PP Eddy made an introduction to PDG Jones Wong for his talk on Rotary Community Corps. PDG Jones gave us a presentation on the history of Rotary Community Corps (RCC) and its Hong Kong situation as follows:

- RCC was new in the District 3450, however its idea was long adopted by RI since 1988; which was one of the nine structured programmes for non-Rotarians to foster fellowship and goodwill from the community (please see the Rotary Potpourri of this week's bulletin for more details).

- RCC was presumably established under the sponsorship from one Rotary Club, for recruiting non-Rotarians (with employment or mature students) who liked to contribute their volunteering work in the community and under the guidance from the Rotary advisors.
- RCC members would contribute only a nominal fee, but had a contact monthly meeting to discuss and work on at least two projects in a year. They would expect fund raising support and guidance from the 2-3 Rotary committee members assigned to work closely with them. The Rotary committee members would provide training to the RCC members to extend their community work.
- Currently there were about 7,000 active RCC in 75 countries worldwide.
- Two or three Rotary Clubs could join hand to provide the financial support and funds raising activity to sponsor the RCC projects in the community.

PDG Jones Wong shared his planning of inducting one Rotary Community Corp (not less than 10 members to start with) shortly in 2012 and intended to charter 5 more RCC in the next few months.

Questions from a few Rotary members:

- PP Andy was asking how much guidance would be required from the sponsoring Rotary Club?
- PP Eddy was asking if RCC would maintain a separate identity or strictly under the sponsoring Rotary Club?
- Rtn Tony was asking if any responsibility would be required to provide governance to the RCC from the sponsoring Rotary Club?

PP Henry was delighted to make the vote of thanks in the usual Rotary manners, and who happened to join Rotary in the same year as PDG Jones Wong in 1992.

Before the luncheon meeting was closed, Pres. Michael of RC Hong Kong South made an appeal to their Breakfast project for an Ap Lei Chau school.

The Rotaractors from Lingnan University also made an appeal to raise funds for selling the handicrafts to the members; to support their Embrace Nepal project (co-operation with Baneshwar Rotaract Royal; and their mother club of RC of Baneshwor (District 3292, Nepal with 31 members). The LNU Rotaractors planned to go on January 5-12, 2013 for their exchange projects, target to have 20 members to join. Meanwhile they had successfully raised funds from JAC website building and sponsorship from Goyesh.com for a total of HK\$6,000.

Next week we have Mr. Andy Ho to speak for us about his past experience. He is the ex-News & PR Coordinator of our ex-SAR Governor Donald Tsang.

Pres. Nancy made a toast to RI coupled with the clubs from visiting Rotarians, Rotary Clubs of HK Financial Centre, HK South, Kota Melaka, and Chablais.ch and also to Rotary Club of HKIE.

The guests and members stayed behind for a group photo at end.

At that moment the traveler comes down the stairs, states that the rooms are not satisfactory, picks up the \$100 bill and leaves.

No one produced anything.

No one earned anything...

However, the whole town is now out of debt and now looks to the future with a lot more optimism.

And that, ladies and gentlemen, is how a "stimulus package" works. Don't knock it.
