## Last week's Proceedings - 15 July 2015

A new Rotary year, a new vision. Last week President William Wong welcomed everyone by unveiling his vision for the coming Rotary year, and outlining how we can be 'A gift to the world'. He began by welcoming some guests to

our club, who were Mr Ken Wu, a guest of PP Rudy, as well as Mr Angus Leung, guest of Rotarian Simon Ng and who is a potential member for our club. P William also gave welcome to four students from HKU, who are mentees of PP Hubert Chan. P William also welcomed back PP Tim Liu from his travels, and with there being no birthday boy or girl, SAA John Poon reported our Red Box takings of HK\$1,000. There was no guest speaker this week. Well there was, but he happened to be our new club President William Wong, so with the eating underway, P William duly stood before all members to deliver his vision for the coming year. Before that however, he also reported on his trip

to visit our sister club Manila North in the Philippines, and shared photos of the joyous celebrations and fellowship experienced by the visiting party from our club (more on that in Out & About).

After P William's presentation, with everyone inspired and ready for the year ahead, we stood to give a toast to RI and RCHKIE, before joining for our group photo.

Next week's special guest speaker is our own Rotarian and recently new member John Poon, who is going to let us know more about himself. We look forward to that!

## SPOTLIGHT ON - P William's vision for 2015/16

My vision for this year is about Fellowship and Service. I aim to focus more attention at club level, and importantly to improve our attendance rate for our weekly meetings.

In order to give information about the weekly speakers to our members well in advance, I will set up a weekly speaker program committee and assign PP Heman as committee Chair supported by two to three members who will help to arrange our speakers.

I will also be setting up a fellowship committee group, fellowship director Jonathan is the committee Chair for this, supported by two to three other members to arrange the whole year fellowship program.

Basically Jonathan has already set this up in advance, and we will sit

down to have a detailed discussion after his return from Europe later this month. I want have this ready before the next board meeting on Aug 13 Thursday.

I will ask Director Kevin and new member Neo Yu to join this committee.

For the services, I will continue the existing services projects in this coming year and look for new projects which benefit our club.

Finally, for the district projects and functions, I will put this matter to the board for discussion when it is available. Thank you

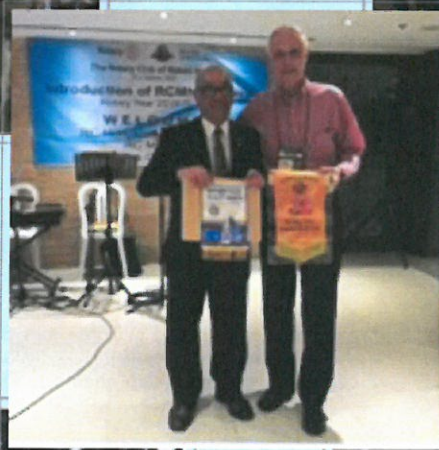

## Out & About VISIT TO SISTER CLUB MAKATI NORTH

Kicking off his year as President, P William led a team of four of our club members to visit our sister club Makati North in the Philippines, including PP John Kwok, PP Henry Chan and Director Kevin.

He reports that the visit was very successful, starting with a welcome at the airport by President Dieter, and a welcome dinner in their honour which was at the Ar-rozeria restaurant, owned by the son of PP Pabling. Among the celebrations, which included their own club installation ceremony, there was an exchange of banners and gifts with P. Dieter and we received a certificate of Recognition. IPP George was also thanked for our support for their IS project "Feed A Child, Build A Nation". We also met with P Elizabete Fong of RC Macau (sister club of Makati North), who also joined their celebration.

There were two rounds of golf (naturally) with the first taking place at the interestingly named 'Wack Wack Golf and Country Club (must be a wacky place). All in all a great trip which all made for good fellowship to boost the relationship between our two clubs. A great start to the Rotary year.

## THE LAST LAUGH

### WISE GRANDMA

The doctor who had been seeing an 80-year-old woman for most of her life, finally retired.

At her next checkup, the new doctor told her to bring a list of all the medicines that had been prescribed for her.

As the young doctor was looking through these, his eyes grew wide as he realized Grandma had a prescription for birth control pills..

"Mrs. Smith, do you realize these are BIRTH CONTROL pills?"

"Yes, they help me sleep at night." "Mrs. Smith, I assure you there is absolutely NOTHING in these that that could possibly help you sleep!"

She reached out and patted the young doctor's knee..."Yes, dear, I know that. But every morning, I grind one up and mix it in the glass of orange juice that my 16 year old granddaughter drinks. And believe me, it definitely helps me sleep at night."
