Pres. Nominee Nancy proceeded to the podium to introduce our guest speaker Dr. Peter Pang. His bio is as follows:

Dr. Peter Pang Chi-Wang, graduated from the Chinese University of Hong Kong obtaining the MBChB degree in 1994. He worked and was trained in the Prince of Wales Hospital, became the Fellow of Royal College of Surgeons (Edinburgh) in 1998, Fellow of Hong Kong Academy of Medicine (Surgery), specialist in plastic surgery in 2002.

He spent one year working in the Canniesburn Hospital in Glasgow, a centre for head and neck cancer plastic surgery in United Kingdom. He has 29 paper publications and one book chapter. He also has numerous experiences in presenting in international and local meetings, chairing meetings and as an examiner for the undergraduate medical examinations. He is a volunteer surgeon for the charity organization "Operation Smile" for more than 10 years and is now a board member of the Hong Kong Chapter, and he was the president of the Rotary Club of New Territories (2008-09), DDS for Area 6 this year and DS for year 2011-12

Dr Peter Pang delivered his talk on "aesthetic plastic surgery". He explained the frequent request for looking younger and more beautiful in his daily encounter. The definition for beauty changes across time and places and there is not absolute definition for beauty. He exemplified the most frequent requests from men in plastic surgery, i.e. Correction of eye bags and restoration of hairs. Correction for eye bags needs surgical intervention and possibly concomitant treatment of peri-orbital pigment and tear trough for best result. Restoration of hairs can be resorted to topical and oral medication. In selected cases, minimally invasive hair transplantation would be a way to re-create natural looking hair style. Lastly he explained breast augmentation surgery with 5th generation breast implants. The talk combined facts and fun, with lots of interesting photos and videos. Members were excited and had a good laugh with the encounter of those sample models.

Rtn. John Yao was invited to officially thanked Dr. Peter Pang for a very interesting talk and he was about to ask how to determine genuine from artifacts when Pres. Heman suggested to make the inquiry after the meeting. Pres. Heman then presented Dr. Peter Pang with our token of appreciation for his talk.

Pres. Heman reminded us that for our next week luncheon, DG Jason Chan would visit us and there will be other Rotary Clubs of Area 3 coming to our luncheon meeting. He invited all to participate and extend our hospitality to other visiting Presidents and Rotarians. The meeting was then adjourned at 2.05pm with a toast to RI coupled with the Rotary Clubs of New Territories and Hong Kong Island East. We all stayed behind to take a group photo before we left.

Subject: THE MAN WHO GAVE UP SEX FOR GOLF.....

A golfer is in a competitive match with a friend, who is ahead by a couple of strokes. "Boy, I'd give anything to sink this putt," the golfer mumbles to himself.

Just then, a stranger walks up beside him and whispers, "Would you be willing to give up one-fourth of your sex life?"

Thinking the man is crazy and his answer will be meaningless, the golfer also feels that maybe this is a good omen so he says, "Sure," and sinks the putt.

Two holes later, he mumbles to himself again, "Gee, I sure would like to get an eagle on this one."

The same stranger is at his side again and whispers, "Would it be worth giving up another fourth of your sex life?"

Shrugging, the golfer replies, "Okay." And he makes an eagle.

On the final hole, the golfer needs another eagle to win. Without waiting for him to say anything, the stranger quickly moves to his side and says, "Would winning this match be worth giving up the rest of your sex life?"

"Definitely," the golfer replies, and he makes the eagle.

As the golfer is walking to the club house, the stranger walks alongside him and says, "I haven't really been fair with you because you don't know who I am. I'm the Devil, and from this day forward you will have no sex life."

"Nice to meet you," the golfer replies, "I'm Father O'Malley."
