4<sup>th</sup> April 2001

## What Happened Last Week

President Taj opened the meeting and introduced President David Faulkner from the R.C. of Victoria, President Peter Wong and Geraldine Yates.

President Taj then introduced his guests, the guest speaker Dr Carl Fung and his colleague Raymond Wong.

Rtn. Clark introduced his guest Brian Ko.

Rtn. Bill introduced his guest, his son Johnathan.

Exchange of banners from R.C. of Dorchester, England were made with Geraldine bringing greetings from her President.

President David Faulkner, Victoria made an announcement concerning the joint annual function between the Rotary Clubs of Hong Kong Island East  
Hong Kong South  
Quarry Bay

The function will be held on 5th May at Ocean Park Middle Kingdom with appropriately themed evening of entertainment.

David wished that any Rotarians able to contribute prizes for the raffle should contact Rtn. Christopher Howe.

The Sgt. at Arms report was presented by Rtn. Jason; 26 members and \$1,000 collected.

THE ROTARY CLUB OF HONG KONG ISLAND EAST

香港東區扶輪社週報

Club 4350

District 3450

Chartered on 6 April, 1954 by Charter President  
PDG (Uncle) John Yuen

Rtn. Malcolm gave a brief talk about the forthcoming sponsored walk where Rudy, Desmond and Malcolm were representing the HKIE team.

Malcolm then introduced the guest speaker Dr Carl Fung.

Dr Carl talked about heart disease, normal risk and emerging risk factors and how the E.B.C.T. was a very effective modality. This was primarily due to its effective measure of calcification of the heart arteries.

The main pointers for improved risk were:-

- Lower cholesterol through diet, activity, no-smoking, use of aspirin, cholesterol medication.
- To lower hypertension and diabetes.

Various questions were raised especially by Rtn. Bill who thought that he represented a special lifestyle profile.

Our very own Dr Tony thanked Dr Carl for a very informative talk and announced that next weeks speaker would be Will Tang from the Police Traffic unit.

President Taj finally announced that our members attendance at the District Conference held on the 7th and 8th would be paid for by the Club.

Meeting closed with a toast to R.I. and the R.C. of Victoria.

## *Rotary Information*

### *Armless girl, helped by Rotary, can now hug her mom*

At last, Diamond Excell can give her mother what many children do effortlessly every waking day -- a hug in return for all the material love she's received.

Born without arms as a result of Robert's Syndrome, a rare congenital disorder that inhibited the development of her forelimbs, the 11-year-old Miami, Florida, USA, girl, was

Rotary requires a minimum 30% attendance at your home club during each half year.						

fitted on 14 March with myoelectrically (nerve impulse) controlled technology that provides her with functioning shoulders, elbows, wrists and hands.

"I am so grateful to everyone involved, especially Rotary," said Delia Excell, Diamond's mother. "Getting the first hug from my daughter brought tears to my eyes."

"I would like to thank my family for helping me go through this whole thing," said Diamond. "I'm looking forward to learning how to ride a bike, playing with my cousins, and learning to get around the house."

Held at the Biscayne Bay Marriott hotel in Miami, the ceremony marking this moving turning point in Diamond's life was the culmination of a 12-month effort spearheaded by Miami Rotarians, with the support of the entire South Florida community.

### ***Brasilia Population and Development Conference draws 800 participants***

Brasilia, Brazil, was the location for the third and final of this year's Population and Development Conferences, held on 15-17 March. Dedicated to the memory of the late RI Past President Paulo V.C. Costa, the conference was well attended, drawing more than 800 participants from 26 nations, many of them Latin Americans.

Echoing the RI theme, RI President Frank J. Devlyn urged participants to create awareness about population and sustainable development and take action to solve the world's population issues. One of the conference's speakers, Sethuramiah Rao, a representative of the United Nations Population Fund (UNFPA), spoke on the direct correlation between population and food, literacy and housing.

In breakout sessions, the conference discussed topics such as the societal challenges faced by women, education, urban and domestic violence, HIV/AIDS, child-spacing issues, the role of the media in creating awareness, and revolving loan funds for women entrepreneurs. Participants also discussed RI and Foundation programs that support Rotary's work in population and development as well as the role of volunteers, project guidelines, and community organizing tactics.

# LAUGH FOR THE WEEK

An old man in his eighties got up and was putting on his coat, when his wife said, "Where are you going?"

The elderly man replied, "To the doctor."

Surprised, his wife asked, "Why, are you sick?"

"No," he said, "I'm going to get some of those new Viagra pills."

With that, his equally elderly wife got up out of her rocker and started putting on her sweater.

Surprised, he asked, "Where are you going?"

"I'm going to the doctor too," she said.

"Why?" he asked.

She said, curtly, "If you're going to start using that rusty, old thing again, I'm going to get a tetanus shot."

He said: I don't know why you wear a bra ... you've got nothing to put in it.

She said: Well, you wear briefs, don't you?

He said: Why don't you tell me when you have an orgasm?

She said: I would, but you're never there.

He said: Shall we try a different position tonight?

She said: That's a good idea ... you stand by the ironing board while I sit on the sofa snore.

"IT'S A VIAGRA BOY! 7LB 8½"
