roaring 'reindeer' Harley Davidsons (sponsored by the Harley Davidson Club) paving the way ahead of a school of Little Angels, Dr. Dogs of Animal Asia Foundation, the Bicycle Team, Three Santas and Santas helpers.

Once at the main entrance playground, the Santas distributed gifts and holiday cheer. The children in the courtyard were extremely happy to receive gifts from Santa, and get their checkups from Dr. Dogs. The toys included Santa hats, so children opened their gift bags and wore their hats. The three Santas, Pres. Eric and Santa helpers sang Christmas Carols (We wish you a Merry Christmas, Jingle Bells) too!

The Party started soon afterwards, the organizers did a great job with entertaining the children with magicians and a game of Bingo. Volunteers stood by the children to help them play Bingo! The Bingo prizes were spectacular prizes, like Disney Princess' Paper Dolls, and large puzzles. Almost every player won, and children eagerly went to claim their prizes. Then HKIE rotaractors performed singing of George Benson's "Nothing's Gonna Change my Love for You." At the end of the event, the Three Santas and Santa Helpers distributed the 150 presents (mugs, chocolates, stuff animals) which were sponsored by RC HKIE to the children.

When all the children returned to their wards, a debriefing was conducted by President Eric to all the RAC. The purpose of the briefing was to summary the day's events and brainstorm on points for improvement for the event in 2012. Much feedback and many ideas were exchanged, hence laid seeds for making next year another fantastic event.

Reflection from Membership Chair William Wong (Santa Claus) at the Christmas Party of Duchess of Kent Children Hospital on 25TH December 2011.

I was very proud as one of the three Santa Clause this year in the Christmas Party of Duchess of Kent Children Hospital. PP George Leung and Rotaractor Stacy Ho (daughter of our late Rotarian Lawrence Ho) were the other two.

I supported by my wife Fanny and younger son Roy Wong, we arrived the hospital at 8.45 AM to make preparation and dress up the Santa. The party started at 10.00 AM sharp, we led by Harley Davidson Motor Bicycle team and walked with a group of young angels from the hill to the entry of the hospital. There was many children sit on the wheel chair and lot of press and media with cameras waiting the Santa coming. I walked fast and closed to the children, shake hands and greeted them with Merry Christmas one by one from left to right, front to back and gave the gifts to the children. I was so happy to see the smiling face from these children who stayed in the hospital in the Christmas days.

The event attracted and reported by many press and media as usual. I was interviewed by Asia TV, I-cable TV and Hong Kong Commercial Daily Newspaper, I expressed our happiness to be a volunteer Santa and could bring the happiness to the children, all these interviews reported in the same evening news program and the newspaper next day. PP George also was interviewed by other TV media and newspapers and Stacy was interviewed by the press as well.

To make this event success, I would like to thank our club leader Pres. Eric and all the supports from IPP Heman, PP Norman, PP George, PP Rudy, Rotarians Kishu, Dir. Kevin and their family members, also thank Melo (wife of our late Rotarian Lawrence Ho), the Rotaractors, Pres Eric's PolyU Msc Students and Students of Holy Carpenter School led by vice principal Joseph Tse.

Reflections from RAC Myra Sam

After the event, I was hesitated to make a response because I'm profoundly touched by the event and speechless. The smile on the patient's face and the positive mental attitude made me quite moved. I thought I would feel pity for that, however, when I contacted them I was surprised by the spirit they delivered. Surely they suffered the pain but they faced it differently. So I felt in my heart, I should cherish what I already have and no matter what happens I will follow my heart and try to act like what they expressed, unwavering, unhurried, and unhesitant.

Public Image: A Rewarding Media Coverage

The media coverage was very extensive and successful (as shown below), the event received media exposure in over 18 media reports including 5 TV News broadcast segments (TVB Jade and Pearl, ATV, I Cable and Now TV), radio, internet news, newspapers. Thanks to President Eric, RAC President Angus, RAC Henry and RAC Felix for inviting media to interview our Santa Claus members and Pres. Eric. The name of Rotary Club of Hong Kong Island East was also mentioned in 4 media reports. In addition, the name of Rotary was mentioned in the Pearl TV news report. In addition, our Santa Claus members and their photos were prominently reported in many media.

LAUGH FOR THE WEEK

Subject: Jumping on the bed !!!

A fifty-ish woman was at home happily jumping on her bed and squealing with delight.

Her husband watches her for a while and asks, "Do you have any idea how ridiculous you look? What's the matter with you?"

The woman continues to bounce on the bed and says, "I don't care, I just came from having a mammogram and the doctor says I have the breasts of an 18 year-old".

The husband said, "What did he say about your 66 year old ass?"

"Your name never came up," she replied.
