In addition to providing quality medical services to cancer patients, they also organize various activities to raise awareness of cancer, conduct cancer educations, support cancer research, establish guidelines for cancer detection and prevention, and provide direct financial support for cancer patients in needs. Their dedicated volunteers also conduct regular visits and organize recreational activities for cancer patients with love and care.

Its Mission is to operate JCCRC as a caring "Home Away From Home" providing a wide range of services required by cancer sufferers at different stages of their illnesses; with special emphasis on integrated Western & Chinese medicine, quality nursing care, family support & rehabilitation.

The JCCRC provided a holistic rehabilitation program covering physical aspect, psychological aspect, social aspect and spiritual aspect. Subject: Husband Down

A husband and wife are shopping in their local Wal-Mart. The husband picks up a case of Budweiser and puts it in their cart.

"What do you think you're doing?" asks the wife.

"They're on sale, only \$10 for 24 cans," he replies.

"Put them back, we can't afford them," demands the wife and so they carry on shopping.

A few aisles further on along, the woman picks up a \$20 jar of face cream and puts it in the basket.

"What do you think you're doing?" asks the husband.

"It's my face cream. It makes me look beautiful," replies the wife.

Her husband retorts, "So does 24 cans of Budweiser and it's half the price..."

On the PA system: "Cleanup needed on aisle 25, we have a husband down."
