## President's Message - Just like old Times?

I sincerely want to thank each and everyone who turned out for the party last Saturday. After much anticipation, it was a great success I think, if the measurement of success is about people having a great time. I want to reiterate the main objectives of this function. Yes we were celebrating the club anniversary, but the main thing was to get as many members together as possible to just enjoy themselves and have a good time. It was about fellowship. It was also about tradition. I know all about the club's past.

I hear the stories about some great celebrations, great characters and great times. But as I've said at the start of my year, my mission is to 'respect the past while embracing the future'. And last Saturday was about the future too. We must be looking ahead. We must be thinking about future great times and where the club needs to go. And that's also what Saturday was about. It gave me such pleasure to see the 'HKIE All Stars' band on stage, performing. Members entertaining members. Last but not least, I want to thanks PE Stacy and Rtn Teresa for their great efforts in pulling it all together and making it fun (and Stacy's mum Melo! Our big supporter..). Let's look forward to doing it again!

# Last week's Proceedings - April 1<sup>st</sup>, 2017

Well the official luncheon meeting was rolled over into the Saturday anniversary party, so to make that official, President Chris kicked off the meeting with the bell, and launched quickly into the announcements, as much as people could focus on that. With that done it was time for birthday boy PP Rudy to come up on stage and cut his cake as we performed the biggest every birthday song (led by PP John Luk), and P Chris presented Rudy with his card, as well as presenting one to himself (P Chris's birthday is April 8<sup>th</sup>). All of which was great fun and led us on into the party, as P Chris rang the bell to officially close the meeting. Dinner duly commenced, and then it was time for the special live performance

of the HKIE All Stars – PP Hubert (who had just landed from Afghanistan), PP David Li, Director Kevin, and special guest vocalists DG Eric and PP John Luk. What a great and beautiful performance it was too. Very heartwarming. As dinner drew to a close we had the dancing competitions, with people dancing to music from the 50s, 60s and 70s. And the party rocked on from there with lots of dance and merriment as P Chris turned into DJ Chris and spun the tunes across the '6 Decades of Island East'. Of particular note was Kyme Junior Cameron who stole the show with his dance antics to an enthusiastic audience, and Mrs Kyme (Flora) joined PE Stacy's mum Melo as judges of the Best Dressed of the evening. A great night in all!

## The Last Laugh - Drunk Husband

A wife was in bed with her lover when she heard her husband's key in the door. "Stay where you are," she said. "He's so drunk he won't even notice you're in bed with me."

Sure enough, the husband lurched into bed none the wiser, but a few minutes later, through a drunken haze, he saw six feet sticking out at the end of the bed.

He turned to his wife: "Hey, there are six feet in this bed. There should only be four. What's going on?"

"Nonsense," said the wife. "You're so drunk you miscounted. Get out of bed and try again. You can see better from over there."

The husband climbed out of bed and counted. "One, two, three, four. You're right, you know."
