3. The regular Lunch Meeting on 17<sup>th</sup> January 2007 will move to 18<sup>th</sup> January 2007 as dinner meeting at Area 3 DG Visit on 18<sup>th</sup> January 2007 (Thursday) will be held at Football Club.

The Sergeant-At-Arms PDG Uncle Peter reported a collection of \$1,200.

Then he proceeded to the next item which is the induction of a new member. He called the acting SAA Herman Lam to escort the proposer PP Li and his candidate Mr. Heman Lam to come to the rostrum. PP Li introduce Heman as the 2003 president of the East Kowloon Junior Chamber (JCIHK), and is the presidential advisor for 2007 president of the same chapter. He is no stranger to serving the community. He will certainly be a welcomed member of our club.

Pres. Paul then proceeded to induct Heman, by reading him the Four way Test and gave him his portfolio of information about Rotary. His classification will be Financial Services- Planning. His club name will be "Heman". All members welcomed him into our club.

Rtn Heman then thanked everyone for welcoming him to Rotary and he said he will do his best to be a good Rotarian.

Pres. Paul then invited Ms Pinky Lam from World Vision to present her talk. Pinky showed us a very interesting video about the project in China to provide clean drinking water to the people in TongChuan city, North China. Because the area is very dry and with no regular rainfall, therefore they must depend on well water for their needs. However, each well cost around US\$1,000 each so our club will provide them with funds in conjunction with other Rotary club to make the wells. This was a project started by PP Hubert Chan at his expense two years ago. Our club will continue to support this project. As a matter of fact, we are not boring wells. No matter how deep we are boring, there would be no water available due to the dryness of the land. In fact we are making "water cellars" to store water from rain and water catchments from the surrounding area. Water is precious in that part of China. We should save water whenever possible.

Pres. Paul then thanked Pinky for such a interesting talk. He then closed the meeting with a toast to RI coupled with the Rotary Club of Hong Kong Island East.

## Jokes

### Eat Rye Bread

Two old guys, one 80 and one 87, were sitting on their usual park bench one morning.

The 87 year old had just finished his morning jog and wasn't even short of breath.

The 80 year old was amazed at his friend's stamina and asked him what he did to have so much energy.

The 87 year old said "Well, I eat rye bread every day. It keeps your energy level high and you'll have great stamina with the ladies."

So, on the way home, the 80 year old stops at the bakery. As he was looking around, the lady asked if he needed any help. He said, "Do you have any rye bread?"

She said, "Yes, there's a whole shelf of it. Would you like some?"

He said, "I want 5 loaves.

She said, "My goodness, 5 loaves...by the time you get to the 5<sup>th</sup> loaf, it'll be hard"

He replied, "I can't believe it, everybody in the world knows about this shit but me."
