President's Message - A vocation in life

This past Monday we had vocational training for Rotaractors at Lingnan University, which was well received. Our members PP Jonathan, Rtn Sharon and PE Chris gave presentations to the students.

PP Jonathan shared insights about starting up your own business. Sharon spoke about Human Resources Management. PE Chris talked about what it takes to make it in the creative industries. All of this was valuable for the students and really just

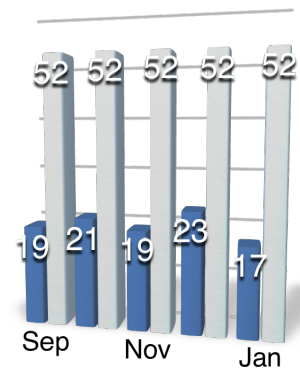

took a little of our time. This is an important role we can play as leaders of our respective fields - to pass down to the younger generation. To impart valuable knowledge based on our experience. And it's the diversity of Rotary which makes this possible. We come from all walks of life, but in the end, we are following the same path. To give back.

PDG (Uncle) John Yuen

Last week's Proceedings - 17 February 2016

Although the spirit of Chinese New Year was somewhat dampened by the sad news of our dear lost friend and devoted member Uncle Peter, this post-CNY luncheon was celebrated in traditional spirit, as Uncle Peter would have wanted, with a good turn out of members to wish each other good fortune and health for the coming Year of the Monkey. As such there was no guest speaker this week, instead members were encouraged to join together in fellowship and the warmth of each others' company.

P William began by welcoming back PDG YK Cheng, as well as returning Rotarian guest, PP Pedro Ching from RC of HK City North. P William then requested a minute's silence in memory of Uncle Peter and all rose to observe this in a melancholy moment. After which, a happier mood commenced as we celebrated birthday girl Stacy, who invited Director Kevin to lead her birthday song. SAA John Poon then read out the Red box takings of HK \$1,400, and P William then read out the announcements. After which, some eating and hearty chatter among all, before it was time for some traditional proceedings...but, with a bit of a less traditional twist. The music began...the expectation was in the air...and then we got our first glimpse of the Choy San, who this time turned out to be a foreigner..that's right...a Caucasian. What's more he looked really really very similar to PE Chris, who completely missed the whole affair as he claimed he was in the toilet while this dressed up bearded character was handing out lai see packets to the whole room. Who was he? We shall never know. PE Chris returned and wondered what all the fuss was about. By then this mythical God had disappeared. But not before many members took the opportunity to have their photo taken with him, hoping of course that some of the good fortune would rub off on them for the coming Year of the Monkey, including the overall group photo. So, after all the excitement, finally it was time to close the meeting. P William called a toast to RI, RC of HK City North and HKIE. Meeting adjourned.

Out & About

At the races

DGE Eric and P William were among the Happy Valley happy race goers on the evening of February 17th, at the District Horse Racing Night, along with visiting Rotarian Mark Rogo from RC Westwood Village, California, who DGE Eric had met recently on his US trip. He and his wife Lynn were celebrating their 40th wedding anniversary and were about to embark on a 16-day cruise. What a great way to see Hong Kong, among fellow Rotarians on race night.

Vocational Training

PP Jonathan, PE Chris and Rtn Sharon took to the stage at Lingyan University on Monday evening, Feb 22nd, for each to give an inspiring vocational talk to Rotaractor students about their respective careers. President William did the introduction, and afterwards the students had breakout groups for further questions and advice. Rtn Elle also came along to observe (your turn next year Elle?). A good and meaningful session with the leaders of tomorrow by the leaders of today!
