IPP Eric was invited to the rostrum to introduce PP Tim Lui, who needed no introduction. IPP Eric, addressing our PP Tim as ‘Tim Sir’, mentioned just a few key recognitions and professional, government and community services as “it would take a whole 15 minutes to complete the list”. These honours, recognitions and services included – Bronze Bauhinia Star (B.S.S.), Justice of Peace (JP), Deputy of 11th National People’s Congress of the PRC; Chairmen of Standing Commission on Directorate Salaries and Conditions of Service, Committee on Self-financing Post-secondary Education and Steering Committee on Self-financing Post Secondary Education Fund for the HKSAR Government. Being a Certified Public Accountant by discipline, PP Tim is also active in serving the professional circle, being the Founding President of the Hong Kong Professionals Advancement Association, the Honorary President of The Association of Hong Kong Professionals and Founding Member of the Hong Kong Professionals & Senior Executives Association, just to name a few.

PP Tim Lui began his talk by asking all to give IPP Eric a round of applause for his dedicated efforts last year and obtaining so many significant RI and District awards, including the Best Rotary Club of the Year and personally President of the Year.

PP Tim then turned the original topic of “From Professional to Politician” to his own vocational talk as he believes he is by no means a politician in the conventional sense.

He began showing us pictures of his childhood and as a teenager, and also of Lui Seng Chun, a place of fond memories - where his parents were married in 1949, and that he was born and lived for 6 years in his childhood. Lui Seng Chun was donated by the Lui family to the HKSAR government in 2000, with only a small request – to keep for good use, try their best to maintain the building, and open it to public. Eventually, Baptist University was offered the contract to revitalize and operate the building as a Chinese Medicine and Health Centre, commemorating the builder Mr. Lui Leung, PP Tim’s grandfather, who at the time owned Lui Seng Chun and operated a Chinese Bone-setting Medicine Shop, at the ground floor of the location.

PP Tim mentioned that he was the classmate of PP David Li, and they joined Coopers and Lybrand almost the same day in 1978 and returned to the HK office in 1984. And he and Rtn. Peter Yeung has been partner for many years with PricewaterhouseCoopers, PwC. He has worked for one firm in his career, admitted to partnership in 1987, served as Tax Leader and member of Management Board, as well as Chairman of its Regional Tax Network.

PP Tim led a multifaceted life, he is the Chairman of Board of Partners, PwC CaTSH firm(China, Taiwan, S'pore & HK), the lead director, dealing with corporate governance issues of the firm. He is also a member of the PwCIL Global Board, being the only Asian face out of the 18 members. PwC has 180,000 employees around the globe with annual revenue exceeding US\$30b.

As partner of the BIG 4, he also spend time in the community, serving the HK Society of Accountants and becoming the Council Member 1991, President of HKSA in 1997 and Chairman of Tax Committee for 12 years, commenting on tax and budget issues; the press used to follow him during budget times while he delivered talks.

His past Government Committee works included:

- Consumer Council
- Joint Committee of Student Finance (C)
- Immigration Tribunals
- Employees' Compensation Insurance Levies Advisory Board (C)
- Appeals Board (Education) (C)
- Commission on Strategic Development
- HKUST Council

His current Government Committee works including:

- Standing Commission on Directorate Salaries & Conditions of Service (C)
- Committee on Self Finance Post-Secondary Committee (C)
- Steering Committee on Self Finance Post-Secondary Education Fund (C)
- University Grants Committee
- Equal Opportunities Commission
- Advisory Committee on Post-Office Employment for Former Chief Executives & Politically Appointed Officials

C = Chairman

On other professional endeavours, PP Tim is also the Founding President of HK Professional Advancement Association, being referred by the media as the leader of the 10 protégé of our current Chief Executive. He is also the Honorary President of The Association of HK Professionals, Founding Member of the HK Professionals & Senior Executives Association and Vice Chairman of China-Africa Business Council (HK).

Because of his vast amount of experience in serving the government and the community, PP Tim was elected the Deputy of the 11th NPC, and his extensive professionalism, he is serving as Advisors to the PRC Ministry of Finance Accounting Standards Committee and the HK Association for The Promotion of Peaceful Reunification of China. As the term of office for NPC Deputy will end in Feb 2013, he shared with us of his likelihood for seeking reelection to continue to serve his motherland.

PP Tim expressed his feelings that Hong Kong has been very fortunate in that the Central Government has been giving preferential treatments to Hong Kong and Macau as the State Leaders recognize the efforts from

Hong Kong entrepreneurs which contributed to the progress of China over these past years and he reckoned that Hong Kong is a place that could be of contribution to mainland China in the future. He has particular strong feelings of the Central Government allowing a higher number of NPC Deputies for Hong Kong and Macau than their usual practices by reference to population.

PP Tim also shared with us the inspection tours that he conducted together with other NPC Deputies, recommendations and comments were made during these tours and reports often routed to the Central Government for considerations. He fondly talked about his experience in talking with coal miners, students and workers, and quite often taking extra efforts in digging into the core of the problems in areas of concerns.

PP Tim does not consider himself a politician but rather someone who Serve the Community with Professional Background, who can speak freely in those forums and be true to oneself.

Pres. Nancy presented a souvenir to thank PP Tim for sharing his experience with us.

PP David Li was invited to give vote of thanks. He thanked PP Tim for bringing him and Rtn. Francis Li to this Rotary Club on 20th August 1986, and praised fervently for the goods that he has done for the society of Hong Kong and that we are one of the beneficiaries of his services and endeavours. After his vote of thanks, members began to wonder who is the politician.

Acting SAA Anthony Kwong reported red box collection of a total of HK\$2,100 with special contributions from AG Eddie Wong, PP Tim Lui, Rtn. William Leung and other members.

Next week would be another talk from our heavy weight speaker PDG YK Cheng, and Pres. Nancy urged members to come and attend the meeting.

Finally at 2:00pm, President Nancy declared the close of the meeting with a toast to RI coupled with Rotary Clubs of St. Ives, HK Harbour, Happy Valley, and Hong Kong Island East. She also invited all guests and members to take a group photo.

Report from PP George for his sister club visit to the RC of Makati North July 17-20

My wife Cynthia and I were greeted at the airport by PP Pabling and his wife Maribel. We were invited to stay at their newly built ultra modern home designed by their son Carlo who is an architect trained in U.K.

The induction ceremony for the president Bob Hacks was attended by many of their district's dignitaries as well as representatives from two sister clubs. Other than yours truly who represented Island East, the Singapore Raffle City club was represented by their President, IPP as well as their Anns and some members. The members of Makati North entertained us by performing their national folk dances as well as Latin dances. I presented a souvenir gift to their club on behalf of President Nancy and our members.

'I also know that you weigh 130 pounds.'

The mother is past surprised and shocked now. 'How in Heaven's name did you find that out?'

'And,' the little girl says triumphantly, 'I know why you and daddy got a divorce.'

'Oh really?' the mother asks. 'Why?'

'Because you got an F in sex.'
