## Joke & Cartoon

A car full of ladies from a Hadassah fund raising committee are in a terrible accident. They arrive at the Pearly Gates where Saint Peter is waiting.

The women want to get into Heaven, so Saint Peter looks through the book, but can't find them listed in the New Arrivals section.

"I'm sorry," Saint Peter says to them, "but I can't find you in the book, there must be some mistake."

With that, he sends them down to Hell. A couple of days later, God asks Saint Peter, "What happened to those Jewish ladies who were supposed to be here?"

"You mean the ones from Hadassah?" Saint Peter asks. "I didn't see them listed, so I sent them to Hell."

"You WHAT?" God asks outraged, "I wanted them here. If you want to keep your job, you better call Satan and get them back up here ASAP."

St. Peter gets on the phone and calls Hell. "Satan you know those Jewish ladies I sent down there? Well, I really need them up here. Could you please send them back?"

"NO WAY," Satan replies. "They're here only two days and they've already raised \$100,000 for an air conditioning system!"
