Rotary Club of Hong Kong Island East **TUNG FENG**

Vol.63 No.3 29 JULY 2015

Last week's Proceedings - 22 July 2015

President William rang the bell to kick off the meeting at 1pm on the dot, and began by welcoming back some returnees, including PP Stephen, PP Hubert, Treasurer Jason and PE Chris. There were no birthday boys or girls this week and P William then

went through the announcements, before calling PE Chris up to the podium. As he had been on vacation during the installation, P William performed the pinning ceremony to officially welcome Chris to his role as President Elect.

PE Chris was then invited to take to the microphone to give us all an update on a variety of topics in a presentation format. These included the visit by P William and IPP Norman to the Heep Hong graduation ceremony, the launch ceremony for the Real Madrid Foundation in Hong Kong, as well as the invitation to the coming District Fellowship Party on October 24th and finally some small design update on Tung Feng by PE Chris.

SAA Charles then announced the Red Box takings of \$1,400, before P William introduced our guest speaker who was none other than our own, Rotarian John Poon, who had stepped up to tell us more about himself, his

family, and his work. John has been an enthusiastic but understated member since coming on board, and it was great to get to know him better for all of us. After his speech, P William, thanks Rtn John for giving us all the insights into his life. He then wrapped up with a few other matters, explaining to the members present about his plans for future speakers and for fellowship, with PP Heman as Chair for the speakers committee, and PP Jonathan to do the same for fellowship. We look forward very much to further updates from both!

SPOTLIGHT ON - Rotarian John Poon

Rotarian John joined our club in January 2015, and was introduced by Treasurer Jason, who has been a close friend since university days. He began his presentation by introducing us to his family, including his wife Sarah, and two

sons aged Michael aged 5 and Jonathan aged 1. We were then entertained by some photos of his eldest son's participation in a recent gold tournament (a budding Tiger Woods perhaps?) and especially the look on his face when he discovered that his mother was going to be his caddy!

Rtn John then told us more about his work and experiences. He is Director of China and tax Services at Tricor Services Ltd, a subsidiary of Bank of East Asia. Tricor specialize in accounting & payroll services, ongoing tax filing, company secretarial services as well as other tax & business advisory services.

John's responsibilities include building up the company's accounting and company secretarial services in China, overall business strategy formulation, expanding the practice into various cities in China, internal and external relationship management, and recruitment and training. His experience includes working in worked in Beijing, Shanghai, Shenzhen and now in Hong Kong, and talked about the differences and professional challenges of working in China. He wrapped up telling us how much he appreciated being a Rotarian and shared with us some of his most memorable experiences so far. We're fortunate to have Rtn John as a member and we look forward to his involvement in more projects in the future.. (be warned John!).
