He emphasized that the Rotary Foundation's mission is "to enable Rotarians to advance world understanding and peace through the improvement of health, the support of education and the alleviation of poverty." He pledged all participants to become Rotarians who care about our world; who are passionate about making a difference; who place 'service above self' to contribute willingly to The Rotary Foundation and do so out of LOVE for their fellow human beings.

The First Joint Rotaract Clubs (HKIE, Lingnan University Students' Union and HK Community College Students' Union) Board Meeting was held on October 6, 2012

There are three Rotaract Clubs sponsored by RC Hong Kong Island East: Rotaract Club of HKIE, Lingnan University Students' Union (LUSU) and Hong Kong Community College Students' Union (HKCCSU). To foster the relationships among the three clubs and their mother club, a joint board meeting was held at 7 pm on Oct 6, 2012 under the supervision of IPP Eric Chin in the staff club in HK Polytechnic University.

President Nancy, IPP Eric Advisers of three clubs and Adviser Dir. William Wong attended the meeting. There are 4 members from RAC HKIE, 13 members from LUSU, 5 members from HKCCSU.

President Henry Cheung of RAC HKIE chaired the meeting. He reported that there are 26 rotaractors in the club. The role of the club will be mainly to support mother club activities and invite U-based Rotaractors to join com-based rotaract club of HKIE. He was very pleased to report that there were two LUSU rotaractors joining the RAC HKIE in this month.

President Ronald Hung of RAC LUSU reported that they had just recruited 200 rotaractors in the new semester, held a new member orientation on Sep 14, 2012 evening which was attended by IPP Eric and PE Jonathan, started a peace program with South Asians Teens with Christian Action. They are going to have an International Service Trip in Nepal in January 2013 with the support from a local rotaract club in Nepal.

President Steven Leung of RAC HKCCSU reported that they have recruited 180 rotaractors on Sept 11 and 14 in the beginning of this semester. They have completed a 6 days IS trip in Thailand in late June. They also attended a RAC leadership orientation training by adviser IPP Eric and Rtn. Dennis Wat on Sept 7, 2012. They shall have a service project with Holy Carpenter Secondary School.

President Nancy admired the development of membership and the current reports from rotaractors. Advisers IPP Eric shared his vision to build up a stronger and bigger new generation group under mother club. It is planned that there will be a joint board meeting for every 6 months. Adviser William also encouraged three clubs to have a closer tie in future. With the sponsorship of President Nancy of 6 free tickers for movie, three lucky winners of rotaractors were all excited for the free movie. The meeting ended at 10 pm.

Why even he was enjoying this religious experience!

A couple of the people were so caught up in the joy of the moment that they got out of their cars and started walking towards me.

I bet they wanted to pray or ask what church I attended, but this is when I noticed the light had changed.

So, grinning, I waved at all my brothers and sisters, and drove on through the intersection.

I noticed that I was the only car that got through the intersection before the light changed again and felt kind of sad that I had to leave them after all the love we had shared.

So I slowed the car down, leaned out the window and gave them all the Hawaiian good luck sign one last time as I drove away. Praise the Lord for such wonderful folks!

Will write again soon,

Love, Grandma
