THE ROTARY CLUB OF HONG KONG ISLAND EAST
香港東區扶輪社週報
Club 4350 District 3450
Chartered on 6 April, 1954 by Charter President
PDG (Uncle) John Yuen

President Stephen introduced Mr. Calvin Hui, Rotary Foundation Scholar for 2003-2004, who was proposed by our Club and was selected among many nominations. Rotarian Veronica DeKrey of Hong Kong Harbour then introduced her guest, Ms Josephine Ng.

President Takayuki took the floor and remarked that their visit marked the 25th Anniversary of the Sisterhood between the two Clubs. The relationship was developing very well, promoting mutual understanding and co-operation between the two Clubs and the two places. The two Clubs had joint projects in sponsoring scholarship at the Sea School in Hong Kong. He then exchanged gifts with President Stephen.

President Stephen announced that at its meeting held on 10 June the Broad approved the sponsorship and scholarship to the Hong Kong School for the Deaf and he thanked PP Hubert Chan for matching the Club's donations. Rotarian Rudy announced that the Club would sponsor a project for the Rotaract Club of Lingnan to provide summer activities for the students of the school our Club had helped to build in Dou Tou in July. A visit to school by our members would be made from 12 to 14 July and members should contact him if interested to join. Sergeant-at-arms Laurence announced that the collection was \$760.

VP Henry then introduced the speaker, Mr. Walter Mak, Assistant Superintendent of the Hong Kong Customs & Excise Department responsible for intellectual property rights protection. Mr. Mak has been with the Customs & Excise Department for over 22 years and is the Divisional Commander of the Copyright Investigation Division in the Intellectual Property Investigation Bureau. The title of his presentation was "IPR Enforcement in Hong Kong SAR".

Mr. Mak gave us a PowerPoint presentation, illustrating the history of IPR infringement in Hong Kong several years ago, how Customs successfully tackled the problem, their achievements, their strategy in anti-piracy mission, how Customs enforcement is backed up with sound legal framework and the way forward for the years ahead. He also showed us a video of one of their raid operations.

In 1997, the problem of IPR infringement got to a stage causing serious concern among local and international communities. Government decided to step up enforcement actions and amended the relevant legislation to impose more severe penalties in order to protect the image of Hong Kong. Customs' actions covered the manufacturing, import & export, distribution and retail of pirated goods, and in parallel they strengthened the communication with copyright owners and conducted public education programmes to gain their respective support. The efforts of the C & E Department yielded good results and they put the problem under control. Looking ahead, Mr. Mak said his department would continue with their effort and would focus on corporate piracy and piracy in the cyber world.

Rotarian Tony thanked the speaker in our usual Rotary manner and he commended the effort of the Customs in IP rights protection, which is important in upholding Hong Kong's image as a world city.

President Stephen closed the meeting with a toast to RI coupled with the Rotary Club of Kawasaki South and Rotary Club of Hong Kong Harbour.

**ROTARY CLUB OF HONG KONG ISLAND EAST MEETS EVERY WEDNESDAY, 12:30 p.m. AT
EXCELSIOR HOTEL, CAUSEWAY BAY**

Official Visits from our Sister Club and Daughter Club

It was purely a coincidence when our sister club – The Rotary Club of Kawasaki-South paid us an official visit on 12th June 2002 coincided with the visit of our daughter club – The Rotary Club of Hong Kong Harbour which made it a double happy occasion.

President Kiyoshi Amano's delegation consisted of ten members plus his wife who acted as an interpreter during the short speech by the president in Japanese. A traditional exchange of gift was held over the meeting.

Headed by President Grace Yen of the Rotary Club of Hong Kong Harbour, she brought along a dozen of members including several heavy weight past presidents in her list. Good fellowship was well shared among all of us in the midst of this big gathering.

Though we seldom had such a big crowd in our regular meeting, President Stephen managed to finish the meeting on time with a large group picture taken before we departed.

On the next morning, the 13th June, President Stephen, together with PDG Peter, Rtms. Rudy and Laurence drove to the Hong Kong Sea School to meet all the members of our sister club who arrived there separately at 9.00 a.m.

Principal Y.K. Tsui and vice principal Y.K. Fung of the Sea School and their staff members were at the door to greet us. The reason to go to the Sea School is that both of our clubs are donors to the school every year.

A grand parade with full band was arranged at the play ground while President Amano was invited to take the salute. As it was the first time for him to have such an honour, he was much impressed. We all toured the school compound and watched the boys' activities, such as practicing to paddle the dragon boat ready for this Saturday's big festival. Later, we were treated back to the school hall for refreshment with the chairman, Mr. Cowen B. Chiu. President Amano gave a short speech and donated a handsome sum of Japanese Yen to the School.

Just a little bit of history, the sisterhood between the Rotary Club of Kawasaki South and the Rotary Club of Hong Kong Island East was established on the 22nd June 1977 and the bond was sealed by President Setsuma Tsurumi and our President Baker Moosdeen.

As to the daughter club, The Rotary Club of Hong Kong Harbour, it was sponsored by our club on the 25th March 1987 by selecting one of our members, Patrick Poon as its founding president.
