香港東區扶輪社週報 THE ROTARY CLUB OF HONG KONG ISLAND EAST

PRES. PAUL
&
THE BOARD OF DIRECTORS
WISH YOU A
HAPPY NEW YEAR!!

Last week's Proceedings -

20th December, 2006

Pres. Paul opened the meeting with Christmas greetings. To be sure he also extended a Happy New Years greeting for safety sake in case some of our members doesn't show up next Wednesday. Don't worry President, at least most of us will show up to support you.

Then Pres. Paul asked PP Rudy to introduce his guests. PP Rudy introduced his two Mentees They are Toby and Tin Fung who are students at Shue Yen college soon to be upgraded to University. We welcome them both.

Next Pres. Paul made some announcements:

Co-ordinator : CP Tang Kam Tim (Tel : 92308030, 22197333)

Next SAA PP Rudy reported a handsome collection totaling \$1,700 from many of our members.

Then Pres. Paul invited PE Laurence to give his talk on his new job. He started by saying he has been in IT field for over 30 years, the first 22 years was in Telecom and about 12 years in banking. Now he has changed again to Manufacturing. How can he make such changes? He believes that because they are all management job which makes it easy for him to change. But however it is a drastic change because of the differences in management styles between Hong Kong and China. The opportunity came when he was offered a three months contract to manage the factory in Dong Guong and office in Hong Kong.

This factory manufactures home safety devices such as smoke, fire, gas or carbon monoxide detectors. In the past no one paid much attention to such a small manufacturing business of 20 workers in 1980's. But recent changes in safety standards the world over in many European countries that have made it compulsory to install such safety devices in offices and homes. This on top of the factory's ISO 9001 standards plus 11 world certifications guarantees a good product. New regulations in France recently requires one smoke detector per 500 square feet of area. For an average premise of 1000 square feet would require at least two or more such devices depending on how extensive a protection you require. Right now they have two factories with over 1,200 workers with the monthly production of 1 million units. The factory output are distributed 70% to Europe, 9% to USA and Asia, and 20% to Australia and New Zealand. Right now the factory is in two manual assembly lines but he foresees that the next trend will be automation. This he believes is why he was hired.

Finally, to summarize he believes that you need two things, commitment and competence. How can you make these 1000 people to work together. That is the challenge of his job.

He concluded his talk by answering many interesting questions. He promised to arrange a factory visit in the very near future.

Pres. Paul thanked PE Laurence for a very interesting talk. He then closed the meeting with a toast to RI coupled with the Rotary Club of Hong Kong Island East.

Rotary Information

Rotary Family Month

Rotary Family Month marks the end of this calendar year in which we observe for our family including Interactors, Rotaractors, Group Study Exchange students and our sister clubs. Just a recap of the months designated by Rotary International as follows:

January	Rotary Awareness Month
February	World Understanding Month
March	Literacy Month
April	Magazine Month
June	Rotary Fellowship Month
August	Membership Extension Month
September	New Generations Month
October	Vocational Service Month
November	Rotary Foundation Month
December	Rotary Family Month

It does not mean that Rotarians do nothing except during the designated months. It only reminds us to specially observe the month in question what we haven't initiated or completed. Rotary ideal should always be in our mind and try to enhance the image of Rotary and set a good example as well. We should be proud to wear our Rotary pin everyday.

RI Directorship

While RI Zone 4-B is having its election of RI director for 2008-2010 from the following districts, viz., 3450, 3460, 3470, 3480, 3490, 3500, 3510 and 3520 which is to be held in January 2007, the RI board released the news of a RI director, Mr. Milton O. Jones resigning from the board due to health reasons, with effect from 15th October 2006.

The newly named RI director, Barry Rassin is replacing Mr. Milton Jones according to the RI Board decision.

Rassin, CEO and chair of Doctors Hospital Health System in the Bahamas, has been a Rotarian since 1980. He has served RI as a district governor, district trainer, committee chair, RI president's representative, training leader and zone coordinator. Rassin also has been a representative to the Council on Legislation and an International Assembly Leaders' Seminar trainer. He is a recipient of the RI Service Above Self Award and is a Major Donor and Benefactor of The Rotary Foundation.

Rassin is a fellow of the American College of Healthcare Executives, director and past chair of Project Read Bahamas, director and past chair of the Bahamas Quality Council, and honorary president of the Star of the Bahamas Charity Guide.

Jokes

A beautiful young woman, on an international flight, asked the priest beside her, "Father, may I ask a favour?"

"Of course you may. What can I do for you?"

"Well, I bought this expensive electronic hair dryer that is well over the Customs limits and I'm afraid that they'll confiscate it from me. Is there anyway that you could carry it through Customs for me? Under your robes perhaps?"

"I would love to help you, dear, but I must warn you I will not lie."

"With your honest face, Father, no one will question you."

When they got to Customs, the young lady let the priest go ahead of her. The Customs Officer asked, "Father, do you have anything to declare?"

"From the top of my head down to my waist, I have nothing to declare."

The Officer thought this answer strange, so he asked, "And what do you have to declare from your waist to the floor?"

"I have a marvelous little instrument designed to be used on a woman, but which is, to date, unused."

Roaring with laughter, the Officer said, "God bless you, Father, go ahead."

Photographs of our meeting

on

20th December, 2006

Our guest speaker today was our own PE Laurence who spoke to us on his new career running a factory in Don Guang making fire and smoke detector alarms.

(L to R) PDG Uncle Peter, PE Laurence, Hon Sec. Andy, Pres. Paul all decked out with their Santa's helpers cap.

(L to R) Hon Sec Andy, Rtn Herman Lam, Dir Jason.

Auctioneer Kishu raising some cash from auctioning a bottle of something?

(L to R) PP's Tim, Rtn Charles, PP's John IV, Stephen, Hubert, George and Rtn Kenny.

(L to R) Rtn. Eric, PP Eddy, Rtn. Dr. Tony and the two mentees of PP Rudy.

The group photo of our meeting with all of Santa's helpers, with PDG Uncle Peter, our guest speaker and Pres. Paul on the 20th December, 2006.
