President's Message - Normal service will be resumed soon

If I've been a bit quiet of late please excuse me. The simple fact is, I'm Chair of the 2017 District Rookie Stars Dance Contest, and the event is looming near. The past few weeks have been crucial in locking down sponsors money, working out a detailed rundown, including VIP guests (naturally DG Eric has been very influential), and planning, producing a video and poster and producing the event booklet. A lot to do with an Organising Committee of just 4 people. Thank goodness I'm surrounded by experienced Rotarians or it would be a mess. However, it's going to be a truly awesome event for sure. We already have the full quota of 1,000 participants from 7 countries. And last Saturday I visited a rehearsal session with the Music For Our Youth (MOY) orchestra, who are busy preparing to play classical hip hop, under the watchful eye of their founder, Gordon Siu. I was moved. It was so inspiring, and now I can't wait for the big day. I also look forward to a more normal life (if that exists when you are a P) and the next two exciting events in the pipeline are the annual party we are planning, now aiming for April 15th, and also our trip to Taiwan to sign the Sister Club agreement with Rotary Club of South Sea Taipei. All members are encouraged to join, so please think about it.!

Last week's Proceedings - 08 Feb, 2017

Well okay it wasn't the BIGGEST turn out for our post-CNY luncheon but we think more may have been in attendance had they known that PE Stacy was going to be such a fun and entertaining Choy Sun as she wowed the room with her dynamic and energetic performance. P Chris welcomed everyone, including DG Eric who joined us for this important festive meeting, and a lot of fun was had by all. Rtn Teresa introduced her friend Charles Soullisse, who has presented at our club in the past, and P Chris read out the announcements before sharing some photos from recent activities. After which acting SAA Andy announced the Red Box takings of \$1,400. And then...with no speaker as such...PE Stacy burst onto the scene to dish out the lai see

to the members present. She clearly enjoyed the role – and the hat! Which she seemed to become rather attached to, and declared that she was loving her PE role, having been Miss Santa, and now Choy Sun, all in the line of duty.

THE LAST LAUGH

Burglar and an Elderly Woman

An elderly woman had just returned to her home from an evening of church services when she was startled by an intruder. She caught the man in the act of robbing her home of its valuables and yelled, "Stop! Acts 2:38!" (Repent and be baptized, in the name of Jesus Christ so that your sins may be forgiven.)

The burglar stopped in his tracks. The woman calmly called the police and explained what she had done. As the officer cuffed the man to take him in, he asked the burglar, "Why did you just stand there? All the old lady did was yell a scripture to you."

"Scripture?" replied the burglar. "She said she had an ax and two 38's!"

"OK, so we have a burglar and he's eating your home-made steak and kidney pie! We now face a dilemma, do we call the police or an ambulance?"
