The highlight of today's program was the vocational talk by our member Dominic Shui.

Dominic's surname in Chinese is 帥 and of course his nickname is 帥哥, the smart and handsome man.

He had just reached the age of a senior citizen and was retired a year ago. He first worked as a copywriter to the Creative Director in 1982. He had been working in Shanghai in 1992 and then returned to HK in 2005 and focused on teaching till 2009. He started working for non-profit organization since then. He is a follower of Mac with a SE and Laserwriter.

He is now working for CSR TV and participated in social services. CSR TV is a web TV with production facilities to provide video for non-profit organization or social enterprises. He had helped in reporting on the 52nd Rotary International Conference and "The ONE" project by our IPDG. He had also created a "Rotary Channel" for promoting Rotary News.

After working on these Rotary projects, he knew Rotary much better and decided to join Rotary Club of Hong Kong Island East last year to become a real Rotarian.

Finally, he gave a brief review of what the CSR TV had done in 2012 and what was his plan for 2013 followed by a numbers of questions from our members especially on the funding and income of the CSR TV.

After the talk, President Nancy celebrated Dominic's belated birthday which was in November last year. PP John was invited to lead the birthday song followed by the cutting of birthday cake.

President invited our two Rotaractors Menty and Charis to give a talk of their project "A Warm Delicate Touch" by their RYLA (Rotary Youth Leadership Award) 2012/13 Team called CUBE. CUBE stands for Creative, Unique, Brilliant and Energetic. Their project was to make and deliver homemade soap and New Year Fortune Bag to 18 elderly parties. Their budget for the project is \$5,000 and is short of \$2,500 only. At once, eight members volunteered to support and each gave \$500 for this meaningful project. They were President Nancy, PP Henry, PP Hubert, PP Norman, PP Heman, PP Andy, PP George and Rtn. Morris.

Uncle John then asked President Nancy to present the prizes for Uncle Peter Hall golf tournament to the following winners:

- 2<sup>nd</sup> runner up for Gross Score Award – PP Andy
- 2<sup>nd</sup> runner up for Net Score Award – PP George

Next Week's speaker will be Mr. KK Tsang and the talk will be on Advertising Industry and New Digital Media.

President Nancy formally closed the meeting at 2:05 pm and proposed a toast to RI coupled with RC Taipo and RC Hong Kong Island East.

## Rotary Potpourri

RI President's monthly message - January, 2013

Dear fellow Rotarians,

I am a Japanese businessman, and I wear a suit almost every day. The Rotary pin is always on my lapel. It is there because I am proud to be a Rotarian. Anywhere I go; people will see the pin and know who I am. Other Rotarians will see it and know that I am a friend, and people who are not Rotarians will see it as well. I want to be sure that all of them also understand the meaning of this pin.

This is why I am asking all of you to wear your Rotary pin and to raise awareness of what the pin means. I believe having that pin on your lapel changes you. It makes you think more before you speak and before you act. It makes you remember, all the time, that you are a Rotarian – and that as Rotarians, we are here to help.

All of us should be ready to talk about Rotary. When someone asks you about that pin, you should be ready to answer them. What is Rotary? What does Rotary do? These are questions that each of us should always be prepared to answer.

We cannot go to prospective members and ask them to join Rotary only because we want more members. We have to show them that Rotary is a wonderful organization, and that they will be happier because they belong to a Rotary club.

When we ask people to join Rotary, we are doing this to help them as well. I think all of us are grateful to the person who asked us to join. I know that my life is much happier, and has been much more productive, because of Rotary. It is clear to me that the day I joined the Rotary Club of Yashio was a day when I took my first step down a different path in life – a path of greater connection, greater satisfaction, and a deeper sense of fulfillment and peace.

This is a feeling that I want to share with others. And I know that one way to do that is through bringing in new members. But we must also do it by raising awareness of Rotary and Rotary's work, by focusing on our public image and wearing our Rotary pins every day.

Sakuji Tanaka  
President, Rotary International.

**LAUGH FOR THE WEEK**

**Subject : Vaseline survey**

A man doing market research knocked on a door and was greeted by a young woman with three small children running around at her feet. He says, "I'm doing some research for Vaseline."

"Have you ever used the product?"

She says, "Yes. My husband and I use it all the time."

"And if you don't mind me asking, what do you use it for?"

"We use it for sex."

The researcher was a little taken back. "Usually people lie to me and say that they use it on a child's bicycle chain or to help with a gate hinge. But, in fact, I know that most people do use it for sex. I admire you for your honesty. Since you've been frank so far, can you tell me exactly how you use it for sex?"

The woman says, "I don't mind telling you at all...My husband and I put it on the door knob and it keeps the kids out."

(And you thought it was gonna be a dirty joke...! Shame on you!)
