PP Tim went on to congratulate RCHKIE members for their kind support to CDS (PP) Eric Chin as follows:

- RCHKIE being a premier club in the District 3450 and we have produced three PDGs so far (*Late PDG Uncle John Yuen, PDG Uncle Peter Hall, PDG YK Cheng*), who are all well liked by the fellow members, and do a wonderful job for the Rotary movement.
- It is long overdue for RCHKIE to have a member running for the DG post.
- PP Eric has demonstrated his ability, commitment & passion during his Presidential year.
- PP Eric has worked at the District level as well and we fully support his quest to become DG of 2016-2017 (if elected).
- All PPs and members in the club would wish him well in this venture.

Then many members contributed the lucky draw items, and we had a name picking by PP John Kwok for various prizes. The X'mas grand prize went to PP Andy Wong.

PP John Luk led the members to sing the Christmas carol. We found the VCD of X'mas carols from PP John's collection to be nostalgic and of significant vintage. Members sang joyfully with a festive mood, wishing us a Merry X'mas and Happy New Year.

The X'mas luncheon was adjourned on time and Pres. Jonathan to make a toast to Rotary International coupled with Hong Kong Island East. We had no luncheon on X'mas day (next Wednesday) and New Year day (Wednesday after next) and we would meet again on Wednesday January 8, 2014. The members and guests were invited to stay for a group photograph.

  
LAUGH FOR THE WEEK

**Subject: GPS poem...**

I have a little GPS  
I've had it all my life  
It's better than the normal ones  
My GPS is my wife

It gives me full instructions  
Especially how to drive  
"It's sixty k's an hour", it says  
"You're doing sixty five"

It tells me when to stop and start  
And when to use the brake  
And tells me that it's never ever  
Safe to overtake

It tells me when a light is red  
And when it goes to green  
It seems to know instinctively  
Just when to intervene

It lists the vehicles just in front  
And all those to the rear  
And taking this into account  
It specifies my gear.

I'm sure no other driver  
 Has so helpful a device  
 For when we leave and lock the car  
 It still gives its advice.

It fills me up with counselling  
 Each journey's pretty fraught  
 So why don't I exchange it  
 And get a quieter sort?

Ah well, you see, it cleans the house,  
 Makes sure I'm properly fed,  
 It washes all my shirts and things  
 And - lets me have a shed.

Despite all these advantages  
 And my tendency to scoff,  
 I do wish that once in a while  
 I could turn the damned thing off.
