President's Message - 6 Decades and going strong

The 1950s are remarkable for two significant births – one was our club, born on April 6th 1954. Two years and two days later, came me!! Although I seldom own up to my age in front of others, I'm proud to be sharing this particular bit of info with you all. And as I write I know that many of you will be sat ready to enjoy a memorable evening of fun and fellowship, celebrating our club's coming anniversary. Thankyou to all of those who could be there. The idea of the event was really about getting everyone together and enjoy a good time together.

However, it's about more than just some wining, dining and dancing. The theme serves as a reminder of just how far this club has come over the years, and how important it is to preserve the traditions it upholds. When I took over as President for the year, I made my theme 'Respecting the past while embracing the future'. I think it's important to not forget those who built the club, and remind everyone how important it is to ensure that our work is never done into tomorrow. And that's also what tonight is all about. Have a great time, we have more nights like this to come!

THE ROTARY CLUB OF HONG KONG ISLAND EAST

香港東區扶輪社週報

Club 16340 District 3450 Chartered on 06 April, 1954 by Charter President

PDG (Uncle) John Yuen

Last week's Proceedings - March 22nd, 2017

3rd Club Assembly

This week it was not a huge turnout for our 3rd General Assembly. Nonetheless, we had a meaningful session. After President Chris had welcomed everyone and read the announcements, it was pretty much straight down to business, and it was turned over to PE Stacy. She then gave us a quick run through of events and activities from the past couple of months. However, she also opened each topic up for discussion and this resulted in some healthy debate. P Chris gave us an overview of the Rookie Stars Dance Contest and what he thinks was achieved. Which PP Rudy also supported. Other topics included the Ultramarathon, and Adopt An Elderly care visits, as Stacy posed the question as to whether we think such service projects should continue (to which we all said 'Yes'). All in all it was a healthy discussion between a somewhat small group.

Summary of events:

- Jan 9th – Rotary Foundation Centennial Exhibition
- Jan 12th – Potential Member Cocktails
- Jan 15th – Blind Bowling
- Jan 19th – Uncle Peter Memorial Golf Tournament
- Jan 20th – RC Braemar Hill Inauguration Dinner
- Jan 22nd – Adopt An Elderly visit
- Feb 25th Rookie Stars Dance Contest
- March 2nd – Uncle John Golf Tournament
- March 3rd – IPP Dinner

After all of which, it was time for the Luck Draw, and P Chris drew the numbers to reveal – once again, PE Stacy (hey this is becoming a habit).

We ended with a toast to RI and HKIE and it was time to adjourn for a group photo.

Out & About

March 30th, The 4th Happy Lunch

The Happy Lunches keep on getting happier! Rtn. John Poon, Kevin & Rotarianne Isa were all in attendance at the Spaghetti House, Peking Rd TST on Thursday the 30th.

Rotary, here there and everywhere

President Chris was in the UL for a really flying visit last week ..just a weekend basically, and came across this interesting Wishing Well in Fleet, Hampshire. A tiny corner of the south..where P Chris grew up.

A word for Uncle John...

There are some key members who could not be here tonight (sorry if the date did not work out for everyone), and none more so than dear Uncle John, who is still resting and convalescing. He is surely with us in spirit and we hope to have him up and about as soon as possible so we can continue to feel his influence over all of us. Take care Uncle John!

The Last Laugh - Three old men

A couple in their early seventies were discussing their future plans. The husband asked, "What will you do if I die before you?"

The wife thought for a moment before replying, "I will probably look to share a house with three other single or widowed women, maybe people a little younger than me since I am still active for my age. What about you? What will you do if I die first?"

He answered, "Probably the same."
