PP Eddy reported on the Peace Forum to be held in Honolulu, for the environmental protection and peace making. The District Peace Committee has selected three young Rotaractors to represent D3450 and each area should have nominated one or several representative to participate in the coming Rotary Global Peace Forum taken place in Honolulu in Jan 2013. He expected there would be a delegation of 20 including Rotary members. Should any member be interested in attending this Forum (Theme: Green Path to Peace), please feel free to contact PP Eddy Wong for details.

SAA Jonah reported the red box collection of the day was HK\$1,400.

Rtn William made an introduction of our luncheon speaker, Mr. Paulison Chan, the superintendent of Holland Hostel, an operation from the Hong Kong Student Aid Society. Mr. Chan was educated from Hong Kong PolyU for social works and had a long service history in Hong Kong and Macau.

Rotary Club of Hong Kong Island East had sponsored one of the youth programs with Holland Hostel this year for HK\$30,000 regarding their pilot launch for a personality test for their young inmates.

Mr. Paulison Chan made a presentation of the Holland Hostel and their young inmates as follows:

- (1) History – the Holland Hostel was started in 1967 by Mr David Taylor, a preacher from Holland working in Hong Kong. The Holland Hostel provided shelters to the young boys from orphanage (beyond 11 years old, till 21) or from special family situations who were de facto homeless, or requiring supervisions.
- (2) Currently the Holland Hostel had more than 80 young inmates joining on voluntary basis and they had selected 10 young students (mostly F4-F5) to take on this youth personality test project (teen 生我才必有路).
- (3) The personality assessment would be outsourced to psychologist to implement and sponsored by our club's fund. The project objective would be to help the young students to know more about themselves in their characteristic traits, their personal interest and matching with their intended future career development.
- (4) There would be pre-test acquaintance and possible matching from our club members for the 10 young students. After the personality test result was given out, our members would meet with the young students again to share their feelings and attempted to give some advice and interpretation for their specific aspirations.
- (5) The work and study prospect from the hostel inmates was encouraging, many young people joined vocational schools, and some even went on to receive post-secondary and university education. They had to graduate and move out upon their 21st birthday and led their own independent life.
- (6) The social workers there and some of their graduates returning as the voluntary helpers had worked with extreme care to nurture the young people with great understanding and sympathy.
- (7) Our members would have the opportunity to join the Holland Hostel in their open day on January 20, 2013 and to give possible career talks to them in the future. In fact the Hong Kong society had well recognized the needs of the Holland Hostel and many community members went to visit them and gave moral supports in the past.

It was also interesting to note that the HKSAS had received a special gift from UK, the Coventry Cross of Nails (made up from the ruined rooftop nails of Coventry Cathedral in WW2) which was a powerful and inspirational symbol worldwide of forgiveness and reconciliation.

Rtn Anthony made a vote of thanks in our usual Rotary manners. Pres. Nancy made a toast to RI coupled with RC of Taipo and HK South. The guests and members were invited to take a group photo after the meeting adjourned.

LAUGH FOR THE WEEK

Subject : **Words for Inspiration**

Instead of a laugh this week we give you some words for inspiration as follows:

1. Prayer is not a "spare wheel" that you pull out when in trouble, but it is a "steering wheel" that directs the right path throughout life.

2. Why is a car's windshield so large & the review mirror so small? Because our PAST is not as important as our FUTURE. So, look ahead and move on.
3. Friendship is like a BOOK. It takes a few seconds to burn, but it takes years to write.
4. All things in life are temporary. If they are going well, enjoy them, they will not last forever. If they are going wrong, don't worry, they can't last long either.
5. Old friends are gold! New friends are diamond! If you get a diamond, don't forget the gold! To hold a diamond, you always need a base of gold!
6. Often when we lose hope and think this is the end, God smiles from above and says, "Relax, sweetheart; it's just a bend, not the end!"
7. When God solves your problems, you have faith in HIS abilities; when God doesn't solve your problems, He has faith in YOUR abilities.
8. A blind person asked God: "Can there be anything worse than losing eye sight?" He replied: "Yes, losing your vision!"
9. When you pray for others, God listens to you and blesses them, and sometimes, when you are safe and happy, remember that someone has prayed for you.
10. Worrying does not take away tomorrow's troubles; it takes away today's PEACE.
