President's Message - Choi Jun goes Gold!

Last week I was fortunate to make my first visit to Choi Jun school as we had a preparatory meeting for this year's Swimming Above Self project. I went with IPP William, Directors Kevin and Leo and PE Stacy, and we met the school team as they took us through the proposal for the event. All well and good. And good for me to learn something at school, as I gained a better understanding about the students and what the school sets out to achieve. How amazing then that this week we saw the results of their incredible work, when it was announced that Tang Wai Lok from Hong Kong, himself a success story from Choi Jun, has won Gold at the 2016 Rio Paralympics. This is unbelievable, and we are delighted not just for him but for the school too. To see this fine young man doing Hong Kong proud on the international stage is something we are privileged to witness. Truly an amazing achievement, and I have to say I also feel proud that our own club has been a part of making this possible. Sometimes the work that we do as Rotarians produces great results.

THE ROTARY CLUB OF HONG KONG ISLAND EAST

香港東區扶輪社週報

Club 16340 District 3450 Chartered on 06 April, 1954 by Charter President

PDG (Uncle) John Yuen

Last week's Proceedings - 07 September 2016

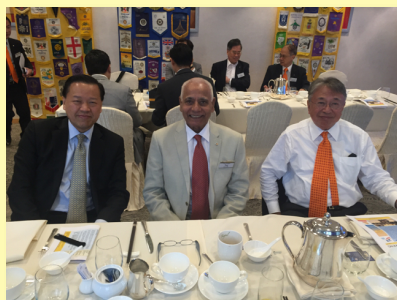

Since this week it was the official visit of DG Eric to our club (his club) we had an excellent turnout from members and guests. DG Eric brought with him his District Officers, who included and our own IPP William 9 (here as DAG William), DS Nigel Lo and DS Bee Chan. President Chris began by welcoming all, and also welcoming back some long-time-no-see members such as PP Tajwar. We then had a birthday boy to celebrate who was PP Stephen, and he invited DG Eric to lead his birthday song. So with that, the

announcements were made, before SAA John was asked to read out the Red Box takings...a whopping \$2,600, and P Chris commented that we should have DG Eric visit every week. After which it was time for

DG Eric to give us an overview of his plans for the District within this year, which is now well under way. All in all a great, hearty and warm DG visit, and P Chris wrapped up with a toast to RC of HK North, RC of Breamar Hill, RI, and HK Island East.

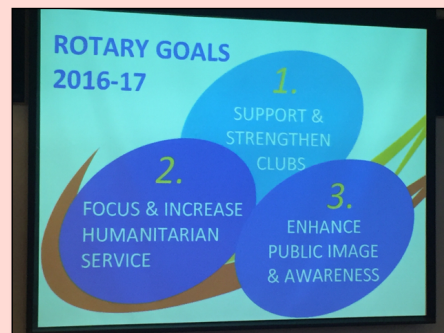

Spotlight On - DG Eric Chin

It was great to see DG Eric return to our club since taking the helm, and he was given a warm welcome by all members. He gave us an overview of his plan for the District for the coming year, with an emphasis on three areas: 1. Support and strengthen clubs, 2. Focus and increase humanitarian service, and 3. Enhance public image and awareness. DG Eric then took us through some key events, including highlights the official DG visit to Mongolia and the District Installation. DG Eric spoke with pride that 90 members were inducted at the DI event, and he also spoke about the very ambitious membership growth target – 100% membership growth in the next 5 years! This will be achieved

through District initiative such as the Charter President Academy and through forming new Rotary clubs. Other highlights were the District 'Serving Humanity Marketplace', of which our club is supporting all 4 projects, including the Youth Fashion Project, Mongolia Braille Books, CPR program and Rookie Stars Hip Hop Dance contest. All in all, it was an inspiring talk and we are behind DG Eric all the way.
