# LAUGH FOR THE WEEK

## Breaking the silence

Brother John entered the 'Monastery of Silence' and the Chief Priest said, "Brother, this is a silent monastery, you are welcome here as long as you like, but you may not speak until I direct you to do so." Brother John lived in the monastery for a full year before the Chief Priest said to him: "Brother John, you have been here a year now, you may speak two words." Brother John said, "Hard Bed." "I'm sorry to hear that" the Chief Priest said. "We will get you a better bed." The next year, Brother John was called by the Chief Priest. "You may say another two words Brother John." "Cold Food." said Brother John, and the Chief Priest assured him that the food would be better in the future. On his third anniversary at the monastery, the Chief Priest again called Brother John into his office. "Two words you may say today." "I Quit." said Brother John. "It is probably best." said the Chief Priest. "All you have done since you got here was complain."

## Golf

Two men are talking to each other and one says to the other:  
 "My doctor says I can't play golf."  
 The 2nd man responds with "Did he examine you?"  
 The 1st man replies: "No he played with me."

Dear Regal Presidents,

It is the greatest honour of our District 3450 to have our Rotary International President Richard D. King visiting Hong Kong between 2 December 2001 and 4 December 2001.

To welcome our President I have invited the 8 clubs of Area 6 to be the host clubs to organise an Intensity Meeting to be held on the evening of Monday, 3 December 2001 at the Inter-Continental Hotel.

It is indeed the best time for all of us to meet with President Richard King in person and to learn from him the recent developments as well as the future plans of Rotary world-wide. It is also the best time for our District to report to President Richard King what achievements our District has made so far, especially in the membership development programme and the contribution to the Rotary Foundation, etc.

The programme for the evening shall include a pre-meeting cocktail reception, photo time with President Richard King, key-note speech by President Richard King, new members induction as well as dinner and entertainment. A preliminary programme is enclosed for your information.

All Regal Presidents as well as club officers, members and spouses should attend this important and memorable meeting and to share with President Richard King his unique, challenging and successful experience as a Rotary Leader.

Taking this opportunity, I would also urge club presidents and district officers to welcome our leader at the airport upon President's arrival on 2 December 2001. I will let you know the exact time when it is available.

Please wear this year's uniform and encourage your members to participate in this important district function to show **MANKIND IS OUR BUSINESS**.

Yours in Rotary,

Johnson Chu  
District Governor 2001-2002
