Last week's Proceedings -

8th December, 2010

Pres. Heman started the meeting at 1.00 PM to welcome all participated members to the luncheon meeting.

Today our guest speaker is Rtn William Leung, his talk was a vocational talk and the topic was "Dermatoglyphics Counseling".

Pres Heman welcomed back PP David Li, Rtn Colin Chau, Rtn Kenny Chan, Rtn Teresa Ho and Rtn Andrew Shek.

Today we have two birthday boys; they are PP Hubert Chan and Rtn Colin Chau. Before Pres. Heman announced the Rotary activities, he invited them to the stage and presented birthday gift. PE Eric Chin and PP Rudy Law were chosen to lead the birthday song and all other fellow Rotarians happily sang the birthday song together.

Pres. Heman then made his announcements.

1. Due to the lack of Zhong Shan Hot Spring Golf Club Gold Card Member to accommodate 3 flights of golfing members, date of PP George golf day will now change back to 17th December Friday. The side trip to Zhong Shan Dr. Sun Yat-sen former residence is still opened for non-golf members and families, but transportation would depend on the number of participants. Deadline for registration is 10th December Friday.

2. RC Shanghai is leading a project to publish a coffee table book in English and simplified Chinese on "The History of Rotary in Greater China". The launch is expected to be in May 2011. The book will draw on various archival material and photographs and outline the development of the Rotary's activities since the first club in Shanghai was chartered in 1919 to its status today with its many clubs in mainland China, Macau, Hong Kong, Mongolia and Taiwan. The proposed list price of the book is US\$36.00 and US\$26.50 to Rotarians. Any members who are interested pleased inform HS Jonathan.

3. We so far have received one interested party to enroll to RYLA, and urged that members' children and student leaders to apply. The deadline for the application is 23rd December 2010 Thursday. It is a four-days camp with the theme of "Build the Future, Bridge the Cultures", the camp will be held on 10th - 13th February 2011 at Breakthrough Youth Village.

4. Rotary and JCI HK Joint Dinner will be held on 15th December at Regal HK Hotel. It is one of the gatherings to source our future members. Anyone interested please register with HS Jonathan.

5. Club Assembly will be hosted by PE Eric on 15th December.

6. Our Christmas Party will be hosted by PN Nancy on 22nd December, and Pres. Heman extended his invitation to all members to bring along their spouse and children to celebrate this family gathering of the club.

Acting SAA PP Rudy reported the total collection was HK\$1,600.00 with special contributions from birthday boy Rtn Colin Chau.

Subject: SENIORS TRAVEL

A travel agent looked up from his desk to see an old lady and an old gentleman peering in the shop window at the posters showing the glamorous destinations around the world.

The agent had had a good week and the dejected couple looking in the window gave him a rare feeling of generosity.

He called them into his shop: 'I know that on a pension you could never hope to have a holiday, so I am sending you off to a fabulous resort at my expense, and I won't take no for an answer.'

He took them inside and asked his secretary to write two flight tickets and book a room in a five star hotel.

They, as can be expected, gladly accepted, and were off!

About a month later the little old lady came in to his shop.

'And how did you like your holiday?' he asked eagerly.

'The flight was exciting and the room was lovely,' she said. 'I've come to thank you but, one thing puzzled me. Who was that old guy I had to share the room with?'
