children. Guests are invited to conjugate in the bar and expose themselves to others. But please note that ladies are not allowed to have babies in the bar. We organize social games, so no guest is ever left alone to play with them self.

The Restaurant:

Our menus have been carefully chosen to be ordinary and unexciting. At dinner, our quartet will circulate from table to table, and fiddle with you.

Your Room:

Every room has excellent facilities for your private parts. In winter, every room is on heat. Each room has a balcony offering views of outstanding obscenity! .. You will not be disturbed by traffic noise, since the road between the hotel and the lake is used only by pederasts.

Bed

Your bed has been made in accordance with local tradition. If you have any other ideas please ring for the chambermaid. Please take advantage of her. She will be very pleased to squash your shirts, blouses and underwear. If asked, she will also squeeze your trousers.

Above All:

When you leave us at the end of your holiday, you will have no hope. You will struggle to forget it.
